**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Plan Administrator  
SL Industries, Inc. Savings and Pension Plan  
Mount Laurel, New Jersey

We have audited the accompanying statements of net assets available for benefits of the SL Industries, Inc. Savings and Pension Plan as of December 31, 2007 and 2006, and the related statements of changes in net assets available for benefits for the years ended December 31, 2007 and 2006. These financial statements and the schedule referred to below are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board of the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the net assets available for benefits as of December 31, 2007 and 2006 and the changes in net assets available for benefits for the years ended December 31, 2007 and 2006, in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule listed in the accompanying index is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**SAVINGS AND PENSION PLAN**  
NOTES TO FINANCIAL STATEMENTS

**1. Description of Plan and Summary of Significant Accounting Policies**

**Description of Plan**

SL Industries, Inc. Savings and Pension Plan (the Plan), originally adopted May 1, 1976, is a defined contribution savings and pension plan covering substantially all U.S. non-union employees of SL Industries, Inc.'s Corporate Office, SL Power Electronics Corp. (a combination of Condor D.C. Power Supplies, Inc. and Ault Incorporated), SL Montevideo Technology, Inc., Teal Electronics Corp., RFL Electronics Inc., and MTE Corporation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Participants should refer to the Summary Plan Description for more complete information with respect to the provisions of the Plan.

As of January 2, 2007, RFL Electronics, Inc. Employees 401(k) and Profit Sharing Plan, Ault Incorporated Profit Sharing Plan, and Teal Electronics Corporation Employee Savings Plan were merged into the existing Plan. All transactions for these plans are included in the Statement of Changes in Net Assets for the twelve months ended December 31, 2007.

Subsequent to the acquisition of MTE Corporation on October 31, 2006, the MTE Corporation 401(k) Profit Sharing Plan was merged into the Plan as of May 1, 2007. The Statement of Changes in Net Assets for the year ended December 31, 2007 includes transactions for the eight months from May 1, 2007 to December 31, 2007.

Total net assets transferred to the Plan related to the above merger were \$24,324,225 (see Note 8).

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Forfeitures**

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures may be used to reduce future Employer contributions to the Plan or to offset plan administrative expenses. For the years ended December 31, 2007 and 2006, approximately \$68,000 and \$50,000 was used to pay Plan administrative expenses. At December 31, 2007 and 2006, approximately \$51,000 and \$76,000, respectively, was available in the forfeiture account.

**SAVINGS AND PENSION PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**2. Investments**

As part of the Plan provisions, participants are no longer able to invest in SL Industries, Inc. Common Stock ( Common Stock ), but can invest in various combinations of eighteen Fidelity Institutional Retirement Services Co., Inc. ( Fidelity ) funds: Managed Income Portfolio, Total Bond, Capital and Income, Value, Capital Appreciation, Diversified International, Freedom Income Fund, Freedom 2000 Fund, Freedom 2005 Fund, Freedom 2010 Fund, Freedom 2015 Fund, Freedom 2020 Fund, Freedom 2025 Fund, Freedom 2030 Fund, Freedom 2035 Fund, Freedom 2040 Fund, Freedom 2045 Fund, Freedom 2050 Fund. Also available are Spartan U.S. Equity Index Fund, Allianz NJF Dividend Value Fund, Northern Small Cap Fund, Davis NY Venture Fund, Columbia Acorn Fund, Hartford Small Cap Growth Fund, and Dodge & Cox International Stock Fund.

All income, gains or other amounts from any investment are reinvested in the same investment from which they are received. The amounts are then allocated, as appropriate, to each participant's account balance.

The Managed Income Portfolio represents a deposit contract with Fidelity's Managed Income Fund. Contributions are maintained in pooled accounts. The account is credited with earnings on the underlying investments at various rates and charged for Plan withdrawals. The financial statements reflect the contract/market values as reported by Fidelity as of the Plan year-end.

Employer matching contributions are invested solely in Common Stock of SL Industries, Inc., a related party to the plan. Until a participant is fully vested, the employer matching contribution credited to the participant's account cannot be liquidated.

The remaining funds are Fidelity separate investment accounts and are carried at market value as reported by Fidelity as of the Plan year-end. The fair value of the SL Industries, Inc. Common Stock is based on the market price as quoted on the American Stock Exchange. All carrying amounts for net assets are presented at their fair values as determined by the method listed above.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation of those investments.

Interest and dividend income are recorded as earned on an accrual basis.

**Contributions*****Elective Contributions***

Employees contributions are based upon authorized payroll withholdings. Participants may make elective deferrals up to an annual maximum of the lesser of 60% of their annual compensation, as defined by the Plan, or \$15,500 and \$15,000 in the calendar years 2007 and 2006, respectively, and thereafter as adjusted by the Secretary of the Treasury. Additionally, eligible participants may elect to defer catch-up contributions.

Beginning January 1, 2007, employees are eligible to designate their elective deferrals as an after tax, Roth 401(k) Deferral Contribution, a pre-tax traditional 401(k) Deferral Contribution, or a combination of both. Once made, the election is irrevocable and contributions can not later be re-characterized.

***Discretionary Matching Employer Contributions***

The employer may match fifty percent (50%) of the participant s elective deferrals, not to exceed three percent (3%) of the participant s eligible compensation for 2007. Matching employer contributions have been contributed solely in the Common Stock of SL Industries, Inc.

**SL INDUSTRIES, INC.**  
**SAVINGS AND PENSION PLAN**  
 NOTES TO FINANCIAL STATEMENTS

**2. Investments** (continued)

***Discretionary Profit Sharing Contributions***

A profit sharing contribution may be made annually to all Plan participants who have earned at least 1,000 hours of service during the Plan year and are employed on the last day of the Plan year, with the exception of participants who are disabled, die or retire. This is a discretionary contribution determined by resolution of the Board of Directors. Profit sharing contributions are invested in accordance with the election of each participant. Profit sharing contributions, if any, made to the Plan by the Company will be allocated to a participant's account in the ratio that the participant's eligible compensation bears to the total eligible compensation paid to all participants.

**Benefits**

At the time of separation, the vested portion of a participant's account represents the participant's accumulated benefit. If a participant's account balance is less than \$1,000, a lump sum distribution will be made regardless of whether the participant requests a distribution. A participant who has an account balance of \$1,000 or greater may elect to: (1) continue to invest their accumulated benefit in the Plan until their normal retirement date; (2) receive payment in one lump sum; or (3) have all of the participant's vested account balance paid directly to an eligible retirement plan specified by the distributee in a direct rollover.

At the retirement date, a participant may elect to receive their retirement benefit in one lump sum payment or in various types of installments. The amount of the benefit payment depends on the value of the participant's account and the retirement benefit option the participant elects.

**Vesting**

Participants become immediately vested in their elective deferral contributions plus actual earnings and their employer's profit sharing contributions. Employer matching contributions become vested as follows:

Years of Service	Percentage Vested
Five years or more	100%
Four years or more, but less than five years	80%
Three years or more, but less than four years	60%
Two years or more, but less than three years	40%
One year or more, but less than two years	20%
Less than one year	0%

In determining years of service for vesting, the Plan considers service from the participant's date of hire. Only whole years of service will be counted for vesting purposes. The non-vested portion of a participant's account, if any, will be forfeited in accordance with the provisions of the Plan.

**SL INDUSTRIES, INC.  
SAVINGS AND PENSION PLAN  
NOTES TO FINANCIAL STATEMENTS**

**2 Investments** (continued)

**Vesting** (continued)

The Plan allows for grandfathered vesting schedules for employees who were members of Ault Incorporated Profit Sharing Plan and Trust and MTE Corporation 401(k) Profit Sharing Plan. Members of Ault Incorporated Profit Sharing Plan and Trust are 100% vested in Employer matching contributions, no matter the length of service. Members of MTE Corporation 401(k) Profit Sharing Plan will be vested as follows:

Years of Service	Percentage Vested
2	100%
1	50%
Less than 1	0%

**Interest Income**

For financial statement purposes, interest and dividend income includes amounts earned on investments and participant loans. For purposes of reporting on Form 5500, interest and dividend income only includes amounts earned on participant loans.

**Participant Loans**

The Plan makes loans to participants on a reasonably equivalent basis and subject to the hardship provisions of the Plan. Loans are collateralized by the employee account balances. The minimum loan amount is \$1,000 and may not exceed the lesser of \$50,000 or one-half of the participant's vested account balance. Loans bear interest at an interest rate as determined by the Plan Administrator based upon the prevailing rates of interest charged by persons in the business of lending money. The interest rates on the participant loans receivable as of December 31, 2007 and December 31, 2006 range from 5.00% to 9.50%. The term of any loan to a participant shall be no greater than five years, except in the case of a loan to acquire a dwelling unit that is considered a principal residence, in which case the term is 10 years.

**3. Plan Termination**

While SL Industries has not expressed any interest to do so, it may terminate the Plan at any time with, the approval of the Board of Directors and subject to the penalties set forth in ERISA, as amended. In the event of such Plan termination, participants will become vested in their accounts.

**SL INDUSTRIES, INC.**  
**SAVINGS AND PENSION PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**4 Administrative Expenses**

Administrative expenses and asset management fees of the Plan may be paid by SL Industries, Inc. at their discretion. Total plan administrative expenses for the years ended December 31, 2007 and 2006 were \$66,937 and \$49,997, respectively.

**5 Tax Status**

The Internal Revenue Service has issued a favorable determination letter, dated June 9, 2006, stating that the Plan meets the requirements for qualification pursuant to Section 401(a) of the Internal Revenue Code (the Code) and that the Plan is exempt from federal income taxes under Section 501(a) of the Code.

**6 Plan Amendments**

The Plan obtained its latest determination letter on June 9, 2006, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

**7 Pension Protection Act of 2007**

On August 17, 2006, The Pension Protection Act (The Act) of 2006 was signed. The Act may require the Company to change the way the Plan is designed and administered, requiring Plan amendments and make additional disclosures to regulatory agencies and participants. Provisions of The Act phased in during 2007.

**8. Plan Mergers**

Pursuant to the completed mergers into the plan of RFL Electronics, Inc. Employees 401(k) and Profit Sharing Plan, Ault Incorporated Profit Sharing Plan, Teal Electronics Corporation Employee Savings Plan, and MTE Corporation 401(k) Profit Sharing Plan, the following amounts were transferred into the plan:

	<b>2007</b>	<b>2006</b>
Net assets available for benefits per financial statements	\$48,757,809	\$20,476,371
Deemed distributions from Plan assets	(11,372)	
Net Assets Available for Benefits per Form 5500	\$48,746,437	\$20,476,371

The following is a reconciliation of changes in net assets available for Plan benefits per the financial statements at December 31, 2007 and 2006 to Form 5500:

	<b>2007</b>	<b>2006</b>

Changes in deemed distributions from Plan assets	(11,372)	
Change in Net Assets Available for Benefits per Form 5500	\$27,000,066	\$ 158,577

Deemed distribution represent participant loans pending foreclosure. Per IRS regulations, all participant loans pending foreclosure related to active participants are required to be reported as Plan assets until a distributable event occurs. Accordingly, a difference occurs between net assets available for benefits per the financial statements and Form 5500, as Department of Labor regulations require loans pending foreclosure to be reported as deemed distributions on Form 5500.
