**PROXY STATEMENT FOR THE 2018 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON AUGUST 24, 2018**

The Board of Directors (the “Board”) of Sorrento Therapeutics, Inc. (“Sorrento” or the “Company”) is soliciting your proxy to vote at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the offices of Paul Hastings LLP, 4747 Executive Drive, San Diego, California 92121, on August 24, 2018 at 12:00 p.m. Pacific Time, including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card if you received paper copies of the proxy materials, or follow the instructions below to submit your proxy over the Internet.

We intend to mail this proxy statement and the accompanying proxy card on or about July 24, 2018 to all stockholders of record entitled to vote at the Annual Meeting.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

How do I attend the Annual Meeting?

The Annual Meeting will be held on August 24, 2018, at 12:00 p.m. Pacific Time at the offices of Paul Hastings LLP, 4747 Executive Drive, San Diego, California 92121. Information on how to vote in person at the Annual Meeting is discussed below.

Who is Entitled to Vote?

The Board has fixed the close of business on July 16, 2018 as the record date (the “Record Date”) for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof. As of July 16, 2018, there were [•] shares of common stock outstanding. Each share of common stock represents one vote that may be voted on each proposal that may come before the Annual Meeting.

What is the Difference Between Holding Shares as a Record Holder and as a Beneficial Owner (Holding Shares in Street Name)?

If your shares are registered in your name with our transfer agent, Philadelphia Stock Transfer, Inc., you are the “record holder” of those shares. If you are a record holder, these proxy materials have been provided directly to you by the Company.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials have been forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct this organization on how to vote your shares.

Who May Attend the Annual Meeting?

Only record holders and beneficial owners of our common stock, or their duly authorized proxies, may attend the Annual Meeting. If your shares of common stock are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the Record Date.

What am I Voting on?

There are four matters scheduled for a vote:

1. To elect six (6) directors for a one-year term to expire at the 2019 annual meeting of stockholders;
2. To ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018;
3. To approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission; and
4. To approve an amendment to the Company’s Restated Certificate of Incorporation to eliminate restrictions on removal of directors.

What if Another Matter is Properly Brought Before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

What is the Board's Voting Recommendation?

The Board recommends that you vote your shares:

1. "For" the election of each of the six (6) nominees to our Board;
2. "For" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018;
3. "For" the advisory vote to approve the compensation of our named executive officers; and
4. "For" the amendment to the Company's Restated Certificate of Incorporation to eliminate restrictions on removal of directors.

How Do I Vote?

Stockholders of Record

For your convenience, record holders of our common stock have three methods of voting:

1. Vote by Internet. The website address for Internet voting is on your vote instruction form.
2. Vote by mail. Mark, date, sign and promptly mail the enclosed proxy card (a postage-paid envelope is provided for mailing in the United States).
3. Vote in person. Attend and vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name

For your convenience, beneficial owners of our common stock have three methods of voting:

1. Vote by Internet. The website address for Internet voting is on your vote instruction form.
2. Vote by mail. Mark, date, sign and promptly mail your vote instruction form (a postage-paid envelope is provided for mailing in the United States).
3. Vote in person. Obtain a valid legal proxy from the organization that holds your shares and attend and vote at the Annual Meeting.

If you vote by Internet, please DO NOT mail your proxy card.

All shares entitled to vote and represented by a properly completed and executed proxy received before the Annual Meeting and not revoked will be voted at the Annual Meeting as instructed in a proxy delivered before the Annual Meeting. If you do not indicate how your shares should be voted on a matter, the shares represented by your

properly completed and executed proxy will be voted as the Board recommends on each of the enumerated proposals, with regard to any other matters that may be properly presented at the Annual Meeting and on all matters incident to the conduct of the Annual Meeting. If you are a registered stockholder and attend the Annual Meeting, you may deliver your completed proxy card in person. If you are a street name stockholder and wish to vote at the Annual Meeting, you will need to obtain a proxy form from the institution that holds your shares. All votes will be tabulated by the inspector of elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

How Many Votes do I Have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the close of business on the Record Date.

Is My Vote Confidential?

Yes, your vote is confidential. Only the inspector of elections, individuals who help with processing and counting your votes and persons who need access for legal reasons will have access to your vote. This information will not be disclosed, except as required by law.

What Constitutes a Quorum?

To carry on business at the Annual Meeting, we must have a quorum. A quorum is present when the holders of a majority of the voting power of all shares entitled to vote, as of the Record Date, are represented in person or by proxy. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. Shares owned by us are not considered outstanding or considered to be present at the Annual Meeting. If there is not a quorum at the Annual Meeting, the chairperson of the Annual Meeting may adjourn the Annual Meeting.

How Will my Shares be Voted if I Give No Specific Instruction?

We must vote your shares as you have instructed. If there is a matter on which a stockholder of record has given no specific instruction but has authorized us generally to vote the shares, they will be voted as follows:

1. "For" the election of each of the six (6) nominees to our Board;
2. "For" the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018;
3. "For" the advisory vote to approve the compensation of our named executive officers; and
4. "For" the amendment to the Company's Restated Certificate of Incorporation to eliminate restrictions on removal of directors.

This authorization would exist, for example, if a stockholder of record merely signs, dates and returns the proxy card but does not indicate how its shares are to be voted on one or more proposals. If other matters properly come before the Annual Meeting and you do not provide specific voting instructions, your shares will be voted at the discretion of the proxies.

If your shares are held in street name, see “What is a Broker Non-Vote?” below regarding the ability of banks, brokers and other such holders of record to vote the uninstructed shares of their customers or other beneficial owners in their discretion.

How are Votes Counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the election of directors, “For,” “Withhold” and broker non-votes; and, with respect to the other proposals, votes “For” and “Against,” abstentions and broker non-votes. Broker non-votes will not be included in the tabulation of the voting results of any of the proposals and, therefore, will have no effect on such proposals.

What is a Broker Non-Vote?

If your shares are held in street name, you must instruct the organization who holds your shares how to vote your shares. If you sign your proxy card but do not provide instructions on how your broker should vote on “routine” proposals (discussed in the next question), your broker will vote your shares as recommended by the Board. If you do not provide voting instructions, your shares will not be voted on any “non-routine” proposals. This vote is called a “broker non-vote.” Because broker non-votes are not considered under Delaware law to be entitled to vote at the Annual Meeting, broker non-votes will not be included in the tabulation of the voting results of any of the proposals and, therefore, will have no effect on these proposals.

Brokers cannot use discretionary authority to vote shares on the election of directors (Proposal 1), on the advisory vote to approve the compensation of our named executive officers (Proposal 3) or on the amendment to the Company’s Restated Certificate of Incorporation to eliminate restrictions on removal of directors (Proposal 4) if they have not received instructions from their clients. Please submit your vote instruction form so your vote is counted.

Which Proposals are Considered “Routine” or “Non-Routine”?

Proposal 2, the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018, is considered a “routine” proposal. All of the other proposals to be voted upon at the Annual Meeting are considered “non-routine”, and if you do not provide voting instructions, your shares will be treated as broker non-votes and, therefore, will have no effect on such proposals.

What is an Abstention?

An abstention is a stockholder’s affirmative choice to decline to vote on a proposal. Our Bylaws provide that an action of our stockholders (other than the election of directors) is approved if a majority of the votes cast are in favor of such action. Under Delaware law (under which Sorrento is incorporated), abstentions are counted as shares present and entitled to vote at the Annual Meeting, but they are not counted as shares cast. Therefore, abstentions will have no effect on Proposal 2 or Proposal 3. However, abstentions on Proposal 4 will have the same effect as a vote against Proposal 4 because an abstention represents a share entitled to vote under Delaware law.

How Many Votes are Needed for Each Proposal to Pass?

Proposal	Vote Required	Broker Discretionary Vote Allowed
Election of each of the six (6) nominees to our Board	Plurality of the votes cast (the six (6) persons receiving the most "For" votes)	No
Ratification of the Appointment of Deloitte & Touche LLP as our Independent Registered Public Accounting Firm for our Fiscal Year Ending December 31, 2018	A majority of the votes cast	Yes
Advisory vote to approve the compensation of our named executive officers	A majority of the votes cast	No
Amendment to the Company's Restated Certificate of Incorporation to eliminate restrictions on removal of directors	Sixty-seven percent (67%) of all outstanding shares of our capital stock entitled to vote generally in the election of directors	No

What Are the Voting Procedures?

In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees, or withhold your votes as to specific nominees. With regard to other proposals, you may vote in favor of or against the proposal, or you may abstain from voting on the proposal. You should specify your respective choices on the accompanying proxy card or your vote instruction form.

Is My Proxy Revocable?

You may revoke your proxy and reclaim your right to vote at any time before your proxy is voted by giving written notice to the Company's Secretary, by delivering a properly completed, later-dated proxy card or vote instruction form or by voting in person at the Annual Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: Sorrento Therapeutics, Inc., 4955 Directors Place, San Diego, California 92121, Attention: Corporate Secretary, or by facsimile at (858) 203-4102. Your most current proxy card or Internet proxy is the one that will be counted.

Who is Paying for this Proxy Solicitation?

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this proxy statement, the proxy card and any additional soliciting materials furnished to stockholders, will be borne by us. Copies of solicitation material will be furnished to banks, brokerage houses, dealers, voting trustees, their respective nominees and other agents holding shares in their names, which are beneficially owned by others, so that they may forward such solicitation material, together with our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as amended, to beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding these materials to the beneficial owners.

We have engaged Innisfree M&A Incorporated ("Innisfree") to solicit proxies from stockholders in connection with the Annual Meeting. We will pay Innisfree a fee of approximately \$15,000, an agreed upon fee per call made or received from certain retail investors plus reasonable out-of-pocket fees and expenses for soliciting proxies. In addition, Innisfree and certain related persons will be indemnified against certain liabilities arising out of or in connection with the engagement.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

Do I Have Dissenters' Rights of Appraisal?

Our stockholders do not have appraisal rights under Delaware law or under our governing documents with respect to the matters to be voted upon at the Annual Meeting.

How can I Find out the Results of the Voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be disclosed in a Current Report on Form 8-K that we expect to file with the Securities and Exchange Commission (the "SEC") within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K with the SEC within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

When are Stockholder Proposals Due for the 2019 Annual Meeting?

Any appropriate proposal submitted by a stockholder and intended to be presented at the 2019 Annual Meeting of Stockholders (the "2019 Annual Meeting") must be submitted in writing to the Company's Secretary at 4955 Directors Place, San Diego, California 92121, and received no later than March 26, 2019, to be includable in the Company's proxy statement and related proxy for the 2019 Annual Meeting. However, if the date of the 2019 Annual Meeting is convened more than 30 days before, or delayed by more than 30 days after, August 24, 2019, to be considered for inclusion in proxy materials for the 2019 Annual Meeting, a stockholder proposal must be submitted in writing to the Company's Secretary at 4955 Directors Place, San Diego, California 92121 a reasonable time before we begin to print and send our proxy materials for the 2019 Annual Meeting. A stockholder proposal will need to comply with the SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Although the Board will consider stockholder proposals, we reserve the right to omit from our proxy statement, or to vote against, stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

If you wish to submit a proposal that is not to be included in the proxy materials for the 2019 Annual Meeting, your proposal must be submitted in writing to the Company's Secretary at 4955 Directors Place, San Diego, California 92121 by June 9, 2019 and no earlier than May 10, 2019. However, if the date of the 2019 Annual Meeting is convened more than 30 days before, or delayed by more than 30 days after August 24, 2019, to be brought before our 2019 Annual Meeting, a stockholder proposal must be submitted in writing to the Company's Secretary at 4955 Directors Place, San Diego, California 92121, not later than the close of business on the later of (1) the 90th day before the 2019 Annual Meeting, or (2) the 10th day following the day on which we first make a public announcement of the date of the 2019 Annual Meeting.

Who will Solicit Proxies on behalf of the Board?

The Company has retained Innisfree, a proxy solicitation firm, who may solicit proxies on the Board's behalf. The original solicitation of proxies by mail may be supplemented by telephone, telegram, facsimile, electronic mail, and personal solicitation by our directors and officers (who will receive no additional compensation for such

solicitation activities). You may also be solicited by advertisements in periodicals, press releases issued by us and postings on our corporate website. Unless expressly indicated otherwise, information contained on our corporate website is not part of this proxy statement.

I also have received a copy of the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as amended. Is that a part of the proxy materials?

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, as filed with the SEC on March 16, 2018, as amended, accompanies this proxy statement. This document constitutes our Annual Report to Stockholders, and is being made available to all stockholders entitled to receive notice of and to vote at the Annual Meeting. Except as otherwise stated, the Annual Report on Form 10-K is not incorporated into this proxy statement and should not be considered proxy solicitation material.

Do the Company's Officers and Directors have an Interest in Any of the Matters to Be Acted Upon at the Annual Meeting?

Members of the Board have an interest in Proposal 1, the election to the Board of the six (6) director nominees set forth herein, as each of the nominees is currently a member of the Board. Members of the Board and our executive officers do not have any interest in Proposal 2, the ratification of the appointment of our independent registered public accounting firm. Our executive officers have an interest in Proposal 3, the advisory vote to approve the compensation of our named executive officers, as compensation for some of our executive officers is subject to this vote. Members of the Board have an interest in Proposal 4, the amendment to the Company's Restated Certificate of Incorporation to eliminate restrictions on removal of directors, as the amendment changes how each of the members may be removed from the Board.

PROPOSAL 1:

Board Independence

Our Board is responsible for establishing corporate policies and for our overall performance, although it is not involved in our day-to-day operations. Our Board consults with our counsel to ensure that our Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in the rules of The Nasdaq Stock Market LLC (the "Nasdaq Rules"), as in effect from time to time. Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, us, our senior management and our independent registered public accounting firm, our Board has determined that all of our directors, other than Dr. Ji, are independent.

Board Leadership Structure and Board's Role in Risk Oversight

Our Board believes that our Chief Executive Officer ("CEO"), Dr. Ji, is best situated to serve as Chairman of the Board because he is the director who is most familiar with our business and industry, possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing us and is therefore best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. Our independent directors bring experience, oversight and expertise from outside the Company and industry, while the Chief Executive Officer brings Company-specific experience and expertise. The Board believes that the combined role of Chairman of the Board and Chief Executive Officer facilitates information flow between management and the Board, which is essential to effective governance. Jaisim Shah currently serves as the Company's lead independent director (the "Lead Independent Director"). The Lead Independent Director ensures that (i) the Board operates independently of management, (ii) the independent directors continue to provide effective oversight of the Company's management and key issues related to strategy, risk and integrity, and (iii) the directors and stockholders have an independent leadership contact.

As the Lead Independent Director, Mr. Shah has the following duties and responsibilities:

- Calling and presiding over executive sessions of the independent directors and setting agendas for the executive session;
- Advising the Chairman of the Board and the Chief Executive Officer, on behalf of the Board, of any decisions reached or suggestions made at executive sessions;
- Serving as the primary liaison between the independent directors, Chief Executive Officer, Chairman of the Board and senior management to report or raise matters;
- Chairing Board meetings when the Chairman of the Board is not present;
- Reviewing Board schedules and agendas in collaboration with the Chairman of the Board and the Chief Executive Officer while seeking input from the other Board members;
- Being available for consultation and communication with stockholders, as appropriate; and

Performing such other duties and responsibilities as may be delegated to the Lead Independent Director by the Board from time to time.

The Board, as a unified body and through committee participation, organizes the execution of its monitoring and oversight roles and does not expect its Chairman of the Board to organize those functions. The Board has three standing committees – Audit, Compensation and Corporate Governance and Nominating. The membership of each of the Board committees is comprised of independent directors, with each of the committees having a separate chairman, each of whom is an independent director. Our non-management members of the Board meet in executive session, at which only they are present, at each board meeting.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. Management is responsible for the day-to-day management of risks the company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

The Board recognizes that different leadership models may, depending upon individual circumstances, work for other companies and may be appropriate for the Company under different circumstances. Our Chief Executive Officer communicates frequently with members of the Board to discuss strategy and challenges facing the company. Senior management usually attends our regular quarterly board meetings and is available to address any questions or concerns raised by the Board on risk management-related and any other matters. Each quarter, the Board receives presentations from senior management on matters involving our areas of operations.

Board of Directors Meetings

During the fiscal year 2017, our Board held four meetings and acted by written consent seven times. Our Audit Committee held a total of four meetings and acted by written consent one time, our Compensation Committee did not hold any meetings and acted by written consent four times and our Corporate Governance and Nominating Committee did not hold any meetings and acted by written consent one time. None of our incumbent directors attended fewer than 75% of the total number of meetings held by the Board and the committees on which, and for the period during which, the director served during fiscal year 2017.

Information Regarding Board Committees

Our Board has established standing Audit, Compensation and Corporate Governance and Nominating Committees to devote attention to specific subjects and to assist it in the discharge of its responsibilities.

- discussing with management and the independent auditor the Company's earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

Typically, the Audit Committee meets at least quarterly and with greater frequency if necessary. Our Board has adopted a written charter of the Audit Committee that is available to stockholders on our Internet website at www.sorrentotherapeutics.com/investors under "Corporate Governance."

Under the applicable Nasdaq Rules, each member of a company's audit committee must be considered independent in accordance with the Nasdaq Rules and Rule 10A-3(b)(1) under the Exchange Act. Our Board reviews the Nasdaq Rules and Exchange Act definitions of independence for Audit Committee members on an annual basis and has determined that all members of our Audit Committee are independent (as independence is currently defined in the Nasdaq Rules). Our Board has determined that all members of our Audit Committee also meet the requirements for financial literacy under the Nasdaq Rules.

Our Board has determined that Mr. Lemus is an audit committee financial expert, as defined under applicable SEC rules, and that Messrs. Lemus and Shah and Dr. Wu meet the background and financial sophistication requirements under the Nasdaq Rules. In making these determinations, the Board made a qualitative assessment of each of Messrs. Lemus' and Shah's and Dr. Wu's respective levels of knowledge and experience based on a number of factors, including their formal education and experience. Both our independent registered public accounting firm and internal financial personnel regularly meet privately with our Audit Committee and have unrestricted access to the Audit Committee.

Compensation Committee. Our Compensation Committee is currently comprised of Messrs. Followwill and Shah and Dr. Wu. Dr. Wu serves as the Chairperson of our Compensation Committee. The functions of the Compensation Committee include, among others:

establishing the Company's general compensation philosophy, and overseeing the development and implementation of compensation programs;

annually reviewing and approving the Company's goals and objectives relevant to the compensation of the CEO, evaluating the CEO's performance with respect to such goals, and subject to existing contractual obligations, setting the CEO's compensation level based on such evaluation;

performing any other duties or responsibilities expressly delegated to the Compensation Committee by the Board from time to time; and

annually reviewing the compensation of members of the Board for their services to the Company and recommending changes, if any, to the Board.

Our Board has determined that all of the members of our Compensation Committee are “independent” under the Nasdaq Rules. Our Board has adopted a written charter of the Compensation Committee that is available to stockholders on our Internet website at www.sorrentotherapeutics.com/investors under “Corporate Governance.” The Compensation Committee meets periodically throughout the year as necessary. The agenda for each meeting is usually developed by the Chairperson of the Compensation Committee, in consultation with our Chief Executive Officer and other representatives of senior management as necessary. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, provide financial or other background information or advice or otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in or be present during any deliberations or determinations of the Compensation Committee regarding his compensation. The charter of the Compensation Committee grants the Compensation Committee full access to all of our books, records, facilities and personnel, as well as authority to obtain, at our expense, advice and assistance from internal and external legal, accounting or other advisors and consultants and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain or consult compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant’s reasonable fees and other retention terms.

The Compensation Committee meets outside the presence of all of our executive officers, including the named executive officers, in order to consider appropriate compensation for our Chief Executive Officer. For all other named executive officers, the Compensation Committee meets outside the presence of all executive officers except our Chief Executive Officer. The annual performance reviews of our executive officers are considered by the Compensation Committee when making decisions on setting base salary, targets for and payments under our bonus plan and grants of equity incentive awards. When making decisions on executive officers, the Compensation Committee considers the importance of the position to us, the past salary history of the executive officer and the contributions we expect the executive officer to make to the success of our business.

In 2017, the Compensation Committee engaged Compensia, Inc. (“Compensia”), a national compensation consulting firm, to review and advise on our compensation practices. In 2017, Compensia undertook the following projects for the Compensation Committee: (i) February 2017 - evaluated the Company’s severance and change in control arrangements for the Chief Executive Officer against a comparator group of similar life sciences companies; (ii) June 2017 - prepared an analysis of a potential request for an increase in the number of shares authorized for issuance under the Company’s 2009 Stock Incentive Plan, (iii) September 2017 - evaluated the compensation arrangements for the Company’s executive officers against a comparator group of similar life sciences companies and its own proprietary data; and (iv) September 2017 - evaluated the compensation arrangements for the members of the Company’s Board of Directors against a comparator group of similar life sciences companies and its own proprietary data. Compensia, who reports directly to the Compensation Committee and not to our management, is independent from us, has not provided any services to us other than to the Compensation Committee, and receives compensation from us only for services provided to the Compensation Committee. The Compensation Committee assessed the independence of Compensia pursuant to SEC rules and concluded that the work of Compensia has not raised any conflict of interest.

Compensation Committee Interlocks and Insider Participation

As noted above, the Compensation Committee consists of three directors, each of whom is a non-employee director: Messrs. Followwill and Shah and Dr. Wu. During 2017, none of the aforementioned individuals or Mr. Deming, who served on the Compensation Committee during 2017, was an officer or employee of ours, was formerly an officer of ours or had any relationship requiring disclosure by us under Item 404 of Regulation S-K, except with

respect to Mr. Shah's relationship to Semnur Pharmaceuticals, Inc. and the Binding Term Sheet disclosed under the heading "Certain Relationships and Related Party Transactions-Binding Term Sheet Regarding Acquisition of Semnur Pharmaceuticals, Inc." in this proxy statement. No interlocking relationship as described in Item 407(e)(4) of Regulation S-K exists between any of our executive officers or Compensation Committee members, on the one hand, and the executive officers or compensation committee members of any other entity, on the other hand, nor has any such interlocking relationship existed in the past.

Corporate Governance and Nominating Committee. Our Corporate Governance and Nominating Committee is currently comprised of Dr. Janda and Mr. Followwill. Dr. Janda serves as the Chairperson of our Corporate Governance and Nominating Committee. The functions of the Corporate Governance and Nominating Committee include, among others:

- identifying and evaluating candidates for director in accordance with the general and specific criteria set forth in the Corporate Governance and Nominating Committee Charter or determined in accordance therewith;

- diligently seeking to identify potential director candidates who will strengthen the Board and remedy any perceived deficiencies in the specific criteria identified in the Corporate Governance and Nominating Committee Charter;
- establishing procedures for soliciting and reviewing potential nominees from directors and for advising those who suggest nominees of the outcome of such review;

submitting to the Board the candidates for director to be recommended by the Board for election at each annual meeting of stockholders and to be added to the Board at any other times due to Board expansions, director resignations or retirement or otherwise;

monitoring performance of directors based on the general criteria and the specific criteria applicable to each such director and, if any serious problems are identified, working with such director to resolve such problems or, if necessary, seeking such director's resignation or recommend to the Board such person's removal;

- developing and periodically evaluating initial orientation guidelines and continuing education guidelines for each member of the Board and each member of each Board committee regarding his or her responsibilities as a director generally and as a member of any applicable Board committee, and monitoring and evaluating each director's cooperation in fulfilling such guidelines;

retaining and terminating any search firm used to identify director candidates and to approve any such search firm's fees and other terms of retention;

evaluating its own performance on an annual basis, including its compliance with its Charter;

- reviewing its Charter and providing the Board with any recommendations for changes in the Charter or in policies or other procedures governing the Corporate Governance and Nominating Committee;

developing and periodically reviewing and revising as appropriate, a management succession plan and related procedures including consideration and recommendation of candidates for successor to the Chief Executive Officer to the Board and, with appropriate consideration of the Chief Executive Officer's recommendations, considering and recommending candidates for successors to other executive officers, in each case when vacancies shall occur in those offices;

monitoring and making recommendations to the Board on other matters of Board policy and practices relating to corporate governance; and

reviewing and making recommendations to the Board regarding proposals of stockholders that relate to corporate governance.

The Corporate Governance and Nominating Committee shall identify and evaluate the qualifications of all candidates for nomination for election as directors. Potential nominees are identified by our Board based on the criteria, skills and qualifications that have been recognized by the Corporate Governance and Nominating Committee. While our nomination and corporate governance policy does not prescribe specific diversity standards, the Corporate Governance and Nominating Committee and its independent members seek to identify nominees that have a variety of perspectives, professional experience, education, differences in viewpoints and skills, and personal qualities that will result in a well-rounded Board.

The Board has determined that all of the members of our Corporate Governance and Nominating Committee are "independent" under the Nasdaq Rules. The Board adopted a written charter setting forth the authority and responsibilities of the Corporate Governance and Nominating Committee. A copy of the charter is available to stockholders on our Internet website at www.sorrentotherapeutics.com/investors under "Corporate Governance." Director Qualifications

There are no specific minimum qualifications that our Board requires to be met by a director nominee recommended for a position on our Board, nor are there any specific qualities or skills that are necessary for one or more members of our Board to possess, other than as are necessary to meet the requirements of the rules and regulations applicable to us. The Board considers a potential director candidate's experience, areas of expertise and other factors relative to the overall composition of our Board and its committees, including the following characteristics:

- the highest ethical standards and integrity and a strong personal reputation;
- a background that provides experience and achievement in business, finance, biotechnology or other activities relevant to our business and activities;
- a willingness to act on and be accountable for Board and, as applicable, committee decisions;
- an ability to provide wise, informed and thoughtful counsel to management on a range of issues affecting us and our stockholders;
- an ability to work effectively and collegially with other individuals;
- loyalty and commitment to driving our success and increasing long-term value for our stockholders;
- sufficient time to devote to Board and, as applicable, committee membership and matters; and
- the independence requirements imposed by the SEC and the Nasdaq Rules.

The Board retains the right to modify these qualifications from time to time.

If a stockholder wishes to propose a candidate for consideration as a nominee by the Corporate Governance and Nominating Committee, it should follow the procedures described in this section, the section entitled "Security Holder Nominations" and in the Company's Corporate Governance and Nominating Committee Charter. Following verification of the stockholder status of persons proposing candidates, the Corporate Governance and Nominating Committee makes an initial analysis of the qualifications of any candidate recommended by stockholders or others pursuant to the criteria summarized above to determine whether the candidate is qualified for service on the Board before deciding to undertake a complete evaluation of the candidate. If any materials are provided by a stockholder or professional search firm in connection with the nomination of a director candidate, such materials are forwarded to the Corporate Governance and Nominating Committee as part of its review. Other than the verification of compliance with procedures and stockholder status, and the initial analysis performed by the Corporate Governance and Nominating Committee, a potential candidate nominated by a stockholder is treated like any other potential candidate during the review process by the Corporate Governance and Nominating Committee.

Director Attendance at Annual Meetings

Although we do not have a formal policy regarding attendance by members of our Board at our annual meeting, we encourage all of our directors to attend. Messrs. Deming and Shah and Dr. Ji and Dr. Wu attended our 2017 Annual Meeting of Stockholders in person.

Communications with our Board of Directors

Stockholders seeking to communicate with our Board should submit their written comments to the attention of the Company's Secretary at Sorrento Therapeutics, Inc., 4955 Directors Place, San Diego, California 92121. The Company's Secretary will forward such communications to each member of our Board; provided that, if in the opinion of the Company's Secretary it would be inappropriate to send a particular stockholder communication to a specific director, such communication will only be sent to the remaining directors (subject to the remaining directors concurring with such opinion).

In addition, stockholders may contact the Lead Independent Director or the independent directors as a group by submitting their written comments to the attention of the Company's Secretary at Sorrento Therapeutics, Inc., 4955 Directors Place, San Diego, California 92121. Security Holder Nominations

The Board does not have a formal policy regarding the consideration of director candidates recommended by our security holders. However, the Board would consider such recommendations. The Board does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a security holder. Security holders who wish to make such a recommendation should send the recommendation to the attention of the Company's Secretary at Sorrento Therapeutics, Inc., 4955 Directors Place, San Diego, California 92121. The letter must identify the author as a stockholder, provide a brief summary of the candidate's qualifications and history and be accompanied by evidence of the sender's stock ownership, as well as consent by the candidate to serve as a director if elected. Following verification of the stockholder status of persons proposing candidates by the Company's Secretary, director candidate recommendations will be forwarded to the Corporate Governance and Nominating Committee for further review. If the Corporate Governance and Nominating Committee believes that the candidate fits the profile of a director nominee as described above, the recommendation will be shared with the entire Board.

Nominations must be submitted, as outlined above, and received by the Company's Secretary, by no later than March 26, 2019, to be includable in the Company's proxy statement and related proxy for the 2019 Annual Meeting. However, if the date of the 2019 Annual Meeting is convened more than 30 days before, or delayed by more than 30 days after, August 24, 2019, to be considered for inclusion in proxy materials for the 2019 Annual Meeting, a nomination must be submitted, as outline above, a reasonable time before we begin to print and send our proxy materials for the 2019 Annual Meeting.

Vote Required; Recommendation of the Board of Directors

If a quorum is present and voting at the annual meeting, the six nominees receiving the highest number of votes will be elected to our Board. Votes withheld from any nominee and broker non-votes will be counted only for purposes of determining a quorum. Broker non-votes will have no effect on this proposal as brokers or other nominees are not entitled to vote on such proposal in the absence of voting instructions from the beneficial owner.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF HENRY JI, PH.D., DORMAN FOLLOWWILL, KIM D. JANDA, PH.D., DAVID

PROPOSAL 2:

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Deloitte & Touche LLP (“Deloitte”), as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2018 and has further directed that management submit the selection of independent registered public accounting firm for ratification by the stockholders at the annual meeting.

Representatives of Deloitte will be present at the annual meeting. The representatives of Deloitte will be able to make a statement at the meeting if they wish and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Deloitte as the Company’s independent registered public accounting firm is not required by Delaware law, the Company’s certificate of incorporation, or the Company’s Bylaws. However, the Audit Committee is submitting the selection of Deloitte to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

Changes in Independent Registered Public Accounting Firm

On September 6, 2016, the Audit Committee dismissed Mayer Hoffman McCann P.C. (“Mayer Hoffman”) as the Company’s independent registered public accounting firm. The reports of Mayer Hoffman on the Company’s consolidated financial statements for the fiscal years ended December 31, 2015 and 2014 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2015 and 2014 and the subsequent interim period through September 6, 2016, there were no “disagreements” (as defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) with Mayer Hoffman on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Mayer Hoffman, would have caused Mayer Hoffman to make reference thereto in their reports on the consolidated financial statements for such fiscal years. During the fiscal years ended December 31, 2015 and 2014 and any subsequent interim period through September 6, 2016, there were no “reportable events” (as defined in Item 304(a)(1)(v) of Regulation S-K). The Company provided Mayer Hoffman with a copy of the disclosure set forth in Item 4.01 of the Current Report on Form 8-K that was filed with the SEC on September 7, 2016 (the “Form 8-K”) and requested that Mayer Hoffman furnish the Company with a copy of its letter addressed to the SEC, pursuant to Item 304(a)(3) of Regulation S-K, stating whether or not Mayer Hoffman agrees with the statements related to them made by the Company in the Form 8-K. A copy of Mayer Hoffman’s letter to the SEC dated September 6, 2016 is attached as Exhibit 16.1 to the Form 8-K.

On September 6, 2016, the Audit Committee approved the appointment of Deloitte as the Company’s new independent registered public accounting firm, effective immediately. During the fiscal years ended December 31, 2015 and 2014 and the subsequent interim period through September 6, 2016, neither the Company, nor anyone on its behalf, consulted Deloitte regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the financial statements of the Company, and no written report or oral advice was provided to the Company by Deloitte that Deloitte concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or

financial reporting issue; or (ii) any matter that was either the subject of a “disagreement” (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a “reportable event” (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

Independent Registered Public Accounting Firm’s Fees

The following table represents aggregate fees billed to us for the fiscal years ended December 31, 2017 and December 31, 2016 by Deloitte, our independent registered public accounting firm for such period. All fees described below were pre-approved by the Audit Committee.

Audit fees also consisted of services provided in connection with issuances of consents included in registration statements, standalone audits, consultation on accounting matters, and SEC registration statement services.

(2) Tax services consisted of fees for tax consultation and tax compliance services.

Audit fees consist of fees billed for professional services by Deloitte for audit and quarterly reviews of our (3) financial statements.

Tax services consisted of fees for tax consultation and tax compliance services after becoming our principal (4) accounting firm in the second half of fiscal year 2016.

Audit Committee’s Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy for the pre-approval of audit and non-audit services rendered by our independent registered public accounting firm. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services and tax services up to specified amounts. Pre-approval may also be given as part of the Audit Committee’s approval of the scope of the engagement of the independent auditors or on an individual explicit case-by-case basis before the independent registered public accounting firm are engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee members, but the decision must be reported to the full Audit Committee at its next scheduled meeting. By the adoption of this policy, the Audit Committee has delegated the authority to pre-approve services to the Chairperson of the Audit Committee, subject to certain limitations.

The Audit Committee has determined that the rendering of services by Deloitte other than audit services is compatible with maintaining the principal accounting firm’s independence.

Vote Required; Recommendation of the Board of Directors

The affirmative vote of a majority of the votes cast at the Annual Meeting will be required to ratify the selection of Deloitte. Abstentions will be counted towards a quorum, but will not be counted for any purpose in determining whether Proposal 2 has been approved as abstentions are not considered votes cast under Delaware law. The approval of Proposal 2 is a routine proposal on which a broker or other nominee has discretionary authority to vote.

Accordingly, it is unlikely that any broker non-votes will result from this proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE TO RATIFY THE SELECTION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018. PROXIES SOLICITED BY OUR BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS SPECIFY OTHERWISE ON THEIR PROXY CARDS.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following is the Audit Committee's report submitted to the Board for 2017.

The Audit Committee has:

- reviewed and discussed our audited consolidated financial statements with management and Deloitte & Touche LLP, the independent registered public accounting firm;
- discussed with Deloitte & Touche LLP the matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board; and received from Deloitte & Touche LLP the written disclosures and the letter regarding their communications with the Audit Committee concerning independence as required by the Public Company Accounting Oversight Board and discussed the auditors' independence with them.

In addition, the Audit Committee has met separately with management and with Deloitte & Touche LLP.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the Securities and Exchange Commission.

The foregoing Audit Committee Report shall not be deemed to be "soliciting material," deemed "filed" with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate by reference future filings, including this proxy statement, in whole or in part, the foregoing Audit Committee Report shall not be incorporated by reference into any such filings.

PROPOSAL 3:

ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and Section 14A of the Exchange Act, our stockholders are entitled to vote at the annual meeting to provide advisory approval of the compensation of our named executive officers as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC. Pursuant to the Dodd-Frank Act, the stockholder vote on executive compensation is an advisory vote only, and it is not binding on us or our board of directors.

Although the vote is non-binding, our Compensation Committee and Board of Directors value the opinions of the stockholders and will consider the outcome of the vote when making future compensation decisions. As described more fully in the Executive Compensation section of this proxy statement, our executive compensation program is designed to attract, retain and motivate individuals with superior ability, experience and leadership capability to deliver on our annual and long-term business objectives necessary to create stockholder value. We urge stockholders to read the Executive Compensation section of this proxy statement, which describes in detail how our executive compensation policies and procedures operate and are intended to operate in the future. The Compensation Committee and the Board of Directors believe that our executive compensation program fulfills these goals and is reasonable, competitive and aligned with our performance and the performance of our executives.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask that our stockholders vote “FOR” the following resolution:

“RESOLVED, that stockholders of Sorrento Therapeutics, Inc. approve, on an advisory basis, the compensation of the named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, in this Proxy Statement.”

Vote Required; Recommendation of the Board of Directors

The affirmative vote of a majority of votes cast at the Annual Meeting will be required to approve the advisory vote to approve the compensation of our named executive officers. Abstentions and broker non-votes will be counted towards a quorum, but will not be counted for any purpose in determining whether Proposal 3 has been approved as neither are considered votes cast under Delaware law.

OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SEC.

PROPOSAL 4:

APPROVAL OF AN AMENDMENT TO THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION

Our Board has unanimously determined that it is in the best interests of the Company and its stockholders to amend our Restated Certificate of Incorporation (the "Restated Certificate") to permit stockholders to remove our directors with or without cause or by a majority of stockholders.

Our Restated Certificate currently provides that any director, or the entire board of directors, of the Company may be removed from office at any time, but only for cause and only by the affirmative vote of the holders of at least sixty-seven percent (67%) of the voting power of all of the then-outstanding shares of capital stock of the Company then entitled to vote at an election of directors, voting together as a single class. Therefore, stockholders currently are not permitted to remove directors without cause or by a majority vote. The rights of stockholders to remove directors are governed by Section 141(k) of the General Corporation Law of the State of Delaware (the "DGCL"). In December 2015, the Delaware Chancery Court issued a decision, *In Re VAALCO Energy, Inc.*, in which the court interpreted Section 141(k) of the DGCL and held that if a company does not have (i) a classified board of directors or (ii) cumulative voting in election of directors, then such company may not provide in its certificate of incorporation or bylaws that its directors may be removed only for cause. Prior to the VAALCO decision, it was not clear whether Section 141(k) prohibits this type of provision when the company does not have classified board or cumulative vote. The VAALCO decision made it clear that the provision is now invalid.

Because the Company does not have a classified board and stockholders are not permitted to cumulate votes under its organizational documents, the VAALCO court decision effectively rendered our current director removal provision in the Restated Certificate invalid. As a result, we are now amending this provision to ensure that it complies with the VAALCO court decision, and such amendment to our Restated Certificate requires stockholder approval under the DCGL. Furthermore, as disclosed previously in a Current Report on Form 8-K filed by the Company on April 18, 2018, our Board resolved that, until such time as the amendment to the Restated Certificate is approved by the Company's stockholders, the Company will not enforce the director removal provision of the Restated Certificate to the extent it purports to limit removal of directors by stockholders only for cause or only by a supermajority of the voting power of all of the then-outstanding shares of capital stock of the Company.

Description of Amendment

We are requesting the stockholders approve and ratify the Certificate of Amendment, as set forth in Appendix A to this proxy statement, which amends Article SIXTH, Section D of the Restated Certificate by replacing the language that prohibits removal of directors without cause or by a majority of stockholders, so that Article SIXTH, Section D will read as follows:

D. Subject to the rights of the holders of any series of Preferred Stock then outstanding, any director, or the entire board of directors, may be removed from office at any time, but only for with or without cause, and only by the affirmative vote of the holders of at least sixty-seven percent (67%) a majority of the voting power of all of the then-outstanding shares of capital stock of the Corporation then entitled to vote at an election of directors, voting together as a single class.

The foregoing description is qualified in its entirety by the Certificate of Amendment attached as Appendix A hereto.

Effects of Stockholder Approval of Proposed Amendments

If the proposed amendment is approved and adopted, our stockholders will have the right to remove any and all of the directors, with or without cause, by the affirmative vote of stockholders of at least a majority of our outstanding shares entitled to vote in the election of directors. As discussed above, even if the proposed amendment is not approved by our stockholders, our Board of Directors has approved a resolution not to enforce the current director removal provision.

Votes Required; Recommendation of the Board of Directors

The affirmative vote of at least sixty-seven (67%) of the voting power of all of the then-outstanding shares of the capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class, shall be required to approve the amendment to our Restated Certificate. Abstentions will have the same effect as a vote against Proposal 4 because an abstention represents a share entitled to vote under Delaware law. Broker non-votes will have no effect on this proposal as brokers or other nominees are not entitled to vote on such proposals in the absence of voting instructions from the beneficial owner. The amendment to the Restated Certificate will be effective immediately upon acceptance of filing by the Secretary of State of the State of Delaware following stockholder approval of this proposal.

OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE AMENDMENT TO OUR RESTATED CERTIFICATE.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of June 30, 2018, with respect to the beneficial ownership of shares of our common stock by:

- each person or group known to us to be the beneficial owner of more than five percent of our common stock;
- each of our directors;
- each of our named executive officers; and
- all of our current directors and executive officers as a group.

This table is based upon information supplied by officers, directors and principal stockholders and a review of Schedules 13D and 13G or Form 4s, if any, filed with the SEC. Other than as set forth below, we are not aware of any other beneficial owner of more than five percent of our common stock as of June 30, 2018. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership is based on 116,240,963 shares of common stock outstanding as of June 30, 2018, adjusted as required by rules promulgated by the SEC. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities. In addition, the rules include shares of common stock issuable pursuant to the exercise of stock options that are either immediately exercisable or exercisable on or before August 29, 2018, which is 60 days after June 30, 2018. These shares are deemed to be outstanding and beneficially owned by the person holding those options for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

Unless otherwise noted below, the address of each beneficial owner listed in the table is c/o Sorrento Therapeutics, Inc., 4955 Directors Place, San Diego, California 92121.

Compensation Discussion and Analysis

Compensation Philosophy

The primary goals of our Board with respect to executive compensation are to attract and retain talented and dedicated executives, to tie annual and long-term cash and stock incentives to achievement of specified performance objectives, and to create incentives resulting in increased stockholder value. To achieve these goals, our Compensation Committee recommends to our Board executive compensation packages, generally comprising a mix of salary, discretionary bonus and equity awards. Although we have not adopted any formal guidelines for allocating

total compensation between equity compensation and cash compensation, we have implemented and maintain compensation plans that tie a substantial portion of our executives' overall compensation to achievement of corporate goals.

Role of Compensation Consultant

The Compensation Committee has the power to engage independent advisors to assist it in carrying out its responsibilities. In 2017, the Compensation Committee engaged Compensia, Inc. ("Compensia"), a national compensation consulting firm, to review and advise on our compensation practices. The Compensation Committee assessed the independence of Compensia pursuant to SEC rules and concluded that the work of Compensia has not raised any conflict of interest.

In 2017, Compensia undertook the following projects for the Compensation Committee:

February 2017 - Evaluated the Company's severance and change in control arrangements for the Chief Executive Officer against a comparator group of similar life sciences companies;

June 2017 - Prepared an analysis of a potential request for an increase in the number of shares authorized for issuance under the Company's 2009 Stock Incentive Plan;

September 2017 - Evaluated the compensation arrangements for the Company's executive officers against a comparator group of similar life sciences companies and its own proprietary data; and

September 2017 - Evaluated the compensation arrangements for the members of the Company's Board of Directors against a comparator group of similar life sciences companies and its own proprietary data.

With respect to the equity awards granted to our executives in September 2017, the comparator group of life sciences companies consisted of the following companies, which were determined to: (i) generally have similar revenues as us; (ii) generally have similar market capitalization as us, (iii) generally have similar operating income as us, and (iv) generally have the same number of employees as us:

Advaxis, Inc.	Fortress Biotech, Inc.
Audentes Therapeutics, Inc.	Iovance Biotherapeutics, Inc.
Cara Therapeutics, Inc.	Kura Oncology, Inc.
Cynapsus Therapeutics	Loxo Oncology, Inc.
CytomX Therapeutics, Inc.	TRACON Pharmaceuticals, Inc.
CytRx Corporation	Trevena, Inc.
Flex Pharma, Inc.	ZIOPHARM Oncology, Inc.
Flexion Therapeutics, Inc.	

In 2017, Compensia reviewed and advised the Compensation Committee on the matters described above.

In setting 2017 compensation, the Compensation Committee reviewed the competitive market analysis provided by Compensia and compared each named executive officer's base salary, target annual performance bonus and equity compensation value, separately and in the aggregate, to amounts paid to similarly-situated executives at our peer companies. The Compensation Committee believes that targeting compensation towards similarly situated executives at our peer companies helps achieve the compensation objectives described above. However,

compensation for each named executive officer may vary from this range depending on other factors the Compensation Committee considers relevant, such as internal pay equity among our named executive officers or levels of authority, responsibility and experience of our named executive officers that exceed the norms for individuals holding comparably-titled positions at other companies.

Elements of Compensation

We evaluate individual executive performance with a goal of setting compensation at levels our Board or any applicable committee thereof believes are comparable with executives in other companies of similar size and stage of development while taking into account our relative performance and our own strategic goals. The compensation received by our named executive officers consists of the following elements:

Base Salary

Base salaries for our executives are established based on the scope of their responsibilities and individual experience, taking into account competitive market compensation paid by other companies for similar positions within our industry.

The Compensation Committee considers compensation data from the peer companies to the extent the executive positions at these companies are considered comparable to our positions and informative of the competitive environment. Compensation data for our peer group were collected from available proxy-disclosed data. This information was gathered and analyzed for the 25th, 50th and 75th percentiles for annual base salary, short-term incentive pay elements and long-term incentive pay elements.

Effective August 12, 2016, the Compensation Committee set Dr. Ji's annual base salary at \$550,000. On November 11, 2016, the Company and Dr. Ji agreed to rescind 200,000 of the shares subject to an option to purchase 500,000 shares of common stock granted to Dr. Ji on August 12, 2016. In connection with the rescission of the 200,000 shares subject to the option, the Compensation Committee determined: (a) to increase Dr. Ji's base salary to \$600,000 with retroactive effective to January 1, 2016, and (b) to award Dr. Ji a one-time \$200,000 cash bonus. There were no changes to Dr. Ji's base salary during 2017.

Mr. Ferrigno, our former Chief Accounting Officer (and former principal financial officer), was paid an annual base salary of \$225,000 pursuant to an offer letter dated November 1, 2016. Mr. Ferrigno was appointed our Chief Accounting Officer (and principal financial officer) effective May 15, 2017. Mr. Ferrigno's employment with the Company terminated effective March 23, 2018.

Effective August 12, 2016, the base salary of Mr. Herde, our former Executive Vice President and Chief Financial Officer, was increased from \$300,000 to \$330,000. Mr. Herde's employment with the Company terminated on May 15, 2017.

Mr. Ng, our Executive Vice President, Chief Administrative Officer and Chief Legal Officer, is a party to an employment agreement with us dated December 8, 2014 pursuant to which we pay him an annual base salary of \$450,000. There were no changes to Mr. Ng's base salary during 2017.

Dr. Zeldis, our Chief Medical Officer and President of Clinical Development, is paid an annual base salary of \$275,000 pursuant to an offer letter dated August 9, 2016.

Variable Pay

We design our variable pay programs to be both affordable and competitive in relation to the market. We monitor the market and adjust our variable pay programs as needed. Our variable pay programs, such as our bonus program, are designed to motivate employees to achieve overall goals. Our programs are designed to avoid entitlements, to align actual payouts with the actual results achieved and to be easy to understand and administer.

2017 Bonuses

Under the terms of our employment agreement with Dr. Ji, Dr. Ji's target annual bonus is equal to 55% of his annual salary. Our employment agreement with Mr. Ng provides that Mr. Ng's target annual bonus is equal to 35% of his annual salary. Our offer letter with Dr. Zeldis provides that Dr. Zeldis' annual target bonus is equal to 40% of his annual salary. Our offer letter with Mr. Ferrigno provided that Mr. Ferrigno's annual target bonus was equal to 25% of his annual salary.

As of the date of this proxy statement, the Compensation Committee has not yet determined the annual bonus amounts, if any, that will be awarded our named executive officers for 2017. We expect the Compensation Committee to assess 2017 performance and determine the 2017 annual bonus awards for our executive officers by October 2018. Once such annual bonus amounts, if any, have been determined, we will, in accordance with Securities and Exchange Commission rules and regulations, file a Current Report on Form 8-K or otherwise disclose the 2017 annual bonus amounts within four business days after the Compensation Committee has assessed 2017 performance and determined the 2017 annual bonus awards for our named executive officers.

Equity-Based Incentives

Salaries and bonuses are intended to compensate our executive officers for short-term performance. We also have adopted an equity incentive program intended to reward longer-term performance and to help align the interests of our named executive officers with those of our stockholders. We believe that long-term performance is achieved through an ownership culture that rewards performance by our named executive officers through the use of equity incentives. Our equity incentive plan has been established to provide our employees, including our named executive officers, with incentives to help align those employees' interests with the interests of our stockholders.

When making equity-award decisions, the Compensation Committee considers market data, the grant size, the forms of long-term equity compensation available to it under our existing plans and the status of previously granted awards. The amount of equity incentive compensation granted reflects the executives' expected contributions to our future success. Existing ownership levels are not a factor in award determination, as the Compensation Committee does not want to discourage executives from holding significant amounts of our stock.

Future equity awards that we make to our named executive officers will be driven by our sustained performance over time, our named executive officers' ability to impact our results that drive stockholder value, their level of responsibility, their potential to fill roles of increasing responsibility, and competitive equity award levels for similar positions in comparable companies. Equity forms a key part of the overall compensation for each executive officer and is evaluated each year as part of the annual performance review process and incentive payout calculation.

The amounts awarded to the named executive officers are based on the Compensation Committee's subjective determination of what is appropriate to incentivize the executives. Generally, the grants to named executive officers vest over: (i) a four-year period with 25% vesting on each anniversary of the grant date, or (ii) a four-year period with 1/4 of the shares vesting on the first anniversary of the applicable vesting commencement date, and 1/48 of the shares vesting thereafter on a monthly basis. All equity awards to our employees, including named executive officers, and to directors, have been granted and reflected in our financial statements, based upon the applicable

accounting guidance, with the exercise price equal to the fair market value of one share of common stock on the grant date.

In September 2017, the Compensation Committee decided to grant long-term equity based incentives in the form of options to purchase shares of common stock to our then-current named executive officers. The Compensation Committee considered the competitive market analysis provided by Compensia and other data in determining the number of options granted to our named executive officers in September 2017. It is our view that option based awards best align with the interest of our stockholders. The equity awards granted to our named executive officers in 2017 are set forth in the 2017 Summary Compensation Table and Grants of Plan-Based Awards During Fiscal Year 2017 table contained herein.

In order to encourage a long-term perspective and to encourage key employees to remain with us, our stock options typically have annual vesting over a four-year period and a term of ten years. Generally, vesting ends upon termination of services and exercise rights of vested options cease three months after termination of services. Prior to the exercise of an option, the holder has no rights as a stockholder with respect to the shares subject to such option, including voting rights and the right to receive dividends or dividend equivalents.

Benefits Programs

We design our benefits programs to be both affordable and competitive in relation to the market while conforming with local laws and practices. We monitor the market and local laws and practices and adjust our benefits programs as needed. We design our benefits programs to provide an element of core benefits and, to the extent possible, offer options for additional benefits, be tax-effective for employees in each country and balance costs and cost sharing between us and our employees.

Timing of Equity Awards

Only the Compensation Committee may approve stock option grants to our executive officers. Stock options are generally granted at meetings of the Compensation Committee. On limited occasions, a grant may be made pursuant to a unanimous written consent of the Compensation Committee, which occurs primarily for the purpose of approving a compensation package for a newly hired or promoted executive. The exercise price of a newly granted option is the closing price of our common stock on the date of grant.

Executive Equity Ownership

We encourage our executives to hold a significant equity interest in our company. However, we do not have specific share retention and ownership guidelines for our executives.

Hedging Policy

Our Insider Trading and Window Period Policy prohibits our directors, officers and employees, and their family members, from engaging in hedging transactions involving our securities.

Consideration of Advisory Votes to Approve the Compensation of our Named Executive Officers

We value the opinions of our stockholders, including as expressed through advisory votes to approve the compensation of our named executive officers (“Say-on-Pay Votes”). In our most recent Say-On-Pay Vote, conducted at our 2015 annual meeting of stockholders, held on June 4, 2015, our stockholders approved the compensation of our named executive officers on an advisory basis. We will consider the outcome of the Say-on-

Pay Vote during the Annual Meeting and will continue to consider the outcome of future Say-on-Pay Votes, as well as stockholder feedback received throughout the year, when making compensation decisions for our executive officers.

Effect of Accounting and Tax Treatment on Compensation Decisions

In the review and establishment of our compensation programs, we consider the anticipated accounting and tax implications to us and our executives.

Generally, Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), disallows public companies a tax deduction for federal income tax purposes of compensation in excess of \$1 million paid to their chief executive officer and certain other specified officers in any taxable year. For tax years ending prior to December 31, 2017, compensation in excess of \$1 million could only be deducted if it was “performance-based compensation” within the meaning of Section 162(m) of the Code or qualified for one of the other exemptions from the deduction limit. The exemption from Section 162(m) of the Code’s deduction limit for performance-based compensation has been repealed, effective for taxable years beginning after December 31, 2017, such that compensation paid to our covered officers (which now also includes our Chief Financial Officer) in excess of \$1 million will generally not be deductible unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017. We seek to maintain flexibility in compensating our executives in a manner designed to promote our corporate goals and, therefore, our Compensation Committee has not adopted a policy requiring that any or all compensation to be deductible. Our Compensation Committee will continue to assess the applicability of Section 162(m) of the Code on our compensation practices and determine what further action, if any, is appropriate.

Role of Executives in Executive Compensation Decisions

The Board and our Compensation Committee generally seek input from our Chief Executive Officer, Dr. Ji, when discussing the performance of, and compensation levels for, executives other than himself. The Compensation Committee also works with Dr. Ji and our Chief Financial Officer to evaluate the financial, accounting, tax and retention implications of our various compensation programs. Neither Dr. Ji nor any of our other executives participate in deliberations relating to his compensation.

Compensation Risk Management

We have considered the risk associated with our compensation policies and practices for all employees, and we believe we have designed our compensation policies and practices in a manner that does not create incentives that could lead to excessive risk taking that would have a material adverse effect on us for the following reasons:

We structure our compensation to consist of base salary, variable pay, equity-based pay and benefits. The base portion of compensation is designed to provide a steady income regardless of our stock price performance so that executives do not feel pressured to focus exclusively on stock price performance to the detriment of other important business measures. Our variable pay and equity-based pay programs are designed to reward both short- and long-term corporate performance. For short-term performance, our variable pay programs are designed to motivate employees to achieve overall goals. For long-term performance, our stock option awards generally vest over four years and are only valuable if our stock price increases over time. We believe that these variable elements of compensation are a sufficient percentage of overall compensation to motivate executives to produce superior short- and long-term corporate results,

while the fixed element is also sufficiently high that the executives are not encouraged to take unnecessary or excessive risks in doing so.

Our bonus program has been structured around attainment of overall corporate goals for the past several years and we have seen no evidence that it encourages unnecessary or excessive risk taking.

We are a clinical stage biotechnology company focused on delivering clinically meaningful therapies to patients and their families, globally. Our primary focus is to transform cancer into a treatable or chronically manageable disease. We also have programs assessing the use of our technologies and products in auto-immune, inflammatory and neurodegenerative diseases and pain indications with high unmet medical needs. As of December 31, 2017, we had 204 employees and 19 consultants and advisors. A significant number of our management and our other employees and consultants have worked or consulted with pharmaceutical, biotechnology or medical product companies. As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of Henry Ji, Ph.D., our CEO:

CEO Pay Ratio for 2017

¶ The median of the annual total compensation of our employees, excluding our CEO, was \$84,910;

¶ The annual total compensation of our CEO, as set forth in the Summary Compensation Table, was \$1,545,000*; and

• The ratio of the annual total compensation of our CEO to the median of the annual total compensation of our employees was 18 to 1. This ratio is a reasonable estimate calculated in a manner consistent with SEC rules.

* As described above in the "Summary Compensation Table", our CEO's 2017 annual total compensation of \$1,545,000 as disclosed in this section does not include the amount of any bonuses that may be awarded to our CEO for 2017 as the Compensation Committee has not, as of the date of this proxy statement, yet determined the annual bonus amounts, if any, that will be awarded to our named executive officers for 2017. We expect the Compensation Committee to assess 2017 performance and determine the 2017 annual bonus awards for our executive officers, including our CEO, by October 2018. Once such annual bonus amounts, if any, have been determined, we will, in accordance with Securities and Exchange Commission rules and regulations, file a Current Report on Form 8-K or otherwise disclose the 2017 annual bonus amount and, to the extent that any bonus award paid to our executive officers, including our CEO, for 2017 impacts the pay ratio calculation and disclosure contained herein, we will also disclose updated pay ratio disclosure within four business days after the Compensation Committee has determined the 2017 annual bonus awards for our named executive officers.

Methodology

The methodology including key assumptions and estimates used to identify the employee with compensation at the median of the annual total compensation of all our employees were based on the following:

In determining our employee population, we considered the individuals, excluding our CEO, who were employed by us and our consolidated subsidiaries as of December 31, 2017, whether employed on a full-time, part-time, seasonal or temporary basis. We did not include any contractors or other non-employee workers in our employee population. To identify our median employee, we chose to use a consistently-applied compensation measure, which we selected as December 31, 2017 for the 12-month period from January 1, 2017 through December 31, 2017. For simplicity, we calculated annual base pay using a reasonable estimate of the hours worked during 2017 for hourly employees and actual salary paid for our remaining employees. For 2017, we used the employee directly above the median employee due to the calculated median employee's new hire status during fiscal year 2017.

For employees paid other than in U.S. dollars, we converted their compensation to U.S. dollars using the applicable exchange rates in effect on December 31, 2017. For permanent employees hired during 2017, we annualized their salary or base pay as if they had been employed for the entire measurement period. We did not make any cost-of-living adjustment.

Calculation

Using the aforementioned methodology, the individual directly above the calculated median employee from our employee population had actual earnings consisting of base pay and equity compensation of \$84,910. The 2017 annual total compensation as determined under Item 402 of Regulation S-K for our CEO, as set forth in the Summary Compensation Table, was \$1,545,000. The estimated ratio of our CEO's annual total compensation to our median employee's total compensation for the fiscal year ended December 31, 2017 is 18 to 1.

Employment, Severance, Separation and Change in Control Agreements

Chief Executive Officer Amended and Restated Employment Agreement

On May 9, 2017, we entered into an Amended and Restated Employment Agreement (the “Restated Agreement”) with Dr. Ji. Pursuant to the Restated Agreement, Dr. Henry Ji will continue to serve as our President and Chief Executive Officer for an initial term of three years commencing on May 9, 2017. Following this initial three year term, the Restated Agreement shall renew automatically for additional 12 month terms unless either we or Dr. Ji provide written notice of non-renewal at least three months in advance of the expiration of the then-current term. The Restated Agreement supersedes and replaces a prior employment agreement with Dr. Ji, dated September 21, 2012, as amended on October 18, 2012.

Pursuant to the Restated Agreement, Dr. Ji shall (i) receive an annual base salary (the “Annual Base Salary”) of \$600,000; (ii) be eligible to participate in an annual incentive program, with a target annual bonus incentive equal to 55% of his then-current Annual Base Salary (the “Annual Bonus”); and (iii) receive employee benefits, paid personal leave and expense reimbursement in accordance with our policies. In addition, Dr. Ji’s performance will be reviewed by the Board at least annually, and his Annual Base Salary, target Annual Bonus and any other compensation will be subject to adjustment by the Board, provided that Dr. Ji’s Annual Base Salary and target Annual Bonus may not be adjusted downward.

Pursuant to the Restated Agreement, we have the right to terminate Dr. Ji’s employment at any time with or without “cause” (as defined in the Restated Agreement). In addition, Dr. Ji may resign with or without “good reason” (as defined in the Restated Agreement) upon thirty days’ written notice to us. Under each such circumstance, Dr. Ji will be entitled to receive any accrued but unpaid base salary as of the date of termination or resignation, any expenses owed to him and any amount accrued and arising from his participation in, or vested benefits accrued under, any employee benefit plans, programs or arrangements, including any 401(k), profit sharing or pension plan (collectively, the “Termination Payments”).

In the event that Dr. Ji’s employment is terminated by us without “cause” or by our non-renewal of the term of the Restated Agreement, or by Dr. Ji for “good reason,” in either case outside of a Change of Control Window (as defined below), then, subject to Dr. Ji’s timely execution and non-revocation of a release in favor of us, Dr. Ji will be entitled to receive the following: (i) the Termination Payments; (ii) an amount equal to his then-current Annual Base Salary, payable in a lump sum; (iii) an amount equal to his pro-rata then-current target Annual Bonus, payable in a lump sum; (iv) 12 months of health insurance benefits for Dr. Ji and for his eligible dependents who were covered under our health insurance plans as of the date his employment was terminated; and (v) one year of accelerated

vesting of Dr. Ji's then-outstanding awards of equity compensation, with performance-criteria deemed satisfied at target.

If Dr. Ji's employment is terminated without "cause" or by our non-renewal of the term of the Restated Agreement, or by Dr. Ji for "good reason," in either case during the period commencing three months prior to a Change of Control and ending 12 months after a Change of Control (as defined in the Restated Agreement) (the "Change of Control Window"), then, subject to Dr. Ji's timely execution and non-revocation of a release in favor of us, Dr. Ji will be entitled to receive the following: (i) the Termination Payments; (ii) an amount equal to twice his then-current Annual Base Salary, payable in a lump sum; (iii) an amount equal to twice his pro-rata then-current target Annual Bonus, payable in a lump sum; (iv) 24 months of health insurance benefits for Dr. Ji and for his eligible dependents who were covered under our health insurance plans as of the date his employment was terminated; and (v) accelerated vesting of Dr. Ji's then-outstanding awards of equity compensation, with performance-criteria deemed satisfied target.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

The following is a description of transactions or series of transactions since January 1, 2017, or any currently proposed transaction, to which we have been a party, in which the amount involved in the transaction or series of transactions exceeds \$120,000 and in which any of our directors, executive officers or persons who we know held more than five percent of any class of our capital stock, including their immediate family members, had or will have a direct or indirect material interest, other than compensation arrangements that are described under “Employment Agreements” above.

Scilex Pharmaceuticals, Inc. Acquisition

On November 8, 2016, we entered into a Stock Purchase Agreement (the “Stock Purchase Agreement”) with Scilex Pharmaceuticals, Inc. (“Scilex”) and a majority of the stockholders of Scilex (the “Scilex Stockholders”) pursuant to which we acquired from the Scilex Stockholders approximately 72% of the outstanding capital stock of Scilex. Dr. Henry Ji, our President and Chief Executive Officer and a member of our Board of Directors, and George K. Ng, our Vice President, Chief Administrative Officer and Chief Legal Officer, were stockholders of Scilex prior to the acquisition transaction.

At the closing of the Scilex acquisition, we issued to the Scilex Stockholders consideration valued at \$4.8 million, which consisted primarily of an aggregate of 754,911 shares of our common stock.

On September 11, 2017, we received notice from the FDA that the FDA had accepted Scilex’s resubmitted new drug application for ZTlido™ for the treatment of postherpetic neuralgia and we issued to certain of the Scilex Stockholders consideration valued at \$1.4 million, which consisted primarily of an aggregate of 754,930 shares of Common Stock. On February 28, 2018, the FDA approved ZTlido™ (lidocaine topical system) 1.8% for the relief of pain associated with post-herpetic neuralgia. As a result of the FDA approval, pursuant to the Stock Purchase Agreement, we became obligated to deliver to certain of the Scilex Stockholders cash and shares of common stock with a total value of approximately \$38.2 million. In satisfaction of this obligation, we issued 1,381,346 shares of common stock to the Scilex Stockholders and paid the Scilex Stockholders an aggregate of \$24.5 million in cash.

Contribution Agreement with Celularity, Inc.

On June 12, 2017, we entered into a Contribution Agreement (as amended, the “Contribution Agreement”) with TNK Therapeutics, Inc., one of our majority-owned subsidiaries (“TNK”), and Celularity, Inc. (“Celularity”), pursuant to which, among other things, we and TNK agreed to contribute, pursuant to a License and Transfer Agreement to be entered into among Sorrento, TNK and Celularity (the “License Agreement”), certain intellectual property rights related to their proprietary chimeric antigen receptor (“CAR”) constructs and related CARs to

Celularity in exchange for shares of Celularity's Series A Preferred Stock equal to 25% of Celularity's outstanding shares of capital stock, calculated on a fully-diluted basis (the "Celularity Shares").

On August 15, 2017, the transactions contemplated by the Contribution Agreement closed and, on such date, among other things, (a) Celularity issued the Celularity Shares to TNK, and (b) we, TNK and Celularity entered into the License Agreement. Pursuant to the License Agreement (i) we and TNK agreed to provide to Celularity (1) our CAR constructs and related CARs for use worldwide in combination with placenta-derived cells and/or cord blood-derived cells for the treatment of any disease or disorder except that anti-CD38 CAR constructs and related CARs may also be used in adult cells for the treatment of multiple myeloma unless TNK exercises its termination rights, and (2) our know-how relating to the foregoing, (ii) we and TNK granted to Celularity a limited, perpetual, transferable and sublicensable license and covenant not to sue with respect to certain of their patents and other intellectual property rights, which license is exclusive for a subset of such patents, and (iii) Celularity agreed to pay to TNK 50% of the first \$200 million and 20% thereafter of any upfront and milestone payments that Celularity receives in connection with any sublicense of a combination of anti-CD38 CAR constructs and either placenta-driven cells and/or cord blood-derived cells or adult cells.

The License Agreement may be terminated (i) by either TNK or Celularity upon a material breach of the License Agreement by the other party that is uncured for 90 days after written notice, (ii) by TNK, with respect to anti-CD38 CAR constructs and related CARs for use in combination with adult cells, if Celularity fails to execute a bona fide strategic development and commercialization agreement with an unaffiliated party by July 1, 2018 with respect to the anti-CD38 CAR constructs and related CARs for use in combination with adult cells, or (iii) by Celularity, following the one-year anniversary of the License Agreement, upon six month's written notice to TNK.

Dr. Henry Ji, our President and Chief Executive Officer and Chairman of our Board of Directors, Jaisim Shah, a member of our Board of Directors and David H. Deming, a member of our Board of Directors, are members of the board of directors of Celularity. Binding Term Sheet Regarding Acquisition of Semnur Pharmaceuticals, Inc.

On August 15, 2016, our subsidiary Scintilla Pharmaceuticals, Inc. ("Scintilla"), and Semnur Pharmaceuticals, Inc. ("Semnur") entered into a binding term sheet (the "Semnur Binding Term Sheet") setting forth the terms and conditions by which Scintilla would, through a subsidiary, purchase all of the issued and outstanding equity of Semnur (the "Semnur Acquisition"). The Semnur Binding Term Sheet provided that, contingent upon the execution of a definitive agreement between the parties (the "Definitive Agreement") and subject to certain conditions, Scintilla would, at the closing of the Semnur Acquisition (the "Semnur Closing"), make an initial payment of \$60.0 million (the "Initial Consideration") to the equityholders of Semnur in exchange for all of the issued and outstanding equity of Semnur. The Initial Consideration was to consist of \$40.0 million in cash and \$20.0 million in shares of our common stock (the "Semnur Stock Consideration"). The Semnur Binding Term Sheet also provided that the number of shares of our common stock comprising the Semnur Stock Consideration would be calculated based on the volume weighted average closing price of our common stock for the 30 consecutive trading days ending on the date that is three days prior to the execution of the Definitive Agreement. \$6.0 million of the Semnur Stock Consideration was to be placed into escrow, a portion of which will be held for a period of up to six or 12 months to secure certain obligations of Semnur and its equityholders in connection with the Semnur Acquisition. At the Semnur Closing, we were to enter into a registration rights agreement with certain of Semnur's equityholders, pursuant to which we would agree to seek the registration for resale of the shares of our common stock comprising the Semnur Stock Consideration.

In addition to the Initial Consideration, Scintilla was to pay additional consideration of up to \$140.0 million to Semnur's equityholders upon Scintilla's completion of certain clinical studies and trials, receipt of certain regulatory approvals and the achievement of certain sales targets following the Semnur Closing. We paid \$6.9 million associated with the development activities since the inception of the Semnur Binding Term Sheet through September 30, 2017. On October 6, 2017, the Semnur Binding Term Sheet was terminated without additional consideration, effective immediately.

Mr. Shah, a member of our board of directors, is Semnur's Chief Executive Officer and a member of its Board of Directors and currently owns approximately 5.5% of Semnur's total outstanding capital stock.

Indemnification Agreements with Directors and Executive Officers

We have entered into indemnity agreements with certain directors, officers and other key employees of ours under which we agreed to indemnify those individuals under the circumstances and to the extent provided for in the agreements, for expenses, damages, judgments, fines, settlements and any other amounts they may be required to pay in actions, suits or proceedings which they are or may be made a party or threatened to be made a party by reason of their position as a director, officer or other agent of ours, and otherwise to the fullest extent permitted under Delaware law and our Bylaws. We also have an insurance policy covering our directors and executive officers with respect to certain liabilities, including liabilities arising under the Securities Act of 1933, as amended, or otherwise. We believe that these provisions and insurance coverage are necessary to attract and retain qualified directors, officers and other key employees.

Review, Approval or Ratification of Transactions with Related Persons

The Board conducts an appropriate review of and oversees all related party transactions on a continuing basis and reviews potential conflict of interest situations where appropriate. The Board has not adopted formal standards to apply when it reviews, approves or ratifies any related party transaction. However, the Board has followed the following standards: (i) all related party transactions must be fair and reasonable and on terms comparable to those reasonably expected to be agreed to with independent third parties for the same goods and/or services at the time they are authorized by the Board and (ii) all related party transactions should be authorized, approved or ratified by the affirmative vote of a majority of the directors who have no interest, either directly or indirectly, in any such related party transaction.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires our directors and executive officers, and persons who beneficially own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes of ownership of common stock and our other equity securities. Directors, officers and greater than ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

ADDITIONAL INFORMATION

Householding

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Proxy Availability Notices or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards.

This year, a number of brokers with account holders who are our stockholders will be “householding” our proxy materials. A Notice or proxy materials will be delivered in one single envelope to multiple stockholders sharing an address unless contrary instructions have been received from one or more of the affected stockholders. Once you have

received notice from your broker that they will be householding communications to your address,

55

householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Notice or proxy materials, please notify your broker or call the Company's Secretary at (858) 203-4100, or submit a request in writing to our Corporate Secretary, c/o Sorrento Therapeutics, Inc., 4955 Directors Place, San Diego, California 92121. Stockholders who currently receive multiple copies of the Notice or proxy materials at their address and would like to request householding of their communications should contact their broker. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the Notice or proxy materials to a stockholder at a shared address to which a single copy of the documents was delivered.

Annual Reports and Form 10-K

Our annual report for the fiscal year ended December 31, 2017, as amended, will be mailed to stockholders of record on or about July 24, 2018. Our annual report does not constitute, and should not be considered, a part of this proxy solicitation material.

Any person who was a beneficial owner of our common stock on the record date may request a copy of our annual report, and it will be furnished without charge upon receipt of a written request identifying the person so requesting a report as a stockholder of our company at such date. Requests should be directed to Sorrento Therapeutics, Inc., 4955 Directors Place, San Diego, California 92121, Attention: George K. Ng, Corporate Secretary.

OTHER MATTERS

We do not know of any business other than that described in this proxy statement that will be presented for consideration or action by the stockholders at the annual meeting. If, however, any other business is properly brought before the meeting, shares represented by proxies will be voted in accordance with the best judgment of the persons named in the proxies or their substitutes. All stockholders are urged to complete, sign and return the accompanying proxy card in the enclosed envelope.
