Item 1.01. Entry into a Material Definitive Agreement.

On June 23, 2017, The Hartford Financial Services Group, Inc. (the "Company") entered into a commitment agreement (the "Agreement") by and among the Company, The Prudential Insurance Company of America ("Prudential"), and State Street Global Advisors Trust Company ("State Street"), an independent fiduciary to The Hartford Retirement for U.S. Employees (the "Plan"). Pursuant to the Agreement, the Plan will purchase a group annuity contract from Prudential and transfer to Prudential the future pension benefit obligations and annuity administration for certain retirees and former employees with vested pension benefits (or their beneficiaries) ("Transferred Participants").

Upon issuance of the group annuity contract, the pension benefit obligations for approximately 16,000 Transferred Participants will be transferred to Prudential, which will guarantee the pension benefits of the Transferred Participants. By transferring the obligations to Prudential, the Company will reduce its approximate \$5.6 billion in U.S. qualified pension plan liabilities by approximately \$1.6 billion, or 29%. The purchase of the group annuity contract will be funded directly by the Plan's assets.

The transactions are subject to customary closing conditions for these types of commitment agreements. Assuming all of the closing conditions are met, the Company expects the transactions contemplated under the Agreement to be completed by June 30, 2017. All Transferred Participants will continue to receive their benefits from the Plan until November 1, 2017, at which time Prudential will assume responsibility for administrative and customer service support, including distribution of payments to the Transferred Participants.

The foregoing description does not purport to be complete and is qualified in its entirety by the provisions of the Agreement, which will be filed with the Company's quarterly report for the quarter ended June 30, 2017.

Item 7.01 Regulation FD Disclosure

On June 26, 2017, the Company issued a press release announcing that it entered into the Agreement described in Item 1.01 above. The press release is furnished as Exhibit 99.1 to this Form 8-K. The information furnished in Exhibit 99.1 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities under that Section, and shall not be deemed to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, except as may be expressly set forth by specific reference in such filing.

Item 8.01 Other Events

As a result of the transactions described under Item 1.01 above, the Company expects to recognize in second quarter 2017 a pension settlement charge to net income of approximately \$485 million, after-tax, and a reduction to stockholder's equity of approximately \$140 million, or \$0.37 per diluted share based on March 31, 2017 shares outstanding.

In order to maintain the Plan's pre-transaction funded status, the Company intends to make a contribution of approximately \$300 million to the Plan by year-end 2017.
