(the “Company”) approved certain compensation matters for the Company’s executive officers, including the 2018 non-equity incentive payments, 2019 base salaries and stock option grants as set forth in the table below. For additional information, please see the section captioned “Executive Compensation—Compensation Discussion and Analysis” of the Company’s Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange on March 30, 2018.

Name	Title	2018 Non-Equity Incentive Payment	2019 Base Salary ⁽¹⁾	Option Grant (in shares)

(1) The 2019 base salary figures are effective as of February 19, 2019.

The grant of options to Dr. Craig is contingent upon the Company obtaining stockholder approval of a proposed increase to the number of shares issuable under the Company’s Amended and Restated 2017 Equity Incentive Plan (2) (the “Proposed Plan Increase”). The Company intends to seek stockholder approval of the Proposed Plan Increase at its 2019 annual general meeting of stockholders.

The options granted to Messrs. Seeley and Kirske have an exercise price equal to \$0.9489, the closing price per share of the Company’s common stock as reported on The Nasdaq Stock Market LLC (“Nasdaq”) on February 19, 2019. If stockholder approval of the Proposed Plan Increase is obtained, the options granted to Dr. Craig will have an exercise price equal to the closing price per share of the Company’s common stock as reported on Nasdaq on the date on which such approval is obtained. 1/3rd of the shares underlying each option, including the options to be granted to Dr. Craig, will vest on February 19, 2020, and 1/3rd of the shares underlying each option will vest annually thereafter, such that all of the shares subject to each option will be vested and exercisable on February 19, 2022, subject to each executive continuing to be a service provider through each such date.

For 2019, Dr. Craig and Messrs. Seeley and Kirske are eligible to receive non-equity incentive payments of up to 60%, 40% and 40%, respectively, of their base salary. Each of the foregoing non-equity incentive payments is based solely on achievement of corporate goals, with the weighting of individual corporate goals varied for each executive officer as determined by the Board or the Committee.
