WINNEBAGO INDUSTRIES, INC.

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Winnebago Industries, Inc., an Iowa corporation (the *Company*), P.O. Box 152, Forest City, Iowa 50436, of proxies to be used at the Annual Meeting of Shareholders of the Company to be held at Friendship Hall, Highway 69 South, Forest City,

Iowa on January 13, 2004, at 7:30 p.m., Central Standard Time, and at any and all adjournments thereof. This Proxy Statement was first mailed to shareholders on or about November 24, 2003.

Only holders of Common Stock of record at the close of business on November 10, 2003, will be entitled to vote at the Annual Meeting of Shareholders. At such date, the Company had outstanding 16,925,614 shares of Common Stock, par value \$.50 per share (*Common Stock*). Each share of Common Stock entitles the holder to one vote upon each matter to be voted upon at the meeting. A majority of the outstanding shares of Common Stock will constitute a quorum for the Annual Meeting of Shareholders. Election of each director (Item 1) and approval of any other matters that may properly come before the Annual Meeting (including Item 2) require the affirmative vote of the holders of a majority of the shares of the Company's Common Stock present or represented by proxy and voted at the meeting. Abstentions and broker non-votes (*i.e.*, shares held by a broker for its customers that are not voted because the broker does not receive instructions from the customer or because the broker does not have discretionary voting power with respect to the item under consideration) will be counted as present for purposes of determining the presence of a quorum. Abstentions and broker non-votes will not have any effect on any matters at the Annual Meeting of Shareholders.

A form of proxy is enclosed for use at the meeting. If the proxy is executed and returned, it may nevertheless be revoked at any time insofar as it has not been exercised. A person giving the enclosed proxy may revoke it by (i) giving written notice to the Secretary, (ii) subsequently granting a later-dated proxy or (iii) attending the annual meeting and voting in person. You may also be represented by another person at the annual meeting by executing a proper proxy designating that person. Unless revoked, the shares represented by validly executed proxies will be voted at the meeting in accordance with the instructions indicated thereon. Withholding authority to vote on a director nominee will in effect count as a vote against the director nominee.

If no instructions are indicated on the proxy, it will be voted: (i) for the election of the two nominees for director named below (Item 1); (ii) for the approval of the Winnebago Industries, Inc. 2004 Incentive Compensation Plan (Item 2); and (iii) in the discretion of the named proxies upon such other matters as may properly come before the meeting.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

The Board has established Audit, Human Resources and Nominating Committees to assist it in the discharge of its responsibilities. The principal responsibilities of each of these committees are described below.

The members of the Audit Committee are Messrs. England, Currie and Zimmerman, all of whom are independent directors under criteria established by the Securities and Exchange Commission and the New York Stock Exchange. Based on the attributes, education and experience requirements set forth in Section 407 of the Sarbanes-Oxley Act of 2002 and associated regulations, the Board of Directors has determined that Joseph W. England qualifies as an Audit Committee Financial Expert. Each year, the committee appoints independent public accountants to examine the books of the Company. It reviews with representatives of the independent public accountants the auditing arrangements and scope of the independent public accountants' examination of the books, results of those audits, their fees and any problems identified by and recommendations of the independent public accountants regarding internal controls. The Audit Committee also performs the duties set forth in its written charter which was adopted by the Board of Directors. A copy of the Audit Committee Charter is attached hereto as Appendix A. The committee is also prepared to meet privately at any time at the request of the independent public accountants or members of management to review any special situation arising on any of the above subjects. Reference is made to the Report of the Audit Committee. The committee met six times in fiscal 2003.

The Human Resources Committee members are Messrs. Kitch, Scott and Zimmerman, all of whom are independent directors, under applicable law and within the meaning of New York Stock Exchange corporate governance requirements. This committee makes recommendations to the Board of Directors as to the salary of the Chief Executive Officer (CEO) and sets the salaries and bonus payments, if any, of all other employee-directors and elected officers. It also has responsibility for administration of the Company's Incentive Compensation Plan and certain other employee incentive plans. The committee met four times in fiscal 2003.

The members of the Nominating Committee are Messrs. Hanson, Hertzke and Kitch. This committee recommended to the Board the director-nominees proposed in this Proxy Statement for election by the shareholders. It reviews the qualifications of, and recommends to the Board, candidates to fill Board vacancies as they may occur during the year. The Nominating Committee will consider suggestions from all sources, including shareholders, regarding possible candidates for director. Such suggestions, together with appropriate biographical information, should be submitted to the Secretary of the Company. See 2005 SHAREHOLDER PROPOSALS for a summary of the procedures that shareholders must follow. The committee met once in fiscal 2003.

The Board of Directors of the Company held eight meetings during fiscal 2003. Actions taken by any committee of the Board are reported to the Board of Directors, usually at its next meeting. During fiscal 2003, all of the directors attended more than 75 percent of the aggregate of Board of Directors' meetings and meetings of committees of the Board on which they served.

Employee directors receive no additional compensation for serving on the Board or its Committees. Non-employee directors receive a retainer of \$1,666 per month, a \$750 per day attendance fee for Board and Committee meetings and a \$500 fee for participation in any Board meetings held telephonically. Committee Chairmen receive a \$1,000 per day attendance fee. In addition, each Outside Director under the 1997 Stock Option Plan (as those terms are defined below) has annually received options for 2,000 shares. Directors are also reimbursed for customary and usual travel expenses.

Effective April 1, 1997, the Board of Directors adopted the Winnebago Industries, Inc. Directors' Deferred Compensation Plan (the *Directors' Deferred Compensation Plan*). The purpose of the Directors' Deferred Compensation Plan is to enable non-employee directors (the *Participants*) to receive their fees and retainers as members of the Board of Directors and Committees of the Board (the *Deferred Compensation*) in a form other than as direct payments. A Participant may elect to apply 100% of his or her Deferred Compensation to either but not both of the following forms: Money Credits or Winnebago Stock Units. Money Credits are units credited in the form of dollars in accordance with the Participant's election to such Participant's account established by the Company. The Money Credits accrue interest from the credit date. The interest rate to be applied to the Participant's Money Credits is the 30 year Treasury bond yield as of the first business day of the plan year. The Board of Directors may from time to time prescribe additional methods for the accrual of interest on Money Credits with respect to Deferred Compensation. Winnebago Stock Units are units credited in the form of Common Stock of the Company in accordance with the Participant's election to such Participant's account established by the Company. The Common Stock utilized for purposes of the Directors' Deferred Compensation Plan will be treasury shares of the Company. Winnebago Stock Units will be recorded in such Participant's account on the basis of the mean between the high and the low prices of the Common Stock of the Company on the date upon which the account is to be credited, as officially reported by the New York Stock Exchange. Any Participant investing Deferred Compensation in Winnebago Stock Units will receive a matching contribution from the Company equal to 25% of the Deferred Compensation so invested.

A Participant's Winnebago Stock Unit account will vest at the rate of 33-1/3% for each of the first three complete 12 month periods of service as a Director following the time such Winnebago Stock Units are credited to the Director's Winnebago Stock Unit Account. Notwithstanding the above, the Participant's Winnebago Stock Unit account will become fully vested upon his or her attainment of age 69-1/2 while serving as a Director. In the event that a Participant terminates his or her service as a Director, any unvested Winnebago Stock Units will be forfeited by the Director and applied to future Company matching contributions. The Winnebago Stock Units credited to Participant's accounts are included in the Common Stock ownership table under VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF.

In the event of any change in the outstanding shares of Common Stock of the Company by reason of any stock dividend or split, recapitalization, merger, consolidation, spin-off, reorganization, combination or exchange of shares or other similar corporate change, then if the Directors' Deferred Compensation Plan administrator determines, in its sole discretion, that such change equitably requires an adjustment in the number of Winnebago Stock Units then held in the Participant's Winnebago Stock Unit account, such adjustments will be made by the Directors' Deferred Compensation Plan administrator and will be conclusive and binding for all purposes of said plan.

In the event of a change in the control of the Company, as defined in the Directors' Deferred Compensation Plan, the Participant will receive a lump sum distribution of his or her accounts within 30 days following his or her termination of service as a Director after such change in control. Notwithstanding the above, in no event will a Participant's receipt of a distribution of Winnebago Stock Units from his or her accounts precede the six-month anniversary of his or her election to convert Deferred Compensation into Winnebago Stock Units.

Unless terminated earlier by the Board of Directors, the Directors' Deferred Compensation Plan terminates on June 30, 2013.

The Winnebago Industries, Inc. 1997 Stock Option Plan (the *1997 Stock Option Plan*) provides that directors

who do not hold a position of employment with the Company or a subsidiary (the *Outside Directors*) shall receive nonqualified stock options and may not be granted incentive stock options. The exercise price per share of options granted to Outside Directors shall be the mean between the high and low prices for a share of the Company's Common Stock on the New York Stock Exchange on the date of grant. Except for vesting upon the occurrence of certain events which result in a change in control, unless otherwise set forth in an agreement granting options under the 1997 Stock Option Plan, no option is exercisable for six months after the date such option is granted. Thereafter, nonqualified

7

stock options are exercisable for a period of not to exceed ten years from the date each such option is granted. Each Outside Director of the Company on the effective date of the 1997 Stock Option Plan who was not granted an option to purchase 10,000 shares under the Winnebago Industries, Inc. Stock Option Plan for Outside Directors was automatically granted nonqualified options to purchase 10,000 shares. Each Outside Director who, after the effective date of the 1997 Stock Option Plan is elected or appointed to the Board of Directors for the first time has, at the time such Director was so elected or appointed and duly qualified, been granted automatically a nonqualified stock option to purchase 10,000 shares at a per share price equal to the fair market value of a share on the date of grant. Effective January 1, 2004, but subject to approval of the 2004 Incentive Compensation Plan by shareholders, no new awards under the 1997 Stock Option Plan will be made. The Board of Directors intends, subject to approval of the 2004 Incentive Compensation Plan by shareholders, to provide that Non-employee Directors (as defined in such Plan) will, at the time such Director is so elected or appointed and duly qualified, be granted automatically a nonqualified stock option to purchase 10,000 shares at a per share price equal to the fair market value of a share on the date of grant.

Long-Term Incentive Plan Awards in Fiscal 2003

The following table provides information concerning the participation of the named executive officers in a long-term compensation plan called the Officers' Long-Term Incentive Plan, fiscal three-year period 2003, 2004 and 2005. Under this plan, they were awarded the right to cash compensation payable in fiscal 2006 based upon the achievement of long-term performance results as measured at the end of the three-year fiscal period. Actual payouts of cash compensation, if any, will be determined based upon the financial performance of the Company as established by

a three-year plan approved by the Human Resources Committee, as administrator of this Plan. Under the Plan, the financial performance measurements are earnings per share and return on equity of the Company for

10

the three-year period. Reference is made to the description of the plan under the caption Report of the Human Resources Committee on Executive Compensation on page 11.

Name	Cash Compensation ⁽¹⁾	Performance Period (or Other Period Until Maturation of Payment) ⁽²⁾	Estimated Future Payouts Under Non-Stock Price-Based Plans ⁽³⁾		
			Threshold (%)	Target (%)	Maximum (%)

The cash compensation will be a percentage of the officer's annualized base salary as of January 2003. The annualized base salary as of January 2003 for each of the named officers is as follows: Mr. Hertzke \$470,000; Mr. Barker \$249,600; Mr. Beebe \$220,000; Mr. Gossett \$200,000; and Mr. Olson \$220,000.
- (2) Payouts will be made in cash in fiscal 2006 depending on the level of attainment of the Plan approved by the Human Resources Committee for achievement of return on equity and earnings per share for the three-year period.
- (3) Shown in these columns are the percentages of the named executive officers' annualized base salary as of January 2003 that would be payable under the Plan if the Company precisely attained the threshold, target or maximum achievement of financial objectives of earnings per share and return on equity. Report of the Human Resources Committee on Executive Compensation

Notwithstanding anything to the contrary set forth in any of the Company's previous or future filings under the Securities Act of 1933 or the Securities Exchange Act of 1934 that might incorporate this Proxy Statement in whole or in part, the following report and the Performance Graph which follows shall not be deemed to be incorporated by reference into any such filings.

The Human Resources Committee of the Board is the compensation committee of the Company. This Committee reviews and approves compensation plans for all corporate officers, including salaries, profit sharing awards and stock option grants.

In designing its compensation programs, the Company follows its belief that compensation should reflect the value created for shareholders while furthering the Company's strategic goals. In doing so, the compensation programs reflect the following goals:

- Align the interests of management with those of shareholders;
- Provide fair and competitive compensation;
- Integrate compensation with the Company's business plans;
- Reward both business and individual performance; and
- Attract and retain key executives critical to the success of the Company.

The Company's executive compensation is primarily based on three components, each of which is intended to help achieve the overall compensation philosophy; these are base salary, quarterly incentive awards and long-term incentives.

Base salary levels for the Company's executive officers are set by the Committee and approved by the Board of Directors. In determining base salary levels and annual salary adjustments for executive

11

officers, including the Chief Executive Officer (CEO), the Committee considers market compensation levels of similarly sized manufacturing companies as well as individual performance and contributions.

The base salary of Mr. Hertzke as the CEO was \$437,750 for the period from the beginning of fiscal 2003 until January 1, 2003 and \$470,000 thereafter and in fiscal 2002 was \$425,000 for the period from the beginning of fiscal 2002 until January 1, 2002 and \$437,750 thereafter. The CEO participates in the quarterly incentive award program for officers and other key management personnel described below. The Committee has not found it practicable to, and has not attempted to, assign relative weights to the specific factors considered in determining the CEO's compensation.

The Company's officers including the CEO are eligible for quarterly incentive awards under the Company's Officers Incentive Compensation Plan for the Fiscal Period 2002-2003 (the *Incentive Compensation Plan*). Under the Incentive Compensation Plan, the incentive awards are based upon financial performance of the Company, as established by the Board of Directors. The Compensation Plan is an annual program that provides for quarterly cumulative measurements of financial performance and an opportunity for quarterly incentive payments based on financial results measured against the management plan adopted by the Board of Directors (the *Management Plan*).

The financial performance measurements for the Incentive Compensation Plan are earnings per share (EPS) and return on equity (ROE) of the Company. The Board of Directors believes that these financial performance measurements provide an appropriate balance between quantity and quality of earnings. Stockholders' equity at the start of the Company's fiscal year is used as the base figure for the calculation of ROE. The Committee believes that the Incentive Compensation Plan provides an excellent link between the value created for shareholders and incentives paid to participants.

Under the Incentive Compensation Plan, the amount of the participants' incentive compensation for the quarter shall be in direct proportion to the Company's financial performance expressed as a percentage (Financial Factor) against the base salary bonus (Target) for each participant as determined by the Board of Directors prior to the commencement of the fiscal year.

The Incentive Compensation Plan provides for a cash bonus (Target) of 60% of base salary, at 100% achievement of the financial objectives of EPS and ROE for participating officers, except the CEO. The Incentive Compensation Plan provides for a cash bonus (Target) of 105% of base salary, at 100% achievement of the financial objectives of EPS and ROE for the CEO. Fifty percent (50%) of the quarterly calculated incentive is paid within 45 days after the close of each quarter. The remaining fifty percent (50%) of the quarterly calculated incentive is held back and carried forward into the next quarter on a cumulative basis. At the end of the fourth fiscal quarter (fiscal year end), a final year-end accounting is made prior to the payment of any remaining incentive holdback for the year. Fifty percent (50%) of a participant's cash incentive compensation earned for the year, as described above, is matched annually. The annual supplementary cash payment is paid as soon as practical after the final fiscal year-end compensation accounting and payment of any remaining incentive compensation holdback for the fiscal year.

The Committee reserves the right to modify the Financial Factor used in determining the incentive compensation by plus or minus 20% based upon strategic organizational priorities. Strategic performance is measured only at the end of the fiscal year. Strategic measurements may focus on one or more of the following strategic factors, but are not limited to those stated.

Revenue Growth	Customer Satisfaction
Market Share	Inventory Management
Product Quality	Technical Innovation
Product Introductions	Ethical Business Practices

In the event of a Change in Control (as defined in the Incentive Compensation Plan) participants are entitled to receive awards (including the annual supplementary cash match payment described above) within 15 days of the Effective Date (as defined in the Incentive Compensation Plan) based on the Committee's estimate of the Company's financial performance through the end of the fiscal year in which such Change in Control occurs.

12

Financial performance of less than 80% of the Management Plan for both EPS and ROE results in no bonus and the maximum bonus will be paid at attainment of 125% of the Management Plan for both elements.

As provided by the Incentive Compensation Plan, the Committee has the discretion and authority to make any and all determinations necessary or advisable for administration of the Incentive Compensation Plan.

Mr. Hertzke received \$321,682 in cash in fiscal 2003 and \$910,121 in cash in fiscal 2002 pursuant to the Incentive Compensation Plan. In addition, Mr. Hertzke was awarded discretionary bonuses of \$100,000 in fiscal 2003 and \$100,000 in fiscal 2002 in restricted Common Stock based on the Committee's positive assessment of his performance and contributions as CEO.

The Company's officers (including the CEO) are eligible for annual incentive awards under the Company's

Officers Long-Term Incentive Plan (the *Long-Term Incentive Plan*). The purpose of the Long-Term Incentive Plan is to promote the long-term growth and profitability of the Company and to attract and retain officers by providing the officers of the Company an opportunity for an incentive award consisting of cash compensation based on the achievement of long-term performance results as measured at the end of a three year fiscal period.

The awards under the Long-Term Incentive Plan are based upon the Company's financial performance as measured against the three year management plan approved by the Board of Directors. The financial performance measurements for the Long-Term Incentive Plan are EPS and ROE of the Company. Stockholders' equity at the start of the Company's first fiscal year of the applicable plan period is used as the base figure for the calculation of ROE.

Under the Long-Term Incentive Plan, the amount of the participants' long-term incentive award for the three year fiscal period is in direct proportion to the Company's financial performance expressed as a percentage (Financial Factor) against award targets for each participant determined by the Board of Directors prior to the commencement of the three fiscal year period. The Company's financial results for the three fiscal year period are used in determining the Financial Factor to be used for that plan period when calculating the participants long-term incentive awards.

The long-term incentive for the officers provides for an opportunity of 25% of the annualized base salary (Target) to be awarded in cash at 100% achievement of the financial long-term objectives of EPS and ROE. The annualized base salary figure used is the salary in place for each participant as of January 2003. The resultant cash award (at 100% of the three fiscal year management plan) will be adjusted up or down as determined by actual financial performance expressed as a percentage (Financial Factor) at the end of the three fiscal year period.

In the event of a Change in Control (as defined in the Long-Term Incentive Plan) participants are entitled to receive awards within 15 days of the Effective Date (as defined in the Long-Term Incentive Plan) based on the Committee's estimate of the Company's financial performance through the end of the Long-Term Incentive Plan three fiscal year period in which such Change in Control occurs.

A participant must be employed by the Company at the end of the three fiscal year period to be eligible for any long-term incentive award except for a Change in Control as described above or as waived by the Committee for normal retirement and disability.

Mr. Hertzke received \$539,698 in cash in fiscal 2003 and \$165,060 in fiscal 2002 in restricted Common Stock pursuant to the Long-Term Incentive Plans for the three-year fiscal periods ended August 30, 2003 and August 31, 2002, respectively. These Long-Term Incentive Plans provided for incentive awards consisting of stock grants made in restricted shares of the Company's Common Stock, or at the election of a participating officer, in cash. The Board of Directors amended the Long-Term Incentive Plans three-year fiscal periods 2002, 2003 and 2004, 2003, 2004 and 2005 and 2004, 2005 and 2006 to provide that all awards payable under such Plans shall be made in cash.

Other long-term incentives, provided through grants of stock options to the named executives and others, are intended to retain and motivate executives to seek to improve long-term stock market performance. Stock options are granted at the prevailing market price and will only have value if the

Company's stock price increases. No option is exercisable until six months after the date such option is granted. Thereafter, options are exercisable during the period thereof at such time or times and in such amount or amounts as determined by the Committee. No option may be exercised more than ten years from the date of its grant. Executives

must be employed by the Company at the time of vesting in order to exercise options. The Committee awarded Mr. Hertzke stock options for 30,000 shares of the Company's Common Stock in both fiscal 2003 and fiscal 2002 under the 1997 Stock Option Plan.

Since all options are granted at the then-current market price, the value of an option bears a direct relationship to the Company's stock price and is an effective incentive for executives to create value for shareholders. The Committee, therefore, views stock options as an important component of its long-term performance-based compensation philosophy, but does not believe that granting options every year is necessary to achieve such goals.

During fiscal 2001, the Board of Directors approved Executive Change of Control Agreements (the *Agreements*) for each of the named executive officers in the Summary Compensation Table as well as certain other executive officers. The purpose of the Agreements is to reinforce and encourage such executives to maintain objectivity and a high level of attention to their duties without distraction from the possibility of a change of control of the Company. These Agreements provide that in the event of a Change of Control of the Company, as that term is defined in the Agreements and summarized below, each such executive (*provided* such Change of Control occurs when the executive is in the employ of the Company) would receive, in the event he ceases to be employed by the Company within three years following a Change of Control of the Company (for a reason other than death, disability, willful misconduct, normal retirement or under certain circumstances a voluntary termination of employment by the executive), a lump sum equal to three times the average of the aggregate annual compensation paid to the executive during the three fiscal years preceding the Change of Control.

In addition, under the Agreements, if an executive's employment is terminated (other than as described above) within three years following a Change of Control (*provided* the Change of Control occurs when the executive is in the employ of the Company) the executive would be entitled to (i) life, dental, vision, long term disability and health insurance benefits for three years following such Change of Control (*provided* that in the case of the dental, vision and health insurance benefits, such benefits shall be extended to the time the executive reaches age 65), (ii) transfer of title to the company car, if any, then utilized by such executive to such executive, (iii) continued coverage, at the Company's expense, in the Executive Split Dollar Life Insurance Program, under certain circumstances until the later of the time the executive reaches age 55 or three years following the executive's termination, (iv) immediate vesting under the Company's Deferred Compensation and Deferred Bonus Plans and immediate vesting of all stock options and rights, (v) purchase by the Company, at the option of the executive, of any restricted stock then owned by the executive at the fair market value thereof and (vi) a cash payment of the amount necessary to ensure that the payments or value of the benefits listed in this paragraph and the immediately preceding paragraph are not subject to net reduction due to the imposition of federal excise taxes.

Under the Agreements, a Change of Control occurs when (i) any person or other entity (except for the Company and certain Hanson family members or certain related persons or entities to the Company or such Hanson family members) acquires 20% or more of the outstanding stock of the Company or (ii) individuals who shall qualify as Continuing Directors (as defined below) shall have ceased for any reason to constitute at least a majority of the Board of Directors of the Company; *provided, however*, that in the case of either clause (i) or (ii) a Change of Control shall not be deemed to have occurred if the event shall have been approved prior to the occurrence thereof by a majority of the Continuing Directors who shall then be members of such Board of Directors. *Continuing Director* means (i) any member of the Company's Board of Directors, while such person is a member of the Board, who is not an affiliate or associate of any person or group described in clause (i) of the preceding sentence (an *acquiring person*) or of any such acquiring person's affiliate or associate and was a member of the Board prior to the time when such acquiring person shall have become an acquiring person, and (ii) any successor of a Continuing Director, while such successor is a member of the Board, who is not an acquiring person or any affiliate or associate of any acquiring person or a representative or nominee of an acquiring person or of any affiliate or associate of such acquiring person and is recommended or elected to succeed the Continuing Director by a majority of the Continuing Directors.

The Company will utilize its cash on hand and cash becoming available from maturing fixed income securities to pay the purchase price of the stock in two installments (with the final installment to be paid in November 2003) with interest at the rate of two percent per annum on the outstanding balance.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the *Exchange Act*) requires the Company s officers and directors and persons who own more than ten percent of the Company s Common Stock (collectively *Reporting Persons*) to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the *SEC*) and the New York Stock Exchange. Reporting Persons are required by the SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received or written representations from certain Reporting Persons that no Forms 5 were required for those persons, the Company believes that, during fiscal year 2003, all the Reporting Persons complied with all applicable filing requirements, with the exception of Gerald Boman, who filed one late report reporting four transactions; Mary Joan Boman, who filed one late report reporting one transaction; Messrs. England, Kitch, Scott and Zimmerman who each filed one late report reporting one transaction; and Messrs. ITEM 2

PROPOSAL TO APPROVE WINNEBAGO INDUSTRIES, INC.'S 2004 INCENTIVE COMPENSATION PLAN

On October 15, 2003, the Board and the independent Human Resources Committee of the Board (the *Committee*) approved the Winnebago Industries, Inc. 2004 Incentive Compensation Plan (the *Plan*) and its submission to the shareholders for their approval. The Company has elected to propose this Plan at this time in order to:

present shareholders with the opportunity to assess and approve all forms of incentive compensation provided by the Company;

obtain the requisite shareholder approval in order to deduct certain performance-based compensation under Section 162(m) of the Internal Revenue Code (the *Code*); and

streamline the former incentive compensation procedures and develop an incentive compensation strategy for the Company.

The purposes of the Plan are to align the interests of the Company's key employees and non-employee directors to the interests of the Company's shareholders while rewarding outstanding contributions to the success and profitability of the Company. The Plan will also strengthen the Company's ability to attract and retain talented employees and non-employee directors.

The Plan is intended to provide the Company the means by which to grant annual incentive compensation (*i.e.*, bonuses) as well as long-term incentive compensation to its employees. The types of awards that will be used for officers under the Plan are primarily performance-based cash and stock awards and stock options. It is the intent of the Board that long-term performance awards will be tied to total shareholder return over a three-year period relative to industry peers and short-term performance awards will be tied to annual financial and operating measures.

The Plan also allows the Company to provide equity compensation to its non-employee directors. The Board intends to use its discretion under the Plan to continue awarding options for 10,000 shares upon a non-employee director's first election to the Board, as well as annually awarding non-employee directors options for 2,000 shares. However, the Plan provides the Board with the flexibility to grant additional equity awards to non-employee directors if it determines that additional grants are appropriate.

The Plan will replace, on a prospective basis, the Winnebago Industries, Inc. 1997 Stock Option Plan (the *Prior Plan*). If the Plan is approved by the shareholders, no new grants will be made from the Prior Plan. Any awards previously granted under the Prior Plan shall continue to vest and/or be exercisable in accordance with their original terms and conditions.

Description of the 2004 Incentive Compensation Plan

The following is a summary of the terms of the Plan and is qualified in its entirety by reference to the complete text of the Plan, which is attached to this proxy statement as Appendix B.

Eligibility. Employees eligible to be considered for awards under the Plan are those employees who hold positions of responsibility and whose performance, in the judgment of the Human Resources Committee or such other independent Committee of the Board as is designated by the Board to administer the Plan (the *Committee*), can have a significant effect on the success of the Company. All non-employee directors are also eligible to be considered for awards under the Plan. As of November 10, 2003, there were nine executive officers, approximately 60 other employees and seven non-employee directors who would be eligible to participate in the 2004 Incentive Compensation Plan.

Shares Available for Awards. No more than 2,000,000 shares of common stock may be issued under the Plan (representing approximately 11.8% of the common stock outstanding at November 10, 2003). No more than 1,000,000 of these shares may be used for awards other than stock options or stock appreciation rights. The closing price per share of common stock on November 10, 2003, was \$54.39.

Shares subject to awards that are forfeited, terminated, expire unexercised, settled in cash, exchanged for other awards, tendered to satisfy the purchase price of an award, withheld to satisfy tax obligations or otherwise lapse again become available for awards. Shares delivered in settlement, assumption, or substitution of awards granted by another entity as a result of an acquisition do not reduce the number of shares available under the Plan.

The Board may make appropriate adjustments in the number of shares available under the Plan to reflect any stock split, stock dividend, recapitalization, reorganization, consolidation, merger, combination or exchange of shares or other similar event.

Administration. The Human Resources Committee has been designated by the Board to administer all employee awards under the Plan. The Committee has the discretion to determine the employees who will be granted awards, the size and types of such awards, and the terms and conditions of such

19

awards, subject to certain limitations set forth in the Plan. In addition, with respect to employee awards, the Committee has full and final authority to interpret the Plan and may, from time to time, adopt rules and regulations in order to carry out the terms of the Plan.

The Committee may delegate to the chief executive officer and other executive officers its administrative duties under the Plan.

The Board will administer all non-employee director awards under the Plan and will have the same powers, duties, and authority with respect to director awards as the Committee retains with respect to employee awards.

Employee Awards. At the discretion of the Committee, employees may be granted awards under the Plan in the form of Stock Options, Stock Appreciation Rights, Stock Awards, Cash Awards, or Performance Awards, as described below. Such awards may be granted singly, in combination, or in tandem.

Stock Options. The Plan provides for the granting of incentive stock options, which are intended to meet the requirements of Section 422 of the Code, and non-qualified stock options (collectively, *Stock Options*) to employees and non-qualified stock options to directors.

A stock option is a right to purchase a specified number of shares of common stock at a specified grant price. All Stock Options granted under the Plan must have an exercise price per share that is not less than the Fair Market Value (as defined in the Plan) of the common stock on the date of grant and a term of no more than ten years. The grant price, number of shares, terms and conditions of exercise, whether an option will qualify as an incentive stock option under the Code or a non-qualified stock option, and other terms of a Stock Option grant will be fixed by the Committee as of the grant date. However, Stock Options may not include provisions that reload the option upon exercise, and Stock Options may not be repriced, including by means of a substitute award.

The exercise price of any Stock Option must be paid in full at the time the Stock Option is exercised in cash or, if permitted by the Committee and elected by the participant, by means of tendering previously owned shares of common stock.

Stock Appreciation Rights. The Plan provides for the granting of stock appreciation rights (*Stock Appreciation Rights* or *SARs*) to employees. A SAR is a right to receive a payment, in cash or common stock, equal to the excess of the Fair Market Value of a specified number of shares of common stock over a specified grant price. A SAR may be granted to the holder of a Stock Option with respect to all or a portion of the shares of common stock subject to such Stock Option (a *tandem* SAR) or may be granted separately. The holder of a tandem SAR may elect to exercise either the Stock Option or the SAR, but not both.

All SARs granted under the Plan must have an exercise price per share that is not less than the Fair Market Value of the common stock on the date of grant and a term of no more than ten years. The grant price, term, number of shares, terms and conditions of exercise, and other terms of a SAR grant will be fixed by the Committee as of the grant date.

Stock Awards. The Plan also provides for the granting of stock awards (*Stock Awards*) to employees that consist of grants of common stock or units denominated in common stock. The terms, conditions and limitations applicable to any Stock Award will be decided by the Committee. However, any Stock Award that is not a Performance Award (defined below) must have a minimum restriction period of three years from the date of grant, except that (i) Stock Awards granted in lieu of salary or bonus are not subject to such three-year requirement and (ii) the Committee may provide for earlier vesting upon a termination due to death, disability, or retirement. At the discretion of the Committee, the terms of a Stock Award may include rights to receive dividends or dividend equivalents.

Cash Awards. The Plan also provides for the granting of cash awards (*Cash Awards*) to employees. The terms, conditions and limitations applicable to any Cash Award will be decided by the Committee.

Performance Awards. At the discretion of the Committee, any of the above-described employee awards may be made in the form of a performance award (*Performance Award*). A Performance Award is an award that is subject to the attainment of one or more performance goals.

20

The terms, conditions and limitations applicable to any Performance Award will be decided by the Committee. However, any Performance Award must have a minimum restriction period of one year from the date of grant, except that the Committee may provide for earlier vesting upon a termination due to death, disability, or retirement.

At the discretion of the Committee, certain Performance Awards granted under the Plan will be intended to qualify as performance-based compensation under Section 162(m) of the Code (*Qualified Performance Awards*). Section 162(m) generally disallows deductions for compensation in excess of \$1,000,000 for some executive officers unless the compensation qualifies as performance-based compensation. The Plan contains provisions consistent with the Section 162(m) requirements for performance-based compensation.

For Qualified Performance Awards, the Committee may base a performance goal on one or more of the following business criteria that may be applied to the employee or the Company as a whole:

- stock price measures (including but not limited to growth measures and total shareholder return);
- earnings per share (actual or targeted growth);
- earnings before interest, taxes, depreciation, and amortization;
- economic value added;
- net income measures (including but not limited to income after capital costs and income before or after taxes);
- operating income;
- cash flow measures;
- return measures (including but not limited to return on assets and return on equity);

market share;

product quality measures;

succession planning;

margins; and

corporate values measures (including but not limited to ethics compliance, environmental, and safety).

Goals may also be based on performance relative to a peer group of companies or a published index.

Employee Award Limitations. Under the Plan, no employee may be granted during any fiscal year:

Stock Options or Stock Appreciation Rights (including Stock Options and Stock Appreciation Rights that are granted as Performance Awards) that are exercisable for more than 100,000 shares of common stock;

Stock Awards (including Stock Awards that are granted as Performance Awards) covering or relating to more than 100,000 shares of common stock; or

Cash Awards (including Cash Awards that are granted as Performance Awards) having a value, as determined on the date of grant, in excess of \$1,000,000.

Non-employee Director Awards. At the discretion of the Board, non-employee directors may be granted awards under the Plan in the form of Stock Awards, non-qualified Stock Options or Performance Awards, as each is described in the Employee Awards section above. Director Awards may be granted singly, in combination, or in tandem. The terms, conditions and limitations applicable to Director Awards will be decided by the Board. However, Director Awards may not be sold, transferred, or otherwise disposed of during the non-employee director's service on the Board. Each non-employee directors

21

may not be granted Stock Awards covering or relating to more than 5,000 shares of common stock during any fiscal year or non-qualified Stock Options for more than 10,000 shares of common stock during any fiscal year.

Change in Control. The Plan provides that Stock Options, SARs, Stock Awards, and Performance Awards (other than cash-based Performance Awards) will be immediately vested and fully exercisable upon the occurrence of a Change in Control (as such is defined in the Plan) unless otherwise specified in the terms of the award. At that time, any such Performance Awards will vest at the target level.

Deferred Payment. At the discretion of the Committee or the Board, as appropriate, amounts payable in respect of awards granted under the Plan may be deferred. Any deferred payment may be forfeited if and to the extent that the terms of the applicable award so provide.

Amendment, Modification, and Termination. The Committee may amend, modify, suspend, or terminate the Plan, with the exception of paragraph 9 of the Plan which pertains to Directors Awards, at any time for the purpose of addressing changes in legal requirements or for other purposes permitted by law. The Board may amend, modify, suspend, or terminate paragraph 9 of the Plan, which pertains to Director Awards, at any time for the purpose of addressing changes in legal requirements or for other purposes permitted by law. However, no amendment shall be effective prior to its approval by the shareholders to the extent such approval is required by applicable legal requirements or the requirements of the securities exchange on which the stock of the Company is listed. Furthermore, without the prior approval of the Company's shareholders, Stock Options issued under the Plan will not be repriced,

replaced, or regranted through cancellation or by decreasing the exercise price of a previously granted Stock Option. No Awards may be made under the Plan after January 1, 2014.

Federal Income Tax Consequences

The following is a brief summary of the federal income tax aspects of awards that may be made under the Plan based on existing U.S. federal income tax laws. This summary is general in nature and does not address issues related to the tax circumstances of any particular participant. This discussion is not to be construed as tax advice.

Stock Awards. Federal income tax consequences with respect to Stock Awards depend on the facts and circumstances of each award, and, in particular, the nature of any restrictions imposed with respect to the award. In general, if the stock which is the subject of a Stock Award is actually issued to a participant but is subject to a substantial risk of forfeiture (e.g., if rights to ownership of the stock are conditioned upon the future performance of substantial services by the participant), a taxable event occurs only when the risk of forfeiture ceases. When the substantial risk of forfeiture ceases, the participant will realize ordinary income to the extent of the excess of the fair market value of the stock on the date the risk of forfeiture terminates over the participant's cost for such stock (if any), and the same amount is then deductible by the Company as compensation. If the restrictions with respect to the Stock Award, by their nature, do not subject the participant to a substantial risk of forfeiture of the stock, then the participant will realize ordinary income at the time of grant to the extent of the excess of the fair market value of the stock over the participant's cost (if any). The same amount is then deductible by the Company. If no stock is actually issued to the participant at the time the Stock Award is granted, the participant will realize ordinary income at the time the participant receives stock free of any substantial risk of forfeiture, and the amount of such income will be equal to the fair market value of the stock at such time over the participant's cost (if any). The same amount is then deductible by the Company. The Company's deductions for compensation paid under the Plan are in all cases subject to the requirement of reasonableness. The Company does not permit participants to make an election under Section 83(b) of the Code to accelerate taxation with respect to Stock Awards granted under the Plan.

Stock Options and Stock Appreciation Rights. Some of the Stock Options issuable under the Plan may constitute incentive stock options within the meaning of Section 422 of the Code, while other options granted under the Plan may be non-qualified stock options. The Code provides for tax treatment of stock options qualifying as incentive stock options that may be more favorable to employees than the tax treatment accorded non-qualified stock options. Generally, upon the exercise of

an incentive stock option, the optionee will recognize no income for U.S. federal income tax purposes. However, the difference between the exercise price of the incentive stock option and the fair market value of the stock at the time of exercise is an item of tax preference that may require payment of an alternative minimum tax. On the sale of shares acquired by exercise of an incentive stock option (assuming that the sale does not occur within two years of the date of grant of the option or within one year from the date of exercise), any gain will be taxed to the optionee as long-term capital gain. No deduction is available to the Company upon the grant or exercise of an incentive stock option (although a deduction may be available if the employee sells the shares so purchased before the applicable holding period expires). Except with respect to death or disability of an optionee, an optionee has three months after termination of employment in which to exercise an incentive stock option and retain favorable tax treatment at exercise. An option exercised more than three months after an optionee's termination of employment (other than upon death or disability) cannot qualify for the tax treatment accorded incentive stock options. Such option would be treated as a non-qualified stock option instead.

In contrast, upon the exercise of a non-qualified stock option, the optionee recognizes ordinary taxable income (subject to withholding) in an amount equal to the difference between the fair market value of the shares on the date of exercise and the exercise price. The Company is entitled to a deduction in an amount equal to the income recognized by the optionee. Upon any sale of such shares by the optionee, any difference between the sale price and the fair market value of the shares on the date of exercise of the non-qualified stock option will be treated generally as capital gain or loss.

The amount of any cash or the fair market value of any stock received by the holder upon the exercise of stock appreciation rights under the Plan will be subject to ordinary income tax in the year of receipt, and the Company will be entitled to a deduction for such amount.

Cash Awards. The recipient of a Cash Award will recognize ordinary compensation income at the time the payment is received. The Company will normally be entitled to a deduction for federal income tax purposes in an amount equal to the ordinary income recognized by such recipient.

General. A participant's tax basis in shares purchased or awarded under the Plan is equal to the sum of the price paid for the shares, if any, and the amount of ordinary income recognized by the participant in connection with the transfer of the shares. The participant's holding period for the shares begins immediately after ordinary income is recognized with respect to the transfer of the shares. If a participant sells shares, any difference between the amount realized in the sale and the participant's tax basis in the shares is taxed as long-term or short-term capital gain or loss (*provided* the shares are held as a capital asset on the date of sale), depending on the participant's holding period for the shares.

Tax Deductibility Cap. Section 162(m) of the Code provides that certain compensation received in any year by a covered employee in excess of \$1,000,000 is non-deductible by the Company for federal income tax purposes. Section 162(m) provides an exception, however, for performance-based compensation. The Committee currently intends to structure grants and awards made under the Plan to covered employees as performance-based compensation that is exempt from Section 162(m). However, the Committee may award non-deductible compensation when such grants are in the best interest of the Company, balancing tax efficiency with long-term strategic objectives.

Review should include discussion with management and independent auditors of significant issues regarding accounting principles, practices and judgments. Advise management and the independent auditors that they are expected to provide to the Audit Committee a timely analysis of significant financial reporting issues and practices; and obtain from the independent auditors assurance that the audit was conducted in a manner consistent with Section 10A of the Securities Exchange Act of 1934, as amended, which sets forth certain procedures to be followed in any audit of financial statements required under the Securities Exchange Act of 1934, as amended.

In consultation with management and the independent auditors, consider the adequacy and effectiveness of the Company's financial reporting processes and controls. Discuss significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. Review with the independent auditors significant findings prepared by the independent auditors together with any audit problems or difficulties and management's responses. The review shall include the resolution of any significant problems and material disputes between management and the independent auditors and a discussion with the independent auditors out of management's presence of the quality of the Company's accounting principles as applied in its financial reporting, the

Set clear hiring policies for employees or former employees of the independent auditors.

Annually prepare a report to shareholders as required by the Securities and Exchange Commission. The report should be included in the Company's annual proxy statement.

Annually conduct a self-evaluation of the Audit Committee.

While the Audit Committee has the responsibilities and powers set forth in this Charter, the Audit Committee's function is one of oversight. The Company's management is responsible for preparing the Company's financial statements and, along with the internal auditors, for developing and maintaining systems of internal accounting and financial controls, while the independent auditors will assist the Audit Committee and the Board in fulfilling their responsibilities for their review of these financial statements and internal controls. The Audit Committee expects the independent auditors to call to its attention any accounting, auditing, internal accounting control, regulatory or other related matters that they believe warrant consideration or action. The Audit Committee recognizes that the financial management and the internal and independent auditors have more knowledge and information about the Company than do Audit Committee members. Consequently, in carrying out its oversight responsibilities, the Audit Committee does not provide any expert or special assurance as to the Company's financial statements or internal controls or any professional certification as to the independent auditors' work.

6. *Administration.* (a) This Plan shall be administered by the Committee except as otherwise provided herein.

(b) Subject to the provisions hereof, the Committee shall have full and exclusive power and authority to administer this Plan and to take all actions that are specifically contemplated hereby or are necessary or appropriate in connection with the administration hereof. The Committee shall also have full and exclusive power to interpret this Plan and to adopt such rules, regulations and guidelines for carrying out this Plan as it may deem necessary or proper, all of which powers shall be exercised in the best interests of the Company and in keeping with the objectives of this Plan. The Committee may correct any defect or supply any omission or reconcile any inconsistency in this Plan or in any Award in the manner and to the extent the Committee deems necessary or desirable to further the Plan purposes. Any decision of the Committee, with respect to Employee Awards, in the interpretation and administration of this Plan shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned.

(c) No member of the Committee or officer of the Company to whom the Committee has delegated authority in accordance with the provisions of paragraph 7 of this Plan shall be liable for anything done or omitted to be done by him or her, by any member of the Committee or by any officer of the Company in connection with the performance of any duties under this Plan, except for his or her own willful misconduct or as expressly provided by statute.

authority) pursuant to such

B-5

conditions or limitations as the Committee may establish. The Committee may engage or authorize the engagement of a third party administrator to carry out administrative functions under the Plan.

8. *Employee Awards.* (a) The Committee shall determine the type or types of Employee Awards to be made under this Plan and shall designate from time to time the Employees who are to be the recipients of such Awards. Each Employee Award may, in the discretion of the Committee, be embodied in an Employee Award Agreement, which shall contain such terms, conditions and limitations as shall be determined by the Committee in its sole discretion and, if required by the Committee, shall be signed by the Participant to whom the Employee Award is granted and by an Authorized Officer for and on behalf of the Company. Employee Awards may consist of those listed in this paragraph 8(a) and may be granted singly, in combination or in tandem. Employee Awards may also be granted in combination or in tandem with, in replacement of, or as alternatives to, grants or rights under this Plan or any other employee plan of the Company or any of its Affiliates, including the plan of any acquired entity. An Employee Award may provide for the grant or issuance of additional, replacement or alternative Employee Awards upon the occurrence of specified events. All or part of an Employee Award may be subject to conditions established by the Committee, which may include, but are not limited to, continuous service with the Company and its Affiliates, achievement of specific business objectives, increases in specified indices, attainment of specified growth rates and other comparable measurements of performance. Upon the termination of employment by a Participant who is an Employee, any unexercised, deferred, unvested or unpaid Employee Awards shall be treated as set forth in the applicable Employee Award Agreement or as otherwise specified by the Committee.

(i) *Option.* An Employee Award may be in the form of an Option. On the Grant Date, the Grant Price of an Option shall be not less than the Fair Market Value of the Common Stock subject to such Option. The term of the Option shall extend no more than 10 years after the Grant Date. Options may not include provisions that reload the option upon exercise. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Options awarded to Employees pursuant to this Plan, including the Grant Price, the term of the Options, the number of shares subject to the Option and the date or dates upon which they become exercisable, shall be determined by the Committee.

(ii) *Stock Appreciation Rights.* An Employee Award may be in the form of a SAR. On the Grant Date, the Grant Price of a SAR shall be not less than the Fair Market Value of the Common Stock subject to such SAR. The holder of a tandem SAR may elect to exercise either the option or the SAR, but not both. The exercise period for a SAR shall extend no more than 10 years after the Grant Date. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any SARs awarded to Employees pursuant to this Plan, including the Grant Price, the term of any SARs and the date or dates upon which they become exercisable, shall be determined by the Committee.

(iii) *Stock Award.* An Employee Award may be in the form of a Stock Award. The terms, conditions and limitations applicable to any Stock Awards granted to Employees pursuant to this Plan shall be determined by the Committee; *provided* that any Stock Award which is not a Performance Award shall have a minimum Restriction Period of three years from the Grant Date, *provided* that (i) the Committee may provide for earlier vesting upon a termination of employment by reason of death, Disability or normal retirement, and (ii) such three-year minimum Restriction Period shall not apply to a Stock Award that is granted in lieu of salary or bonus.

(iv) *Cash Award.* An Employee Award may be in the form of a Cash Award. The terms, conditions and

limitations applicable to any Cash Awards granted to Employees pursuant to this Plan shall be determined by the Committee.

(v) *Performance Award.* Without limiting the type or number of Employee Awards that may be made under the other provisions of this Plan, an Employee Award may be in the form of a Performance Award. The terms, conditions and limitations applicable to any Performance Awards granted to Employees pursuant to this Plan shall be determined by the Committee; *provided* that any Stock Award which is a Performance Award shall have a minimum Restriction Period of one year from the Grant Date, *provided* that the Committee may provide for earlier vesting upon a

B-6

termination of employment by reason of death, Disability or normal retirement. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or amount of Performance Awards that will be paid out to the Employee.

(A) *Non-qualified Performance Awards.* Performance Awards granted to Employees that are not intended to qualify as qualified performance-based compensation under Section 162(m) of the Code shall be based on achievement of such goals and be subject to such terms, conditions and restrictions as the Committee or its delegate shall determine.

(B) *Qualified Performance Awards.* Performance Awards granted to Employees under the Plan that are intended to qualify as qualified performance-based compensation under Section 162(m) of the Code shall be paid, vested or otherwise deliverable solely on account of the attainment of one or more pre-established, objective Performance Goals established by the Committee prior to the earlier to occur of (x) 90 days after the commencement of the period of service to which the Performance Goal relates or (y) the lapse of 25% of the period of service (as scheduled in good faith at the time the goal is established), and in any event while the outcome is substantially uncertain. A Performance Goal is objective if a third party having knowledge of the relevant facts could determine whether the goal is met. Such a Performance Goal may be based on one or more business criteria that apply to the Employee, one or more business segments, units or divisions of the Company, or the Company as a whole, and if so desired by the Committee, by comparison with a peer group of companies. A Performance Goal may include one or more of the following:

Stock price measures (including but not limited to growth measures and total shareholder return);

Earnings per share (actual or targeted growth);

Earnings before interest, taxes, depreciation, and amortization (*EBITDA*);

Economic value added (*EVA*);

Net income measures (including but not limited to income after capital costs and income before or after taxes);

Operating income;

Cash flow measures;

Return measures (including but not limited to return on assets and return on equity);

Market share;

Product quality measures;

Succession planning;

Margins; and

Corporate values measures (including but not limited to ethics compliance, environmental, and safety).

Unless otherwise stated, such a Performance Goal need not be based upon an increase under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). In interpreting Plan provisions applicable to Performance Goals and Qualified Performance Awards, it is the intent of the Plan to conform with the standards of Section 162(m) of the Code and Treasury Regulation §1.162-27(e)(2)(i), as to grants to those Employees whose compensation is, or is likely to be, subject to Section 162(m) of the Code, and the Committee in establishing such goals and interpreting the Plan shall be guided by such provisions. Prior to the payment of any compensation based on the achievement of Performance Goals, the Committee must certify in writing

B-7

that applicable Performance Goals and any of the material terms thereof were, in fact, satisfied. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Qualified Performance Awards made pursuant to this Plan shall be determined by the Committee.

(b) Notwithstanding anything to the contrary contained in this Plan, the following limitations shall apply to any Employee Awards made hereunder:

(i) no Participant may be granted, during any fiscal year, Employee Awards consisting of Options or SARs (including Options or SARs that are granted as Performance Awards) that are exercisable for more than 100,000 shares of Common Stock;

(ii) no Participant may be granted, during any calendar year, Employee Awards consisting of Stock Awards (including Stock Awards that are granted as Performance Awards) covering or relating to more than 100,000 shares of Common Stock (the limitation set forth in this clause (ii), together with the limitation set forth in clause (i) above, being hereinafter collectively referred to as *Stock Based Awards Limitations*); and

(iii) no Participant may be granted Employee Awards consisting of cash (including Cash Awards that are granted as Performance Awards) in respect of any fiscal year having a value determined on the Grant Date in excess of \$1,000,000.

9. *Director Awards.* (a) The Board may grant Director Awards to the Non-employee Directors of the Company from time to time in accordance with this paragraph 9. Director Awards may consist of those listed in this paragraph 9 and may be granted singly, in combination or in tandem. Each Director Award may, in the discretion of the Board, be embodied in a Director Award Agreement, which shall contain such terms, conditions and limitations as shall be determined by the Board in its sole discretion and, if required by the Board, shall be accepted by the Participant to whom the Director Award is granted and signed by an Authorized Officer for and on behalf of the Company.

(i) *Stock Awards.* A Director Award may be in the form of a Stock Award. A Non-employee Director may not sell, transfer, assign, pledge or otherwise encumber or dispose of any portion of a Stock Award until he or she terminates service as a Non-employee Director, and any attempt to sell, transfer, assign, pledge or encumber any portion of the Stock Award prior to such time shall have no effect. Any additional terms, conditions and limitations

applicable to any Stock Awards granted to a Non-employee Director pursuant to this Plan shall be determined by the Board.

(ii) *Performance Awards.* Without limiting the type or number of Director Awards that may be made under the other provisions of this Plan, a Director Award may be in the form of a Performance Award. A Non-employee Director may not sell, transfer, assign, pledge or otherwise encumber or dispose of any portion of the Performance Award until he or she terminates service as a Non-employee Director, and any attempt to sell, transfer, assign, pledge or encumber any portion of the Performance Award prior to such time shall have no effect. Any additional terms, conditions and limitations applicable to any Performance Awards granted to a Non-employee Director pursuant to this Plan shall be determined by the Board. The Board shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the value and/or amount of Performance Awards that will be paid out to the Non-employee Director.

(iii) *Non-qualified Stock Options.* A Director Award may be in the form of a Non-qualified Stock Option. On the Grant Date, the Grant Price of a Non-qualified Stock Option shall be not less than the Fair Market Value of the Common Stock subject to such Option. The term of the Non-qualified Stock Option shall extend no more than 10 years after the Grant Date. Non-qualified Stock Options may not include provisions that reload the option upon exercise. Subject to the foregoing provisions, the terms, conditions and limitations applicable to any Non-qualified Stock Options awarded to Directors pursuant to this Plan, including the Grant Price, the term of the Non-qualified Stock Options, the number of shares subject to the Non-qualified Stock Option and the date or dates upon which they become exercisable, shall be determined by the Committee.

(b) Notwithstanding anything to the contrary contained in this Plan, no Participant may be granted, during any fiscal year, Director Awards consisting of Stock Awards (including Stock Awards

B-8

that are granted as Performance Awards) covering or relating to more than 5,000 shares of Common Stock (the limitation set forth in this paragraph (b) being hereinafter referred to as a *Stock Based Awards Limitation*) or Non-qualified Stock Options for more than 10,000 shares of Common Stock during any fiscal year.

10. *Change in Control.* Notwithstanding the provisions of paragraphs 8 and 9 hereof, unless otherwise expressly provided in the applicable Award Agreement, or as otherwise specified in the terms of an Equity Award, in the event of a Change in Control during a Participant's employment (or service as a Non-employee Director) with the Company or one of its Affiliates, each Equity Award granted under this Plan to the Participant shall become immediately vested and fully exercisable, with performance-based equity awards vested at target level (regardless of the otherwise applicable vesting or exercise schedules or performance goals provided for under the Award Agreement or the terms of the Equity Award).

11. *Payment of Awards.*

(a) *General.* Payment made to a Participant pursuant to an Award may be made in the form of cash or Common Stock, or a combination thereof, and may include such restrictions as the Administrator shall determine, including, in the case of Common Stock, restrictions on transfer and forfeiture provisions. If such payment is made in the form of Restricted Stock, the Administrator shall specify whether the underlying shares are to be issued at the beginning or end of the Restriction Period. In the event that shares of Restricted Stock are to be issued at the beginning of the Restriction Period, the certificates evidencing such shares (to the extent that such shares are so evidenced) shall

contain appropriate legends and restrictions that describe the terms and conditions of the restrictions applicable thereto. In the event that shares of Restricted Stock are to be issued at the end of the Restricted Period, the right to receive such shares shall be evidenced by book entry registration or in such other manner as the Administrator may determine.

(b) *Deferral.* With the approval of the Administrator, amounts payable in respect of Awards may be deferred and paid either in the form of installments or as a lump-sum payment. The Administrator may permit selected Participants to elect to defer payments of some or all types of Awards or any other compensation otherwise payable by the Company in accordance with procedures established by the Administrator and may provide that such deferred compensation may be payable in shares of Common Stock. Any deferred payment pursuant to an Award, whether elected by the Participant or specified by the Award Agreement or the terms of the Award or by the Administrator, may be forfeited if and to the extent that the Award Agreement or the terms of the Award so provide.

(c) *Dividends, Earnings and Interest.* Rights to dividends or Dividend Equivalents may be extended to and made part of any Stock Award, subject to such terms, conditions and restrictions as the Administrator may establish. The Administrator may also establish rules and procedures for the crediting of interest or other earnings on deferred cash payments and Dividend Equivalents for Stock Awards.

(d) *Substitution of Awards.* Subject to paragraphs 14 and 16, at the discretion of the Committee, a Participant who is an Employee may be offered an election to substitute an Employee Award for another Employee Award or Employee Awards of the same or different type.

12. *Option Exercise.* The Grant Price shall be paid in full at the time of exercise in cash or, if permitted by the Committee and elected by the optionee, the optionee may purchase such shares by means of tendering Common Stock valued at Fair Market Value on the date of exercise, or any combination thereof. The Committee shall determine acceptable methods for Participants to tender Common Stock or other Awards. The Committee may provide for procedures to permit the exercise or purchase of such Awards by use of the proceeds to be received from the sale of Common Stock issuable pursuant to an Award. The Committee may adopt additional rules and procedures regarding the exercise of Options from time to time, *provided* that such rules and procedures are not inconsistent with the provisions of this paragraph.

An optionee desiring to pay the Grant Price of an Option by tendering Common Stock using the method of attestation may, subject to any such conditions and in compliance with any such procedures

B-9

as the Committee may adopt, do so by attesting to the ownership of Common Stock of the requisite value in which case the Company shall issue or otherwise deliver to the optionee upon such exercise a number of shares of Common Stock subject to the Option equal to the result obtained by dividing (a) the excess of the aggregate Fair Market Value of the shares of Common Stock subject to the Option for which the Option (or portion thereof) is being exercised over the Grant Price payable in respect of such exercise by (b) the Fair Market Value per share of Common Stock subject to the Option, and the optionee may retain the shares of Common Stock the ownership of which is attested.

13. *Taxes.* The Company or its designated third party administrator shall have the right to deduct applicable taxes from any Employee Award payment and withhold, at the time of delivery or vesting of cash or shares of Common Stock under this Plan, an appropriate amount of cash or number of shares of Common Stock or a combination thereof for payment of taxes or other amounts required by law or to take such other action as may be

necessary in the opinion of the Company to satisfy all obligations for withholding of such taxes. The Committee may also permit withholding to be satisfied by the transfer to the Company of shares of Common Stock theretofore owned by the holder of the Employee Award with respect to which withholding is required. If shares of Common Stock are used to satisfy tax withholding, such shares shall be valued based on the Fair Market Value when the tax withholding is required to be made.

14. *Amendment, Modification, Suspension or Termination of the Plan.* The Committee may amend, modify, suspend or terminate this Plan for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law, except that (i) any amendment, modification, suspension, or termination of paragraph 9 of this Plan shall be approved by the Board, (ii) no amendment or alteration that would adversely affect the rights of any Participant under any Award previously granted to such Participant shall be made without the consent of such Participant and (iii) no amendment or alteration shall be effective prior to its approval by the shareholders of the Company to the extent such approval is required by applicable legal requirements or the requirements of the securities exchange on which the Company's stock is listed. Notwithstanding anything herein to the contrary, without the prior approval of the Company's shareholders, Options issued under the Plan will not be repriced, replaced, or regranted through cancellation or by decreasing the exercise price of a previously granted Option.

15. *Assignability.* Unless otherwise determined by the Administrator and provided in the Award Agreement or the terms of the Award, no Award or any other benefit under this Plan shall be assignable or otherwise transferable except by will, beneficiary designation or the laws of descent and distribution. In the event that a beneficiary designation conflicts with an assignment by will, the beneficiary designation will prevail. The Administrator may prescribe and include in applicable Award Agreements or the terms of the Award other restrictions on transfer. Any attempted assignment of an Award or any other benefit under this Plan in violation of this paragraph 15 shall be null and void.

16. *Adjustments.* (a) The existence of outstanding Awards shall not affect in any manner the right or power of the Company or its shareholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the capital stock of the Company or its business or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock (whether or not such issue is prior to, on a parity with or junior to the existing Common Stock) or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding of any kind, whether or not of a character similar to that of the acts or proceedings enumerated above.
