COMBINED STATEMENTS OF REVENUES AND CERTAIN EXPENSES
FOR THE THREE YEARS ENDED DECEMBER 31, 2014, 2013 AND 2012

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors and Shareholders of
Ramco-Gershenson Properties Trust

We have audited the accompanying combined statements of revenues and certain expenses (the “Combined Statements”) of Crofton 450 LLC, Lane Avenue 450 LLC, Market Plaza 450 LLC, Rolling Meadows 450 LLC, Olentangy Plaza 450 LLC, and Ramco Peachtree Hill LLC (the “Ramco 450 Properties”) for each of the three years in the period ended December 31, 2014 and the related notes to the Combined Statements.

Management’s responsibility for the financial statement

Management is responsible for the preparation and fair presentation of these Combined Statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Combined Statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on these Combined Statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Combined Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Combined Statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Combined Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the Combined Statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Combined Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Combined Statements referred to above present fairly, in all material respects, the revenues and certain expenses, described in Note 1, of the Ramco 450 Properties for each of the three years in the period ended December 31, 2014, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of matter

We draw attention to Note 1 to the Combined Statements, which describes that the accompanying Combined Statements were prepared for the purpose of complying with the rules and regulations of the United States Securities and Exchange Commission (for inclusion in the filing of Form 8-K/A of Ramco-Gershenson Properties Trust) and is not intended to be a complete presentation of the Ramco 450 Properties’ revenues and certain expenses. Our opinion is not modified with respect to this matter.

The accompanying combined statements of revenues and certain expenses (the "Statements") have been prepared on the accrual basis of accounting. The Statements have been prepared for the purpose of complying with the rules and regulations of the United States Securities and Exchange Commission ("SEC"), Regulation S-X, Rule 3-14, and for inclusion in a Current Report on Form 8-K/A of RGPT. The Statements are not intended to be a complete presentation of the revenues and expenses of the Ramco 450 Properties. Certain expenses, primarily depreciation and amortization, and other costs not directly related to the future operations of the property have been excluded.

Subsequent events

We have evaluated whether any subsequent events have occurred up through the time of issuing these statements on October 5, 2015.

2. Summary of Significant Accounting Policies

Revenue Recognition

Our shopping center space is generally leased to retail tenants under leases that are classified as operating leases. We recognize minimum rents using the straight-line method over the terms of the leases commencing when the tenant takes possession of the space and when construction of landlord funded improvements is substantially complete. Certain leases also provide for recoveries from tenants of common area maintenance expenses, real estate taxes and other operating expenses. These recoveries are estimated and recognized as revenue in the period the recoverable costs are incurred or accrued.

Expenses

Property operating expenses include real estate taxes, recoverable operating expenses such as common area maintenance, insurance premiums, and other non-recoverable expenses such as bad debt expenses and collection-related legal costs. Real estate taxes and insurance expense are accrued monthly. Expenditures for common area maintenance, and legal costs are charged to operations as incurred. Allowances for bad debt are taken for accounts receivable balances when we have reason to believe they will be uncollectible.

Use of Estimates

The preparation of the Statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management to make certain estimates and assumptions that affect the reported amounts in the Statements and accompanying footnotes. Actual results could differ from those estimates.

3. Future Minimum Rental Income

The Ramco 450 Properties are leased to tenants pursuant to lease agreements. Tenant leases typically provide for minimum rent and other charges to cover operating costs. Future minimum rent under non-cancellable operating leases in effect at December 31, 2014 is as follows:

Year Ending December 31,

	(In thousands)
2015	\$12,722
2016	10,764
2017	9,346
2018	8,027
2019	6,203
Thereafter	28,156
Total	\$75,218

4. Interest Expense

The interest expense included in the Combined Consolidated Statements of Revenues and Certain Expenses is based on mortgage loans assumed by RGPLP, which were outstanding during the periods presented. As of June 30, 2014, the outstanding balance of mortgage notes assumed was approximately \$60.1 million (unaudited). The weighted average interest rate on these mortgage notes was approximately 4.1% per annum (unaudited) as of December 31, 2014 and 2013 and 5.0% per annum (unaudited) as of December 31, 2012. The mortgages mature on various dates ranging from 2017 to 2023 (unaudited).

5. Related Party Transactions

RGPT, through its wholly owned subsidiary Ramco Gershenson, Inc., provides property management, leasing, development and other administrative services to the Ramco 450 Properties. Fees earned related to the Ramco 450 Properties for the three years ended December 31, 2014, 2013 and 2012 were \$1.3 million, \$1.1 million and \$1.2 million, respectively.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors and Shareholders of
Ramco-Gershenson Properties Trust

We have audited the accompanying statements of revenues and certain expenses (the "Statements") of RLV Millennium Park LP ("Millennium Park") for each of the three years in the period ended December 31, 2014 and the related notes to the Statements.

Management's responsibility for the financial statement

Management is responsible for the preparation and fair presentation of these Statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these Statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Statements referred to above presents fairly, in all material respects, the revenues and certain expenses described in Note 1 of Millennium Park for each of the three years in the period ended December 31, 2014 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of matter

We draw attention to Note 1 to the Statements, which describes that the accompanying Statements were prepared for the purpose of complying with the rules and regulations of the United States Securities and Exchange Commission (for inclusion in the filing of Form 8-K/A of Ramco-Gershenson Properties Trust) and are not intended to be a complete presentation of Millennium Park's revenues and certain expenses. Our opinion is not modified with respect to this matter.

FOR THE SIX MONTHS ENDED JUNE 30, 2015
(Unaudited)

Represents the condensed consolidated operations of the Registrant for the six months ended June 30, 2015. See (1) the historical condensed consolidated financial statements and notes thereto presented in the Registrant's Quarterly Report on Form 10-Q for the period ended June 30, 2015.

The management and other fee income adjustment represent our share of property management fee and other income from services provided by RGPT to the Acquired Properties which are eliminated. The other (5) non-recoverable expense adjustment represents the Acquired Properties management fee expense which is being eliminated.

Represents the estimated depreciation and amortization of the acquired assets on a straight-line basis. Tenant improvements and the value of in-place leases are depreciated over the remaining lives of the related (6) leases. Buildings are depreciated over the estimated remaining useful lives which are 40 years. Site improvements are depreciated over 10-30 years. Lease origination costs are amortized over the remaining useful life of the leases.

(7) Represents the elimination of RGPT's share of the Acquired Properties earnings for the six months ended June 30, 2015.

Represents the increase in interest expense due to an increase in borrowing under our unsecured revolving credit facility to fund a portion of the acquisition of the Acquired Properties. The assumed interest rate on the credit (8) facility for the period is 1.5% which is the same as the interest rate on our credit facility as of June 30, 2015. Offsetting this increase is a reduction in interest expense of \$0.3 million as a result of recording the mortgages assumed on the Ramco 450 Properties at fair value and amortizing the net premium over the remaining life of the loans.

Earnings per share is calculated in accordance with Accounting Standards Codification 260 – "Earnings per Share." (9) The historical earnings per share amounts are the amounts reported in the Registrant's Form 10-Q for the six months ended June 30, 2015.
