PROPOSAL I

ELECTION OF DIRECTORS

The Company's Board of Directors is divided into three classes, Class I, Class II and Class III, with staggered terms of office, ending in 2004, 2005 and 2003, respectively. The term for each class expires on the date of the third annual stockholders' meeting for the election of directors following the most recent election of directors for such class. Each director holds office until the next annual meeting of stockholders for the election of directors of his class and until his successor has been duly elected and qualified.

At the Annual Meeting, two Class III directors are to be elected to each serve a three-year term expiring on the date of the annual meeting of stockholders to be held in 2006 (or until his successor is duly elected and qualified). In accordance with the Company's Bylaws, the affirmative vote of a plurality of the votes cast by holders of Common Stock entitled to vote in the election of directors at the Annual Meeting is required for the election of the nominee as director. Accordingly, although abstentions and broker nonvotes are considered shares present at the meeting for the purpose of determining a quorum, they will have no effect on the election of directors. The Board of Directors has nominated Mr. Larry E. Reimert and Mr. Gary D. Smith to serve as the Class III Directors. Mr. Reimert and Mr. Smith are currently directors of the Company.

The Board of Directors has no reason to believe that the nominees for election as directors will not be candidates or will be unable to serve, but if for any reason either nominee is unavailable as a candidate or unable to serve when the election occurs, the persons designated as proxies in the enclosed proxy card, in the absence of contrary instructions, will in their discretion vote the proxies for the election of a substitute nominee selected by the Board of Directors. Management is currently unaware of any circumstances likely to render the nominees unavailable for election or unable to serve.

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

The Board of Directors recommends that you vote FOR the election of the nominees listed below. Properly dated and signed proxies will be so voted unless authority to vote in the election of directors is withheld.

The Audit Committee assists the Board of Directors in monitoring (i) the integrity of the financial statements of the Company, (ii) the compliance by the Company with legal and regulatory requirements, and (iii) the independence of the firm of independent public accountants hired to audit the Company's financial statements. The Audit Committee also reviews the scope and results of procedures for internal auditing of the Company and the adequacy of the Company's system of internal accounting controls. The Board of Directors has determined that Mr. Shukis qualifies as an "audit committee financial expert" as defined under applicable SEC rules.

The Compensation Committee approves remuneration arrangements and compensation plans involving the Company's directors and executive officers, including any revisions to the employment agreements of the Co-Chairmen of the

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

Board. The Compensation Committee also acts on the granting of stock options to executive officers under the Company's 1997 Incentive Plan (the "Incentive Plan") (except for formula grants pursuant to the employment agreements of the Co-Chairmen of the Board) and with respect to certain matters arising under each of the Co-Chairmen of the Board's employment agreements.

James Alexander resigned from the Board of Directors and the Audit Committee and Compensation Committee in February 2003.

Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish the Company with copies of all such forms they file. Based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all its directors and executive officers during 2002 complied on a timely basis with all applicable filing requirements under Section 16(a) of the Exchange Act.

Employment Agreements

The Company has entered into employment agreements with each of Messrs. Reimert, Smith and Walker. The following summary of these agreements does not purport to be complete and is qualified by reference to them. The Company has filed the form of these agreements with the SEC. A copy of the form of these agreements may be obtained from the Company's Corporate Secretary at the address indicated on the first page of this Proxy Statement.

Each of these agreements provides for an annual base salary, as well as an annual performance bonus for each 12-month period ending on September 30 equal to up to 120% of the executive's annual base salary, with the precise amount of the bonus determined based on specific Company performance goals. The performance goals, which are equally weighted, are based on (i) the Company's annual earnings before interest and taxes ("EBIT") measured against the Company's annual budget or plan, and (ii) the Company's annual return on capital (defined as EBIT divided by total assets less current liabilities) compared to a peer group of companies. In addition, each agreement provides that the employee will receive an annual grant of a number of options under the Incentive Plan equal to the employee's base salary multiplied by three and divided by the market price of the Common Stock on the grant date. Each agreement provides that the employee's compensation, including his annual base salary, annual performance bonus and annual grant of options, shall be reviewed at least annually by the Compensation Committee and shall be subject to increase at any time and from time to time on a basis determined by the Compensation Committee, in the exercise of its sole discretion. Each agreement also entitles the employee to participate in all of the Company's incentive,

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

savings, retirement and welfare benefit plans in which other executive officers of the Company participate.

On October 27, 2002, each of the employment agreements had a remaining term of four years. The term of each of the employment agreements is automatically extended for one year on October 27 of every year, such that the remaining term of each agreement will never be less than three years. Each agreement is subject to the

8

right of the Company and the employee to terminate the employee's employment at any time. Each agreement provides that, upon termination of employment because of death or disability, or if employment is terminated by the Company for any reason (except under certain limited circumstances defined as "for cause" in the agreement), or if employment is terminated by the employee subsequent to a change of control (as defined) or with good reason (as defined), the employee will generally be entitled to (i) a lump sum cash payment equal to the employee's base salary through the date of termination, together with any deferred compensation previously awarded and any accrued vacation time, (ii) a lump sum cash payment equal to the annual base salary that would have been paid to the employee beginning on the date of termination and ending on the latest possible date of termination of the employment in accordance with the agreement, (iii) a lump sum cash payment equal to the annual bonus calculated in accordance with the agreement for the remaining employment period (assuming for such purpose that the annual bonus payable for each applicable period during the remaining employment period would equal the highest annual bonus paid during the last three years prior to the date of termination), (iv) immediate vesting of any stock options or restricted stock previously granted to such employee and outstanding as of the time immediately prior to the date of his termination, or a cash payment in lieu thereof, and (v) continued participation in medical, dental and life insurance coverage until the employee receives equivalent coverage and benefits under other plans of a subsequent employer or the later of the death of the employee, the death of the employee's spouse and the youngest child of the employee reaching age 21. The Company will also pay the employee any such amount as may be necessary to hold the employee harmless from the consequences of any resulting excise or other similar purpose tax relating to "parachute payments" under the Internal Revenue Code of 1986, as amended.

Each agreement also provides that, during the term of the agreement and after termination thereof, the employee shall not divulge any of the Company's confidential information, knowledge or data. In addition, each agreement requires the employee to disclose and assign to the Company any and all conceptions and ideas for inventions, improvements and valuable discoveries made by the employee which pertain primarily to the material business activities of the Company. Each agreement also provides that, in the event that the agreement is terminated for cause or the employee voluntarily resigns (other than following a change of control or for good reason), for one year thereafter the employee will not within any country with respect to which he has devoted substantial attention to the material business interests of the Company, (i) accept employment or render services to a competitor of the Company or (ii) enter into or take part in business that would be competitive with the Company.

Certain Transactions

Registration Rights Agreement

The Company has entered into a registration rights agreement among the

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

Company, Messrs. Reimert, Smith, Walker, and Loveless, Reimert Family Partners, Ltd., Four Smith's Company, Ltd. and Loveless Enterprises, Ltd. (the "Registration Rights Agreement"). The Registration Rights Agreement provides for registration rights pursuant to which, upon the request of any of Messrs. Reimert, Smith and Walker (the "Requesting Holders"), the Company will file a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), to register the Common Stock subject to the agreement ("Registrable Securities") held by such Requesting Holders and any other stockholders who are parties to the Registration Rights Agreement and who desire to sell Registrable Securities pursuant to such registration statement, subject to a maximum of two requests by each of Messrs. Reimert, Smith and Walker or their successors and assigns. In addition, subject to certain conditions and limitations, the Registration Rights Agreement provides that Messrs. Reimert, Smith, Walker and Loveless may participate in any registration by the Company (including any registration resulting from any exercise of a demand right under the Registration Rights Agreement) of any of its equity securities in an underwritten offering. The registration rights covered by the Registration Rights Agreement generally are transferable to transferees (whether by assignment or by death of the holder) of the Registrable Securities covered thereby. The Registration Rights Agreement generally terminates when all Registrable Securities (i) have been distributed to the public pursuant to a registration statement covering such securities that has been declared effective under the Securities

9

Act, or (ii) may be distributed to the public in accordance with the provisions of Rule 144(k) (or any similar provision then in force) under the Securities Act.

Stockholders Agreement

Messrs. Reimert, Smith and Walker, Reimert Family Partners, Ltd. and Four Smith's Company, Ltd. are parties to a stockholders agreement (the "Stockholders Agreement") pursuant to which each party has agreed to vote the shares of Common Stock held by such party to elect to the Company's Board of Directors one designee of Mr. Reimert and Reimert Family Partners, Ltd. (the "Reimert Stockholders"), one designee of Mr. Smith and Four Smith's Company, Ltd. (the "Smith Stockholders") and one designee of Mr. Walker. The rights under the Stockholders Agreement are transferable to any heir or legal representative of Messrs. Reimert, Smith or Walker who acquires Common Stock upon the death of such stockholder and who agrees to be bound by the provisions of such Agreement. In the event the Reimert Stockholders, collectively, the Smith Stockholders, collectively, or Mr. Walker (or their permitted transferees as described in the preceding sentence), own less than 10% of the total number of issued and outstanding shares of Common Stock of the Company, the rights and obligations of such person under the Stockholders Agreement are terminated.

Under the terms of the Stockholders Agreement, each of Mr. Reimert and Mr. Smith has designated himself to be elected to the Company's Board of Directors at the Annual Meeting.

Report of Compensation Committee on Executive Compensation

The Compensation Committee approves remuneration arrangements and compensation plans involving the Company's directors and executive officers, including any revisions to the employment agreements of the Co-Chairmen of the Board. The Compensation Committee acts on the granting of stock options to executive officers under the Incentive Plan (except for formula grants pursuant to the employment agreements of the Co-Chairmen of the Board), and reviews

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

annually and approves certain matters relating to each of the Co-Chairmen of the Board's employment agreements.

There are three basic components to the compensation of the Company's executives: base pay; annual incentive compensation in the form of a cash bonus; and long-term equity-based compensation. Factors taken into account in determining compensation are the executive's responsibilities, experience, leadership, potential future contributions and demonstrated individual performance. Long-term equity-based compensation is generally provided in the form of stock options, which are tied directly to stockholder return. Stock options align the interests of the Company's executives with those of its stockholders by encouraging executives to enhance the value of the Company, and hence, the price of the Common Stock and each stockholder's return.

Long-term equity-based compensation is provided through the Incentive Plan, the objectives of which are to (i) attract and retain key employees, (ii) encourage a sense of proprietorship of these persons in the Company and (iii) stimulate the active interest of these persons in the development and financial success of the Company. Awards to employees under the Incentive Plan may be made in the form of (i) stock options, (ii) rights to receive a payment, in cash or Common Stock, equal to the excess of the fair market value or other specified value of a number of shares of Common Stock on the date the right is exercised over a specified strike price, (iii) grants of restricted or unrestricted Common Stock or units denominated in Common Stock, (iv) grants denominated in cash and (v) grants denominated in cash, Common Stock or units denominated in Common Stock or any other property which are made subject to the attainment of one or more performance goals ("Performance Awards"). Performance Awards may include more than one performance goal, and a performance goal may be based on one or more business criteria applicable to the grantee, the Company as a whole or one or more of the Company's business units and may include one or more of the following: increased revenues, net income, stock price, market share, earnings per share, return on equity or assets, or decrease in costs.

10

In 2002, the Company granted options to purchase an aggregate of 200,285 shares of Common Stock to executive officers of the Company, including grants made to the Co-Chairmen of the Board pursuant to their employment agreements.

The Company may periodically grant new options or other long-term equity-based incentives to provide continuing incentive for future performance. In making the decision to grant additional options, the Compensation Committee would expect to consider factors such as the size of previous grants and the number of options held. In addition, the Compensation Committee may consider factors including the executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company and the value of the executive's service to the Company.

Each of the Company's Co-Chairmen of the Board is compensated pursuant to an employment agreement which was entered into prior to the closing of the Company's initial public offering and therefore prior to the formation of the Compensation Committee. Such employment agreements were approved by the Board of Directors as a whole, at a time when the Company's Board consisted of the Co-Chairmen of the Board and Mr. Loveless. See "--Employment Agreements" for a description of such agreements. Each of the agreements includes compensation in the form of base salary, annual bonus and annual option grants. The annual bonus and option grants payable pursuant to such agreements are determined by

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

formulas that are tied to the Company's performance and stockholder return. Under the employment agreements, the amount of the executive's annual bonus is determined by reference to (i) the Company's performance (measured in terms of EBIT) compared to the Company's annual budget and (ii) the Company's annual return on capital compared to that of an industry peer group.

In accordance with the employment agreements, at the beginning of 2002, the Compensation Committee approved the Company's 2002 budget and the industry peer group for the purposes of calculating the bonuses for the 2002 bonus year for the Co-Chairmen of the Board. In calculating the bonuses for the 2002 bonus year, in accordance with the employment agreements, the Compensation Committee reviewed the Company's EBIT and return on capital for the year ended December 31, 2002, as calculated by the Company's independent public accountants, and calculated the return on capital for the Company's peer group for the same period. The two performance factors were equally weighted as required by the employment agreements. In addition to an annual bonus, each such executive received an annual grant of options that is based upon a formula tied to the Company's stock price. The Compensation Committee reviews annually the amount of the base salary, annual bonus and annual option grants for each of the Co-Chairmen of the Board, and may increase (but not decrease) such amounts on a basis determined by the Compensation Committee in its sole discretion. In 2002, the Compensation Committee increased the base salary under the employment agreements to \$447,200, effective October 15, 2002, based on the performance of the Co-Chairmen of the Board and the Company during 2002. In addition to their annual compensation, each of the Co-Chairmen of the Board is a significant stockholder of the Company, which provides effective long-term performance incentive tied directly to stockholder return.

The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2002 with management and has discussed with Ernst & Young LLP, the independent auditors and accountants for the Company, the matters required to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committees, as amended, with respect to those audited financial statements.

The Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and has reviewed, evaluated and discussed with Ernst & Young LLP its independence in connection

with its audit of the Company's most recent financial statements.

Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

Section 162(m) of the Internal Revenue Code.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally limits (to \$1 million annually per covered executive) the deductibility for federal income tax purposes of non-performance based compensation paid to a company's chief executive officer and each of its other four most highly compensated executive officers. All options granted under the Incentive Plan in fiscal year 2002 will qualify as performance based for an exemption from the application of Section 162(m) of the Code.

Performance Graph

The following performance graph compares the cumulative total stockholder return on the Common Stock to the cumulative total return on the Standard & Poor's 500 Stock Index and the PHLX Oil Service Sector Index over the period from December 31, 1997 to December 31, 2002. In the past the Company has

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

provided a comparison to the Standard & Poor's Oil and Gas Drilling and Equipment Index, and the following performance graph compares the cumulative total stockholder return on the Common Stock to the cumulative total stockholder return on that index over the period from December 31, 1997 to December 31, 2001. However, the Standard & Poor's Oil and Gas Drilling and Equipment Index was discontinued in 2002. As a result, the Company cannot provide a comparison of the Common Stock to the Standard & Poor's Oil and Gas Drilling and Equipment Index over the period from December 31, 2001 to December 31, 2002. The graph assumes that \$100 was invested on December 31, 1997 in the Common Stock and in each of the other indices and the reinvestment of all dividends, if any.

PROPOSAL II

APPROVAL OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, upon recommendation of its Audit Committee, has approved and recommends the approval of the appointment of Ernst & Young LLP as independent public accountants to conduct an audit of the Company's financial statements for the year 2003. This firm has acted as independent public accountants for the Company for many years.

Aggregate fees for professional services rendered for the Company by Ernst & Young LLP as of or for the years ended December 31, 2002 and 2001, were as follows:

	2002	2001
	-----	-----
1. Audit.....	\$216,220	\$180,808
2. Audit Related	0	0
3. Tax.....	104,432	69,987
4. All Other....	38,488	0
	-----	-----

Edgar Filing: DRIL-QUIP INC - Form DEF 14A

Total:..... \$359,140 \$250,795
=====

The Audit fees for 2002 and 2001 were for professional services rendered for the audits of the Company's consolidated financial statements and the review of those financial statements included in the Company's quarterly reports on Forms 10-Q.

There were no Audit Related fees billed during 2002 and 2001.

Tax fees billed during 2002 and 2001 were for services related to tax compliance, tax advice and expatriate tax services.

All Other fees billed during 2002 and 2001 were for consulting services related to international operations.

The Audit Committee reviewed the non-audit services provided to the Company and determined that they did not impair the independence of Ernst & Young LLP.

Representatives of Ernst & Young LLP will attend the Annual Meeting and will be available to respond to questions which may be asked by stockholders. Such representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

The Board of Directors recommends that you vote FOR the approval of the appointment of Ernst & Young LLP as the Company's independent public accountants. In accordance with the Company's Bylaws, approval of the appointment of independent public accountants will require the affirmative vote of a majority of the shares of Common Stock voted on the proposal. Accordingly, abstentions and broker nonvotes applicable to shares present at the meeting will not be included in the tabulation of votes cast on this matter.

OTHER BUSINESS

Management does not intend to bring any business before the meeting other than the matters referred to in the accompanying notice. If, however, any other matters properly come before the meeting, it is intended that the persons named in the accompanying proxy will vote pursuant to discretionary authority granted in the proxy in accordance with their best judgment on such matters. The discretionary authority includes matters that the Board of Directors does not know are to be presented at the meeting by others.
