MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES BY MANAGEMENT

This Management Information Circular (the Circular) is furnished in connection with the solicitation by the management of Intertape Polymer Group Inc. (the Corporation) of proxies to be used at the Annual Meeting of shareholders (the Meeting) of the Corporation to be held at the time and place and for the purposes set forth in the Notice of Meeting and all adjournments thereof. Except as otherwise stated, the information contained herein is given as of April 30, 2008 and all dollar amounts in this Circular are in U.S. dollars. The solicitation will be made primarily by mail. However, officers and employees of the Corporation may also solicit proxies by telephone, telecopier, e-mail or in person. The total cost of solicitation of proxies will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors and officers of the Corporation. **Each shareholder is entitled to appoint a person, who need not be a shareholder, to represent him or her at the Meeting other than those whose names are printed on the accompanying form of proxy by inserting such other person's name in the blank space provided in the form of proxy and signing the form of proxy or by completing and signing another proper form of proxy.** To be valid, the duly-completed form of proxy must be deposited at the offices of CIBC Mellon Trust Company, Banking Hall, 320 Bay Street, Toronto, Ontario M5H 4A6 before the commencement of the Meeting or at any adjournment thereof, or with the Chairman of the Meeting before the commencement of the Meeting or any adjournment thereof. The instrument appointing a proxy holder must be executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a corporate body, by its authorized officer or officers.

A shareholder who has given a proxy may revoke it, as to any motion on which a vote has not already been cast pursuant to the authority conferred by it, by an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The revocation of a proxy, in order to be acted upon, must be deposited with CIBC Mellon Trust Company, Banking Hall, 320 Bay Street, Toronto, Ontario M5H 4A6 before the commencement of the Meeting or at any adjournment thereof, or with the Chairman of the Meeting before the commencement of the Meeting or any adjournment thereof, or in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

In the absence of any direction to the contrary, shares represented by properly-executed proxies in favour of the persons designated in the enclosed form of proxy will be voted for: (i) the election of directors; and (ii) the appointment of auditors, as stated under such headings in this Circular. Instructions with respect to voting will be respected by the persons designated in the enclosed form of proxy. With respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters that may properly come before the Meeting, such shares will be voted by the persons so designated in their discretion. At the time of printing this Circular, management of the Corporation knows of no such amendments, variations or other matters.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, shares beneficially owned by a non-registered shareholder (a **Non-Registered Holder**) are registered either: (i) in the name of an intermediary (an **Intermediary**) that the Non-Registered Holder deals with in respect of the common shares (such as securities dealers or brokers, banks, trust companies, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency of which the Intermediary is a participant. In accordance with National Instrument 54-101 of the Canadian Securities Administrators, entitled **Communication with Beneficial Owners of Securities of a Reporting Issuer** , the Corporation

has distributed copies of the Notice of Meeting and this Circular (collectively, the **Meeting Materials**) to the clearing agencies and Intermediaries for distribution to Non-Registered Holders. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive it. Intermediaries often use service companies to forward meeting materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive this Circular will either:

(a)

typically, be provided with a computerized form (often called a voting instruction form) which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder

and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. In order for the applicable computerized form to validly constitute a voting instruction form, the Non-Registered Holder must properly complete and sign the form and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or service company. In certain cases, the Non-Registered Holder may provide such voting instructions to the Intermediary or its service company through the Internet or through a toll-free telephone number; or

(b)

less commonly, be given a proxy form which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the proxy form and submit it to CIBC Mellon Trust Company, Banking Hall, 320 Bay Street, Toronto, Ontario M5H 4A6.

In either case, the purpose of these procedures is to permit Non-Registered Holders to direct the voting of the common shares which they beneficially own.

Should a Non-Registered Holder who receives a voting instruction form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should print his or her own name, or that of such other person, on the voting instruction form and return it to the Intermediary or its service company. Should a Non-Registered Holder who receives a proxy form wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons set out in the proxy form and insert the name of the Non-Registered Holder or such other person in the blank space provided and submit it to CIBC Mellon Trust Company at the address above.

In all cases, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when, where and by what means the voting instruction form or proxy form must be delivered.

A Non-Registered Holder may revoke voting instructions which have been given to an Intermediary at any time by written notice to the Intermediary.

VOTING SHARES

As at April 30, 2008, there were 58,956,348 common shares of the Corporation issued and outstanding. Each common share entitles the holder thereof to one vote. The Corporation has fixed May 6, 2008 as the record date (the **Record Date**) for the purpose of determining shareholders entitled to receive notice of the Meeting. Pursuant to the *Canada Business Corporations Act*, the Corporation is required to prepare, no later than ten days after the Record Date, an alphabetical list of shareholders entitled to vote as of the Record Date that shows the number of shares held by each shareholder. A shareholder whose name appears on the list referred to above is entitled to vote the shares shown opposite his or her name at the Meeting. The list of shareholders is available for inspection during usual business hours at the registered office of the Corporation, 1250 René-Lévesque Blvd. West, Suite 2500, Montreal, Québec H3Y 4Y1 and at the Meeting.

Executive Stock Option Plan

In 1992, the Corporation established the Executive Stock Option Plan (the **ESOP**) in respect of the common shares of the Corporation, which has been amended from time-to-time. At a special meeting of shareholders of the Corporation held on September 5, 2007, shareholders approved the most recent amendment to the ESOP, which increased the maximum number of common shares that may be issued under the ESOP to a number equal to 10% of the issued and outstanding common shares of the Corporation from time-to-time. The ESOP is administered by the Board of Directors of the Corporation.

The purpose of the ESOP is to promote a proprietary interest in the Corporation among the executives, key employees and directors of the Corporation and its subsidiaries, in order to both encourage such persons to further the development of the Corporation and assist the Corporation in attracting and retaining key personnel necessary for the Corporation's long-term success. The Board of Directors designates from time-to-time those persons to whom options are to be granted and determines the number of common shares covered by such options. Generally, participation in the ESOP is limited to persons holding positions that can have an impact on the Corporation's long-term results.

Edgar Filing: INTERTAPE POLYMER GROUP INC - Form 6-K

The number of common shares to which the options relate is determined by taking into account, *inter alia*, the market value of the common shares and each optionee's base salary.

The following is a description of certain features of the ESOP, as required by the Toronto Stock Exchange:

(a)

options expire not later than ten years after the date of grant and, unless otherwise determined by the Board of Directors, all vested options under a particular grant expire 24 months after the vesting date of the last tranche of such grant;

(b)

options vest at the rate of 25% per year, beginning, in the case of options granted to employees, on the first anniversary date of the grant and, in the case of options granted to non-management directors, on the date of the grant;

(c)

the aggregate number of options that may be granted to directors who are not part of management may not exceed 1% of the number of issued and outstanding common shares of the Corporation;

(d)

the exercise price of the options is determined by the Board of Directors, but cannot be less than the Market Value of the common shares of the Corporation, defined in the ESOP as the average of the closing price of the common shares on the Toronto Stock Exchange and New York Stock Exchange for the day immediately preceding the effective date of the grant;

(e)

notwithstanding the foregoing, Market Value cannot be lower than the closing price of the common shares on the Toronto Stock Exchange for the day immediately preceding the effective date of the grant;

(f)

the number of common shares reserved for issuance to any person cannot exceed 5% of the number of issued and outstanding common shares of the Corporation;

(g)

the number of common shares issuable to any one insider of the Corporation and such person's associates within a one-year period cannot exceed 5% of the number of issued and outstanding common shares of the Corporation;

(h)

the number of common shares reserved for issuance pursuant to stock options granted to insiders under the ESOP or any other compensation arrangement of the Corporation cannot exceed 10% of the number of issued and outstanding common shares of the Corporation, and the number of common shares issuable to insiders within a one-year period under the ESOP or any other compensation arrangement of the Corporation cannot exceed 10% of the number of issued and outstanding common shares of the Corporation;

(i)

options granted under the ESOP may not at any time be repriced;

(j)

options granted under the ESOP may not be assigned;

(k)

in the event that a *bona fide* offer to purchase all or part of the outstanding shares is made to all shareholders, notice thereof must be given by the Corporation to all optionees and all options will become immediately exercisable, but only to the extent necessary to enable an optionee to tender his or her shares should the optionee so desire;

(l)

when a director of the Corporation ceases to be a director, all non-vested options are immediately cancelled and the former director is entitled to exercise, within a period of three months from such event, options that had vested at the time the director ceased to be a director;

(m)

in the case of retirement, all non-vested options are immediately cancelled and the former employee is entitled to exercise, within a period of twelve months from retirement, options that had vested at the time of retirement;

(n)

in the case of an optionee's or director's death, all non-vested options are immediately cancelled and the estate is entitled to exercise, within a period of twelve months from death, options that had vested at the time of death; and

(o)

when a optionee ceases to be an employee of the Corporation or a subsidiary for any reason other than retirement or death, all non-vested options are immediately cancelled and the optionee is entitled to exercise, within a period of three months from the termination of employment, options that had vested at the time of termination of employment.

As at April 30, 2008, there were options outstanding under the ESOP to purchase an aggregate of 3,674,712 common shares, representing 6.2% of the issued and outstanding common shares of the Corporation, and a total of 2,219,469 common shares were available for future grants of stock options, representing 3.8% of the issued and outstanding common shares of the Corporation.

The Corporation entered into an Advisory Services Agreement dated as of August 1, 2007, as amended, with Sammana Group, Inc. (**Sammana**). Melbourne F. Yull, the Executive Director of the Corporation, is a director, officer and shareholder of Sammana. Under the Advisory Services Agreement, Sammana provides advisory services to the Corporation regarding the operations, business objectives and strategic planning of the Corporation. In addition, Sammana makes available to the Corporation the services of Mr. Yull as Executive Director of the Corporation. As compensation, the Corporation pays Sammana a fee of \$50,000 per month, for the period which commenced January 1, 2008 and continuing for a period of not less than three months. The Corporation also paid Sammana a fee of \$300,000 with respect to the services provided by Sammana to the Corporation in connection with the rights offering effected by the Corporation in 2007. The Advisory Services Agreement further provides that if the simple average closing price of the Corporation's common shares on the Toronto Stock Exchange for the ten trading days prior to July 1, 2010 (the **2010 Average Price**) is more than \$4.76, the Corporation will pay Sammana a performance fee in an amount equal to: (i) the amount by which the 2010 Average Price exceeds the subscription price of the Corporation's shares pursuant to the rights offering effected in 2007 (Cdn.\$3.61); (ii) multiplied by 500,000. The Corporation is also required to reimburse Sammana for all reasonable out-of-pocket expenses incurred by it in the performance of the Advisory Services Agreement. In the event of a change in control of the Corporation, as that term is defined in the Advisory Services Agreement, Sammana will be entitled to a lump-sum payment on the effective date thereof of all amounts remaining due as its monthly fee for the term of the Advisory Services Agreement. In addition, Sammana will be entitled to the performance fee referred to above, with the exception that the price of the Corporation's shares will be calculated based on the simple average closing price of the Corporation's shares for the ten trading days prior to the effective date of the change in control (the **Change in Control Average Price**), rather than the 2010 Average Price. The performance fee will be paid in such event only if the Change in Control Average Price is more than \$4.76. The Advisory Services Agreement remains in effect until December 31, 2009, subject to Sammana's right to terminate the agreement upon 30 days' prior written notice to the Corporation. The Advisory Services Agreement does not end should Melbourne F. Yull cease to be a member of the Board of Directors or Executive Director of the Corporation.

The Corporation is also required to reimburse Altacap for all reasonable

out-of-pocket expenses incurred by it in the performance of the Advisory Services Agreement. In the event of a change in control of the Corporation, as that term is defined in the Advisory Services Agreement, Altacap will be entitled to a lump-sum payment on the effective date thereof of all amounts remaining due as its monthly fee for the term of the Advisory Services Agreement. In addition, Altacap will be entitled to the performance fee referred to above, with the exception that the price of the Corporation's shares will be calculated based on the Change in Control Average Price, rather than the 2010 Average Price. The performance fee will be paid in such event only if the Change in Control Average Price is more than \$4.76. The Advisory Services Agreement remains in effect until December 31, 2009, subject to Altacap's right to terminate the agreement upon 30 days' prior written notice to the Corporation.

The Corporation also paid Global a fee of \$150,000 with respect to the services provided by Global to the Corporation in connection with the rights offering effected by the Corporation in 2007, less any amounts paid to Global directly by the Corporation during 2007. The Advisory Services Agreement further provides that if the 2010 Average Price is more than \$4.76, the Corporation will pay Global a performance fee in an amount equal to: (i) the amount by which the 2010 Average Price exceeds the subscription price of the Corporation's shares pursuant to the rights offering effected in 2007 (Cdn.\$3.61); (ii) multiplied by 200,000. In the event that Global terminates the Advisory Services Agreement, the performance fee will be equal to: (i) the amount, if any, by which the simple average closing price of the Corporation's common shares on the Toronto Stock Exchange for the last ten trading days of a 30-day notice period exceeds \$4.76; (ii) multiplied by 66,667 for each full year of service provided by Global pursuant to the Advisory Services Agreement. The Corporation is also required to reimburse Global for all reasonable out-of-pocket expenses incurred by it in the performance of the Advisory Services Agreement. In the event of a change in control of the Corporation, as that term is defined in the Advisory Services Agreement, Global will be entitled to a lump-sum payment on the effective date thereof of all amounts remaining due as its monthly fee for the term of the Advisory Services Agreement. Pension and Post-Retirement Benefit Plans

Reference is made to note 17 of the Notes to Consolidated Financial Statements of the Corporation for the fiscal year ended December 31, 2007 for details regarding the Corporation's pension and post-retirement benefit plans.

Melbourne F. Yull was Chairman of the Board of Directors and Chief Executive Officer of the Corporation from January 11, 1995 to June 14, 2006. Prior thereto, Mr. Yull was the President and a director of the Corporation or a predecessor thereof, from 1981. The former employment agreement entered into between the Corporation and Mr. Yull provides that Mr. Yull receives from the Corporation a defined benefit supplementary pension annually for life in an amount equal to 2% of the average of Mr. Yull's annual gross salary for the final five years of his employment with the Corporation, multiplied by his years of service with the Corporation to retirement. Accordingly, Mr. Yull receives a pension from the Corporation in an amount of \$260,935 per year. Mr. Yull is currently Executive Director of the Corporation.

H. Dale McSween was an employee of the Corporation from 1982 and held several executive positions with the Corporation. Mr. McSween served as the Interim Chief Executive Officer of the Corporation until June 28, 2007. In 2005, the Corporation entered into a letter agreement with Mr. McSween with respect to a defined benefit retirement arrangement whereby the Corporation agreed to fund a \$150,000 annual pension (at age 65) for Mr. McSween with a 50% survivor benefit (or, in the case of death prior to age 65, a survivor benefit of 100% of base salary for one year, and 50% of base salary for each of the following four years). In August 2006, the Corporation and Mr. McSween formalized their agreement and amended it to provide for a \$200,000 annual pension (at age 65), with the remaining terms and conditions unchanged.

Executive Employment Contracts and Change of Control Agreements

The following agreements between the Corporation and Named Executive Officers were in effect at the end of the Corporation's most recently-completed financial year.

The Corporation entered into change of control agreements as of January 2001 with each of Messrs. Jim Bob Carpenter (President, ECP Division and Executive Vice-President, Global Sourcing), Burgess Hildreth (Vice-President, Human Resources) and Gregory A. Yull (President, Tapes & Films Division), and as of January 2004 with Victor DiTommaso (Chief Financial Officer). These agreements provide that if, within a period of six months after a change of control of the Corporation: (a) the executive voluntarily terminates his employment with the Corporation; or (b) the Corporation terminates the executive's employment without cause, such executive will be entitled to a lump sum in the case of his resignation or an indemnity in lieu of notice in a lump sum in the case of his termination, equal to 12 to 24 months of such executive's remuneration at the effective date of such resignation or termination, depending on his seniority.

Furthermore, these agreements also provide that if during the term of the executive's employment a *bona fide* offer is made to all shareholders of the Corporation which, if accepted, would result in a change of control of the Corporation, then, subject to any applicable law, all of the executive's options which have not yet become vested and exercisable shall become vested

and exercisable immediately. Upon expiry of such *bona fide* offer, if it does not result in a change of control of the Corporation, all of the executive's unexercised options which were not vested prior to such offer, shall immediately revert to their unvested status and to their former provisions with respect to the time of their vesting.

On August 2, 2006, the Corporation entered into an employment agreement with Gregory A. Yull, President, Tapes & Films Division of the Corporation, which provides Mr. Yull with an annual salary of \$340,000. The employment agreement further provides that upon termination of his employment, Mr. Yull will receive his annual salary for 24 months plus an amount not to be less than his average bonus percentage for the years 2005 and 2006, but in no event, when combined with the salary payments, more than \$952,000 in the aggregate. Mr. Yull will continue to benefit from the Corporation's medical and dental plan as well as paid golf club membership fees for the 24 months. He will also benefit from outplacement services upon termination of his employment and have to repay to the Corporation all outstanding loans, if any, within 24 months.

On June 28, 2007, the Corporation entered into Retention Bonus Letter Agreements with Jim Bob Carpenter, President, ECP Division and Executive Vice-President, Global Sourcing of the Corporation, and with Victor DiTommaso, Chief Financial Officer of the Corporation. The Retention Bonus Letter Agreements were amended on December 11, 2007. The Retention Bonus Letter Agreements provide for the payment of a retention bonus equal to one year of the executive's then-current base salary if the executive remains in the employ of the Corporation until the earlier of: (i) his release date (if any) as determined by the Corporation; and (ii) June 28, 2008. Accordingly, it is expected that retention bonuses in the amounts of \$269,411 and \$233,496 will be paid to Mr. Carpenter and Mr. DiTommaso, respectively, on or after June 28, 2008.

Composition of the Compensation Committee and Report on Executive Compensation

The Compensation Committee is appointed by the Board and is currently composed of two directors, that is, Robert Beil (Chairman) and Torsten A. Schermer, neither of whom is or has been at any previous time an employee of the Corporation or any of its subsidiaries.

The Compensation Committee administers the Corporation's compensation program in accordance with the mandate set out in the Compensation Committee's charter, which has been adopted by the Board. Part of the mandate is to evaluate and recommend to the Board compensation policies and programs for the Corporation's directors, executive officers and senior management, including option grants under the ESOP described above. The Compensation Committee has the authority to retain compensation consultants to assist in the evaluation of director, chief executive officer or senior executive compensation.

Three primary components comprise the Corporation's compensation program: basic salary, annual bonuses based on performance, and long-term stock options. Each element of compensation fulfills a different role in the attraction, retention and motivation of qualified executives and employees with the expertise and skills required in the business of the Corporation, who can effectively contribute to the long-term success and objectives of the Corporation. The annual bonus program is both formula based, measured against pre-determined performance targets, and discretionary. Stock options are granted to executives and key employees periodically by the Board based on the recommendations of the Compensation Committee. The amount and terms of outstanding options are taken into account when determining whether and how many new options will be granted. The options vest at a rate of 25% per year, beginning, in the case of options granted to employees, on the first anniversary date of the grant and, in the case of options granted to non-management directors, on the date of the grant. The options have no resulting value if the stock market price of the Corporation's shares does not appreciate.

The Compensation Committee annually reviews the compensation levels for the executive officers and certain members of senior management. For the fiscal year ended December 31, 2007, the Compensation Committee reviewed information it received from the Corporation's Executive Director as well as from external compensation consultants. It used this information to determine and approve such changes to the general compensation levels that it

considered appropriate. In addition, on the recommendation of the Executive Director, the Compensation Committee approved and recommended to the Board discretionary cash bonuses, annual bonuses and stock option awards for executive officers and senior management. In arriving at its decisions, the Compensation Committee reviewed industry comparisons for similar-sized companies and for other companies in the packaging materials sector.

The Corporation has not had a Chief Executive Officer since the resignation of the Interim Chief Executive Officer on June 28, 2007. The compensation of the former Interim Chief Executive Officer was determined by the previous Board of Directors of the Corporation.

Directors who are not officers or employees of the Corporation receive both cash compensation and options based on the recommendations of the Compensation Committee following its review of compensation arrangements for directors of public companies with comparable market capitalization.

The above report is submitted on behalf of the Compensation Committee by the directors whose names appear below:

The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Additionally, the director participates in meetings with members of management of the Corporation, is given a tour of certain of the Corporation's operational facilities and is briefed on the strategic policies and strategic direction of the Corporation.

(b)

Briefly describe what measures, if any, the board takes to provide continuing education for its directors. If the board does not provide continuing education, describe how the board ensures that its directors maintain the skill and knowledge necessary to meet their obligations as directors.

The Corporation relies on the fact that each director has had considerable prior corporate experience and that each director has the necessary expertise to serve as an effective director of the Corporation. While the Corporation has no formal process currently in place to provide for the continuing education of its directors, various members of senior management of the Corporation report to the Board on an informal and formal basis regularly in order to keep the directors up-to-date on various matters concerning the business and affairs of the Corporation. Counsel to the Corporation in both the United States and Canada is also available to advise the Board of Directors on new developments in relevant areas of the law.

5.

Ethical Business Conduct

(a)

Disclose whether or not the board has adopted a written code for the directors, officers and employees. If the board has adopted a written code:

(i)

disclose how a person or company may obtain a copy of the code

The Corporation's Code of Business Conduct and Ethics (the **Code of Conduct**) applies to each of the Corporation's directors, officers and employees. A copy of the Code of Conduct is available under the Corporation's company profile on SEDAR at www.sedar.com.

(ii)

describe how the board monitors compliance with its code, or if the board does not monitor compliance, explain whether and how the board satisfies itself regarding compliance with its code.

All directors, officers and employees of the Corporation are strongly encouraged to discuss all issues with appropriate personnel at the Corporation in cases where they suspect that a potential breach of the Code of Conduct

may have occurred. Any waiver of a provision of the Code of Conduct for executive officers or directors of the Corporation may be made only by the Board or a committee thereof and will be promptly disclosed as required by law or by the regulations of the New York Stock Exchange or Toronto Stock Exchange. To the knowledge of the directors and officers of the Corporation, there has not been any instance of departure from the Code of Conduct within the last twelve months. Persons who violate the standards set out in the Code of Conduct will be subject to disciplinary action.

The Code of Conduct is provided to each employee of the Corporation at the time of his or her commencement of employment, as well as to each director and officer of the Corporation at the time of his or her election or appointment. The Code of Conduct covers a variety of subject matters that are related to proper business conduct and ethics, including conflicts of interest, discrimination and harassment in the work place, the health and safety of employees, confidentiality obligations and insider-trading prohibitions. Compliance with these subject matters is ultimately monitored by the Board in different ways depending on the specific matter in question.

For example, as concerns insider trading, at the designated time during each financial quarter, a member of the Board instructs management to inform the Corporation's personnel in writing when the regular trading black-out period begins and ends. Further, members of the Board are also involved when a decision has to be made as to whether an additional trading black-out period is warranted in the event that certain material information may be accessible by the Corporation's personnel prior to its divulgence to the public.

As concerns matters such as discrimination and harassment and the health and safety of employees, it is the Corporation's supervisors and managers who are responsible for regularly monitoring such matters. These managers prepare written reports dealing with these matters on a regular basis. The reports are then reviewed by members of senior management, who are responsible for bringing any specific concerns to the attention of the Board.

Section 14 of the Code of Conduct sets out that employees are to discuss any compliance matters or concerns with a supervisor or manager or, if they prefer, to discuss them with Shutts & Bowen LLP, the Corporation's U.S. legal counsel. The Corporation's supervisors and managers and counsel at Shutts & Bowen LLP, as the case may be, each have ready access to the Board.

(iii)

provide a cross-reference to any material change report filed since the beginning of the issuer's most recently completed financial year that pertains to any conduct of a director or executive officer that constitutes a departure from the code.

There are no such reports.

(b)

Describe any steps the board takes to ensure directors exercise independent judgement in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Under the *Canada Business Corporations Act*, to which the Corporation is subject, a director or officer of the Corporation must disclose to the Corporation, in writing or by requesting that it be entered in the minutes of meetings of the Board of Directors, the nature and extent of any interest that he or she has in a material contract or material transaction, whether made or proposed, with the Corporation, if the director or officer: (a) is a party to the contract or transaction; (b) is a director or an officer, or an individual acting in a similar capacity, of a party to the contract or transaction; or (c) has a material interest in a party to the contract or transaction. Subject to limited exceptions set out in the *Canada Business Corporations Act*, the director cannot vote on any resolution to approve the contract or transaction.

Further, it is the policy of the Corporation that an interested director or officer recuse himself or herself from the decision-making process pertaining to a contract or transaction in which he or she has an interest.

(c)

Describe any other steps the board takes to encourage and promote a culture of ethical business conduct.

In 2007, the Audit Committee established the Whistle Blower Policy and Procedures as part of the Code of Conduct. The purpose of the Whistle Blower Policy and Procedures is to provide a means by which accounting and audit-related complaints can be handled by the Audit Committee, thus providing an anonymous method by which employees can report, if any, questionable accounting, internal accounting controls, and auditing matters

which would constitute a violation of the Corporation's accounting policies, without fear of retaliation against good-faith whistleblowers.

6.

Nomination of Directors

(a)

Describe the process by which the board identifies new candidates for board nomination.

The Board identifies, when appropriate, skill sets and individuals who could add value to the Board.

(b)

Disclose whether or not the board has a nominating committee composed entirely of independent directors. If the board does not have a nominating committee composed entirely of independent directors, describe what steps the board takes to encourage an objective nomination process.

The Board does not have a nominating committee.

(c)

If the board has a nominating committee, describe the responsibilities, powers and operation of the nominating committee.

The Board does not have a nominating committee.

7.

Compensation

(a)

Describe the process by which the board determines the compensation for the issuer's directors and officers.

With respect to the compensation of the Corporation's officers, see Report on Executive Compensation above.

(b)

Disclose whether or not the board has a compensation committee composed entirely of independent directors. If the board does not have a compensation committee composed entirely of independent directors, describe what steps the board takes to ensure an objective process for determining such compensation.

The Compensation Committee is composed entirely of independent directors within the meaning of Multilateral Instrument 52-110 *Audit Committees*. The members of the Compensation Committee are Robert Beil (Chairman) and Torsten A. Schermer.

(c)

If the board has a compensation committee, describe the responsibilities, powers and operation of the compensation committee.

The mandate of the Compensation Committee is described above under the heading Composition of the Compensation Committee and Report on Executive Compensation .

(d)

If a compensation consultant or advisor has, at any time since the beginning of the issuer's most recently completed financial year, been retained to assist in determining compensation for any of the issuer's directors and officers, disclose the identity of the consultant or advisor and briefly summarize the mandate for which they have been retained. If the consultant or advisor has been retained to perform any other work for the issuer, state that fact and briefly describe the nature of the work.

During the fiscal year ended December 31, 2007, the Compensation Committee retained the services of AON as a consultant, which was asked to provide an update of a prior survey of executive salaries. The update was completed on September 10, 2007. The update was presented by Melbourne F. Yull, Executive Director of the Corporation, to the Board of Directors in connection with the approval of certain salary adjustments, which became effective in October and November 2007, and on January 1, 2008.

8.

Other Board Committees

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The only committee of the Board other than the Audit Committee and Compensation Committee is the Executive Committee, which is comprised of Eric E. Baker and Melbourne F. Yull. The function of the Executive Committee is to provide strategic direction for the Corporation.

9.

Assessments

Disclose whether or not the board, its committees and individual directors are regularly assessed with respect to their effectiveness and contribution. If assessments are regularly conducted, describe the process used for the assessments. If assessments are not regularly conducted, describe how the board satisfies itself that the board, its committees, and its individual directors are performing effectively.

All directors are, from time to time, required to complete a director's questionnaire designed to assist the Board in assessing each director, the Board as a whole, and each Committee of the Board. The results of these assessments are discussed at a meeting of the Board.
