decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) Mr. Bergeron is a citizen of Canada and a permanent resident of the United States of America.

### ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

On September 8, 2009, DGB purchased in a private placement 1,860,465 shares of the Issuer's Series D Convertible Preferred Stock, par value \$0.0001 per share (the "Series D Stock"), and warrants (the "Investment Warrants") to purchase 1,860,465 shares of Common Stock at an exercise price of \$0.65 per share using \$503,973 from DGB's working capital and \$296,027 in cash payable to DGB from the settlement of a lawsuit (the "Settlement") against the Issuer (which was retained by the Issuer as consideration for the Series D Stock and the Investment Warrants). The price per share of Series D Stock was \$0.43 (no separate consideration was paid for the Investment Warrants).

Page 5

Also on September 8, 2009, in connection with the Settlement, DGB received additional warrants (the "Settlement Warrants," and together with the Investment Warrants, the "Warrants") to purchase 105,846 shares of Common Stock at an exercise price of \$0.65 per share. The Warrants become exercisable on September 8, 2010 and expire on September 8, 2014.

### ITEM 4. PURPOSE OF TRANSACTION.

The Reporting Persons acquired the Series D Stock and the Warrants for investment purposes in connection with the Settlement and simultaneous private placement conducted by the Issuer.

The Series D Stock is convertible at the option of the Reporting Persons into shares of Common Stock at a conversion ratio determined by dividing \$0.43 by the conversion price. The initial conversion price is \$0.43 per share and is subject to customary adjustments. The Series D Stock is also convertible at the Issuer's option upon the occurrence of certain conditions related to the trading price and volume of the Common Stock. The Reporting Persons may convert shares of the Series D Stock into shares of Common Stock in accordance with the terms of the Series D Stock.

The Warrants are exercisable at the option of the Reporting Persons for shares of Common Stock beginning on September 8, 2010 at an exercise price of \$0.65 per share. The Warrants expire on September 8, 2014. The Reporting Persons may exercise the Warrants in accordance with their terms.

In connection with the Reporting Persons' investment and pursuant to an Investors' Rights Agreement dated as of August 27, 2009 (the "Investors' Rights Agreement"), on September 8, 2009, Mr. Bergeron was appointed to the Board of Directors of the Issuer. Pursuant to the Investors' Rights Agreement, each Holder (as defined in the Investors' Rights Agreement) of Series D Stock has agreed to vote all shares of its Series D Stock in such manner as may be necessary to elect (and maintain in office) directors designated by certain investors, including Mr. Bergeron. Mr. Bergeron's right to designate a director will terminate as of such time as the total number of shares of Series D Stock, and shares of Common Stock issued upon conversion of the Series D Stock, held by Mr. Bergeron is less than 50% of the number of such shares purchased by Mr. Bergeron as of September 8, 2009.

## Edgar Filing: Bergeron Douglas - Form SC 13D

Each Reporting Person expects that it will, from time to time, review its investment position in the Issuer and may, depending on market and other conditions, increase or decrease its investment position in the Series D Stock, the Warrants or other securities of the Issuer.

Whether the Reporting Persons purchase any additional Series D Stock, Warrants or other securities of the Issuer or dispose of any Series D Stock, Warrants or other securities of the Issuer, and the amount and timing of any such transactions, will depend upon the Reporting Persons' individual continuing assessments of pertinent factors, including the availability of Series D Stock, Warrants or other securities of the Issuer for purchase at particular price levels, the Issuer's and the particular Reporting Person's business and prospects, other business investment opportunities available to the particular Reporting Person, economic conditions, stock market conditions, money market conditions, the attitudes and actions of the Board of Directors and management of the Issuer, the availability and nature of opportunities to dispose of the particular Reporting Person's interest in the Issuer, to realize trading profits or minimize trading losses, and other plans and requirements of the particular Reporting Person. Depending upon its individual assessments of these factors from time to time, each Reporting Person may change its present intentions as stated above, including determining to acquire additional Series D Stock, Warrants or other securities of the Issuer (by means of open market or privately negotiated purchases) or to dispose of some or all of the Series D Stock, Warrants or other securities of the Issuer held by or under the control of such Reporting Person. In addition, each Reporting Person

Page 6

may from time to time enter into equity swap or other derivative transactions with respect to its investment in the Series D Stock, Warrants or other securities of the Issuer.

Except as set forth in this Item 4, the Reporting Persons have no present plans or proposals that relate to or that would result in any of the actions specified in clauses (a) through (j) of Item 4 of Schedule 13D.

The foregoing descriptions of the Series D Stock, the Warrants and the Investors' Rights Agreement are qualified in their entirety by reference to the full text of the Certificate of Designation of the Series D Stock, the Investment Warrant and the Settlement Warrant, and the Investors' Rights Agreement, respectively, which are filed as Exhibits 3 through 6 and incorporated herein by reference.

### ITEM 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) Assuming the conversion of the Series D Stock into Common Stock at the initial conversion rate described above and assuming that the Reporting Persons' shares of Series D Stock are the only shares of such class converted, as of the date hereof, each Reporting Person beneficially owns, in the aggregate, 1,860,465 shares of Common Stock, representing beneficial ownership of approximately 12.7% of the total number of shares of Common Stock outstanding as of September 8, 2009.

Giving effect to the vesting and exercise of the Warrants and the conversion of the Series D Stock described in the preceding paragraph, assuming that the Reporting Persons' Warrants are the only warrants so exercised and assuming no adjustments to the exercise price or number of warrant shares, each Reporting Person will beneficially own, in the aggregate, 3,826,776 shares of
