**MYLAN LABORATORIES INC.
PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
July 28, 2006**

VOTING RIGHTS, PROXIES AND SOLICITATION

General

We are furnishing this Proxy Statement to shareholders of Mylan Laboratories Inc., a Pennsylvania corporation (Mylan or the Company), in connection with the solicitation of proxies by our Board of Directors for use at our 2006 Annual Meeting of Shareholders (the Annual Meeting) and at any adjournment or postponement thereof. The Annual Meeting is scheduled to be held on Friday, July 28, 2006, at 10:00 a.m. (Eastern time), at the Hilton Garden Inn, 1000 Corporate Drive, Canonsburg, Pennsylvania, for the purposes set forth in the accompanying Notice of Annual Meeting. We are mailing this Proxy Statement and the enclosed proxy card to shareholders on or about June 28, 2006.

Our Board of Directors has fixed the close of business on June 5, 2006 (the Record Date) as the record date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting and any adjournment or postponement thereof. As of the close of business on the Record Date, there were 210,625,855 shares of our common stock, par value \$.50 per share (Common Stock), outstanding and entitled to vote. Each share of Common Stock is entitled to one vote on each matter properly brought before the Annual Meeting.

Quorum

Holders of a majority of the outstanding shares of our Common Stock entitled to vote on the Record Date must be present in person or represented by proxy to constitute a quorum. Proxies marked as abstaining and proxies returned by brokers as non-votes because they have not received voting instructions from the beneficial owners of the shares will be treated as shares present for purposes of determining the presence of a quorum.

Voting

You may vote by proxy either by signing, dating and returning the enclosed proxy card, or over the Internet or by telephone by following the instructions set forth on the enclosed proxy card.

If you vote by proxy, the individuals named on the enclosed proxy card will vote your shares in the manner you indicate. If you do not specify voting instructions, then the proxy will be voted in accordance with recommendations of the Board of Directors, as described in this Proxy Statement. If any other matter properly comes before the Annual Meeting, the designated proxies will vote on that matter in their discretion.

If your shares are held in the name of a brokerage firm, bank nominee or other institution, please sign, date and mail the enclosed instruction card in the enclosed postage-paid envelope or contact your broker, bank nominee or other institution to determine whether you will be able to vote over the Internet or by telephone.

If you come to the Annual Meeting to cast your vote in person and you are holding your shares in a brokerage account or through a bank or other nominee (street name), you will need to bring a legal proxy obtained from your broker, bank or nominee which will authorize you to vote your shares in person.

Your vote is important. We encourage you to sign and date your proxy card and return it in the enclosed postage-paid envelope, or vote over the Internet or by telephone, so that your shares may be represented and

voted at the Annual Meeting.

Revoking a Proxy

You may revoke your proxy at any time before it is voted by submitting another properly executed proxy showing a later date, by filing a written notice of revocation with the Secretary of Mylan at the address shown on the cover page, by casting a new vote over the Internet or by telephone, or by voting in person at the Annual Meeting.

Votes Required

Election of Directors

You may vote either FOR or WITHHOLD with respect to each nominee for the Board. Directors are elected by plurality voting, which means that the nine director nominees who receive the highest number of votes will be elected to the Board. Votes of WITHHOLD and broker non-votes, if any, will have no effect on the outcome of the election of directors.

Amendment of the 2003 Long-Term Incentive Plan and Ratification of Selection of Deloitte & Touche LLP as Our Independent Registered Public Accounting Firm

Both the amendment of the Company's 2003 Long Term Incentive Plan and the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2007, require the affirmative vote of a majority of the votes cast by all shareholders entitled to vote. Abstentions and broker non-votes, if any, will have no effect on the outcome of the vote on either proposal. If the selection of Deloitte & Touche LLP is not ratified by our shareholders, the audit committee will reconsider its recommendation.

Proxy Solicitation

Mylan will bear the entire cost of this solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement and any additional materials furnished by our Board of Directors to our shareholders. Proxies may be solicited without additional compensation by directors, officers and employees of Mylan and its subsidiaries. Copies of solicitation material will be furnished to brokerage firms, banks and other nominees holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to these beneficial owners. If asked, we will reimburse these persons for their reasonable expenses in forwarding the solicitation material to the beneficial owners. The original solicitation of proxies by mail may be supplemented by telephone, telegram, facsimile, Internet and personal solicitation by our directors, officers or other regular employees. In addition, the Company has retained Morrow & Co., Inc. to assist in soliciting proxies at a cost of approximately \$7,500 plus expenses.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE
FOR THE ELECTION OF EACH OF THE NOMINEES NAMED ABOVE.**

Meetings of the Board

In fiscal 2006, our Board met 22 times. In addition to meetings of the Board, directors attended meetings of individual Board committees. In fiscal 2006, all of the directors attended at least 75% of the Board meetings and meetings of Board committees of which they were a member. In addition to board and committee meetings, it is the Company's policy that directors are expected to attend the Annual Meeting. All members of the Board attended the 2005 Annual Meeting of Shareholders.

Non-management members of the Board meet in executive sessions on a regularly scheduled basis. Neither the Chief Executive Officer nor any other member of management attends such meetings of non-management directors. Milan Puskar, the Chairman of the Board, has been chosen to preside at such executive sessions. For information regarding how to communicate with non-management directors as a group and one or more individual members of the Board, see Communications with Directors below.

Board Committees

The principal standing committees of the Board include the Audit Committee, Compensation Committee and Governance and Nominating Committee. Each such committee operates under a written charter, current copies of which are available on the Company's corporate website at www.mylan.com under the heading Corporate Governance. Copies of the charters are also available in print to shareholders upon request, addressed to Mylan's Corporate Secretary at 1500 Corporate Drive, Canonsburg, Pennsylvania 15317.

Audit Committee and Audit Committee Financial Expert. The Audit Committee's responsibilities include the appointment, compensation, retention and oversight of the Company's independent registered public accounting firm; reviewing with the independent registered public accounting firm the scope of the audit plan and audit fees; and reviewing the Company's financial statements and related disclosures. The Committee met 11 times during fiscal 2006. The Committee is currently comprised of Mr. Leech (Chairman), Mr. Dimick and Mr. Piatt, all of whom are independent directors, as required by and as defined in audit committee independence standards of the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange (the "NYSE"). The Board

Table of Contents

has determined that each of Mr. Leech, Mr. Dimick and Mr. Piatt is an audit committee financial expert, as that term is defined in the rules of the SEC.

Compensation Committee. The Compensation Committee establishes and regularly reviews the Company's compensation philosophy, strategy, objectives and ethics and determines the compensation payable to the Chief Executive Officer and approves the compensation payable to other executive officers.

The Committee also administers the Company's equity compensation and benefit plans. The Committee met nine times during fiscal 2006. The Committee is currently comprised of Mr. Piatt (Chairman), Ms. Cameron and Dr. Maroon, all of whom are independent directors as defined in the NYSE rules. For additional information, see Report of the Compensation Committee of the Board of Directors.

Governance and Nominating Committee. The Governance and Nominating Committee is responsible for the nomination of candidates for the Board and the oversight of all aspects of the Company's corporate governance initiatives. The Committee met one time during fiscal 2006. The Committee is currently comprised of Mr. Leech (Chairman), Ms. Cameron and Mr. Piatt, all of whom are independent directors as defined in the NYSE rules.

For purposes of identifying individuals qualified to become members of the Board, the Committee has adopted the following criteria with regard to traits, abilities and experience that the Board looks for in determining candidates for election to the Board:

Directors should be of the highest ethical character and share the values of the Company.

Directors should have personal and/or professional reputations that are consistent with the image and reputation of the Company.

Each Director should have relevant expertise and experience and be able to offer advice and guidance to the Chief Executive Officer based on that expertise and experience.

Each Director should have the ability to exercise sound business judgment.

In addition, a majority of the members of the Board should be independent, not only as that term may be defined legally or mandated by the NYSE rules, but also without the appearance of any conflict in serving as a director. For a director to be considered independent, the Board must determine that he or she does not have any material relationship with the Company, either directly or indirectly (other than in his or her capacity as a director).

The Committee will consider director candidates properly submitted by shareholders. In considering candidates submitted by shareholders, the Committee will take into consideration the needs of the Board and the qualifications of the candidate, including those traits, abilities and experience identified above. Any submission of a proposed candidate for consideration by the Committee should include the name of the proposing shareholder and evidence of such person's ownership of Mylan stock, and the name of the proposed candidate, his or her resume or a listing of his or her qualifications to be a director of the Company, and the proposed candidate's signed consent to be named as a director if recommended by the Committee. Such information will be considered by the Chairman of the Committee, who will present the information on the proposed candidate to the entire Committee.

Any shareholder recommendation of a proposed candidate must be sent to Mylan's Corporate Secretary at 1500 Corporate Drive, Canonsburg, Pennsylvania 15317, not later than the earlier of (i) 120 days prior to the anniversary date of the Company's most recent annual meeting of shareholders or (ii) March 31 of the year in which the annual meeting is to be held.

The Committee identifies new potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who would be good candidates for service on the Board. The Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by shareholders.

Once a person has been identified by the Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Committee determines that the candidate warrants further consideration, the Chairman or another

Table of Contents

member of the Committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Committee will request information from the candidate, review the candidate's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conduct one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder.

Director Independence

The Board has determined that Wendy Cameron, Neil Dimick, C.P.A., Douglas J. Leech, C.P.A., Joseph C. Maroon, M.D., Rodney L. Piatt, C.P.A., C.B. Todd and Randall L. Vanderveen Ph.D., B.C.P.P., R.Ph. have no material relationships with the Company and concluded that they are independent directors under the director independence standards of the NYSE. With respect to Mr. Leech, Mr. Piatt and Mr. Todd, the Board considered their past relationships with the Company, which relationships are no longer in existence, and determined that such past relationships are not material. Mr. Coury and Mr. Puskar are not independent directors due to their present or past service as executives of the Company.

Compensation of Directors

The Company's non-employee directors receive \$50,000 per year in cash compensation, and are reimbursed for actual expenses relating to meeting attendance. Mr. Puskar receives an additional \$200,000 per year for his service as Chairman of the Board. In addition, non-employee directors (other than Mr. Puskar) receive \$1,500 for each Board meeting they attend in person and \$1,000 for each Board meeting they attend by telephone (in each case other than meetings held primarily to consider Board compensation). Non-employee directors (other than Mr. Puskar) also received \$750 for each Committee meeting they attend in person and \$500 for each Committee meeting they attend by telephone, other than (i) Committee meetings held in conjunction with Board meetings, (ii) Committee meetings held primarily to consider Board compensation and (iii) meetings of the Finance Committee or the Executive Committee. The Audit Committee Chair also receives an additional \$10,000 per year, and the Chairs of the Compensation Committee, Governance and Nominating Committee and Compliance Committee each receive an additional \$5,000 per year. All such fees are payable quarterly. Non-employee directors are also eligible to receive stock options or other awards under the 2003 Long-Term Incentive Plan (the 2003 Plan) at the discretion of the full Board of Directors. On November 28, 2005, each non-employee director received an immediately exercisable option to purchase 10,000 shares of Company Common Stock. The exercise price for the stock options was \$20.86 per share, which was the fair market value of a share of Company Common Stock on the grant date, as determined in accordance with the 2003 Plan. Directors who are also employees of the Company do not receive any consideration for their services on the Board of Directors.

Code of Ethics; Corporate Governance Principles; Code of Business Conduct and Ethics

The Board of Directors has adopted a Code of Ethics for the Chief Executive Officer, Chief Financial Officer and Corporate Controller. The Board of Directors also has adopted Corporate Governance Principles as well as a Code of Business Conduct and Ethics applicable to all directors, officers and employees. Current copies of the Code of Ethics, Corporate Governance Principles and Code of Business Conduct and Ethics are posted on the Company's website at www.mylan.com under the heading Corporate Governance. Copies of the Code of Ethics, Corporate Governance Principles and Code of Business Conduct and Ethics are also available in print to shareholders upon request, addressed to Mylan's Corporate Secretary at 1500 Corporate Drive, Canonsburg, Pennsylvania 15317. The Company intends to post any amendments to or waivers from the Code of Ethics on its website.

ITEM 2 APPROVAL OF AN AMENDMENT TO THE COMPANY S 2003 LONG-TERM INCENTIVE PLAN

Overview of the Amendment

Mylan s shareholders adopted the Mylan Laboratories Inc. 2003 Long-Term Incentive Plan (the 2003 Plan) at the Company s annual meeting of shareholders on July 25, 2003. The 2003 Plan allows for the grant of incentive stock options, nonqualified options, awards of restricted stock and restricted stock units, stock appreciation rights, performance awards, other stock-based awards and short-term cash incentive awards to the Company s employees, directors and consultants. In April 2006, the Board unanimously approved, subject to shareholder approval, an amendment of the 2003 Plan that expands the performance goals upon which performance-based awards may be based and provides for limits on the maximum bonus amount that may be paid to any individual for any fiscal year and on the number of shares that can be made subject to a performance-based equity-based award (excluding stock options) granted to any individual for any performance period. The amendment is intended to result in stock awards or other rights under the Plan being eligible to qualify as qualified performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)). The 2003 Plan as amended to reflect the amendment is referred to below as the Amended 2003 Plan .

Reasons for the Amendment

In general, Section 162(m) imposes a limit on corporate tax deductions for compensation in excess of \$1 million per year paid by a public company to its CEO or any of its next four highest paid executive officers. For this purpose, compensation includes gains arising from stock option exercises, vesting of restricted stock and the award of stock bonuses. An exception to this limitation is provided for qualified performance-based compensation . Section 162(m) generally requires that the affected executives compensation satisfy certain conditions in order to qualify as qualified performance-based compensation . The 2003 Plan currently permits grants under the Plan to qualify as qualified performance-based compensation but the proposed amendment both expands the performance goals that may be applied and provides for annual limits on each of the cash awards and the restricted shares, restricted units and performance awards that any individual may receive, as contemplated by Section 162(m).

Summary of the Amended 2003 Plan

The following is a summary of the material provisions of the Amended 2003 Plan. This summary is qualified in its entirety by reference to the complete text of the Amended 2003 Plan, which is attached as Appendix A.

Purpose. The Board of Directors believes that the grant of stock-based and cash-based incentive awards to key employees, consultants, independent contractors and non-employee directors of Mylan is a vital factor in attracting and retaining effective and capable personnel who contribute to the growth and success of Mylan and in establishing a direct link between the financial interests of such individuals and of Mylan s shareholders.

Duration of the 2003 Plan. The Amended 2003 Plan will remain effective until it is terminated by the Board of Directors. No incentive stock options may be granted under the Amended 2003 Plan after the tenth anniversary of the effective date, and certain provisions of the Amended 2003 Plan relating to performance-based awards under Section 162(m) of the Internal Revenue Code will expire as of the first shareholder meeting that occurs following the fifth anniversary of the Annual Meeting.

Amendment of the Amended 2003 Plan. The Board of Directors may amend the Amended 2003 Plan at any time, but no amendment may, without the participant's consent, materially adversely affect the right of such participant under a previously granted award. In addition, no amendment may, without approval by the shareholders of Mylan (i) increase the total number of shares of common stock which may be issued under the Amended 2003 Plan, (ii) increase the total number of shares which may be covered by awards to any one participant or (iii) amend the provision in the Amended 2003 Plan prohibiting the reduction of the exercise price of an outstanding stock option without shareholder approval.

Table of Contents

Shares to be Issued. Mylan has reserved 22,500,000 shares of common stock for issuance under the Amended 2003 Plan. Shares subject to expired or forfeited awards once again become available for grant under the Amended 2003 Plan. If shares of common stock are tendered or withheld to pay the exercise price or withholding taxes due upon an option exercise, only the net number of shares issued will count against the number of shares available for issuance under the Amended 2003 Plan. The shares of common stock to be issued or delivered under the Amended 2003 Plan will be authorized and unissued shares or previously issued and outstanding shares of common stock reacquired by Mylan. The Amended 2003 Plan contains a limit of 4,500,000 shares on the number of shares of common stock that may be issued as restricted shares, restricted units, performance shares and other stock-based awards (as described below). On June 23, 2006, the closing price of the Company's common stock, as reported on the New York Stock Exchange, was \$20.56.

Administration. The Amended 2003 Plan is administered by the Compensation Committee of the Board of Directors (the Committee). The Committee determines the employees, consultants, independent contractors and non-employee directors who will be eligible for and granted awards, determines the amount and type of awards, establishes rules and guidelines relating to the Amended 2003 Plan, establishes, modifies and determines terms and conditions of awards and takes such other action as may be necessary for the proper administration of the Amended 2003 Plan. Members of the Committee are entitled to be indemnified by Mylan with respect to claims relating to their actions in the administration of the Amended 2003 Plan except in the case of willful misconduct.

Participants. Any employee, consultant, independent contractor or non-employee director of Mylan or its subsidiaries may be selected by the Committee to receive an award under the Amended 2003 Plan. Presently, there are approximately 2,200 individuals who could potentially be eligible to participate in the Amended 2003 Plan. In any calendar year, no participant may receive awards for more than 1,200,000 shares of common stock. In applying this limitation, if it is the Committee's intention that an award will be earned over a period of more than one calendar year, then the amount subject to the award will be allocated to the first calendar year in which such amount may be earned (determined without regard to possible vesting acceleration as a result of a change in control or Committee action).

Certain Adjustments. The share limitations under the Amended 2003 Plan, as well as the terms of outstanding awards, are subject to adjustment in accordance with the anti-dilution provisions of the Amended 2003 Plan in connection with any certain changes in the capitalization of Mylan. The Amended 2003 Plan also contains provisions regarding the treatment of outstanding awards in connection with merger and similar transactions involving Mylan.

Stock Options. The Committee may grant to a participant incentive stock options that qualify under Section 422 of the Internal Revenue Code, options which do not qualify as incentive stock options (non-qualified stock options) or a combination thereof. The terms and conditions of stock option grants including the quantity, price, waiting periods, and other conditions on exercise will be determined by the Committee. Options will generally have a term of ten years, except that the option may expire earlier upon the participant's termination of employment as set forth in the Amended 2003 Plan and the participant's option agreement.

The exercise price for stock options will be determined by the Committee at its discretion, provided that the exercise price per share for each stock option shall be at least equal to 100% of the fair market value of one share of common stock on the date when the stock option is granted. Payment for shares of common stock on the exercise of stock options may be made in cash, by the delivery (actually or by attestation) of shares of common stock held by the participant for at least six months prior to the date of exercise (unless the Committee determines that such holding period is not necessary), or a combination of cash and shares of common stock. In the discretion of the Committee, payment may be made in accordance with a cashless exercise through a brokerage firm.

Stock Appreciation Rights. Stock appreciation rights may be granted by the Committee to a participant either separate from or in tandem with non-qualified stock options or incentive stock options. A stock appreciation right entitles the

participant to receive, upon its exercise, a payment equal to (i) the excess of the fair market value of a share of common stock on the exercise date over the exercise price of the stock appreciation rights, times (ii) the number of shares of common stock with respect to which the stock appreciation right is exercised. The exercise price of a stock appreciation right is determined by the Committee, but in the case of stock appreciation rights granted in tandem with stock options, may not be less than the exercise price of the related stock option. Upon

Table of Contents

exercise of a stock appreciation right, payment will be made in cash or shares of common stock, or a combination thereof, as determined at the discretion of the Committee.

Restricted Shares and Restricted Units. The Committee may award to a participant shares of common stock subject to specified restrictions (restricted shares). The restricted shares are subject to forfeiture and are non-transferable until the participant meets certain conditions such as continued employment over a specified forfeiture period and/or attains specified performance targets over the forfeiture period.

The Committee, at its sole discretion, may waive all restrictions with respect to a restricted share award under certain circumstances (including the death, disability, or retirement of a participant, or a material change in circumstances arising after the date of grant) subject to such terms and conditions as it deems appropriate.

The Committee may also grant units representing the right to receive shares of common stock in the future subject to the achievement of one or more goals relating to the completion of service by the Participant and/or the achievement of performance or other objectives (restricted units). The Committee has the sole discretion to waive the forfeiture period and any other conditions with respect to restricted units under appropriate circumstances (including the death, permanent disability or retirement of the participant or a material change in circumstances).

Any performance targets applicable to restricted shares or restricted units will be determined by the Committee; however, awards intended to qualify as performance-based for purposes of Section 162(m) will include specified levels of one or more of the following: revenue, economic value added (EVA[®]), operating income, return on stockholders equity, return on sales, stock price, earnings per share, earnings before interest, taxes, depreciation and amortization (EBITDA), cash flow, sales growth, margin improvement, income before taxes (IBT), IBT margin, return on investment, return on capital, return on assets, value of assets, market share, market penetration goals, personnel performance goals, business development goals (including without limitation regulatory submissions, product launches and other business development-related opportunities), regulatory compliance goals, international business expansion goals, customer retention goals, customer satisfaction goals, goals relating to acquisitions or divestitures, gross or operating margins, operating efficiency, working capital performance, growth in earnings per share, expense targets and/or productivity targets or ratios (the Performance Goals).

Performance Awards. The Committee may grant performance awards to participants under such terms and conditions as the Committee deems appropriate. A performance award entitles a participant to receive a payment from Mylan, the amount of which is based upon the attainment of predetermined performance targets over a specified award period. Performance awards may be paid in cash, shares of common stock or a combination thereof, as determined by the Committee.

Award periods and performance targets will be determined by the Committee. Awards intended to qualify as performance-based for purposes of Section 162(m) of the Internal Revenue Code will include specified levels of one or more of the Performance Goals. When circumstances occur which cause predetermined performance targets to be an inappropriate measure of achievement, the Committee, at its discretion, may adjust the performance targets.

In any performance period, the aggregate number of restricted shares, restricted unit awards and performance awards granted to any one participant that are intended to qualify as performance-based for purposes of Section 162(m) of the Internal Revenue Code may not exceed 200,000 shares.

Other Stock-Based Awards. The Committee may make other awards of stock purchase rights or cash awards, common stock awards or other types of awards that are valued in whole or in part by reference to the value of the common stock. The Committee will determine the conditions and terms that apply to these awards.

Short-Term Cash Awards. The Committee may make performance-based annual cash incentive awards to employees whom the Committee determines to be subject to Section 162(m), based only on attainment of specified levels of the Performance Goals. The maximum value of such performance-based cash incentive awards may not exceed \$5 million to any one participant for any fiscal year. In administering the incentive program and determining short-term incentive awards, the Committee will not have the flexibility to pay a covered executive more than the incentive amount indicated by the executive's attainment under the applicable payment schedule. The Committee will have the flexibility, however, to reduce this amount.

Change in Control. In the event of a change in control of Mylan as defined in the Amended 2003 Plan, all stock options and stock appreciation rights will immediately become exercisable, the restrictions on all restricted shares and restricted units will immediately lapse and all performance awards will immediately become payable.

Federal Income Tax Consequences. The following is a summary of the principal federal income tax consequences of Amended 2003 Plan benefits under present tax law. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences. The discussion of Mylan tax deductions assumes that all awards are structured to comply with the performance-based compensation exception, or are otherwise deductible, under Section 162(m).

Stock Options. No tax is incurred by the participant, and no amount is deductible by Mylan, upon the grant of a nonqualified stock option. At the time of exercise of such an option, the difference between the exercise price and the fair market value of the common stock will constitute ordinary income to the participant. Mylan will be allowed a deduction equal to the amount of ordinary income recognized by the participant.

In the case of incentive stock options, although no income is recognized upon exercise by the participant and Mylan is not entitled to a deduction, the excess of the fair market value of the common stock on the date of exercise over the exercise price is counted in determining the participant's alternative minimum taxable income. If the participant does not dispose of the shares acquired on the exercise of an incentive stock option within one year after their receipt and within two years after the grant of the incentive stock option, gain or loss recognized on the disposition of the shares will be treated as long-term capital gain or loss. In the event of an earlier disposition of shares acquired upon the exercise of an incentive stock option, the participant may recognize ordinary income, and if so, Mylan will be entitled to a deduction in a like amount.

Stock Appreciation Rights. The participant will not recognize any income at the time of the grant of a stock appreciation right. Upon the exercise of a stock appreciation right, the cash and the value of any common stock received will constitute ordinary income to the participant. Mylan will be entitled to a deduction in the amount of such income at the time of exercise.

Restricted Shares. A participant will normally not recognize taxable income upon an award of restricted shares, and Mylan will not be entitled to a deduction until the lapse of the applicable restrictions. Upon the lapse of the restrictions, the participant will recognize ordinary taxable income in an amount equal to the fair market value of the common stock as to which the restrictions have lapsed, and Mylan will be entitled to a deduction in the same amount. However, a participant may elect under Section 83(b) of the Internal Revenue Code to recognize taxable ordinary income in the year the restricted shares are awarded in an amount equal to the fair market value of the shares at that time, determined without regard to the restrictions. In such event, Mylan will then be entitled to a deduction in the same amount. Any gain or loss subsequently recognized by the participant will be a short-term or long-term capital gain or loss, depending on how long the shares are held by the participant.

Restricted Units. A participant will normally not recognize taxable income upon an award of restricted units, and Mylan will not be entitled to a deduction until the lapse of the applicable restrictions. Upon the lapse of the restrictions and the issuance of the earned shares, the participant will recognize ordinary taxable income in an amount equal to the fair market value of the common stock received and Mylan will be entitled to a deduction in the same amount.

Performance Awards, Other Stock-Based Awards and Short-Term Cash Awards. Normally, a participant will not recognize taxable income upon the award of such grants. Subsequently, when the conditions and requirements for the grants have been satisfied and the payment determined, any cash received and the fair market value of any common stock received will constitute ordinary income to the participant. Mylan will also then be entitled to a deduction in the same amount.

The Audit Committee of our Board has selected Deloitte & Touche LLP as our independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending March 31, 2007, and has directed that management submit the selection of Deloitte & Touche LLP as our independent registered public accounting firm for ratification by the shareholders at the Annual Meeting. Audit Committee Pre-Approval Policy

The Audit Committee has adopted a policy regarding pre-approval of audit, audit-related, tax and other services that the independent registered public accounting firm may perform for the Company. Under the policy, the Audit Committee must pre-approve on an individual basis any requests for audit, audit-related, tax and other services not covered by certain services that are pre-approved annually by the Audit Committee. The policy also prohibits the engagement of the independent registered public accounting firm for non-audit related financial information systems design and implementation, for certain other services considered to have an impact on independence and for all services prohibited by the Sarbanes-Oxley Act of 2002. All services performed by Deloitte & Touche LLP during fiscal 2005 and 2006 were pre-approved by the Audit Committee in accordance with its policy.

Employment and Retirement Agreements and Change of Control Arrangements***Employment Agreements.***

The Company is party to employment agreements with each of the Named Executive Officers.

In April 2006, the Company and Mr. Coury entered into an Amended and Restated Executive Employment Agreement, superseding his original agreement from 2002. The Amended and Restated Executive Employment Agreement has an initial term of three years (through March 31, 2009) and is automatically renewed on each anniversary of the effective date unless a non-renewal notice is provided. Pursuant to the agreement, Mr. Coury is entitled to an annual base salary of \$1.5 million, and he is eligible for an annual performance-based target bonus of at least 100% of base salary which will be payable upon the achievement of the performance targets. Mr. Coury is also entitled to participate in long-term incentive and equity plans of the Company on a basis at least as favorable as other senior executives and entitled to employee benefits and other fringe benefits no less favorable than the benefits to which he was entitled under his original employment agreement.

In the event of a termination of Mr. Coury's employment for cause, he will be entitled to wages and benefits through the termination date and vested benefits payable pursuant to Company plans or agreements between the Company and Mr. Coury (accrued benefits). Upon Mr. Coury's termination of employment without cause, for good reason, or by

reason of death or disability (each as defined in the employment agreement), he will be entitled to receive, in addition to his accrued benefits, (a) three times the sum of his then current base salary and the higher of his target bonus for the year of termination or average of actual bonuses awarded to him for the three years preceding his termination of employment, (b) a pro-rata target bonus for the year of termination and (c) continuation of employee benefits for a period of between two and three years following termination of employment and an annual allowance relating to access to corporate aircraft for three years following termination. Amounts payable upon death or disability will be reduced by other death or disability benefits received from the Company. Throughout the term of the agreement and for a period of two years following Mr. Coury's termination of employment for any reason, he may not engage in activities that are competitive with the Company's activities and may not solicit the Company's customers or employees. The Amended and Restated Executive Employment Agreement also provides for certain technical changes required to comply with the deferred compensation tax rules set forth in Section 409A of the Internal Revenue Code (Section 409A) and other technical clarifications.

The Company also entered into employment agreements with the other Named Executive Officers in July 2004, superseding their original agreements, and these agreements were amended in April 2006. Each agreement provides for the payment of a minimum base salary, as well as eligibility to receive a discretionary bonus and fringe

Table of Contents

benefits of employment as are customarily provided to senior executives of the Company. Unless earlier terminated, extended or renewed, the agreement with Mr. DeBone expires on September 1, 2006 (the effective date of his recently announced retirement), the agreements with Dr. O'Donnell and Mr. Williams expire on March 31, 2007, and the agreement with Mr. Borkowski expires on June 30, 2008. Each agreement contains customary non-competition and non-solicitation provisions. If one of the executives resigns for good reason or is discharged by the Company without cause or if the term of employment is not extended or renewed on terms mutually acceptable to the executive and the Company, he would be entitled to receive a lump sum severance payment in an amount equal to one (in the case of Mr. DeBone and Dr. O'Donnell), one-and-a-half (in the case of Mr. Borkowski), or two (in the case of Mr. Williams) times the sum of the executive's then current base salary plus the prior bonus (as defined below), as well as continued participation in certain compensation and employee benefit plans. Under the employment agreements, prior bonus is defined as the higher of (i) the average of the annual bonuses paid to the executive in the three fiscal years prior to his separation from the Company or (ii) the annual bonus applicable for the prior fiscal year. In addition, upon Mr. DeBone's retirement on or after September 1, 2006, his agreement entitled him to the sum of his then-current base salary plus his prior bonus, as well as the continuation of health insurance benefits. The April 2006 amendments also provide for certain technical changes required to comply with the deferred compensation tax rules set forth in Section 409A and other technical clarifications.

Transition and Succession Agreements.

Mylan also entered into transition and succession agreements with each of the Named Executive Officers in December 2003, which were modified in December 2004 and again in April 2006 (other than Mr. Williams' agreement, which was restated in its entirety).

Mr. Coury's transition and succession agreement provides that upon a termination without cause or for good reason within three years following a change in control, Mr. Coury will be entitled to severance benefits equal to four times the sum of his base salary and the highest annual bonus paid pursuant to his employment agreement. He will also be entitled to continuation of employee benefits for a period of between two and three years following termination of employment and an annual allowance relating to access to corporate aircraft for three years following termination. In addition, if Mr. Coury's employment is terminated without cause or for good reason within one year prior to the occurrence of a potential change in control and the transaction or other event contemplated by the potential change in control is consummated so as to result in a change in control, Mr. Coury will be entitled to receive the excess of the severance that would have been paid to him pursuant to his Transition and Succession Agreement and the severance actually paid to him pursuant to his employment agreement. By their terms, Mr. Coury's employment agreement and Transition and Succession Agreement will be administered so as to avoid duplication of compensation or benefits.

These transition and succession agreements with the other Named Executive Officers provide that if the executive's employment is terminated other than for cause or if the executive terminates his employment voluntarily for good reason, in each case within two years following the occurrence of a change of control, or, under certain circumstances, for any reason within 90 days following the first anniversary of a change of control, the executive would become entitled to receive a severance payment equal to the higher of (a) the compensation and benefits payable under his employment agreement as if the change of control were deemed to be a termination without cause under the employment agreement and (b) a lump sum severance payment in an amount equal three times the sum of base salary and highest bonus paid to the executive under the employment agreement or the transition and succession agreement, and the continuation of health and insurance benefits for a period of three years. The transition and succession agreements for each of the Named Executive Officers also provides for a gross-up payment for any excise tax on excess parachute payments. In addition, the agreements entitle each executive to severance benefits not less than what he would have received under the non-renewal provision of his employment agreement (i.e., one to two times the sum of the executive's base salary and annual bonus), in circumstances where (i) a change in control has occurred through a merger but the Company's shareholders own more than 50% of the shares of the combined company, and (ii) the

executive's employment terminates two years following a change in control because the executive and the Company cannot mutually agree on the terms of a new employment agreement.

Retirement Benefit Agreements.

In December 2004, the Company entered into Retirement Benefit Agreements (RBAs) with each of Messrs. Coury, Borkowski and Williams (each an Executive), in furtherance of the obligations contained in their respective employment agreements. The Company also entered into Amended Retirement Benefit Agreements with each of Mr. DeBone and Dr. O'Donnell. All of these RBAs were modified in April 2006 (the Amended RBAs). Pursuant to the Amended RBAs, upon retirement following completion of ten or more years of service, Messrs. Borkowski and Williams would each be entitled to receive a lump sum retirement benefit equal to the present value of an annual payment of \$150,000 for a period of 15 years beginning at age 55, and Mr. Coury would be entitled to receive a lump sum retirement benefit equal to the lump sum present value of an annual payment of 50% of his then current annual base salary for a period of 15 years beginning at age 55 (or, if later, at the date of termination) (the Retirement Benefit). An executive who completes five years of service since his date of hire would be 50% vested in his Retirement Benefit, with an additional 10% of the Retirement Benefit vesting after each full year of service for up to five additional years (the Partial Benefit).

Upon the occurrence of a change of control of the Company, each executive would become fully vested in his Retirement Benefit and would be entitled to receive a lump sum payment equal to the net present value of the Retirement Benefit as soon as practicable following any subsequent termination of employment. If an Executive dies while employed by the Company, the Executive's beneficiary would be entitled to receive a lump sum payment equal to the greater of (i) two times the Executive's base salary or (ii) the net present value of the Retirement Benefit.

The retirement benefit agreements which the Company originally entered into with Mr. DeBone and Dr. O'Donnell provided for a retirement benefit of \$100,000 per year for ten years, together with a death benefit of \$1.25 million in the event of death prior to retirement. The Amended RBAs provide each of these individuals with retirement benefits equal to those contemplated for Messrs. Borkowski and Williams (including extension of payments from ten to fifteen years). The increased benefit will be contingent on Mr. DeBone and Dr. O'Donnell continuing to serve out the remainder of the term under their respective employment agreements (September 1, 2006 in the case of Mr. DeBone and March 31, 2007 in the case of Dr. O'Donnell) or, if earlier, until the occurrence of a change of control.

If Mr. Coury is terminated in a manner entitling him to severance under his employment agreement, he will be entitled to three additional years of service credit for vesting purposes. The other Named Executive Officer's Amended RBAs also provide that if the executive's employment is terminated without cause or for good reason, he will receive additional years of service credit corresponding to the applicable severance multiplier under his employment agreement. Further, Mr. Coury's Amended RBAs provides that if (a) Mr. Coury's employment is terminated without cause or for good reason within one year prior to a potential change in control and (b) the transaction or other event contemplated by the potential change in control is consummated so as to result in a change in control, Mr. Coury will be entitled to receive the excess (if any) of the retirement benefit that would have been paid to him had his employment terminated following the change in control and the retirement benefit actually paid to him.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee has ever been an employee of Mylan, and none of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The following Report of the Compensation Committee of the Board of Directors does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any filing under the Securities Act of 1933, as

amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates such information by reference.

Introduction. During fiscal 2006, the Compensation Committee (Committee) was comprised of three non-employee directors, Rodney L. Piatt, C.P.A. (Chairman), Wendy Cameron, and Joseph C. Maroon, M.D. The

Table of Contents

Committee has the responsibility, among other things, to determine Chief Executive Officer compensation and approve other executive officer compensation and recommend Board and Board committee compensation, as well as to oversee the issuance of stock options and other awards to eligible participants and review and administer Mylan's incentive and equity compensation plans. During fiscal 2005 and 2006, the Committee retained and utilized the services of a nationally recognized independent executive compensation consultant, who reports directly to the Committee, to review its executive compensation policies in light of, among other things, Mylan's current business objectives and the Committee's desire to employ best practices in determining executive compensation.

Philosophy. The Committee's compensation policies applicable to Mylan's executive officers, including the Chief Executive Officer, are to:

provide compensation to executive officers at such levels as will enable Mylan to attract and retain individuals of the highest caliber;

compensate executive officers in a manner designed to recognize individual, group and company performance; and

seek to align the interests of executive officers with the interests of Mylan's shareholders, with an increased emphasis on pay-for-performance compensation (i.e., linking certain components of compensation to key business metrics), as discussed below.

Components of Fiscal 2006 Executive Compensation. For fiscal 2006, the elements of Mylan's compensation program consisted of base salary and annual bonus compensation. As discussed below, no long-term compensation (stock options, restricted stock or otherwise) was granted to the executive officers identified in the Summary Compensation Table appearing elsewhere in this Proxy Statement (the Named Executive Officers) in fiscal 2006. The Committee has made awards of long-term compensation to the Named Executive Officers for the current (2007) fiscal year. See the discussion below under 2007 Long-Term Incentive Compensation.

Fiscal 2006 Cash Compensation. The base salaries of executive officers were determined in accordance with the officers' employment agreements. Executive officers' annual bonuses for fiscal 2006 were determined in the Committee's discretion based principally upon various subjective factors such as responsibilities, position and individual performances including such qualities as leadership and implementation of corporate initiatives. See Employment and Retirement Agreements and Change of Control Arrangements appearing elsewhere in this Proxy Statement for more information.

Fiscal 2006 Long-Term Compensation. During fiscal 2006, the Committee did not make any long-term incentive grants to Named Executive Officers because, given Mylan's historical cash compensation levels and the expected cash compensation levels for fiscal 2006, the Committee determined that making additional long-term compensation grants would not have been consistent with its overall compensation philosophy to target overall executive compensation at approximately the 50th percentile of comparable companies.

Fiscal 2006 Compensation of Chief Executive Officer. Robert J. Coury has been serving as Mylan's Chief Executive Officer since September 1, 2002, pursuant to the terms of an Employment Agreement which was negotiated and entered into at the time Mr. Coury was recruited to serve as Chief Executive Officer. Under Mr. Coury's Employment Agreement, his annual base salary during fiscal 2006 was \$1,500,000. Mr. Coury received an annual bonus for fiscal 2006 of \$2,000,000, which took into account the bonus provisions of his Employment Agreement as well as the Committee's assessment of his strong leadership role in guiding the Company, his strategic vision and his commitment to the Company's success.

Revision of Agreements with Chief Executive Officer. Mr. Coury's original employment agreement was scheduled to expire at the end of the 2007 fiscal year. In order to retain Mr. Coury's services, ensure continuity of Mylan's executive management team and further strengthen the alignment of management's interests with those of Mylan's shareholders, in April of 2006, the Committee, taking into account the information and views provided by its compensation consultant, approved an Amended and Restated Executive Employment Agreement with Mr. Coury. Pursuant to the agreement, which is described more fully in Employment and Retirement Agreements and Change of Control Arrangements in this Proxy Statement, Mr. Coury is entitled to an annual base salary of

Table of Contents

\$1.5 million (a reduction from the \$1.7 million salary scheduled to be in effect during the 2007 fiscal year pursuant to his prior agreement). In place of the bonus arrangements provided for in his prior employment agreement, and consistent with the Committee's policy that a greater portion of overall executive compensation be performance-based (as discussed below), commencing in fiscal 2007 Mr. Coury will be eligible for an annual performance-based target bonus of at least 100% of base salary which will be payable upon the achievement of performance targets (described below) established by the Committee. In consideration of Mr. Coury's agreement to extend the term of his employment and as a retention incentive, the Committee granted Mr. Coury 64,461 restricted stock units, which are payable in shares of common stock of the Company and vest ratably over a period of three years, provided that Mr. Coury remains continually employed by the Company.

In addition to entering into a new employment agreement with Mr. Coury, the Company also entered into amendments to Mr. Coury's Transition and Succession Agreement and Retirement Benefit Agreement, each of which is described more fully in this Proxy Statement under Employment and Retirement Agreements and Change of Control Arrangements. The Committee believes that the revised agreements represent an appropriate incentive for Mr. Coury's continued commitment, and that the modifications result in a proper compensation mix, consistent with the Committee's overall compensation philosophy.

2007 Performance-Based and Long-Term Compensation. As reported in the Committee's report contained in the Company's 2005 Proxy Statement, our compensation consultant recommended that the Committee adopt a compensation policy which provides that a greater portion of overall future executive compensation be performance-based; that the long-term component of overall executive compensation be increased; and that a substantial portion of this long-term component consist of performance-based equity awards. The compensation consultant also advised the Committee of an increasing trend toward formal stock ownership guidelines applicable to executives.

In light of this advice, the Committee has determined that for fiscal 2007, Named Executive Officers will be eligible for annual bonuses upon the achievement of performance goals established by the Committee. The Committee has determined that the performance criteria to be used for this purpose for fiscal 2007 will be earnings per share, regulatory submissions and new product launches. At target levels of performance, the bonuses will equal 100% of salary. Depending upon the extent to which performance criteria are achieved, bonuses can range from 50% of target (at threshold performance) to 200% of target (at maximum performance). No bonuses will be paid if threshold performance is not met. The performance-based bonus program for fiscal 2007 was approved by the Committee subject to shareholder approval of amendments (approved by the Board of Directors) to the Company's 2003 Long Term Incentive Plan (2003 Plan) that are described elsewhere in this Proxy Statement.

Pursuant to this new policy, the Committee also approved long-term equity grants for its named executive officers in fiscal 2007, consisting of (i) stock options that vest ratably over a period of three years, provided that the executive remains continually employed by the Company and (ii) restricted stock awards that vest at the end of a three-year performance period provided that the executive remains continually employed by the Company and provided that certain pre-determined performance goals are met. Restricted stock awards will be forfeited if minimum performance goals are not met. The Committee has determined that the performance criteria to be used for the initial three-year performance period applicable to these performance-based restricted stock awards will consist of earnings per share, regulatory submissions and new product launches. The restricted stock awards were approved by the Committee subject to shareholder approval of the amendments to the 2003 Plan described in this Proxy Statement.

As contemplated by last year's Committee report, the Committee has also adopted guidelines that require named executive officers to maintain specified stock ownership levels. The stock ownership requirements are expressed as a percentage of base salary which for Mr. Coury is 500% of base salary and for Mr. Borkowski, Dr. O'Donnell, and Mr. Williams is 300% of base salary. The stock ownership guidelines must be attained within five years. Shares

actually owned by the executive (including restricted shares and shares held in the Company's 401(k) plan) as well as restricted stock units count toward compliance with these guidelines.

Deductibility Cap on Executive Compensation. Section 162(m) of the Internal Revenue Code (Section 162(m)) restricts the deductibility for federal income tax purposes of the compensation paid to the Chief Executive Officer and each of the four other most highly compensated executive officers of a public company for any fiscal year to the extent that such compensation for such executive exceeds \$1,000,000 and does not qualify as performance-based compensation as defined under Section 162(m). The Board and the Committee have taken actions, including the grant of performance-based equity awards and annual bonuses, intended to enhance Mylan's opportunity to deduct compensation paid to executive officers for federal income tax purposes. The Committee intends, to the extent appropriate, to preserve the deductibility of executive compensation without breaching Mylan's contractual commitments or sacrificing the flexibility needed to recognize and reward desired performance.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following Report of the Audit Committee of the Board of Directors does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates such information by reference.

The Audit Committee is currently comprised of three independent directors and operates under a written charter adopted by the Board of Directors in accordance with current rules of the New York Stock Exchange.

Management is responsible for Mylan's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of Mylan's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States), and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm regarding Mylan's audited consolidated financial statements. These discussions covered the quality, as well as the acceptability, of Mylan's financial reporting practices and the completeness and clarity of the related financial disclosures. Management represented to the Audit Committee that Mylan's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU 380).

Mylan's independent registered public accounting firm also provided to the Audit Committee the written disclosures and letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence. Deloitte & Touche LLP, Mylan's independent registered public accounting firm, stated in the written disclosures that in their judgment they are, in fact, independent. The Audit Committee concurred in that judgment of independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Mylan's Annual Report on Form 10-K for the fiscal year ended March 31, 2006, which was filed with the Securities and Exchange Commission.

The Committee shall have the sole discretionary authority to interpret the Plan, to establish and modify administrative rules for the Plan, to impose such conditions and restrictions on Awards as it determines appropriate, and to take such steps in connection with the Plan and Awards granted hereunder as it may deem necessary or advisable. The Committee may, subject to compliance with applicable legal requirements, with respect to Participants who are not subject to Section 16(b) of the Exchange Act or Section 162(m) of the Code, delegate such of its powers and authority under the Plan as it deems appropriate to a subcommittee or to designated officers or employees of the Company. In addition, the Board may exercise any of the authority conferred upon the Committee hereunder. In the event of any such delegation of authority or exercise of authority by the Board, references in the Plan to the Committee shall be deemed to refer to the delegate of the Committee or the Board, as the case may be.

3.02 *Indemnification*. Each person who is or shall have been a member of the Board, or a Committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with the Plan shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf; *provided, however*, that the foregoing indemnification shall not apply to any loss, cost, liability, or expense that is a result of his or her own willful misconduct. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, conferred in a separate agreement with the Company, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

ARTICLE IV

No more than an aggregate of 3,000,000 shares of Common Stock shall be issued under the Plan as Restricted Shares or Restricted Stock Units under Article VII, Performance Awards under Article VIII and other stock-based awards under Article IX. Article VI, terminated Restricted Units or shares of Common Stock forfeited as provided in Article VII and shares of Common Stock subject to any Award that are otherwise surrendered by a Participant or terminated may be subject to new Awards under the Plan. If any shares of Common Stock are withheld from those otherwise issuable or are tendered to the Company, by attestation or otherwise, in connection with the exercise of an Option, only the net number of shares of Common Stock issued as a result of such exercise shall be deemed delivered for purposes of determining the maximum number of shares available for delivery under the Plan.

ARTICLE V

PARTICIPATION

5.01 *Eligible Participants.* Participants in the Plan shall be such key employees, consultants, independent contractors and non-employee directors of the Company and its Subsidiaries as the Committee, in its sole discretion, may designate from time to time. The Committee's designation of a Participant in any year shall not require the Committee to designate such person to receive Awards in any other year. The designation of a Participant to receive an Award under one portion of the Plan does not require the Committee to include such Participant under other portions of the Plan. The Committee shall consider such factors as it deems pertinent in selecting Participants and in determining the types and amounts of their respective Awards. The Committee may grant Awards from time to time on a discretionary basis and/or provide for automatic Awards on a formula basis to a Participant or designated group of Participants. Subject to adjustment in accordance with Section 11.08, during any calendar year no Participant shall be granted Awards in respect of more than 1,200,000² shares of Common Stock (whether through grants of Options, Stock Appreciation Rights or other Awards of Common Stock or rights with respect thereto); provided, however, that if it is the Committee's intention as of the Date of Grant of an Award, as evidenced by the applicable Award Agreement, that such Award shall be earned by the Participant over a period of more than one calendar year, then for purposes of applying the foregoing per calendar year limitations, the shares of Common Stock subject to such Award shall be allocated, as determined by the Committee in its discretion, to the first calendar year in which such shares may be earned (determined without regard to possible acceleration of vesting as a result of a Change in Control or pursuant to any provision of this Plan or an applicable Award Agreement authorizing the Committee to accelerate the vesting of an Award).

ARTICLE VI

STOCK OPTIONS

6.01 *Option Awards.*

(a) *Grant of Options.* The Committee may grant, to such Participants as the Committee may select, Options entitling the Participants to purchase shares of Common Stock from the Company in such numbers, at such prices, and on such terms and subject to such conditions, not inconsistent with the terms of the Plan, as may be established by the Committee. The terms of any Option granted under the Plan shall be set forth in an Award Agreement.

(b) *Exercise Price of Options.* The exercise price of each share of Common Stock which may be purchased upon exercise of any Option granted under the Plan (the Exercise Price) shall be determined by the Committee; *provided, however,* that, except in the case of any substituted Options described in Section 11.08(c), the Exercise Price shall in all cases be equal to or greater than the Fair Market Value on the Date of Grant. Except for adjustments pursuant to Section 11.08 or any action approved by the shareholders of the Company, the Exercise Price for any outstanding Option granted under the Plan may not be decreased after the Date of Grant.

(c) *Designation of Options.* Except as otherwise expressly provided in the Plan, the Committee may designate, at the time of the grant of an Option, such Option as an Incentive Stock Option or a Non-Qualified Stock Option; *provided, however,* that an Option may be designated as an Incentive Stock Option only if the applicable Participant is an employee of the Company or a Subsidiary on the Date of Grant.

² Adjusted to reflect a three-for-two stock split which was effected on October 8, 2003.

Table of Contents

(d) *Special Incentive Stock Option Rules.* No Participant may be granted Incentive Stock Options under the Plan (or any other plans of the Company and its Subsidiaries) that would result in Incentive Stock Options to purchase shares of Common Stock with an aggregate Fair Market Value (measured on the Date of Grant) of more than \$100,000 first becoming exercisable by such Participant in any one calendar year. Notwithstanding any other provision of the Plan to the contrary, no Incentive Stock Option shall be granted to any person who, at the time the Option is granted, owns stock (including stock owned by application of the constructive ownership rules in Section 424(d) of the Code) possessing more than 10% of the total combined voting power of all classes of stock of the Company or any Subsidiary, unless at the time the Incentive Stock Option is granted the Exercise Price is at least 110% of the Fair Market Value on the Date of Grant of the Common Stock subject to the Incentive Stock Option and the Incentive Stock Option by its terms is not exercisable for more than five (5) years from the Date of Grant.

(e) *Rights as a Stockholder.* A Participant or a transferee of an Option pursuant to Section 11.04 shall have no rights as a stockholder with respect to the shares of Common Stock covered by an Option until that Participant or transferee shall have become the holder of record of any such shares, and no adjustment shall be made with respect to any such shares of Common Stock for dividends in cash or other property or distributions of other rights on the Common Stock for which the record date is prior to the date on which that Participant or transferee shall have become the holder of record of any shares covered by such Option; *provided, however*, that Participants are entitled to the adjustments set forth in Section 11.08.

6.02 Stock Appreciation Rights.

(a) *Stock Appreciation Right Awards.* The Committee is authorized to grant to any Participant one or more Stock Appreciation Rights. Such Stock Appreciation Rights may be granted either independent of or in tandem with Options granted to the same Participant. Stock Appreciation Rights granted in tandem with Options may be granted simultaneously with, or, in the case of Non-Qualified Stock Options, subsequent to, the grant to such Participant of the related Option; *provided, however*, that: (i) any Option covering any share of Common Stock shall expire and not be exercisable upon the exercise of any Stock Appreciation Right with respect to the same share, (ii) any Stock Appreciation Right covering any share of Common Stock shall expire and not be exercisable upon the exercise of any related Option with respect to the same share, and (iii) an Option and Stock Appreciation Right covering the same share of Common Stock may not be exercised simultaneously. Upon exercise of a Stock Appreciation Right with respect to a share of Common Stock, the Participant shall be entitled to receive an amount equal to the excess, if any, of (A) the Fair Market Value of a share of Common Stock on the date of exercise over (B) the Exercise Price of such Stock Appreciation Right established in the Award Agreement, which amount shall be payable as provided in Section 6.02(c).

(b) *Exercise Price.* The Exercise Price established under any Stock Appreciation Right granted under this Plan shall be determined by the Committee *provided, however*, that, except in the case of any substituted Awards described in Section 11.08(c), the Exercise Price shall in all cases be equal to or greater than the Fair Market Value on the Date of Grant; *provided further, however*, that in the case of Stock Appreciation Rights granted in tandem with Options the Exercise Price of the Stock Appreciation Right shall not be less than the Exercise Price of the related Option. Upon exercise of Stock Appreciation Rights, the number of shares subject to exercise under any related Option shall automatically be reduced by the number of shares of Common Stock represented by the Option or portion thereof which are surrendered as a result of the exercise of such Stock Appreciation Rights.

(c) *Payment of Incremental Value.* Any payment which may become due from the Company by reason of a Participant's exercise of a Stock Appreciation Right may be paid to the Participant as determined by the Committee (i) all in cash, (ii) all in Common Stock, or (iii) in any combination of cash and Common Stock. In the event that all or a portion of the payment is made in Common Stock, the number of shares of Common Stock delivered in satisfaction of such payment shall be determined by dividing the amount of such payment or portion thereof by the Fair Market

Value on the Exercise Date. No fractional share of Common Stock shall be issued to make any payment in respect of Stock Appreciation Rights; if any fractional share would be issuable, the combination of cash and Common Stock payable to the Participant shall be adjusted as directed by the Committee to avoid the issuance of any fractional share.

Table of Contents

(a) *Conditions on Exercise.* An Award Agreement with respect to Options and Stock Appreciation Rights may contain such waiting periods, exercise dates and restrictions on exercise (including, but not limited to, periodic installments) as may be determined by the Committee at the time of grant.

(b) *Duration of Options and Stock Appreciation Rights.* Options and Stock Appreciation Rights shall terminate after the first to occur of the following events:

(i) Expiration of the Option and Stock Appreciation Rights as provided in the related Award Agreement; or

(ii) Termination of the Award as provided in Section 6.03(e) following the Participant's Termination of Employment; or

(iii) Ten years from the Date of Grant.

(c) *Acceleration of Exercise Time.* The Committee, in its sole discretion, shall have the right (but shall not in any case be obligated), exercisable at any time after the Date of Grant, to permit the exercise of any Option and Stock Appreciation Rights prior to the time such Option and Stock Appreciation Rights would otherwise become exercisable under the terms of the related Award Agreement.

(d) *Extension of Exercise Time.* In addition to the extensions permitted under Section 6.03(e) in the event of Termination of Employment, the Committee, in its sole discretion, shall have the right (but shall not in any case be obligated), exercisable on or at any time after the Date of Grant, to permit the exercise of any Option or Stock Appreciation Right after its expiration date described in Section 6.03(e), subject, however, to the limitations described in Sections 6.03(b)(i) and (iii).

(e) *Exercise of Options and Stock Appreciation Rights Upon Termination of Services.*

(i) *Death.* If a Participant who is an employee of the Corporation or its subsidiaries shall die (A) while an employee of the Company or its Subsidiaries or (B) within two (2) years after termination of the Participant's employment with the Company or its Subsidiaries because of the Participant's Permanent Disability, any Option and Stock Appreciation Right then held by the Participant, regardless of whether it was otherwise exercisable on the date of death, may be exercised by the person or persons to whom the Participant's rights under the Option and Stock Appreciation Right pass by will or applicable law or if no person has the right, by the Participant's executors or administrators, at any time or from time to time, during the balance of the exercise period as set forth in Section 6.03(b)(iii).

(ii) *Permanent Disability.* If a Participant's employment by the Company or its Subsidiaries shall terminate because of Permanent Disability, the Participant may exercise any Option and Stock Appreciation Right then held by the Participant, regardless of whether it was otherwise exercisable on the date of such termination of employment, at any time, or from time to time, within two (2) years of the date of the termination of employment, but in no event later than the expiration date specified in Section 6.03(b)(iii).

(iii) *Retirement.* If a Participant's employment by the Company or its Subsidiaries shall terminate because of Retirement, any Option and Stock Appreciation Right then held by the Participant, regardless of whether it was otherwise exercisable on the date of Retirement, may be exercised by the Participant at any time, or from time to time, during the balance of the exercise period as set forth in Section 6.03(b)(iii). If such a Participant dies after Retirement but before such Participant's Options have either been exercised or otherwise expired, such Options may be exercised by the person to whom such options pass by will or applicable law or, if no person has that right, by the Participant's executors or administrators at any time, or from time to time, during the balance of the exercise period set forth in Section 6.03(b)(iii).

(iv) *Reduction in Force.* Unless a date of re-employment is identified at the time of a termination of employment that is the result of a reduction in force, any Options and Stock Appreciation Rights held by the Participant that are not exercisable at the date of such termination of employment shall terminate and be cancelled immediately upon such termination, and the Participant may exercise any Options and Stock Appreciation Rights that are exercisable as of the date of such termination at any time, or from time to time,

within one (1) year of the date of such termination, but in no event later than the expiration date specified in Section 6.03(b)(iii).

(v) *Other Termination.* Except as provided by paragraphs (i) through (iv) of this Section 6.03(e), if a Participant's employment shall cease by reason of a voluntary or involuntary termination, either with or without cause, any Options and Stock Appreciation Rights held by the Participant that are not exercisable at the date of such termination of employment shall terminate and be cancelled immediately upon such termination, and the Participant may exercise any Options and Stock Appreciation Rights that are exercisable as of the date of such termination at any time, or from time to time, until the later of (A) thirty (30) days after such Participant's termination of employment or (B) thirty (30) days after the Participant receives notice from the Committee of the termination of the Participant's Options and Stock Appreciation Rights. Notwithstanding the prior sentence no portion of such Options and Stock Appreciation Rights shall be exercisable later than the expiration date specified in Section 6.03(b)(iii).

(vi) *Grants to Non-Employees.* In the case of grants to persons who are not employees of the Company or any of its Subsidiaries, the Committee shall establish, and set forth in the applicable Award Agreement, rules for determining the effect of termination of the Participant's services on the Participant's outstanding Options and Stock Appreciation Rights.

6.04 Option Exercise Procedures. Each Option and Stock Appreciation Right granted under the Plan shall be exercised by written notice to the Company which must be received by the officer or employee of the Company designated in the Award Agreement at or before the close of business on the expiration date of the Award. The Exercise Price of shares purchased upon exercise of an Option granted under the Plan shall be paid in full in cash by the Participant pursuant to the Award Agreement; *provided, however,* that in lieu of such cash a Participant may pay the Exercise Price in whole or in part by delivering (actually or by attestation) to the Company shares of the Common Stock having a Fair Market Value on the date of exercise of the Option equal to the Exercise Price for the shares being purchased; except that (i) any portion of the Exercise Price representing a fraction of a share shall in any event be paid in cash and (ii) unless the Committee determines otherwise, no shares of the Common Stock which have been held for less than six months may be delivered in payment of the Exercise Price of an Option. Payment may also be made, in the discretion of the Committee, by the delivery (including, without limitation, by fax) to the Company or its designated agent of an executed irrevocable option exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the shares and deliver the sale or margin loan proceeds directly to the Company to pay for the Exercise Price. The date of exercise of an Option shall be determined under procedures established by the Committee, and as of the date of exercise the person exercising the Option shall, as between the Company and such person, be considered for all purposes to be the owner of the shares of Common Stock with respect to which the Option has been exercised. Any part of the Exercise Price paid in cash upon the exercise of any Option shall be added to the general funds of the Company and may be used for any proper corporate purpose. Unless the Committee shall otherwise determine, any shares of Common Stock transferred to the Company as payment of all or part of the Exercise Price upon the exercise of any Option shall be held as treasury shares.

6.05 Change in Control. Unless otherwise provided by the Committee in the applicable Award Agreement, in the event of a Change in Control, all Options and Stock Appreciation Rights outstanding on the date of such Change in Control shall become immediately and fully exercisable. Unless otherwise determined by the Committee, the provisions of this Section 6.05 shall not be applicable to any Options and Stock Appreciation Rights granted to a Participant if any Change in Control results from such Participant's beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of Common Stock.

ARTICLE VII

RESTRICTED SHARES AND RESTRICTED UNITS

7.01 Restricted Share and Restricted Unit Awards.

(a) *Issuance of Restricted Shares.* As soon as practicable after the Date of Grant of a Restricted Share Award by the Committee, the Company shall cause to be transferred on the books of the Company or its agent, shares of

Common Stock, registered on behalf of the Participant, evidencing the Restricted Shares covered by the Award, subject to forfeiture to the Company as of the Date of Grant if an Award Agreement with respect to the Restricted Shares covered by the Award is not duly executed by the Participant and timely returned to the Company. All shares of Common Stock covered by Awards under this Article VII shall be subject to the restrictions, terms and conditions contained in the Plan and the applicable Award Agreements entered into by the appropriate Participants. Until the lapse or release of all restrictions applicable to an Award of Restricted Shares the share certificates representing such Restricted Shares may be held in custody by the Company, its designee, or, if the certificates bear a restrictive legend, by the Participant. Upon the lapse or release of all restrictions with respect to an Award as described in Section 7.01(d), one or more share certificates, registered in the name of the Participant, for an appropriate number of shares as provided in Section 7.01(d), free of any restrictions set forth in the Plan and the related Award Agreement shall be delivered to the Participant.

(b) *Stockholder Rights.* Beginning on the Date of Grant of a Restricted Share Award and subject to execution of the related Award Agreement as provided in Section 7.01(a), and except as otherwise provided in such Award Agreement, the Participant shall become a stockholder of the Company with respect to all shares subject to the Award Agreement and shall have all of the rights of a stockholder, including, but not limited to, the right to vote such shares and the right to receive dividends; *provided, however,* that any shares of Common Stock distributed as a dividend or otherwise with respect to any Restricted Shares as to which the restrictions have not yet lapsed, shall be subject to the same restrictions as such Restricted Shares and held or restricted as provided in Section 7.01(a).

(c) *Restriction on Transferability.* None of the Restricted Shares may be assigned or transferred (other than by will or the laws of descent and distribution or to an *inter vivos* trust with respect to which the Participant is treated as the owner under Sections 671 through 677 of the Code), pledged or sold prior to the lapse of the restrictions applicable thereto.

(d) *Delivery of Shares Upon Vesting.* Upon expiration or earlier termination of the forfeiture period without a forfeiture and the satisfaction of or release from any other conditions prescribed by the Committee, or at such earlier time as provided under the provisions of Section 7.03, the restrictions applicable to the Restricted Shares shall lapse. As promptly as administratively feasible thereafter, subject to the requirements of Section 11.05, the Company shall deliver to the Participant or, in case of the Participant's death, to the Participant's Beneficiary, one or more share certificates for the appropriate number of shares of Common Stock, free of all such restrictions, except for any restrictions that may be imposed by law.

The Committee may grant to any Participant a Restricted Share Award consisting of such number of shares of Common Stock on such terms, conditions and restrictions, whether based on performance standards, periods of service, retention by the Participant of ownership of specified shares of Common Stock or other criteria, as the Committee shall establish. The Committee may also grant Restricted Stock Units representing the right to receive shares of Common Stock in the future subject to the achievement of one or more goals relating to the completion of service by the Participant and/or the achievement of performance or other objectives. With respect to performance-based Awards of Restricted Shares or Restricted Units intended to qualify for deductibility under the performance-based compensation exception contained in Section 162(m) of the Code, performance targets will consist of specified levels of one or more of the Performance Goals. The terms of any Restricted Share and Restricted Unit Awards granted under this Plan shall be set forth in an Award Agreement which shall contain provisions determined by the Committee and not inconsistent with this Plan. With respect to Restricted Share, Restricted Unit Awards and Performance Awards (as set forth in Section 8.01) intended to qualify for the performance-based compensation exception contained in Section 162(m) of the Code, the aggregate number of Restricted Shares, Restricted Unit Awards and Performance Awards granted to a single Participant for any performance period shall not exceed 200,000 Shares, subject to adjustment as prescribed in Section 11.08.

7.02 Terms of Restricted Shares.

(a) *Forfeiture of Restricted Shares.* Subject to Sections 7.02(b) and 7.04, Restricted Shares shall be forfeited and returned to the Company and all rights of the Participant with respect to such Restricted Shares shall terminate unless the Participant continues in the service of the Company or a Subsidiary until the expiration of the forfeiture period for such Restricted Shares and satisfies any and all other conditions set forth in the Award Agreement. The

A-9

Committee shall determine the forfeiture period (which may, but need not, lapse in installments) and any other terms and conditions applicable with respect to any Restricted Share Award.

(b) *Waiver of Forfeiture Period.* Notwithstanding anything contained in this Article VII to the contrary, the Committee may, in its sole discretion, waive the forfeiture period and any other conditions set forth in any Award Agreement under appropriate circumstances (including the death, Permanent Disability or Retirement of the Participant or a material change in circumstances arising after the date of an Award) and subject to such terms and conditions (including forfeiture of a proportionate number of the Restricted Shares) as the Committee shall deem appropriate.

7.03 Restricted Stock Units. Restricted Unit Awards shall be subject to the restrictions, terms and conditions contained in the Plan and the applicable Award Agreements entered into by the appropriate Participants. Until the lapse or release of all restrictions applicable to an Award of Restricted Units, no shares of Common Stock shall be issued in respect of such Awards and no Participant shall have any rights as a stockholder of the Company with respect to the shares of Common Stock covered by such Restricted Unit Award. Upon the lapse or release of all restrictions with respect to a Restricted Unit Award or at a later date if distribution has been deferred, one or more share certificates, registered in the name of the Participant, for an appropriate number of shares, free of any restrictions set forth in the Plan and the related Award Agreement shall be delivered to the Participant. A Participant's Restricted Unit Award shall not be contingent on any payment by or consideration from the Participant other than the rendering of services. Notwithstanding anything contained in this Section 7.03 to the contrary, the Committee may, in its sole discretion, waive the forfeiture period and any other conditions set forth in any Award Agreement under appropriate circumstances (including the death, Permanent Disability or Retirement of the Participant or a material change in circumstances arising after the date of an Award) and subject to such terms and conditions (including forfeiture of a proportionate number of the Restricted Units) as the Committee shall deem appropriate.

7.04 Change in Control. Unless otherwise provided by the Committee in the applicable Award Agreement, in the event of a Change in Control, all restrictions applicable to Restricted Shares and Restricted Unit Awards shall terminate fully and the Participant shall immediately have the right to the delivery of share certificates. Unless otherwise determined by the Committee, the provisions of this Section 7.04 shall not be applicable to any Restricted Shares and Restricted Units granted to a Participant if any Change in Control results from such Participant's beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of Common Stock.

ARTICLE VIII

PERFORMANCE AWARDS

8.01 Performance Awards.

(a) *Award Periods and Determinations of Awards.* The Committee may grant Performance Awards to Participants. A Performance Award shall consist of the right to receive a payment (measured by the Fair Market Value of a specified number of shares of Common Stock, increases in such Fair Market Value during the Award Period and/or a fixed cash amount) contingent upon the extent to which certain predetermined performance targets have been met during an Award Period. Performance Awards may be made in conjunction with, or in addition to, Restricted Share Awards and Restricted Units made under Article VII. The Award Period shall be two or more fiscal or calendar years or other annual periods as determined by the Committee. The Committee, in its discretion and under such terms as it deems appropriate, may permit newly eligible Participants, such as those who are promoted or newly hired, to receive Performance Awards after an Award Period has commenced.

(b) *Performance Targets.* The performance targets may include such goals related to the performance of the Company and/or the performance of a Participant as may be established by the Committee in its discretion. In the case of Performance Awards intended to qualify for deductibility under the performance-based compensation exception contained in Section 162(m) of the Code, the targets will consist of specified levels of one or more of the Performance Goals. The performance targets established by the Committee may vary for different Award Periods and need not be the same for each Participant receiving a Performance Award in an Award Period. Except to the extent inconsistent with the performance-based compensation exception under Section 162(m) of the Code, in the

Table of Contents

case of Performance Awards granted to Participants to whom such section is applicable, the Committee, in its discretion, but only under extraordinary circumstances as determined by the Committee, may change any prior determination of performance targets for any Award Period at any time prior to the final determination of the value of a related Performance Award when events or transactions occur to cause such performance targets to be an inappropriate measure of achievement.

(c) *Earning Performance Awards.* The Committee, on or as soon as practicable after the Date of Grant, shall prescribe a formula to determine the percentage of the applicable Performance Award to be earned based upon the degree of attainment of performance targets.

(d) *Payment of Earned Performance Awards.* Payments of earned Performance Awards shall be made in cash or shares of Common Stock or a combination of cash and shares of Common Stock, in the discretion of the Committee. The Committee, in its sole discretion, may provide such terms and conditions with respect to the payment of earned Performance Awards as it may deem desirable.

8.02 Terms of Performance Awards.

(a) *Termination of Employment.* Unless otherwise provided below or in Section 8.03, in the case of a Participant's Termination of Employment prior to the end of an Award Period, the Participant will not have earned any Performance Awards for that Award Period.

(b) *Retirement.* If a Participant's Termination of Employment is because of Retirement prior to the end of an Award Period, the Participant will not be paid any Performance Award, unless the Committee, in its sole and exclusive discretion, determines that an Award should be paid. In such a case, the Participant shall be entitled to receive a pro-rata portion of his or her Award as determined under subsection (d).

(c) *Death or Permanent Disability.* If a Participant's Termination of Employment is due to death or to Permanent Disability (as determined in the sole and exclusive discretion of the Committee) prior to the end of an Award Period, the Participant or the Participant's personal representative shall be entitled to receive a pro-rata share of his or her Award as determined under subsection (d).

(d) *Pro-Rata Payment.* The amount of any payment to be made to a Participant whose employment is terminated by Retirement, death or Permanent Disability (under the circumstances described in subsections (b) and (c)) will be the amount determined by multiplying (i) the amount of the Performance Award that would have been earned through the end of the Award Period had such employment not been terminated by (ii) a fraction, the numerator of which is the number of whole months such Participant was employed during the Award Period, and the denominator of which is the total number of months of the Award Period. Any such payment made to a Participant whose employment is terminated prior to the end of an Award Period shall be made at the end of such Award Period, unless otherwise determined by the Committee in its sole discretion. Any partial payment previously made or credited to a deferred account for the benefit of a Participant in accordance with Section 8.01(d) of the Plan shall be subtracted from the amount otherwise determined as payable as provided in this Section 8.02(d).

(e) *Other Events.* Notwithstanding anything to the contrary in this Article VIII, the Committee may, in its sole and exclusive discretion, determine to pay all or any portion of a Performance Award to a Participant who has terminated employment prior to the end of an Award Period under certain circumstances (including the death, Permanent Disability or Retirement of the Participant or a material change in circumstances arising after the Date of Grant), subject to such terms and conditions as the Committee shall deem appropriate.

8.03 *Change in Control.* Unless otherwise provided by the Committee in the applicable Award Agreement, in the event of a Change in Control, all Performance Awards for all Award Periods shall immediately become fully payable (at the maximum level) to all Participants and shall be paid to Participants within thirty (30) days after such Change in Control. Unless otherwise determined by the Committee, the provisions of this Section 8.03 shall not be applicable to any Performance Awards granted to a Participant if any Change in Control results from such Participant's beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of Common Stock.

ARTICLE IX

OTHER STOCK-BASED AWARDS

9.01 *Grant of Other Stock-Based Awards.* Other stock-based awards, consisting of stock purchase rights (with or without loans to Participants by the Company containing such terms as the Committee shall determine), Awards of Common Stock, or Awards valued in whole or in part by reference to, or otherwise based on, Common Stock, may be granted either alone or in addition to or in conjunction with other Awards under the Plan. Subject to the provisions of the Plan, the Committee shall have sole and complete authority to determine the persons to whom and the time or times at which such Awards shall be made, the number of shares of Common Stock to be granted pursuant to such Awards, and all other conditions of the Awards. Any such Award shall be confirmed by an Award Agreement executed by the Company and the Participant, which Award Agreement shall contain such provisions as the Committee determines to be necessary or appropriate to carry out the intent of this Plan with respect to such Award.

9.02 *Terms of Other Stock-Based Awards.* In addition to the terms and conditions specified in the Award Agreement, Awards made pursuant to this Article IX shall be subject to the following:

(a) *Non-Transferability.* Any Common Stock subject to Awards made under this Article IX may not be sold, assigned, transferred, pledged or otherwise encumbered prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses; and

(b) *Interest and Dividends.* If specified by the Committee in the Award Agreement, the recipient of an Award under this Article IX shall be entitled to receive, currently or on a deferred basis, interest or dividends or dividend equivalents with respect to the Common Stock or other securities covered by the Award; and

(c) *Termination of Service.* The Award Agreement with respect to any Award shall contain provisions dealing with the disposition of such Award in the event of a termination of service prior to the exercise, realization or payment of such Award, whether such termination occurs because of Retirement, Permanent Disability, death or other reason, with such provisions to take account of the specific nature and purpose of the Award.

(d) *Performance-Based Awards.* With respect to Awards under this Article IX intended to qualify for deductibility under the performance-based compensation exception contained in Section 162(m) of the Code, performance targets will consist of specified levels of one or more of the Performance Goals.

9.03 *Change in Control.* Unless otherwise provided by the Committee in the applicable Award Agreement, in the event of a Change in Control, all other stock-based Awards under this Article IX shall immediately become fully vested and payable to all Participants and shall be paid to Participants within thirty (30) days after such Change in Control. Unless otherwise determined by the Committee, the provisions of this Section 9.03 shall not be applicable to any Performance Awards granted to a Participant if any Change in Control results from such Participant's beneficial ownership (within the meaning of Rule 13d-3 under the Exchange Act) of Common Stock.

ARTICLE X

SHORT-TERM CASH INCENTIVE AWARDS

10.01 *Eligibility.* This Article X is a limited purpose provision that shall apply only in the event the Committee deems it appropriate that the Company's short-term cash incentives for covered employees (as defined in Section 162(m)) qualify for deductibility under the performance-based compensation exception contained Section 162(m). The maximum value of such short-term cash incentive for any covered employee shall not exceed \$5 million for any fiscal

year.

10.02 Awards.

(a) *Performance Targets.* For each fiscal year of the Company with respect to which the Committee determines this Article X to be in effect, the Committee shall establish objective performance targets based on specified levels of one or more of the Performance Goals. Such performance targets shall be established by the

A-12

Table of Contents

Committee on a timely basis to ensure that the targets are considered pre-established for purposes of Section 162(m) of the Code.

(b) *Amounts of Awards.* In conjunction with the establishment of performance targets for a fiscal year, the Committee shall adopt an objective formula (on the basis of percentages of Participants' salaries, shares in a bonus pool or otherwise) for computing the respective amounts payable under the Plan to Participants if and to the extent that the performance targets are attained. Such formula shall comply with the requirements applicable to performance-based compensation plans under Section 162(m) of the Code and, to the extent based on percentages of a bonus pool, such percentages shall not exceed 100% in the aggregate.

(c) *Payment of Awards.* Awards will be payable to Participants in cash each year upon prior written certification by the Committee of attainment of the specified performance targets for the preceding fiscal year.

(d) *Negative Discretion.* Notwithstanding the attainment by the Company of the specified performance targets, the Committee shall have the discretion, which need not be exercised uniformly among the Participants, to reduce or eliminate the award that would be otherwise paid.

(e) *Guidelines.* The Committee may adopt from time to time written policies for its implementation of this Article X. Such guidelines shall reflect the intention of the Company that all payments hereunder qualify as performance-based compensation under Section 162(m) of the Code.

10.03 *Non-Exclusive Arrangement.* The adoption and operation of this Article X shall not preclude the Board or the Committee from approving other short-term incentive compensation arrangements for the benefit of individuals who are Participants hereunder as the Board or Committee, as the case may be, deems appropriate and in the best interests of the Company.

ARTICLE XI

TERMS APPLICABLE TO ALL AWARDS GRANTED UNDER THE PLAN

11.01 *Plan Provisions Control Award Terms; Successors.* The terms of the Plan shall govern all Awards granted under the Plan, and in no event shall the Committee have the power to grant any Award under the Plan the terms of which are contrary to any of the provisions of the Plan. In the event any provision of any Award granted under the Plan shall conflict with any term in the Plan as constituted on the Date of Grant of such Award, the term in the Plan as constituted on the Date of Grant of such Award shall control. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

11.02 *Award Agreement.* No person shall have any rights under any Award granted under the Plan unless and until the Company and the Participant to whom such Award shall have been granted shall have executed and delivered an Award Agreement or the Participant shall have received and acknowledged notice of the Award authorized by the Committee expressly granting the Award to such person and containing provisions setting forth the terms of the Award.

11.03 *Modification of Award After Grant.* No Award granted under the Plan to a Participant may be modified (unless such modification does not materially decrease the value of that Award) after its Date of Grant except by express written agreement between the Company and such Participant, provided that any such change (a) may not be inconsistent with the terms of the Plan, and (b) shall be approved by the Committee.

11.04 *Limitation on Transfer.* Except as provided in Section 7.01(c) in the case of Restricted Shares, a Participant's rights and interest under the Plan may not be assigned or transferred other than by will or the laws of descent and distribution and, during the lifetime of a Participant, only the Participant personally (or the Participant's personal representative) may exercise rights under the Plan. The Participant's Beneficiary may exercise the Participant's rights to the extent they are exercisable under the Plan following the death of the Participant. Notwithstanding the foregoing, the Committee may grant Non-Qualified Stock Options that are transferable, without payment of consideration, to immediate family members of the Participant, to trusts or partnerships for such

Table of Contents

family members, or to such other parties as the Committee may approve (as evidenced by the applicable Award Agreement or an amendment thereto), and the Committee may also amend outstanding Non-Qualified Stock Options to provide for such transferability.

11.05 *Withholding Taxes.* The Company shall be entitled, if the Committee deems it necessary or desirable, to withhold (or secure payment from the Participant in lieu of withholding) the amount of any withholding or other tax required by law to be withheld or paid by the Company with respect to any amount payable and/or shares issuable under such Participant's Award or with respect to any income recognized upon a disqualifying disposition of shares received pursuant to the exercise of an Incentive Stock Option, and the Company may defer payment of cash or issuance of shares upon exercise or vesting of an Award unless indemnified to its satisfaction against any liability for any such tax. The amount of such withholding or tax payment shall be determined by the Committee and shall be payable by the Participant at such time as the Committee determines. With the approval of the Committee, the Participant may elect to meet his or her withholding requirement (i) by having withheld from such Award at the appropriate time that number of shares of Common Stock, rounded up to the next whole share, the Fair Market Value of which is equal to the amount of withholding taxes due (the amount of withholding that may be satisfied in this manner may be limited by the Committee, in its discretion, in order to avoid adverse financial accounting consequences to the Company), (ii) by direct payment to the Company in cash of the minimum amount of any taxes required to be withheld with respect to such Award or (iii) by a combination of withholding such shares and paying cash.

11.06 *Surrender of Awards.* Any award granted under the Plan may be surrendered to the Company for cancellation on such terms as the Committee and the Participant approve.

11.07 *Cancellation of Awards.* Unless the Award Agreement specifies otherwise, the Committee may cancel, rescind, suspend, withhold or otherwise limit or restrict any unexpired, unpaid, or deferred Awards at any time if the Participant is not in compliance with all applicable provisions of the Award Agreement and the Plan, or if the Participant engages in any Detrimental Activity. For purposes of this Section 11.07, Detrimental Activity shall include: (i) the rendering of services for any organization or engaging directly or indirectly in any business which is or becomes competitive with the Company, or which organization or business, or the rendering of services to such organization or business, is or becomes otherwise prejudicial to or in conflict with the interests of the Company; (ii) the disclosure to anyone outside the Company, or the use in other than the Company's business, without prior written authorization from the Company, of any confidential information or material relating to the business of the Company, acquired by the Participant either during or after employment with the Company; (iii) any attempt directly or indirectly to induce any employee of the Company to be employed or perform services elsewhere or any attempt directly or indirectly to solicit the trade or business of any current or prospective customer, supplier or partner of the Company; or (iv) any other conduct or act determined to be injurious, detrimental or prejudicial to any interest of the Company. Notwithstanding anything in this Plan or in any Award Agreement to the contrary, this Section 11.07 shall be of no force and effect on or following the occurrence of a Change in Control.

11.08 *Adjustments to Reflect Capital Changes.*

(a) *Recapitalization.* The number and kind of shares subject to outstanding Awards, the Exercise Price for such shares, the number and kind of shares available for Awards subsequently granted under the Plan, the maximum number of shares in respect of which Awards can be made to any Participant in any calendar year and the Performance Goals and Award Periods applicable to outstanding Awards shall be appropriately adjusted to reflect any stock dividend, stock split, or share combination or any recapitalization, merger, consolidation, exchange of shares, liquidation or dissolution of the Company or other change in capitalization with a similar substantive effect upon the Plan or the Awards granted under the Plan. The Committee shall have the power and sole discretion to determine the amount of the adjustment to be made in each case.

(b) *Certain Mergers.* In the event the Company is a party to a Merger, each outstanding Award shall be subject to the applicable agreement governing such Merger. Such agreement, without Participant's consent, may provide for, among other things:

(i) the continuation of such outstanding Awards by the Company (if the Company is the surviving corporation);

A-14

Table of Contents

(ii) the full vesting of such Award immediately prior to the consummation of such transaction and the cancellation of any such Award that is not exercised before the actual consummation of such transaction;

(iii) the assumption of the Plan and such outstanding Awards by the surviving corporation or its Parent;

(iv) the substitution by the surviving corporation or its parent of stock-based awards with substantially the same terms and conditions for such outstanding Awards; or

(v) the cancellation of all vested and non-vested outstanding Awards in exchange for a payment in cash and/or other property in an amount equal to the value imputed to such Award, as determined by the Committee in its sole discretion, in connection with the Merger transaction (which, in the case of Options, shall be the amount of the Option spread).

(c) *Options to Purchase Shares or Stock of Acquired Companies.* After any Merger in which the Company or a Subsidiary shall be a surviving corporation, the Committee may grant Options or other Awards under the provisions of the Plan, pursuant to Section 424 of the Code or as is otherwise permitted under the Code, in full or partial replacement of or substitution for old stock options granted under a plan of another party to the merger whose shares of stock subject to the old options may no longer be issued following the Merger. The manner of application of the foregoing provisions to such options and any appropriate adjustments in the terms of such stock options shall be determined by the Committee in its sole discretion. Any such adjustments may provide for the elimination of any fractional shares which might otherwise become subject to any Options. The foregoing shall not be deemed to preclude the Company from assuming or substituting for stock options of acquired companies other than pursuant to this Plan.

11.09 *Legal Compliance.* Shares of Common Stock shall not be issued hereunder unless the issuance and delivery of such shares shall comply with applicable laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

11.10 *No Right to Employment.* No Participant or other person shall have any claim of right to be granted an Award under the Plan. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the service of the Company or any of its Subsidiaries.

11.11 *Awards Not Includable for Benefit Purposes.* Payments received by a Participant pursuant to the provisions of the Plan shall not be included in the determination of benefits under any pension, group insurance or other benefit plan applicable to the Participant which is maintained by the Company or any of its Subsidiaries, except as may be provided under the terms of such plans or determined by the Board.

11.12 *Governing Law.* All determinations made and actions taken pursuant to the Plan shall be governed by the laws of the Commonwealth of Pennsylvania, other than the conflict of laws provisions thereof, and construed in accordance therewith.

11.13 *No Strict Construction.* No rule of strict construction shall be implied against the Company, the Committee or any other person in the interpretation of any of the terms of the Plan, any Award granted under the Plan or any rule or procedure established by the Committee.

11.14 *Captions.* The captions (i.e., all Section headings) used in the Plan are for convenience only, do not constitute a part of the Plan, and shall not be deemed to limit, characterize or affect in any way any provisions of the Plan, and all provisions of the Plan shall be construed as if no captions had been used in the Plan.

11.15 *Severability.* Whenever possible, each provision in the Plan and every Award at any time granted under the Plan shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of the Plan or any Award at any time granted under the Plan shall be held to be prohibited by or invalid under applicable law, then (a) such provision shall be deemed amended to accomplish the objectives of the provision as originally written to the fullest extent permitted by law and (b) all other provisions of the Plan, such Award and every other Award at any time granted under the Plan shall remain in full force and effect.

11.16 *Amendment and Termination.*

A-15

Table of Contents

(a) *Amendment.* The Board shall have complete power and authority to amend the Plan at any time; *provided*, that no termination or amendment of the Plan may, without the consent of the Participant to whom any Award shall theretofore have been granted under the Plan, materially adversely affect the right of such individual under such Award; *and provided further*, that no such alteration or amendment of the Plan shall, without approval by the stockholders of the Company (i) increase the total number of shares of Common Stock which may be issued or delivered under the Plan, (ii) increase the total number of shares which may be covered by Awards to any one Participant or (iii) amend Section 6.01(b).

(b) *Termination.* The Board shall have the right and the power to terminate the Plan at any time. No Award shall be granted under the Plan after the termination of the Plan, but the termination of the Plan shall not have any other effect and any Award outstanding at the time of the termination of the Plan may be exercised after termination of the Plan at any time prior to the expiration date of such Award to the same extent such Award would have been exercisable had the Plan not been terminated.

11.17 *Employees Based Outside of the United States.* Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company and its Subsidiaries operate or have employees or directors, the Board, in its sole discretion, shall have the power and authority to:

(a) Determine which Subsidiaries shall be covered by the Plan;

(b) Determine which employees or directors outside the United States are eligible to participate in the Plan;

(c) Modify the terms and conditions of any Award granted to employees or directors outside the United States to comply with applicable foreign laws;

(d) Establish sub-plans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any sub-plans and modifications to Plan terms and procedures established under this Section 11.17 by the Board shall be attached to this Plan document as appendices; and

(e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Board may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act, the Code, any securities law, or governing statute or any other applicable law.
