Section 1 - Registrant's Business and Operations

Item 1.02 Termination of a Material Definitive Agreement

Spindletop Oil & Gas Co. ("Spindletop") and Giant Energy Corp. ("Giant") entered into a Farmout and Exploration Agreement dated August 22, 2006, (the "Agreement") with Williams Production-Gulf Coast Company, L.P. ("Williams"). The Agreement was subsequently amended to clarify a number of provisions in the original Farmout and Exploration Agreement.

The Agreement, as amended, provided that Williams had an option but not an obligation to drill and carry Spindletop and Giant in a prescribed number of horizontal Barnett Shale wells on approximately 11,500 acres of leasehold interest held by Spindletop or Giant in Parker, Wise, Johnson, Hood, Erath, Jack, Clay and Palo Pinto Counties, Texas. If Williams drilled the prescribed number of wells, then Williams would earn up to a 50% gross working interest in the leasehold interest acreage. If Williams opted to drill less than the prescribed number, then Williams would only earn an interest in the wells drilled by them along with a prescribed quantity of acreage surrounding each horizontal drainhole.

After drilling 12 of the prescribed number of horizontal Barnett Shale wells, 10 on the Spindletop leasehold and 2 on the Giant leasehold, Williams has given notice of its election to terminate the Agreement in accordance with provisions contained in the Agreement, and subsequent amendments, effective September 19, 2008. There are no early termination penalties incurred by Williams, or any of the parties to the Agreement, however, by opting not to drill all of the prescribed number of carried wells, the earned assignments shall be limited to 50% gross working interest in said wells along with a prescribed quantity of acreage surrounding each horizontal drainhole. As a consequence of the termination of the Agreement, Spindletop is now free to pursue other development opportunities on the leasehold acreage that Spindletop retained and that was not earned by Williams under the Agreement.

Giant is the owner of approximately 76% of the outstanding shares of Common Stock of Spindletop. Giant is 100% owned by Chris G. Mazzini, President and a director of Spindletop. Williams has no material relationship with either Spindletop or Giant other than in respect of the Amended Agreement.
