The source and amount of funds used in purchasing the Stock were as follows:

<u>Purchaser</u>	<u>Source of Funds</u>	<u>Amount</u>
PAI LLC	Funds Under Management	\$32,303,231

Item 4. Purpose of Transaction

The Filers acquired the Stock for investment purposes. On September 29, 2008, Greg Noval sent a letter to Palo Alto Investors on behalf of the Issuer's Board of Directors responding to a letter from Palo Alto Investors sent earlier in the day, and Palo Alto Investors sent a further response to the Board. A copy of that correspondence is incorporated by reference herein as Exhibit B. On November 5, 2008, PAI LLC sent a letter to the Board, a copy of which is incorporated by reference herein as Exhibit F. On February 11, 2009, PAI LLC sent a letter to the Board questioning the timing and strategy of the Issuer's proposed monetization of part of its Block 5(c) assets in Trinidad and Tobago (the February 11 Letter). On February 12, 2009, PAI LLC issued a press release including the text of the February 11 Letter and requesting additional disclosure by the Issuer with regard to its financial position and the status of that project and requesting that the Issuer hold a public conference call to update shareholders. A copy of that press release is incorporated by reference herein as Exhibit G. On February 17, 2009, PAI LLC delivered to the Issuer a requisition for a special meeting of the Issuer's shareholders for the purpose, among other things, of removing all of the directors on the Issuer's board of directors and replacing such directors with PAI LLC's nominees (the Requisition). Also on February 17, 2009, PAI LLC issued a press release announcing that it had requisitioned a special meeting of the Issuer's shareholders for that purpose (the February 17 Press Release). Once a record date and meeting date for the shareholders meeting have been established, a dissident proxy circular will be mailed to shareholders of record by PAI LLC. The dissident proxy circular will provide details regarding each of PAI LLC's nominees to the Issuer's Board of Directors. Shareholders are urged to carefully read the dissident proxy circular and other documents when they are available. A copy of the Requisition is incorporated by reference herein as Exhibit H, and a copy of the February 17 Press Release is incorporated by reference herein as Exhibit I. On March 10, 2009, PAI LLC sent a letter to the Board (the March 10 Letter) noting that no response had been provided to its February 11, 2009 inquiry regarding the Issuer's proposed monetization of part of its Block 5(c) assets in Trinidad and Tobago and requesting a meeting with the full Board to discuss strategic and financing alternatives to monetizing the Block 5(c) assets. A copy of the March 10 Letter is incorporated herein by reference as Exhibit J. On March 16, 2009, PAI LLC sent a letter (the March 16 Letter) to the Board. The March 16 Letter was sent in response to an electronic mail message sent by Greg Noval (the March 10 Noval E-mail) to PAI LLC responding to the March 10 Letter sent earlier in the day on March 10, 2009, and in response to a letter from C. Alexander Squires, a director and chair of the Audit Committee of the Issuer's Board of Directors (the March 12 Board Letter) to PAI LLC on behalf of the Issuer's Board of Directors responding to the March 10 Letter. The March 16 Letter attaches a draft term sheet that PAI LLC believes is reflective of the type of transaction that is available to the Issuer from third parties if the Issuer would be willing to enter into discussions with such third parties (the Draft Term Sheet) and which could serve as a potential alternative to the Issuer's proposed sale of part of its Block 5(c) assets in Trinidad and Tobago. The March 16 Letter also attaches copies of the March 10 Noval E-Mail and the March 12 Board Letter. The foregoing descriptions of the March 16 Letter, the Draft Term Sheet, the March 10 Noval Email and the March 12 Board Letter are each qualified in their entirety by reference to the terms of such documents. A copy of the March 16 Letter is attached hereto as Exhibit K and incorporated by reference herein.

In pursuing their investment purposes, the Filers may from time to time further purchase, hold, vote, trade, dispose of, engage in option, swap or other derivative securities transactions with respect to or otherwise deal in the Stock at times, and in such manner, as they deem advisable to benefit from changes in the Stock's market price, changes in the Issuer's operations, business strategy or prospects, or from sale or merger of the Issuer. To evaluate such alternatives, the Filers routinely will monitor the Issuer's

CUSIP No. 136644101

operations, prospects, business development, management, competitive and strategic matters, capital structure and prevailing market conditions, as well as alternative investment opportunities, the Filers' liquidity requirements and other investment considerations. Consistent with their investment research methods and evaluation criteria, the Filers may discuss such matters with the Issuer's management, Board of Directors, other shareholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals, sources of credit and other investors. Such factors and discussions may affect materially, and result in, the Filers' modifying their ownership of the Stock, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements, proposing changes in the Issuer's operations, governance or capitalization, or in proposing or taking one or more of the actions described in paragraphs (a) through (j) of Item 4 of Schedule 13D. The Filers may reconsider and change their plans or proposals relating to the Stock at any time.

Item 5. Interest in Securities of the Issuer

(a), (b), (d) Each Filer's beneficial ownership of the Stock on the date of this report is reflected on that Filer's cover page. PAI LLC is an investment adviser with the power to invest in, vote and dispose of the Stock on behalf of its clients. Its clients have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Stock. No client individually holds more than 5% of the outstanding Stock. Mr. Edwards is the controlling shareholder of PAI Corp, which is the sole manager of PAI LLC, and is the controlling owner of PAI LLC. Mr. Yun is the president of PAI Corp and PAI LLC. The Filers are filing this Schedule 13D jointly, but not as members of a group, and each of them expressly disclaims membership in a group. Each Filer disclaims beneficial ownership of the Stock except to the extent of that Filer's pecuniary interest therein.

(c) There were no transactions in the Stock by the Filers during the 60 days before the date on the cover page.

Item 6. Contracts, Arrangement, Understandings or Relationships with Respect to Securities of the Issuer

PAI LLC is the general partner of investment partnerships pursuant to agreements of limited partnership that grant to PAI LLC the authority, among other things, to invest the funds of such investment partnerships in the Stock, to vote and dispose of the Stock and to file this statement on behalf of such investment partnerships. Pursuant to such agreements, PAI LLC is entitled to allocations based on assets under management and realized and unrealized gains.

In addition, 750,000 shares of the Stock are represented by warrants, the form of which is incorporated by reference herein as Exhibit C. In addition, those warrants are governed by and subject to the terms of a Securities Purchase Agreement and Registration Rights Agreement, the forms of which are incorporated by reference herein as Exhibits D and E.

March 16, 2009

Board of Directors

c/o Mr. Alexander Squires, Director and Chair of the Audit Committee

Canadian Superior Energy Inc.

3200, 500 4 Ave S.W.

Calgary, Alberta T2P 2V6

To the Board of Directors of Canadian Superior,

In response to our March 10, 2009 letter to the Board of Directors of Canadian Superior, we received an e-mail that same day from Greg Noval, Chairman of the Board of Canadian Superior, which was followed two days later by a letter from Alexander Squires, Director and Chair of the Audit Committee of Canadian Superior. Both letters are attached for your reference.

Mr. Noval's e-mail, which he sent barely a few hours after receipt of our letter of March 10, states that the SNG Board has unanimously ... chosen a monetization program, which we presume confirms the Board's sole focus on monetizing Canadian Superior's interest in Block 5(c). Given the conflict of interest which we have previously identified related to Mr. Noval's position as Chairman of the Board of Canadian Superior and his equity ownership interest in Challenger (a company also under CCAA protection but with an interest in Block 5(c)), we are deeply concerned about this singular and unilateral course of conduct pursued by Canadian Superior.

In the current circumstances, the Board of Directors has a fiduciary duty to consider all alternatives available to the Company in order to identify a choice that is in the best interests of the Company and its stakeholders. In our view, these alternatives would include a sale of the Company, a recapitalization of the Company, an equity injection or other investment in the Company, or a sale of assets (whether those assets be from the

company's Western Canadian portfolio or other worldwide operations, including Block 5(c)).

You have asked us to provide a written proposal for a capital investment. We believe it is the Board's obligation to meet with potential financiers and other parties to develop its own proposal. However, given that the Board does not appear inclined to further inform itself on these alternatives, we have prepared a draft Term Sheet (attached) which we believe reflects the type of transaction, based on discussions we have had with various counterparties, that could be quickly implemented for the benefit of Canadian Superior and its stakeholders. We believe it is incumbent on the Board to explore such an alternative.

Page 11 of 16

CUSIP No. 136644101

In light of this Term Sheet, which we believe reflects a viable and realistic transaction that is available to Canadian Superior, please let me know who at Canadian Superior should be contacted by potential counterparties to ensure that a possible recapitalization or other transaction, whether along the lines of the attached Term Sheet or otherwise, is fully reviewed, considered and evaluated by Canadian Superior and its Board of Directors. Palo Alto Investors has a group that would be interested in speaking about this transaction as soon as possible and we reiterate our request for a phone call with the appropriate Board representatives.

It is my understanding that calls to Canadian Superior made by certain entities to whom we have been speaking have not been returned by Canadian Superior. This is unacceptable given the critical financial issues facing the Company we believe it further demonstrates that the Board of Directors is not properly considering all available alternatives and options.

We reiterate our view that the sale of an interest in Block 5(c), without proper consideration, review and assessment of all alternatives open to the Company, would be a serious breach of duty by the Canadian Superior Board.

Yours very truly,

David J. Anderson

Mr. Andersson-please quit continuing screwing us around! In case you do not know it we and industry are experiencing the worst economic times in modern history. Your actions do nothing positive for the Company and essentially amount to grandstanding. The SNG Board has unanimously, with extensive legal advise, chosen a monetization program for the benefit of the Company and shareholders. We are represented by legal council and you and your lawyers, if you are professional, should direct your concerns to our lawyers. P.S. You will have full opportunity at the SNG annual meeting to express your concerns that has now been called.

Dear Mr. Anderson:

Re: Response to your letter of March 10, 2009

Thank you for your letter of March 10, 2009 which has been distributed to all Board members. The Board is very interested to hear your plans for providing capital to Canadian Superior and dealing with the other matters raised in your letter. I ask that you provide us with your written proposal for the Board to assess. If we determine that your proposal provides a basis to move forward, we will then arrange to meet with you. In view of the need to act expeditiously to which you refer, any urgency you can attach to providing us with your written proposal is greatly appreciated.

With regard to the criticisms set out in your letter, the Board met on February 11, 2009 and since that time Canadian Superior has issued numerous press releases which deal with its current circumstances including the filing of a very detailed affidavit by our President. A copy of that affidavit was provided to your counsel, which addresses, among other things, Canadian Superior's financial position and its plans for Block 5(c). It has not been the practice of Canadian Superior (which we believe is common to issuers of our size) to provide guidance between the filing of quarterly or yearly financial statements. Press releases are released as required and this has been done.

We look forward to receiving your written proposal at your earliest convenience. Our duty as directors is to act in the best interest of the Corporation and we will assess your proposal in that light along with other options that we are considering.

Yours truly,
CANADIAN SUPERIOR ENERGY INC.
C. ALEXANDER SQUIRES,
Director and Chair of the Audit Committee
