Item 1.01 Entry into a Material Definitive Agreement

On November 17, 2007, the Board of Directors of Pharmion Corporation (the "Company") approved and adopted an amendment (the "Amendment") to the Pharmion Corporation Amended and Restated 2000 Stock Incentive Plan (the "Option Plan"). The Amendment provides that, for all option holders, unless otherwise provided for in such holder's employment agreement, in the event of a termination of a holder's employment (i) by the Company without "Cause" (as defined in the Option Plan) or (ii) by such holder as a result of the Company's or its successors failure to provide such holder with "Comparable Employment" (as defined below), in either case, during the 12-month period commencing on and immediately following the date of the consummation of any of the following: (a) the Company is merged or consolidated with another corporation or entity such that after such merger or consolidation the Company is not the surviving entity or the ultimate parent of the surviving entity, (b) all or substantially all of the assets of the Company or the shares of common stock of the Company are acquired by another person or entity or (c) the reorganization or liquidation of the Company (each, a "Change of Control"), in any case in which the options issued under the Option Plan are assumed or continued, such holder shall be entitled to full vesting of such holder's unvested options. The term "Comparable Employment" is defined under the Amendment as a position with the Company (or its successor) on and following the consummation of a Change of Control which (i) does not result in a material reduction in scope, or material change in content, of such holder's duties and responsibilities, (ii) provides such holder with compensation and employee benefits (other than equity compensation) that are comparable in the aggregate to the greater of (x) those provided by the parent company of the Company (or its successor) to similarly situated employees of such parent company and (y) those provided by the Company to such holder immediately prior to the consummation of such Change of Control, and (iii) does not require such holder to relocate his principal business location beyond fifty (50) miles from his principal business location immediately prior to the consummation of such Change of Control.

The foregoing description of the Amendment is not complete and is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
