Proxy Statement

This Proxy Statement and accompanying proxy card are for the solicitation of proxies by the Board of Directors (the "Board") of R&B, Inc., a Pennsylvania corporation (the "Company"), for its use at the Annual Meeting of Shareholders of the Company (the "Annual Meeting") to be held on Wednesday, May 24, 2006 at 8:30 a.m., Eastern Daylight Savings Time, and any adjournments of the Annual Meeting. The Annual Meeting will be held at the law offices of Blank Rome LLP, One Logan Square, Philadelphia, Pennsylvania 19103. This Proxy Statement and proxy card are being mailed to shareholders of the Company on or about April 20, 2005.

At the Annual Meeting, the holders of record on March 31, 2006 (the "Shareholders") of the Company's Common Stock, par value \$.01 (the "Common Stock"), will act upon the following matters:

- I. Election of six directors, each to serve for a term of one year to expire at the next annual meeting of shareholders and until his successor has been selected and qualified.
- II. To approve an amendment and restatement of the Company's Amended and Restated Articles of Incorporation to change its name to Dorman Products, Inc.
- III. Any other business as may properly come before the Annual Meeting.

All proxies which are validly completed, signed and returned to the

Edgar Filing: R & B INC - Form DEF 14A

Company prior to the Annual Meeting will be voted in the manner designated. Proxies may be revoked at any time prior to being voted at the Annual Meeting by written notice to the Secretary of the Company or by attending the Annual Meeting and voting in person. If no instructions are given, the persons named in the proxy solicited by the Board intend to vote in favor of Proposals I and II herein. If any other matters properly come before the Annual Meeting, the persons named in the accompanying proxy card will vote on these matters in accordance with their best judgment.

The Board has fixed the close of business on March 31, 2006 as the record date (the "Record Date") for the determination of shareholders entitled to receive notice and to vote at the Annual Meeting and any adjournments of the Annual Meeting. As of the close of business on the Record Date, there were 17,743,318 shares of Common Stock, issued and outstanding, each of which is entitled to one vote. All share information set forth in this proxy statement has been adjusted to reflect the Company's two-for-one stock split in March 2005.

The election of directors will be determined by a plurality vote and the six nominees receiving the most "for" votes will be elected. Approval of Proposals II and III will require the affirmative vote of a majority of the votes cast by all shareholders entitled to vote thereon. An abstention, withholding of authority to vote or broker non-vote will not have the same legal effect as an "against" vote and will not be counted in determining the votes for any nominee or whether any proposal has received the required shareholder vote.

1

Proposal I - Election of Directors

The Bylaws of the Company provide that the business of the Company shall be managed by or under the direction of a Board of Directors of not less than two nor more than seven directors, which number shall be fixed from time to time by the Board of Directors. Each of the six directors shall be elected at the Annual Meeting of Shareholders for a term that expires at the next annual shareholder's meeting. Each director shall hold office for the term for which he was elected and until his successor is selected and qualified. Proxies solicited by the Board of Directors will, unless otherwise directed, be voted to elect the six nominees named below to constitute the entire Board of Directors.

All of the nominees are current directors of the Company and are nominated by the Board of Directors. Each nominee has consented to being named in this Proxy Statement and has indicated a willingness to serve as a director for the ensuing year, but in case any nominee is not a candidate at the meeting for any reason, the proxy holders named in the enclosed proxy card may vote for a substitute nominee in their discretion.

The Executive Committee has general authority over the supervision and direction of the finances and business of the Company and has the power and authority of the Board in the management of the business and affairs of the Company between meetings of the Board. Currently, Richard N. Berman and Steven L. Berman serve on the Executive Committee.

Edgar Filing: R & B INC - Form DEF 14A

Audit Committee. The Audit Committee is responsible for reviewing reports of the Company's financial results, audits and internal controls. The Audit Committee selects the Company's independent registered public accounting firm, reviews such firm's procedures for ensuring their independence with respect to the services performed for the Company and pre-approves the professional services provided by the independent registered public accounting firm. The responsibilities of the Audit Committee are further described in the Audit Committee Charter adopted by the Board of Directors, a copy of which is available on the Company's website at www.rbinc.com.

Currently, George L. Bernstein (Chairman), John F. Creamer, Jr., Paul R. Lederer and Edgar W. Levin serve on the Audit Committee. Each member of the Audit Committee, in the opinion of the Board of Directors, is independent as defined under the applicable listing standards of the NASDAQ Stock Market. The Board has determined that Mr. Bernstein qualifies as an audit committee financial expert as defined by the rules of the Securities and Exchange Commission.

3

Compensation and Nominating Committee. The Compensation and Nominating Committee is responsible for annually reviewing, approving and recommending to the Board of Directors for its approval, the compensation of the Chairman and Chief Executive Officer and the next four highest paid officers of the Company. The Compensation and Nominating Committee also approves participation in and all awards, grants and related actions under the R&B Incentive Stock Plan, the Employee Stock Purchase Plan and the 401(k) Retirement Plan. The information on the website listed above and elsewhere in this Proxy Statement, is not and should not be considered part of this Proxy Statement and is not incorporated by reference in this document. This website is and is only intended to be an inactive textual reference.

Director Nomination Process

The Compensation and Nominating Committee is responsible for, among other matters, annually presenting to the Board of Directors a list of individuals recommended for nomination for election as directors at the annual meeting of shareholders. The Compensation and Nominating Committee assists the Board of Directors in identifying, interviewing and recruiting candidates as necessary for the Board of Directors. The Compensation and Nominating Committee also has the authority as it deems appropriate to retain a search firm to identify and evaluate director candidates.

The Compensation and Nominating Committee does not currently have a formal policy with regard to the consideration of director candidates recommended by shareholders due to the Company's common stock not having been

Edgar Filing: R & B INC - Form DEF 14A

widely-held and the lack of recommendation of director candidates by shareholders in the past. The Compensation and Nominating Committee intends to adopt a formal policy regarding consideration of director candidates recommended by shareholders by the end of fiscal 2006.

Before recommending a director, the Compensation and Nominating Committee reviews his or her qualifications as described below. In the case of an incumbent director, the Compensation and Nominating Committee also reviews the director's service to the Company during the past term, including the number of Board and committee meetings attended, quality of participation and whether the candidate continues to meet the qualifications for a director as described below. After completing this evaluation the Compensation and Nominating Committee makes a formal recommendation to the full Board of Directors as to election or re-election of the candidate.

Director Candidates Nominated by Shareholders

Under the Company's bylaws, shareholders entitled to vote in the election of directors generally on the record date and on the date of the meeting at which directors are to be elected may nominate one or more persons for election as a director by personally delivering or mailing a letter addressed to the Company's President at 3400 East Walnut Street, Colmar, Pennsylvania 18915. Such letter must be received by the Company not less than 50 days nor more than 75 days prior to the meeting; provided, however, that in the event that less than 65 days notice or prior public disclosure of the date for the meeting is given to the shareholders, the letter must be received not later than the close of business on the tenth day following the day on which such notice or public disclosure was made.

4

The following information must be included in the letter:

- * Name and address of shareholder intending to make the nomination and of the person or persons to be nominated;
- * A representation that the shareholder intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice;
- * The address and principal occupation for the past five years of each nominee; and
- * The written consent of each nominee to serve as a director of the Company if so elected.

A nomination specified in the letter may be presented at the meeting only by the shareholder who gave such letter, in person or by proxy. The presiding officer of the meeting may declare invalid any nomination not made in compliance with the foregoing procedure.

Director Qualifications

In order to be nominated for director, a director candidate must be a natural person at least eighteen (18) years of age. In addition, director qualifications include, among other factors, capability, availability to serve, conflicts of interest and moral character. Additional special criteria apply to directors being considered to serve on a particular committee of the Board of Directors. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand the

Edgar Filing: R & B INC - Form DEF 14A

Company's financial statements.

Meetings of the Board of Directors

During the fiscal year ended December 31, 2005, the Board of Directors held five meetings. The Executive Committee did not hold any meetings, the Audit Committee held four meetings and the Compensation and Nominating Committee held one meeting during the fiscal year ended December 31, 2005. During the fiscal year ended December 31, 2005, each director attended at least 75% of the meetings of the Board and Committees of which they were a member.

Director Independence

The Board of Directors has determined that the following directors, constituting a majority of the members of the Board, are independent as defined in the applicable listing standards of the NASDAQ Stock Market: George L. Bernstein, John F. Creamer, Jr., Paul R. Lederer and Edgar W. Levin.

Attendance at Annual Meeting of Shareholders

It is the policy of the Board of Directors that, absent sufficient cause, all of the Company's directors attend the Company's Annual Meeting of Shareholders. All of the Company's directors attended last year's Annual Meeting of Shareholders.

5

Communication with the Board of Directors

Shareholders may communicate with the Board of Directors or any individual director by sending a letter addressed to the Board of Directors or the individual director c/o the Company at 3400 East Walnut Street, Colmar, Pennsylvania 18915. All shareholder communications will be delivered to the director to whom such correspondence is addressed.

Director Compensation

Each of the non-employee directors of the Company receives an annual retainer of \$26,000 plus \$1,500 for each Board of Directors meeting attended and \$1,000 for each Committee meeting attended. The Chairman of the Audit Committee receives an additional \$1,350 for each Audit Committee meeting attended. The Chairman of the Compensation and Nominating Committee receives an additional \$500 for each Compensation and Nominating Committee meeting attended. Directors are also eligible for participation in the Company's Incentive Stock Plan.

The Board Recommends a Vote "For" the Election of the Directors.

Proposal II - Approval of the Proposal to Amend and Restate the Amended and Restated Articles of Incorporation to change the Company's name to Dorman Products, Inc.

Subject to Shareholder approval at the Annual Meeting, the Board of Directors adopted an amendment, referred to as the amendment in this proxy statement, to the Company's Amended and Restated Articles of Incorporation to change its name to Dorman Products, Inc. The Board of Directors approved the amendment and restatement of the Amended and Restated Articles of Incorporation to change the name of the Company to Dorman Products, Inc. The complete text of the proposed Amended and Restated Articles of Incorporation is included as Appendix A to this proxy statement. Proxies solicited by the Board of Directors will, unless otherwise directed, be voted in favor of approving this Proposal

Edgar Filing: R & B INC - Form DEF 14A

II.

If Proposal II is approved by the Shareholders at the Annual Meeting, the name of the Company will be changed to Dorman Products, Inc. The Board of Directors believes it is in the Company's and the Shareholders' best interest to change the name of the Company to Dorman Products, Inc. In November 2005, the Company launched its DORMAN(R) NEW SINCE 1918(TM) marketing campaign and repositioned its brands under a single corporate umbrella - DORMAN. The Company's products are now sold under one of the seven DORMAN sub-brands. The change from the Company's current name (R&B, Inc.) to Dorman Products, Inc. will present a sharper image of the Company and strengthen its corporate identity by connecting it directly to the Company's strongest brand.

If Proposal II is approved by the Shareholders at the Annual Meeting, Article I of the Amended and Restated Articles of Incorporation will be revised to read as follows:

ARTICLE I

The name of the Corporation is Dorman Products, Inc.

6

The effective date of the amendment and restatement of the Articles of Incorporation will be the date on which the Amended and Restated Articles of Incorporation are filed with the Department of State of the Commonwealth of Pennsylvania following approval of the Shareholders, which date will be selected by the Board of Directors. If, at any time prior to the effective date of the amendment and restatement, the Board of Directors, in its sole discretion, determines that the amendment and restatement of the Amended and Restated Articles of Incorporation is no longer in the best interest of the Company and its shareholders, the amendment and restatement of the Amended and Restated Articles of Incorporation may be abandoned without any further action by the shareholders.

The Company's common stock is currently listed for quotation on the NASDAQ National Market under the symbol "RBIN." In anticipation of the name change, the Company has reserved the symbol "DORM" with the NASDAQ National Market. If Proposal II is approved by the Shareholders, following the effective date of the amendment and restatement of the Company's Amended and Restated Articles of Incorporation, the Company's common stock will be listed for quotation on the NASDAQ National Market under the new symbol "DORM."

Shareholders are not required to have new stock certificates issued reflecting the name change. New stock certificates will be issued to Shareholders when old stock certificates are returned to the Company's transfer agent in connection with a transfer of shares or if requested by the Shareholder. Please do not send any stock certificates to the Company with your proxy card.

The Board Recommends a Vote "For" the Approval of the Proposal to Amend and Restate the Amended and Restated Articles of Incorporation to change the Company's name to Dorman Products, Inc.

(1) The "Value of Unexercised In-the-Money Options at Year-End" is equal to the difference between the option exercise price and the Common Stock's December 31, 2005 closing price of \$9.48 per share as reported on the NASDAQ National Market System.

Incentive Stock Plan

The Board of Directors has adopted, and the Company's shareholders have approved, an Incentive Stock Plan (the "Plan"), the purpose of which is to recognize the contributions made to the Company by its employees, consultants, advisors and members of its Board of Directors, to provide these individuals with additional incentives to devote themselves to the Company's future success and to improve the Company's ability to attract, retain and motivate individuals upon whom the Company's sustained growth and financial success depend.

The Plan is administered by the Board of Directors, or by a committee designated by the Board of Directors. The aggregate maximum number of shares of Common Stock available for awards under the Plan is 2,345,000 shares (subject to adjustments to reflect changes in the Company's capitalization). Awards under the Plan may be made to all employees, consultants, advisors and directors of the Company, although no director may receive awards for more than 10% of the shares reserved for issuance under the Plan.

Options granted under the Plan may be either incentive stock options ("ISOs") or non-incentive stock options ("NSOs") (together, the "Options"). ISOs are intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). Unless the Option is specifically designated at the time of grant as an ISO, Options under the Plan will be NSOs.

The exercise price of the ISOs will be at least 100% of the fair market value of the shares of Common Stock on the date the Option is granted, or, at least 110% of the fair market value of the shares of Common stock on the date the Option is granted if the recipient owns, directly or by attribution under Section 425(d) of the Code, shares possessing more than 10% of the total combined voting power of all classes of stock of the Company. The option price for NSO will be set at the discretion of the Board of Directors, and may be less than, greater than or equal to the fair market value of a share on the date of the grant. The maximum term of an Option granted under the Plan shall not exceed (i) ten years from the date of grant, or (ii) in the case of an ISO, five years from the date of grant if the recipient on the date of grant owns, directly or by attribution under Section 425(d) of the Code, shares possessing more than 10% of the total combined voting power of all classes of stock of the Company or any subsidiary.

As of December 31, 2005, there were options to purchase 995,216 shares of Common Stock outstanding under the Plan. Shares available for future grants

Edgar Filing: R & B INC - Form DEF 14A

under the Plan amounted to 296,511 shares as of December 31, 2005.

Executive Bonus Plan

The Compensation and Nominating Committee has established the Executive Bonus Plan (the "Bonus Plan"). As of December 31, 2005, the executive officers named in the Summary Compensation Table and one other executive officer were eligible to participate in the Bonus Plan. The Bonus Plan has three components: (i) an annual bonus, (ii) a three-year compounded growth bonus, and (iii) a discretionary bonus. The annual bonus and the three-year compounded growth bonus are each based on the Company's growth in pre-tax income (but including amounts paid under the Bonus Plan) subject to adjustment as described in the Bonus Plan.

The amount of the annual bonus is equal to the executive officer's eligible bonus amount, as set forth in the Bonus Plan, multiplied by two times the percentage annual growth in the Company's pre-tax income. The eligible bonus amount for each of Richard N. Berman and Steven L. Berman is \$520,000. The eligible bonus amount for each of the other four participating executive officers is \$280,000. Amounts earned as annual bonuses for the named executive officers are included in the Summary Compensation Table under the column heading "Annual Compensation - Bonus." During the fiscal year ended December 31, 2005, none of the named executive officers received an award pursuant to the annual bonus component of the Bonus Plan because there was no percentage annual growth in the Company's pre-tax income.

The three-year compounded growth bonus component is based on the Company's growth in pre-tax income over a three-year performance cycle. The Bonus Plan provides for three three-year performance cycles: fiscal 2004 through fiscal 2006, fiscal 2005 through fiscal 2007 and fiscal 2006 through 2008. After the completion of a three-year cycle, the participating officers will each receive a bonus payment of \$50,000 if the Company's compounded three-year growth in pre-tax income is between 5.0% and 10.0%, a payment of \$100,000 if the pre-tax income increase is between 10.0% and 15.0% and a payment of \$150,000 if the pre-tax income increase is greater than 15%. No compounded growth bonus will be paid if the compounded three-year growth in pre-tax income is below 5.0%. Awards pursuant to the three-year compounded growth component of the Bonus Plan will commence beginning with the fiscal year ending December 30, 2006.

Fifty percent of an executive officer's earned bonus pursuant to the annual bonus component, the three-year compounded growth component and the discretionary bonus component will be paid in the first quarter of the year following the year in which the bonus was earned; the remaining fifty percent is paid in four equal quarterly installments 180, 270, 360 and 450 days after the fiscal year end. The executive officer must be employed on the scheduled date of payment to receive that portion of the bonus.

11

In addition, the Compensation and Nominating Committee has the authority to award discretionary bonuses pursuant to the Bonus Plan to executive officers based upon the executive officer's contribution, responsibility and performance during the year. Amounts earned as discretionary bonuses by the named executive officers are included in the Summary Compensation Table under the column heading "Annual Compensation - Bonus."

Employee Stock Purchase Plan

The Board of Directors has adopted, and the Company's shareholders have approved, the 1992 Employee Stock Purchase Plan (the "1992 Plan") the purpose of which is to advance the interests of the Company, its shareholders and employees by encouraging its employees to acquire a vested interest in the growth and earnings of the Company.

Edgar Filing: R & B INC - Form DEF 14A

Under the 1992 Plan, a committee appointed by the Board consisting initially of a minimum of two and a maximum of seven members of the Board will administer the 1992 Plan (the "Committee"). The aggregate maximum number of shares of Common Stock available for grants under the 1992 Plan is 600,000 shares, (with suitable adjustments to reflect changes in the Company's capitalization). As of December, 31, 2005, optionees had exercised rights to purchase 709 shares at prices ranging from \$9.42 to \$11.48 for total net proceeds of \$7,000. Grants under the 1992 Plan may be made to all employees of the Company, although no employee may receive such a grant if immediately after the grant he would own more than 5% of the Company's Common Stock or which, at the date the option is granted, would permit such person's rights to purchase stock under the 1992 Plan and all other employee stock purchase or option plans of the Company, or its parent or subsidiaries, if any, to accrue at a rate exceeding \$25,000 of the fair market value of such stock (determined at the time such option is granted) for each year such option is outstanding.

If the Committee decides to issue options pursuant to the 1992 Plan, options must be granted to all employees of the Company who have been employed for at least 90 days, other than those employees whose customary employment is 20 hours or less per week and those employees whose customary employment is for not more than five months in any calendar year. All options will expire on the last day of the fiscal year during which the option was granted. The option price will equal 85% of the fair market value of the shares on the date of exercise.

The 1992 Plan is intended to qualify as an "employee stock purchase plan" within the meaning of Section 423 of the Code. Under the Code, an employee who is granted an option under the 1992 Plan will not realize income at either the time of grant of the option, or upon exercise of the option. If an employee disposes of shares acquired upon exercise of an option after two years from the date of grant of such option and after one year from the date of exercise of such option, the employee will be required to include in income, as compensation for the year in which such disposition occurs, an amount equal to the lesser of (i) the excess of the fair market value of such shares at the time of disposition over the exercise price or (ii) the excess of the fair market value of such shares at the time the option was granted over the exercise price. The employee's basis in the shares disposed of will be increased by an amount equal to the amount so includible in his or her income as compensation, and any gain or loss computed with reference to such adjusted basis which is recognized at the time of disposition will be long-term capital gain or loss. In such event, the Company (or the subsidiary by which the employee is employed) will not be entitled to any deduction from income.

12

If any employee disposes of the shares purchased under the 1992 Plan within such two year and one year period, the employee will be required to include in income, as compensation for the year in which such disposition occurs, an amount equal to the excess of the fair market value of such shares on the date of purchase over the exercise price. The employee's basis in such shares disposed of will be increased by an amount equal to the amount includible in his or her income as compensation, and any gain or loss computed with reference to such adjusted basis which is recognized at the time of disposition will be capital gain or loss, either short-term or long-term, depending on the holding period for such shares. In the event of a disposition within such two year or one year period, the Company (or the subsidiary by which the employee is employed) will be entitled to a deduction from income equal to the amount the employee is required to include in income as compensation as a result of such disposition.

Edgar Filing: R & B INC - Form DEF 14A

The Board of Directors may modify or amend the 1992 Plan in any way which will not destroy the status of the 1992 Plan as a qualified employee stock purchase plan as defined in Section 423 of the Code, but no such amendment or modification may affect options granted under the 1992 Plan prior to the date of such amendment or modification.

401(k) Retirement Plan

On January 1, 1992, the Company adopted the amended and restated R&B, Inc. 401(k) Retirement Plan and Trust (the "401(k) Plan"), a defined contribution discretionary profit-sharing plan. The 401(k) Plan is administered by a third-party administrator and is available to all employees once they have met certain age and service requirements. Individual accounts are maintained for the cash contributions made on behalf of each eligible employee and each eligible employee has a choice of investment options from among a variety of mutual funds and professionally managed accounts as to the contributions to his account. There are two types of contributions to the 401(k) Plan: (1) an employee can make a voluntary contribution of the employee's compensation which is deducted by the Company from the employee's normal compensation (legal limitations may restrict the maximum voluntary contribution by an employee in any given year); and (2) the Company may make discretionary contributions, in cash, common stock or a combination thereof, which is allocated among the participants based on the employee's annual compensation compared to the total annual compensation of all eligible employees.

Benefits are payable at age 65 (normal retirement), total disability, death, or upon early employment termination. There are vesting requirements for the Company's contributions, but not for the employee's voluntary contributions. The vesting schedule provides for twenty percent vesting each year after one year of service, with one hundred percent vesting at six years or more.

For the fiscal year ended December 31, 2005, the Company contributed an amount equal to four percent of each eligible employee's annual compensation (with certain limitations to highly compensated employees). The Company's contribution was funded entirely in cash.

Compensation and Nominating Committee Report on Executive Compensation

This report is not deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission (the "SEC") or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Securities Exchange Act of 1934 (the "1934 Act"), and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act of 1933 or the 1934 Act.

13

General

The Compensation and Nominating Committee is composed of four non-management directors, Edgar W. Levin (Chairman), George L. Bernstein, John F. Creamer and Paul R. Lederer. In the opinion of the Board, each are independent as defined under the standards of NASDAQ. The committee is responsible for, among other matters, setting and administering executive officer salaries, bonuses, incentive compensation plans and other employee benefits. The Committee ensures that the compensation policies and practices support the successful recruitment, development and retention of executive talent. The Committee typically meets once per fiscal year.

Policy

Edgar Filing: R & B INC - Form DEF 14A

The Company's compensation philosophy reflects a commitment to compensate executives competitively with other companies in the industry while rewarding specific executives for achieving levels of operational excellence and financial returns which insure positive short and long-term business performance and continual growth in shareholder value. The Board of Directors believes that the Company's overall compensation program must be competitive in order to attract and retain the qualified individuals necessary to manage the Company and address the significant challenges facing the Company and the industry.

Base Salary

The Committee establishes base salaries annually upon recommendation of the Chief Executive Officer taking into consideration independent compensation studies prepared periodically on behalf of the Committee. The Committee desires that overall compensation reflect the performance of each individual executive over time. Base salaries are set at levels subjectively determined by the Committee to adequately reward and retain capable executives, including the Chief Executive Officer, without targeting any specific quartile of the compensation survey data for total compensation or any component of total compensation. The Committee considers the executive's individual performance, the importance of and skills required in a particular executive position, and the executive's total amount of experience in establishing base salary.

Bonus Compensation

Bonus compensation is paid annually to executive officers dependent upon the Company's financial performance pursuant to the Executive Bonus Plan. In addition, the Compensation and Nominating Committee has the authority under the Executive Bonus Plan to award discretionary bonuses to executive officers. Discretionary bonuses are based upon the executive officer's contribution, responsibility and performance during the year. The Committee considers, among other things, the evaluation of the Chief Executive Officer with regard to the contribution, responsibility and performance of the executive officer in question and his views on the appropriate compensation level of such executive officer.

Long-Term Incentives

Long-term incentives offered by the Company are based on incentive stock options. Incentive stock options are awarded to the Chief Executive Officer and the other executive officers by the Committee based upon the recommendation of the Chief Executive Officer, taking into consideration the responsibility of each executive officer, the financial performance of the Company and such other factors as it deems appropriate, consistent with the Company's compensation policies. However, the Committee has not established specific target awards governing the receipt, timing or size of option grants. Thus, determinations with respect to the granting of stock options are subjective in nature.

14

Policy with Respect to Section 162(m) of the Internal Revenue Code

Generally, Section 162(m) of the Internal Revenue Code of 1986, and the regulations promulgated thereunder, denies a deduction to any publicly held corporation, such as the Company, for certain compensation exceeding \$1,000,000 paid during a calendar year to the chief executive officer and the four other highest paid executive officers, excluding, among other things, certain performance-based compensation. Where appropriate, the Committee has taken action to reduce the impact of this provision. For example, the Committee intends that the Company's Incentive Stock Plan qualify for the

Edgar Filing: R & B INC - Form DEF 14A

performance-based exclusion.

Chief Executive Officer Compensation

The compensation of Richard N. Berman, Chairman of the Board, Chief Executive Officer and President of the Company, is determined as set forth above. Mr. Berman received a base salary of \$465,000 in 2005. The Committee granted Mr. Berman a bonus for 2005 of \$75,000 payable in the first quarter of 2007. For 2006, Mr. Berman will receive a base salary of \$485,000.

Conclusion

The Committee is satisfied that the short-term and long-term compensation paid to the executive officers of the Company create alignment with the Company's strategic objectives and ensure that payouts are driven by Company performance and employee contribution to the Company.

Compensation Committee Interlocks and Insider Participation

The Compensation and Nominating Committee consisted of George L. Bernstein, John F. Creamer, Jr., Paul R. Lederer and Edgar W. Levin in the fiscal year ended December 31, 2005. No person who served as a member of the Compensation and Nominating Committee during the fiscal year ended December 31, 2005 was a current or former officer or employee of the Company or engaged in certain transactions with the Company required to be disclosed by regulations of the SEC. Additionally, there were no compensation committee "interlocks" during this period, which generally means that no executive officer of the Company served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of the Company.

Certain Relationships and Related Transactions

The Company has entered into a noncancelable operating lease for its primary operating facility in Colmar, Pennsylvania with BREP I, a Pennsylvania limited partnership of which Richard N. Berman, Steven L. Berman, their father, Jordan S. Berman, and their brothers, Marc H. Berman and Fred B. Berman, are limited partners. Richard J. Berman and Steven L. Berman are the controlling shareholders of BREP, Inc., a Pennsylvania corporation, which is the general partner of BREP I. Jordan S. Berman, Marc H. Berman and Fred B. Berman are each directors and officers of BREP, Inc. Under the lease, the Company paid rent of \$3.75 per square foot (\$1.3 million per year) in 2005. The rents payable on the Pennsylvania property are adjusted on January 1 of each year to reflect annual changes in the Consumer Price Index for All Urban Consumers - U.S. City Average, All Items. The lease is a "net" lease, under which the Company is responsible for all expenses attributable to the leased property (including maintenance and repair) and for the conduct of its operations in compliance with all applicable laws and regulations. In 2002, the lease was extended and will expire on December 31, 2007. In the opinion of management, the terms of this lease are no less favorable than those which could have been obtained from an unaffiliated party.

Report of Audit Committee

In February 2006, the Audit Committee met with management to review and discuss the audited financial statements for the year ended December 31, 2005. The Audit Committee also conducted discussions with its independent registered public accounting firm, KPMG LLP ("KPMG"), regarding the matters required by the Statement on Auditing Standards No. 61. As required by Independence Standards Board Standard No. 1, "Independence Discussion with Audit Committees," the Audit Committee has discussed with and received the required written disclosures and a confirming letter from KPMG regarding its independence and has discussed with KPMG its independence. The Audit Committee also considered the non-audit services provided by KPMG set forth below in their review of KPMG's independence. Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

This Audit Committee Report shall not be deemed incorporated by reference in any document previously or subsequently filed with the SEC that incorporates by reference all or any portion of this proxy statement, except to the extent that the Company specifically requests that the Report be specifically incorporated by reference.
