**MEETING AND VOTING INFORMATION**

**Date, Time and Place of Meeting**

The board of directors of Rentrak Corporation ("Rentrak") is furnishing this notice of annual meeting and proxy statement and the enclosed proxy card in connection with the board's solicitation of proxies for use at Rentrak's 2007 Annual Meeting of Shareholders (the "Annual Meeting"). The Annual Meeting will be held on Thursday, August 23, 2007, at 10:00 a.m. Pacific Daylight Time, at Rentrak's executive offices, located on the first floor at One Airport Center, 7700 N.E. Ambassador Place, Portland, Oregon 97220.

**Solicitation and Revocation of Proxies**

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted FOR each of the director nominees selected by the board of directors. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying 2007 Annual Report to Shareholders, which includes Rentrak's audited financial statements for the fiscal year ended March 31, 2007, and the other portions of Rentrak's 2007 Annual Report on Form 10-K, are being mailed on or about July 16, 2007, to shareholders of record on June 26, 2007.

**Purposes of the Annual Meeting**

## Edgar Filing: RENTRAK CORP - Form DEF 14A

The Annual Meeting has been called for the following purposes:

To elect a board of directors consisting of six members, each to serve until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;

To hear reports from various officers of Rentrak; and

To transact such other business as may properly come before the meeting or any adjournments thereof.

Section 2.3.1 of Rentrak's 1995 Restated Bylaws, as amended, sets forth procedures to be followed for introducing business at a shareholders meeting. Rentrak has no knowledge of any other matters that may be properly presented at the Annual Meeting. If other matters do properly come before the Annual Meeting in accordance with the 1995 Restated Bylaws, the persons named in the proxy card will vote your proxy in accordance with their judgment on such matters in the exercise of their sole discretion.

**Record Date and Shares Outstanding**

Only shareholders of record at the close of business on June 26, 2007 (the "Record Date"), are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 10,726,491 shares of Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see "Security Ownership of Certain Beneficial Owners and Management."

**Voting; Quorum; Vote Required**

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors.

**Effect of Abstentions**

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors.

**Effect of Broker Non-Votes**

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy but does not vote on a proposal because the nominee does not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the beneficial owner. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of the election of directors.

**Costs of Solicitation**

Rentrak will bear all costs and expenses associated with this solicitation. In addition to solicitation by mail, directors, officers, and employees of Rentrak may solicit proxies from shareholders, personally or by telephone, facsimile, or e-mail transmission, without receiving any additional remuneration. Rentrak has asked brokerage houses, nominees and other agents and fiduciaries to forward soliciting materials to beneficial owners of Rentrak common stock and will reimburse all such persons for their expenses.

**PROPOSAL 1**

**ELECTION OF DIRECTORS**

Rentrak's 1995 Restated Bylaws, as amended, provide that its board of directors shall consist of six members. The board of directors has nominated the individuals named below to fill the six positions. If for any reason any of the nominees named below should become unavailable for election (an event that the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend. Proxies cannot be voted for more than six nominees. Directors are re-elected annually to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

Five of our current directors, Judith Allen, Cecil Andrus, George Kuper, Paul Rosenbaum, and Ralph Shaw, have been nominated to stand for re-election as directors. Stanford Stoddard, who has been a director of Rentrak since 2001, is retiring from the board and is not standing for re-election. Tom Allen, who is being nominated for election at the annual meeting to fill the position vacated by Mr. Stoddard, has been serving as an

adviser to the Rentrak board for the past three years. Mr. Allen was recommended by executive recruiting consultant Ken Greger of Greger/Peterson Associates, Inc. in 2004 to serve in an advisory capacity to the board.

The board of directors has determined that each of the nominees for director named below, other than Mr. Rosenbaum, is or will be an "independent director" under Rule 4200(a)(15) of the Nasdaq listing standards.

He also served as an adviser to the Rentrak board from 2001 until his election as a director of Rentrak in 2004.

### COMMITTEES AND MEETINGS OF THE BOARD

The board of directors has established several standing committees, including an Audit Committee, a Compensation Committee, a Finance Committee, and a Nominating and Governance Committee. During the fiscal year ended March 31, 2007, the board of directors held four meetings. Each director attended at least 75% of the total number of meetings held by the board of directors and the board committees on which he or she served during fiscal 2007.

The board of directors has adopted corporate governance guidelines, which state that directors are expected to attend all meetings of the board of directors, including our annual meetings of shareholders. All directors attended the annual meeting held in August 2006.

#### Audit Committee

Rentrak has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Audit Committee's activities are governed by a formal written charter, a copy of which is available on Rentrak's website under "Investor Relations" at [www.rentrak.com](http://www.rentrak.com). The Audit Committee held four meetings during the fiscal year ended March 31, 2007.

Mr. Andrus (Chair), Mr. Kuper, Mr. Shaw and Mr. Stoddard, each of whom meets the financial literacy and independence requirements for audit committee membership specified in the Nasdaq listing standards, are the current members of the Audit Committee. No other persons were members of the Audit Committee during fiscal 2007. The board of directors has determined that Mr. Shaw is qualified to be an "audit committee financial expert" as defined in the rules of the Securities and Exchange Commission (the "SEC").

The Audit Committee makes decisions regarding the engagement or discharge of Rentrak's independent auditors, reviews and pre-approves audit and legally-permitted non-audit services provided by the independent auditors, and oversees the integrity of Rentrak's financial statements and other financial information, its systems of internal accounting and financial controls, and the independence and performance of Rentrak's independent auditors. The Audit Committee has established procedures for the receipt and handling of complaints about accounting and auditing matters and reports of ethical violations regarding Rentrak's directors, officers and employees. The Audit Committee's charter also makes it responsible for reviewing for potential conflicts of interest all transactions between Rentrak and a director, officer or shareholder (including transactions with family members or associates of such persons) that would be required to be reported as a transaction with a related person in this proxy statement under the SEC's disclosure rules and determining whether or not to approve any such transactions.

#### Compensation Committee

The members of the Compensation Committee are Ms. Allen (Chair), Mr. Andrus and Mr. Shaw, each of whom is an "independent director" as defined in Rule 4200(a)(15) of the Nasdaq listing standards. No other persons were members of the Compensation Committee during fiscal 2007. The Compensation Committee is responsible for approving and evaluating Rentrak's director and officer compensation plans, policies and

## Edgar Filing: RENTRAK CORP - Form DEF 14A

programs, evaluating the performance of Rentrak's management, and making compensation decisions regarding Rentrak's executive employees. The Compensation Committee is governed by a written charter most recently revised on May 21, 2007. The charter is available on Rentrak's website under Investor Relations [www.rentrak.com](http://www.rentrak.com). During the fiscal year ended March 31, 2007, the Compensation Committee held eight meetings.

### **Nominating and Governance Committee**

The Nominating and Governance Committee (the "Nominating Committee") is chaired by Mr. Kuper; Ms. Allen and Mr. Andrus are its two other members. The board of directors has determined that each of these directors is independent as defined in Rule 4200(a)(15) of the Nasdaq listing standards. No other persons were members of the Nominating Committee during fiscal 2007. The Nominating Committee is governed by a written charter, a copy of which is available on Rentrak's website under "Investor Relations" at [www.rentrak.com](http://www.rentrak.com). The Nominating Committee held three meetings during the fiscal year ended March 31, 2007.

The Nominating Committee is responsible for identifying individuals qualified to become directors of Rentrak and recommending to the board of directors candidates for election and for recommending individuals to serve on each board committee. It is also responsible for developing for board approval a set of corporate governance guidelines addressing board organizational issues, committee structure and membership, and succession planning for Rentrak's chief executive officer position.

The Nominating Committee has not adopted any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will take into account all factors that it considers appropriate, including strength of character, maturity of judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoints, industry knowledge, and the highest personal and professional ethics, integrity and sound business judgment.

In determining whether to recommend nomination of current directors for re-election, the Nominating Committee will perform periodic evaluations of individual directors. Non-employee directors are generally expected to retire upon reaching age 75 or completing ten years of service, whichever is later. Directors who are also employees will generally be expected to resign upon termination of employment, although the board of directors may make an exception to this policy for a former chief executive officer if it believes it to be in the best interests of Rentrak.

When the Nominating Committee is required to identify new director candidates, because of a vacancy or a desire to expand the board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has the authority to hire a third party search firm if it deems such action to be appropriate, but has not done so since January 1, 2006. Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee deems appropriate.

The Nominating Committee will consider director candidates suggested by shareholders for nomination by the board of directors. Shareholders wishing to suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Chair of Nominating Committee, in care of Mark L. Thoenes, Executive Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Candidates suggested by shareholders will be evaluated by the same criteria and process as candidates from other sources.

### **Finance Committee**

The Finance Committee is comprised of Mr. Shaw (Chair), Ms. Allen and Mr. Kuper. It is responsible for evaluating strategic and operational financial issues facing Rentrak. During the fiscal year ended March 31, 2007, the Finance Committee met five times.

**CODE OF ETHICS**

Rentrak has adopted a Code of Ethics for Senior Financial Officers ("Code of Ethics"), which is applicable to its chief executive officer, president, principal financial officer, and principal accounting officer. The Code of Ethics focuses on honest and ethical conduct, the adequacy of disclosure in Rentrak's financial reports, and compliance with applicable laws and regulations. The Code of Ethics is included as part of our Code of Business Conduct approved by the board of directors, which is generally applicable to all directors, officers, and employees of Rentrak. The Code of Business Conduct and Code of Ethics are available on Rentrak's website under "Investor Relations" at [www.rentrak.com](http://www.rentrak.com) and are administered by the Audit Committee.

**SHAREHOLDERS COMMUNICATIONS WITH THE BOARD**

Communications by shareholders to the board of directors should be sent to the attention of the Chair of the Nominating and Governance Committee, in care of Mark L. Thoenes, Executive Vice President, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Such communications will be forwarded unopened to the individual occupying that position. The Chair of the Nominating Committee will be responsible for responding to or forwarding such communications as appropriate, including communications directed to individual directors or board committees. Communications will not be forwarded if the Chair of the Nominating Committee determines that they do not appear to be within the scope of the board's (or such other intended recipient's) responsibilities or are otherwise inappropriate or frivolous.

**DIRECTOR COMPENSATION FOR FISCAL 2007**

The following table summarizes compensation paid to directors for services during the fiscal year ended March 31, 2007.

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (\$) <sup>(1)</sup>	Total (\$)
Judith G. Allen	\$63,000	\$90,360	\$153,360
Cecil D. Andrus	\$59,000	\$90,360	\$149,360
George H. Kuper	\$49,250	\$90,360	\$139,610
Ralph R. Shaw	\$57,700	\$90,360	\$148,060
Stanford C. "Bud" Stoddard	\$42,100	\$90,360	\$132,460

- (1) The dollar amounts reflect the compensation expense recognized for fiscal 2007 for financial statement reporting purposes in accordance with Statement of Financial Accounting Standards No. 123 (revised 2004), Share-Based Payment (SFAS 123R), with respect to deferred stock unit ("DSU") awards.

In establishing director compensation, the Compensation Committee and the board of directors considered information regarding the compensation paid to directors of the peer group companies listed under the heading Executive Compensation Discussion and Analysis of Executive Compensation Programs below that was provided by Lipis Consulting, a compensation consultant engaged by the Compensation Committee, along with director compensation information derived from other sources.

Each non-employee director of Rentrak receives an annual retainer of \$30,000. In addition, the chair of the Compensation Committee receives a \$3,000 annual retainer, the chair of the Audit Committee receives a \$5,000 annual retainer, and each other non-employee director who serves on the Audit Committee receives a \$2,500 annual retainer. Non-employee directors are also paid \$1,200 for each board or committee meeting they attend in person or by telephone conference call. Rentrak also reimburses directors for their travel expenses for each meeting attended in person.

The 2005 Stock Incentive Plan, which was approved by Rentrak's shareholders at the 2005 annual meeting, does not provide for automatic, equity-based grants to non-employee directors. On June 15, 2006, the board of directors, upon the recommendation of the Compensation Committee, approved annual awards of DSUs to each non-employee director of Rentrak in lieu of the annual option grants previously provided under Rentrak's 1997 Equity Participation Plan. Each award entitles the director to receive 9,000 shares of Rentrak common stock upon ceasing to be a director following a one-year vesting period. In addition, the DSUs will fully vest upon termination of the recipient's service on the Board due to death or disability or a change in control of Rentrak during the one-year period.

## EXECUTIVE COMPENSATION

### Responsibilities and Processes of Compensation Committee

The Board of Directors has delegated responsibility for considering and approving the compensation and awards to all of Rentrak's executive officers, including the executive officers listed in the Summary Compensation Table on page 16 (the "named executive officers"), to the Compensation Committee, which consists entirely of independent, non-employee directors. The Compensation Committee also establishes the executive compensation principles that guide the design of Rentrak's executive compensation programs.

**Engagement of Independent Consultant.** For assistance in designing Rentrak's compensation programs for executive officers to meet our goals and objectives, the Compensation Committee has on a periodic basis engaged the services of an outside consultant to conduct surveys and provide reports, updates and related advice to the committee regarding compensation paid to executive officers at peer companies who hold positions similar to those of our named executive officers. In fiscal 2006 and fiscal 2007, the Compensation Committee retained Lipis Consulting (the "Consultant") to provide such services.

**Role of Executive Officers.** The base salaries and annual cash incentive bonuses paid to named executive officers for fiscal 2007, excluding our CEO, Paul Rosenbaum, were recommended to the Compensation Committee by our CEO and approved by the Compensation Committee. The recommendations were reviewed with the Compensation Committee chair in advance of deliberations and action by the Compensation Committee as a whole. Our CEO was present during the Compensation Committee's deliberations and approval process regarding compensation of executive officers other than himself.

The base salary and annual cash incentive bonus paid to Mr. Rosenbaum for fiscal 2007 were approved by the Compensation Committee in executive session after considering corporate and individual performance parameters, including:

- \* Rentrak's profitability,
- \* the CEO's leadership and management,
- \* regulatory compliance,
- \* our business planning, strategy and execution,
- \* employee and customer satisfaction, and
- \* shareholder relations.

### Discussion and Analysis of Executive Compensation Programs

**Compensation Principles.** In general, our compensation policy is designed to reward the achievement of individual and company goals and objectives. Rentrak follows a practice of linking executive compensation to individual levels of performance, as well as the performance of the company as a whole. The compensation of our executive officers includes cash incentive bonuses and equity awards (generally stock options)

## Edgar Filing: RENTRAK CORP - Form DEF 14A

that reward the achievement of goals and objectives relating to both individual performance and company performance.

Rentrak's overall executive compensation levels are designed to attract and retain the type of talent needed to enable us to achieve and sustain a leadership position in the business and industry in which Rentrak competes, as well as to increase the long-term value of the company for shareholders. In general, this means that total executive compensation should be at or above the median for Rentrak's peers and other appropriate benchmarks.

Our executive compensation policy is designed to focus Rentrak's officers on achieving strong short-term performance goals and objectives as well as ensuring that the necessary steps are taken to achieve long-term success. Rentrak uses a variety of performance goals and objectives, including personal, financial, operational and strategic.

***Benchmarking and Comparative Peer Group.*** The Compensation Committee periodically compares the total annual compensation of each named executive officer to the total annual compensation of executives holding comparable positions at similarly-situated peer companies. For the purpose of such comparisons, the committee considers base salary, annual incentive bonus, and the value of stock option grants. The Compensation Committee focuses on the level of total annual compensation, as well as the nature of the various individual elements of

## Edgar Filing: RENTRAK CORP - Form DEF 14A

compensation, because both are generally important to executives. This gives us the flexibility to provide forms of compensation that are tailored to meet our goals and objectives, as well as the particular executive's needs and wishes, whether at the time of hire or later in the employment relationship.

The Consultant's fiscal 2007 report to the Compensation Committee provided compensation-related information regarding the companies listed below (the "peer group"):

Arbitron, Inc.	IMS Healthcare, Inc.
BSD Software, Inc.	Lakes Entertainment, Inc.
Ceridian Corp.	Navarre Corp.
Dun & Bradstreet Corp.	NetRatings, Inc.
Greenfield OnLine, Inc.	Opinion Research Corp.
Guideline, Inc.	Reading International, Inc.
IMAX Corp.	ROO Group, Inc.

The companies comprising the peer group used in the Consultant's fiscal 2007 report were selected by the Consultant and approved by the Compensation Committee in consultation with the CEO. The peer group includes companies in the media and software industries that have similar revenues, similar market capitalizations, or similar numbers of employees as compared to Rentrak. The Consultant's fiscal 2007 report included information regarding base salary, bonus, value of awarded stock options, and certain other compensation derived from various sources, including the proxy statements of members of the peer group.

**Goals and Objectives for Executive Compensation.** The goals and objectives of our executive compensation program for named executive officers are to attract, retain, motivate and reward highly qualified executives to achieve Rentrak's strategic goals and increase shareholder value. For fiscal 2007, total executive compensation was established for each named executive officer based on such factors as:

- \* length of time in the position,
- \* scope of job responsibilities,
- \* current and long-term job performance and potential for advancement,
- \* competitive market conditions for individuals holding similar positions, and
- \* the short-term and longer-term performance of our company.

Total executive compensation may also be affected by decisions to pay higher levels of compensation in order to attract superior executive talent in critical functions or to provide additional compensation outside of the normal annual review cycle to address retention issues.

Based on our review of the compensation arrangements discussed below, and our assessments of individual executive and corporate performance, we believe our executive compensation levels and the design of our executive compensation programs are effective in meeting our

compensation goals and objectives.

***Fiscal 2007 Elements of Compensation.*** The executive compensation program and its various elements are designed to reward a combination of individual, division, department and/or company-wide performance. The primary elements of our compensation program for named executive officers are base salary, annual cash incentive bonus, stock options or other equity-based or long-term incentive compensation, severance and change-in-control agreements, other benefits and perquisites, and an employment agreement. Important aspects of each element of the compensation program for named executive officers are explained in more detail below.

***Base Salaries.*** The Compensation Committee annually reviews and considers adjustments to the base salary of executive officers based on company performance, individual executive performance, increased responsibilities, comparative market compensation for the position, retention considerations and CEO recommendations. For periods including fiscal 2007, the base salary of each named executive officer has been set at or near the median base salary of executives holding similar positions in the peer group, based on survey information provided by the Consultant. During fiscal 2007, the base salary levels of our named executive officers other than Mr. Rosenbaum were unchanged from fiscal 2006, when salary rates for those officers had been increased

## Edgar Filing: RENTRAK CORP - Form DEF 14A

by amounts ranging from 3% to 20%. Mr. Rosenbaum's base salary was increased by 5.5% in fiscal 2007; the increase took into account the fact that his salary in fiscal 2006 had remained unchanged from the level in effect for fiscal 2005.

*Annual Cash Incentive Bonuses.* Rentrak has implemented a performance bonus program under which executive officers may receive annual cash incentive payments based on improvement in corporate and personal performance. The incentive bonuses are based on (a) performance by the company as a whole or by the line of business for which the officer is responsible and (b) achievement of specific performance parameters established for each individual officer. Company or line of business performance is generally measured by the improvement in pre-tax operating income for the company or line of business over the levels approved by the board of directors as part of the annual budget process. For each executive officer other than the CEO, the CEO recommends for Compensation Committee approval a participation percentage for the portion of the officer's bonus tied to company or line of business performance.

Participation percentages related to performance by line of business ranged from approximately 1.5% to 18% of pre-tax operating income for fiscal 2007. The participation percentages are generally lower for executives responsible for the larger, more established lines of business such as the PPT Division, and higher for those officers managing Rentrak's newer products and services, in order to provide an appropriate reward for the development and execution of new ventures generating relatively small amounts of operating income, or even a loss, in the initial years.

An executive who manages a line of business that does not generate pre-tax operating income higher than budgeted levels (or a lower operating loss) is not entitled to an incentive bonus for the year. The incentive awards for other executives are subject to upward or downward adjustment based on their level of achievement of individual performance parameters. Achievement of a score below 75% results in forfeiture of the entire bonus. For fiscal 2007, four executive officers, one of whom was a named executive officer, received cash incentive bonuses totaling \$183,718 based on pre-tax operating income of the lines of business for which they were responsible. The fiscal 2007 performance bonuses of the three other named executive officers excluding the CEO were based 50% on corporate performance, with a participation percentage ranging from 0.34% to 0.39% of Rentrak's pre-tax operating income, and 50% on the achievement of individual objectives.

The Compensation Committee also established specific corporate and personal objectives for the CEO's fiscal 2007 performance bonus. Each objective was weighted to denote its relative importance to the overall bonus target established by the committee in the range of 15% to 20% of base salary. The corporate objectives included target levels of company-wide revenues and pre-tax operating income, an increase in Rentrak's stock trading price, product line improvements, and administrative objectives related to disaster recovery planning and human resource program improvements, while personal objectives included business development and innovation goals. Following fiscal year end, the Compensation Committee assessed the CEO's level of achievement of the corporate and personal goals and awarded him a bonus of \$52,000.

The cash incentive bonuses for fiscal 2007 paid to Rentrak's named executive officers are shown in the Summary Compensation Table on page 16.

*Stock Options and Other Equity-based Awards.* In prior fiscal years, the Compensation Committee has granted stock options to the named executive officers under the 2005 Stock Incentive Plan and previous stock option plans. However, no grants were made to the named executive officers in fiscal 2007. The Compensation Committee is reviewing how to use equity-based compensation as a part of its executive compensation program in the future in light of the recent requirement under generally accepted accounting principles to expense all equity-based awards in the financial statements. When granted, stock options typically have an exercise price equal to the market value of the Common Stock on the date of grant.

*Benefits and Perquisites.* Benefits are established based upon an assessment of competitive market factors and a determination of what is needed to attract and retain superior talent. The primary benefits received by our named executive officers are generally the same as for all employees of Rentrak on a non-discriminatory basis and include participation in our health, dental and vision plans, disability and life insurance plans, paid personal time-off, as well as Rentrak's 401(k) retirement plan. The CEO also receives a Company-leased automobile for his use and is provided with a personal long-term care insurance policy. Rentrak has provided another named executive

## Edgar Filing: RENTRAK CORP - Form DEF 14A

officer with a personal portable supplemental life insurance and long-term disability insurance policy at Rentrak's expense. These additional benefits are reflected in the Summary Compensation Table on page 16.

***Employment Agreements and Termination and Severance Benefits.*** We believe that it is valuable to establish employment agreements with our executive officers. The employment agreements are consistent with the goals and objectives of our compensation program to attract, retain, motivate and reward highly qualified executives. The Compensation Committee has established guidelines to standardize most of the terms and conditions in our executive employment agreements. A more detailed discussion of the terms and conditions of our employment agreements with our named executive officers is included below under the subheading "Potential Payments upon Termination or Change-in-Control."

***Recoupment of Annual Bonuses and Stock Gains.*** The Sarbanes-Oxley Act of 2002 provides that, if a company is required to restate its financial statements due to material non-compliance with reporting requirements, the CEO and CFO must reimburse the company for (1) any bonus or other incentive or equity-based compensation received during the 12 months preceding the first public release of restated financial statements, and (2) any profits from the sale of securities during those 12 months.

***Deductibility of Compensation.*** In considering Rentrak's compensation structure, the Compensation Committee takes into consideration Section 162(m) of the Internal Revenue Code. This provision limits the deductibility of compensation in excess of \$1 million paid to any of a company's five most highly-paid executive officers in a single tax year. Compensation that is "performance-based" or qualifies under certain other exceptions is excluded from the calculation. For example, stock options granted under Rentrak's 2005 Stock Incentive Plan are structured to qualify as "performance-based compensation" under Section 162(m). Deductibility is, however, only one factor considered by the Compensation Committee in structuring executive compensation consistent with Rentrak's executive compensation.

**Potential Payments upon Termination or Change-in-Control**

Rentrak has entered into employment agreements with each of its executive officers, including the named executive officers. Mr. Rosenbaum's agreement has a current expiration date of September 30, 2008. Each of the other agreements will expire December 31, 2007, subject to automatic renewal for successive one-year periods unless Rentrak gives notice of nonrenewal by a specified date prior to the end of each year. The agreements will also automatically extend for an additional two calendar years (three calendar years in the case of Mr. Rosenbaum) if a change-in-control (a "CIC") occurs during the term of the agreement. A CIC includes (1) the acquisition by a person or group of beneficial ownership of 25% or more of the combined voting power of Rentrak's then outstanding capital stock, (2) the election of directors a majority of whom are not individuals nominated by Rentrak's then incumbent directors, and (3) the approval by Rentrak's shareholders of a plan of complete liquidation, a sale of substantially all of Rentrak's assets, or a merger or similar transaction other than a transaction in which Rentrak's shareholders continue to hold at least 75% of the combined voting power of the voting securities of the surviving entity immediately following the transaction, except that, in the case of Mr. Rosenbaum's agreement, a CIC does not include an event that has been approved by two-thirds of Rentrak's directors then in office.

The employment agreements provide for severance upon termination of employment for specified reasons, including death, disability, voluntary termination by the employee for good reason, or involuntary termination without cause. Good reason is defined as Rentrak's failure to comply with the agreement or an act or failure to act by Rentrak that constitutes a substantial adverse change in the officer's position or responsibilities or a reduction in his or her base salary. In the case of Messrs. Papagan, Thoenes and Yazdani, good reason also includes Mr. Rosenbaum's ceasing to be Rentrak's CEO for any reason. Cause is defined as a material breach of the agreement by the officer, the officer's failure to comply with Rentrak's general policies or standards or to perform any job duties, a felony conviction or plea of no contest, or any act by the officer constituting fraud, dishonesty involving Rentrak, or in competition with or materially detrimental to Rentrak.

**Severance Following Termination During Term of Agreement.** No severance benefits are payable if employment is terminated by Rentrak for cause or voluntarily by the officer other than for good reason. If an executive officer is terminated during the term of the agreement and before a CIC occurs, by Rentrak without cause or by the officer for good reason, in addition to accrued base salary and other benefits, the officer is entitled to receive severance payments in the amount of his or her monthly base salary during a severance period of (a) three months for each full four years of continuous service, (b) the number of monthly installments specified in the agreement (12 months for Mr. Rosenbaum, nine months for Messrs. Giambra, Thoenes and Yazdani, and six months for Mr. Papagan), or (c) the remaining term of the agreement, whichever is longest. Health insurance benefits will also be continued during this period unless provided by a subsequent employer. Continuation of severance payments generally is subject to compliance with an agreement not to compete with Rentrak and execution by the officer of a general release of claims against Rentrak.

If employment is terminated during the term of the agreement and after a CIC occurs, either without cause or for good reason, the executive officer will be entitled to receive a lump sum payment equal to two times his or her then-current annual base salary and average annual bonus amount during the prior two fiscal years (three times base salary only in the case of Mr. Rosenbaum), subject to reduction if his or her resulting after-tax benefit would be larger due to the effect of the excise tax on excess parachute payments. He or she will also be entitled to continued participation in Rentrak's health and life insurance plans, other welfare plans, and 401(k) plan for two years (three years in the case of Mr. Rosenbaum).

If an executive officer dies or becomes disabled during the term of the agreement, the officer or his or her estate will be entitled to accrued base salary and other employee benefits through the date of termination of employment, except that in the case of Mr. Rosenbaum, his estate will be entitled to a lump sum payment of \$500,000 less any amounts payable under any life insurance policies purchased by Rentrak for the benefit of Mr. Rosenbaum's dependents.

**Severance upon Termination After Expiration of Agreement.** The employment agreements with Messrs. Giambra, Papagan, Thoenes and Yazdani also provide for continuation of medical benefits and for severance payments in the event employment is terminated by Rentrak without cause, or by the executive officer with good reason, after expiration of the term, provided that the officer has had five or more continuous years of employment

with Rentrak. The total amount of the severance payments will equal the officer's monthly base salary then in effect times (a) three months for each full four years of continuous service or (b) the number of monthly installments specified in the agreement, whichever is longer.

The following tables set forth certain information concerning payments and other benefits that would have been payable to our named executive officers under the agreements currently in place in the event their employment was terminated or a CIC had occurred on March 31, 2007, under various circumstances described in the tables. The tables assume no future changes in benefits or vesting are made. We have not entered into any agreements or plans that provide benefits to our named executive officers solely as a result of a change in control, other than the acceleration of vesting of unvested stock options in certain circumstances. Except as noted in the footnotes to the tables, all amounts are payable by Rentrak.
