Prospectus Dated September 28, 2005**

This is a Supplement to Endocare, Inc.'s Prospectus, dated September 28, 2005, with respect to the offer and sale of up to 9,580,126 shares of our common stock by the selling stockholders listed in the Prospectus or their transferees. Endocare, Inc. is a specialty medical device company focused on improving patients' lives through the development, manufacturing and distribution of health care products related to our core competencies in the areas of cryoablation and vacuum technology. Our strategy is to achieve a dominant position in the prostate and renal cancer markets, further developing and increasing the acceptance of our technology in the interventional radiology and oncology markets for treatment of liver and lung cancers and management of pain from bone metastases, while achieving penetration across additional markets with our proprietary cryosurgical technology and maintaining our leading position in vacuum technology for erectile dysfunction. The term "cryoablation procedures" refers to medical procedures in which ice is used to destroy tissue, such as tumors, for therapeutic purposes. The term "cryosurgical technologies" refers to technologies relating to the use of ice in surgical procedures, including cryoablation procedures.

Our common stock is traded on the Over-the-Counter Bulletin Board, or OTCBB, under the symbol ENDO. On November 4, 2005, the last reported sale price of our common stock on the OTCBB was \$3.00 per share.

**YOU SHOULD CAREFULLY CONSIDER THE RISK FACTORS FOR OUR SHARES, WHICH ARE LISTED IN THE PROSPECTUS.**

## **QUARTERLY REPORT ON FORM 10-Q**

On November 9, 2005, we filed with the SEC a Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2005. We hereby incorporate by reference into this Supplement and the Prospectus the Quarterly Report on Form 10-Q filed with the SEC on November 9, 2005.

A copy of our Quarterly Report on Form 10-Q filed on November 9, 2005 is being provided to you along with this Supplement.

Information about other documents that have been incorporated by reference into the Prospectus is included in the section of the Prospectus captioned **Where You Can Find More Information**.

## **SELLING SECURITYHOLDERS**

The table under the caption **Selling Securityholders** beginning on page 12 of the Prospectus is hereby supplemented and amended to update information as to the beneficial ownership of our outstanding shares of common stock as of October 31, 2005 by each of the selling securityholders, and as adjusted to reflect transfers by the selling securityholders, and the sale by the selling securityholders of shares in this offering. As of October 31, 2005, 30,073,519 shares of our common stock were outstanding.

This information is based on information provided by or on behalf of the selling securityholders and, with regard to the beneficial holdings of the selling securityholders, is accurate only to the extent beneficial holdings information was disclosed to us by or on behalf of the selling securityholders. The selling securityholders and holders listed in any supplement to the Prospectus, and any transferors, pledgees, donees or successors to these persons, may from time to time offer and sell, pursuant to the Prospectus and any subsequent prospectus supplement, any and all of these shares or interests therein. Any supplement to the Prospectus may contain additional or varied information about the selling securityholders and/or additional holders, and any of their transferors, pledgees, donees or successors, the names of natural persons with voting or investment control over the shares covered hereby, and the aggregate amount of the shares offered that is beneficially owned by each person. This information will be obtained from the selling securityholders and/or additional holders.

Shares listed under the column **Shares Offered by this Prospectus** represent the number of shares that may be sold by each selling securityholder pursuant to the Prospectus. Pursuant to Rule 416 of the Securities Act of 1933, the registration statement of which the Prospectus is a part also covers any additional shares of our common stock which become issuable in connection with such shares resulting from stock splits, stock dividends or similar transactions.

The information under the heading **Shares Beneficially Owned After the Offering** assumes each selling securityholder sells all of its shares covered hereby to unaffiliated third parties, that the selling securityholders will acquire no additional Endocare common stock prior to the completion of this offering, and that any other shares of our common stock beneficially owned by the selling securityholders will continue to be beneficially owned. Each selling stockholder may dispose of all, part or none of its shares.

For purposes of the table below, beneficial ownership is determined in accordance with the rules of the SEC, and includes voting and dispositive power with respect to shares. Shares of common stock subject to options, warrants or issuable upon conversion of convertible securities currently exercisable or exercisable within 60 days from October 31, 2005 are deemed outstanding for computing the percentage ownership of the person holding the options, warrants or convertible securities, but are not deemed outstanding for computing the percentage of any other person. Warrants issued in our March 2005 equity financing are currently exercisable, and therefore the shares underlying those warrants are included for purposes of determining beneficial ownership.

The selling securityholders identified below may have sold, transferred or otherwise disposed of all or a portion of their shares of common stock in transactions exempt from the registration requirements of the Securities Act of 1933 since the date on which they provided to us the information regarding their shares of common stock.

Except as indicated below or in the Prospectus, none of the selling securityholders has held any position or office or had any other material relationship with us or any of our predecessors or affiliates within the past three years other than as a result of the ownership of our securities. We may amend or supplement the Prospectus from time to time to update the disclosure set forth in it.

Each of the selling securityholders that is affiliated with a registered broker-dealer has represented to us that it purchased the shares offered by the Prospectus in the ordinary course of business and, at the time of purchase of those shares, did not have any plans to dispose of those shares.
