**Item 8.01. Other Events.**

On April 2, 2008, TETRA Technologies, Inc. (the "Company") announced that it and certain of its officers have been named as defendants in a purported securities class action lawsuit filed in the United States District Court for the Southern District of Texas. The complaint alleges, among other things, that the defendants made false and misleading statements and failed to disclose material information in various press releases and other public statements from January 3, 2007 through October 16, 2007. The Company does not intend to make future announcements or file further Current Reports on Form 8-K describing any additional lawsuits that may be filed that are based on allegations substantially similar to those described above.
