ITEM 3. INCORPORATION OF DOCUMENTS BY REFERENCE.

The following documents filed by the Registrant (also referred to hereinafter as the "Company") or the Plan with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), are incorporated by reference in this Registration Statement:

A. The Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2001 filed on April 1, 2002 (File No. 1-11106);

B. The Registrant's Quarterly Report on Form 10-Q for the quarterly period ending March 31, 2002 (File No. 1-11106) and the Registrant's Current Reports on Form 8-K filed on February 26, 2002, March 22, 2002 and April 4, 2002, and on Form 8-K/A filed on April 8, 2002; and

C. The description of the Registrant's "Common Stock" contained in its Registration Statement filed under Section 12 of the Exchange Act, including all amendments or reports filed for the purpose of updating such description.

All documents filed by the Registrant or the Plan with the Commission pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date of this Registration Statement, but prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered by this Registration Statement have been sold or which deregisters all such securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and are a part hereof from the date of filing such documents. Each document incorporated by reference in this Registration Statement shall be deemed to be a part of this Registration Statement from the date of filing of such document with the Commission until the information contained therein is superseded or updated by any subsequently filed document which is incorporated by reference in this Registration Statement or by any document which constitutes part of the prospectus relating to the Plan meeting the requirements of Section 10(a) of the Securities Act.

ITEM 4. DESCRIPTION OF SECURITIES.

The class of securities to be offered under this Registration Statement is registered under Section 12 of the Exchange Act.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Edgar Filing: PRIMEDIA INC - Form S-8

None.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant is a Delaware corporation. Reference is made to Section 102(b)(7) of the Delaware General Corporation Law which enables a corporation in its original certificate of incorporation or an amendment thereto to eliminate or limit the personal liability of a director for violations of the director's fiduciary duty, except (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the Delaware General Corporation Law (providing for liability of directors for unlawful payment of dividends or unlawful stock purchase or redemptions) or (iv) for any transaction from which a director derived an improper personal benefit.

2

Reference is also made to Section 145 of the Delaware General Corporation Law, which provides that a corporation may indemnify any persons, including officers and directors, who are, or are threatened to be made, parties to any threatened, pending or completed legal action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person was an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such officer, director, employee or agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interest and, for criminal proceedings, had no reasonable cause to believe that his conduct was unlawful. A Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses that such officer or director actually and reasonably incurred.

Article 8 of the Certificate of Incorporation of the Registrant provides that except under certain circumstances, directors of the Registrant shall not be personally liable to the corporation or its stockholders for monetary damage for breach of fiduciary duties as a director. Article 4 of the Amended and Restated By-laws of the Registrant provides for indemnification of the officers and directors of the Registrant to the full extent permitted by applicable law.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers of sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the

In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The above table has not been adjusted to reflect these amounts as discontinued operations.

Edgar Filing: PRIMEDIA INC - Form S-8

- (5) During 2001 and 2000, the Company increased its valuation allowance due to continued historical operating losses and the impairment of long-lived assets, primarily excess of purchase price over net assets acquired, and investments, resulting in a provision for income taxes of \$135,000 and \$41,200, respectively. At December 31, 1999, 1998 and 1997, the Company's management determined that no adjustment to net deferred income tax assets was required. In prior years, management determined that a portion of the net deferred income tax assets would likely be realized and accordingly, for the year ended December 31, 1997, the Company recorded an income tax benefit relating to a carryback claim of \$1,685. In 1999, the Company recorded income tax expense of \$6,500 related to a provision for current state and local taxes incurred as a result of the gain on the sale of the Supplemental Education Group. At December 31, 2001, the Company had aggregate net operating and capital loss carryforwards of approximately \$1,549,600 which will be available to reduce future taxable income.

- (7) Includes the premiums paid on the redemptions of the \$11.625 Series B Exchangeable Preferred Stock and the \$2.875 Senior Exchangeable Preferred Stock in 1998 and 1997, respectively. In 1997, the Company recorded a preferred stock dividend accrual in the amount of \$9,517. Of the total dividend accrual recorded in 1997, the amounts that relate to prior periods were not material.
- (8) Basic and diluted loss per common share, as well as the basic and diluted common shares outstanding, were computed as described in Note 15 of the notes to the consolidated financial statements in the Annual Report on Form 10-K for the fiscal year ended December 31, 2001, incorporated by reference in this Registration Statement.
- (9) Represents earnings before interest, taxes, depreciation, amortization and other (income) and charges including non-cash compensation and non-recurring charges of \$58,181 and \$35,210 for the years ended December 31, 2001 and 2000, respectively, a provision for severance, closures and restructuring related costs of \$43,920, \$20,798 and \$22,000 for the years ended December 31, 2001, 2000 and 1999, respectively, and (gain) loss on the sales of businesses and other, net of \$(57,233), \$(14,438), \$(235,580), \$(7,216), and \$138,640 for the years ended December 31, 2001, 2000, 1999, 1998 and 1997, respectively and for the year ended December 31, 2001, EBITDA excludes \$8,537 of other integration costs included in general and administrative expenses. The \$8,537 of other integration costs principally

represent internal personnel costs associated with the consolidation of certain company-wide functions as well as fees paid to consultants related to the centralization of certain support functions and the implementation of certain standardized technology. EBITDA is not intended to represent cash flow from operating activities and should not be considered as an alternative to net income (loss) (as determined in conformity with generally accepted accounting principles) as an indicator of the Company's operating performance or to cash flows as a measure of liquidity. The

Edgar Filing: PRIMEDIA INC - Form S-8

Company believes EBITDA is a standard measure commonly reported and widely used by analysts, investors and other interested parties in the media industry. Accordingly, this information has been disclosed herein to permit a more complete comparative analysis of the Company's operating performance relative to other companies in its industry. EBITDA should not be considered in isolation or as a substitute for other measures of financial performance or liquidity. The primary difference between EBITDA and cash flows provided by operating activities relates to changes in working capital requirements and payments made for interest and income taxes. Additionally, EBITDA is not available for the Company's discretionary use as there are legal requirements to pay preferred stock dividends and repay debt, among other payments. EBITDA as presented may not be comparable to similarly titled measures reported by other companies, since not all companies necessarily calculate EBITDA in identical manners, and therefore, is not necessarily an accurate measure of comparison between companies.

- (10) Includes current maturities of long-term debt and net assets held for sale, where applicable. Consolidated working capital reflects certain industry working capital practices and accounting principles, including the expensing of certain editorial and product development costs when incurred and the recording of deferred revenue from subscriptions as a current liability. Advertising costs are expensed when the promotional activities occur except for certain direct-response advertising costs which are capitalized and amortized over the estimated period of future benefit.
- (11) Excludes current maturities of long-term debt.

PRO FORMA FINANCIAL INFORMATION

The following table provides pro forma results for the years ended December 31, 2001, 2000 and 1999, as if the non-amortization provisions of Statement of Financial Accounting Standards No. 142, "Goodwill and Other Intangible Assets," which the Company adopted on January 1, 2002, had been applied. As required by the SFAS 142, the Company reviewed its intangible assets (primarily trademarks) for impairment as of January 1, 2002. As a result, the Company recorded a cumulative effect of a change in accounting principle of approximately \$21,500 (\$0.09 per share) during the first quarter of 2002. During the second quarter of 2002, the Company is conducting its preliminary review of goodwill for impairment which could increase the cumulative effect of a change in accounting principle, which will be recorded during the third quarter of 2002.
