ITEM 8.01 OTHER EVENTS

## Edgar Filing: ATWOOD OCEANICS INC - Form 8-K

On January 14, 2005, the Company announced that the SEAHAWK has been awarded a contract by Amerada Hess Equatorial Guinea, Inc., ("Hess") to work off the coast of Equatorial Guinea for a firm period of 730 days with four options of 180 days each. The drilling operation is expected to commence between June 1, 2006 and August 31, 2006. The contract provides for a base operating dayrate of \$68,430, with a mobilization fee and other advance payments of approximately \$5.5 million.

The SEAHAWK is currently working for Sarawak Shell Berhad ("Shell") off the coast of Malaysia on a drilling program that is expected to extend to February/March 2005. Additional work, covering the period between the completion of the Shell contract and mobilization preparation for the Hess contract is being pursued in Southeast Asia as well as other areas of the world.

A copy of the press release announcing the contract awarded to the SEAHAWK is filed with the Form 8-K as Exhibit 99.1 and is incorporated herein by reference.

EX-99.1 Press Release dated January 14, 2005

Statements contained in this report with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors: the Company's dependence on the oil and gas industry; the risks involved in the construction and repair of a rig; competition; operating risks; risks involved in foreign operations; risks associated with possible disruption in operations due to terrorism; risks associated with a possible disruption in operations due to war; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's annual report on Form 10-K for the year ended September 30, 2004, filed with the Securities and Exchange Commission.

ATWOOD ANNOUNCES CONTRACT AWARDED TO THE SEAHAWK

Houston, Texas  
14 January 2005

FOR IMMEDIATE RELEASE

Atwood Oceanics, Inc. (Houston-based International Offshore Drilling Contractor - NYSE: ATW) announced today that the SEAHAWK has been awarded a contract by Amerada Hess Equatorial Guinea, Inc., ("Hess") to work off the coast of Equatorial Guinea for a firm period of 730 days with four options of 180 days each. The drilling operation is expected to commence between June 1, 2006 and August 31, 2006. The contract provides for a base operating dayrate of \$68,430, with a mobilization fee and other advance payments of approximately \$5.5 million.

The SEAHAWK is currently working for Sarawak Shell Berhad ("Shell") off the coast of Malaysia on a drilling program that is expected to extend to February/March 2005. Additional work, covering the period between the completion of the Shell contract and mobilization preparation for the Hess contract is being pursued in Southeast Asia as well as other areas of the world.

Statements contained in this release with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors; the Company's dependence on the oil and gas industry; the risks involved in upgrade to the Company's rigs; competition; operating risks; risks involved in foreign operations; risks associated with possible disruptions in operations due to terrorism; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's Annual Report on Form 10-K for the year ended September 30, 2004, filed with the Securities and Exchange Commission.
