Schedule A attached hereto sets forth the information regarding the general partner of Aurelius Capital Partners and Aurelius Capital Management and the executive officers and directors of Aurelius Capital International and Aurelius Convergence Fund (collectively, the "Instruction C Persons").

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The Common Stock purchased by the Aurelius Funds was acquired with working capital in open market transactions at an aggregate cost (excluding commissions, if any) of approximately \$12,404,781.61.

ITEM 4. PURPOSE OF TRANSACTION

The Aurelius Funds acquired shares of Common Stock for investment in the ordinary course of business because they believed that the shares, when purchased, were undervalued and represented an attractive investment opportunity.

On May 28, 2009, the Issuer and certain of its affiliates (collectively, the "Debtors") filed voluntary petitions for relief under Chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the District of Delaware before the Honorable Christopher S. Sontchi (the "Bankruptcy Proceedings").

On April 14, 2010, counsel for Aurelius Capital Management sent a letter to Issuer's counsel noting Aurelius Capital Management's opposition to the amended plan of reorganization (the "Plan") on various grounds, most fundamentally on the belief that the Plan rests on a valuation of the Issuer that, in Aurelius Capital Management's and the market's view, is far below the reorganized Debtors' true value. The letter notes that the Plan provides the holders of the Issuer's bank and bond debt with consideration, in the form of stock of the reorganized Debtors, with a value far greater than the amount of their claims. Aurelius Capital Management noted its belief that the amended disclosure statement (the "Disclosure Statement") provides grossly deficient disclosure concerning the total enterprise value and equity value on which the Plan is predicated. The Aurelius Funds expect to file an objection to the Disclosure Statement and a response in support of the Creditors' Committee's pending motion to terminate exclusivity and requested expedited discovery related thereto. The letter provides that other parties in interest must be permitted to file a plan of reorganization and that the Issuer's equity holders, in particular,

must be permitted to file a plan that gives effect to the Issuer's very substantial value for old equity.

The Aurelius Funds intend to pursue and prosecute the objection and response, described above, once filed, and may file related pleadings, respond to pleadings filed by other parties, discuss the formulation of alternative plans with other parties, serve and prosecute discovery and respond to the same, appeal any adverse decisions and respond to any appeals, and more generally become actively involved in the Bankruptcy Proceedings, with the goal of protecting and maximizing the value of the Aurelius Funds' respective investments.

To the extent permitted by applicable law, rules and regulations, the Reporting Persons may seek to influence the outcome of the Bankruptcy Proceedings, including, among other things, through (i) direct and/or indirect communications with participants in the Bankruptcy Proceedings and (ii) direct and/or indirect communications with other persons, including other stockholders or creditors of the Issuer.

Except as set forth herein or as would occur upon completion of any of the actions discussed herein, none of the Reporting Persons has any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto and may (i) acquire additional shares or securities of the Issuer, (ii) dispose of any or all of their securities of the Issuer, (iii) enter into or withdraw from legal proceedings, if any, and/or (iv) enter into privately negotiated derivative transactions with institutional counterparties to hedge the market risk of some or all of their positions in the securities of the Issuer, depending upon the factors described below and/or other investment considerations. The Reporting Persons disclaim all duties or obligations, if any, to other stakeholders in the Issuer.

In addition, the Aurelius Funds intend to review their respective investments in the Issuer on a continuing basis and may seek (although they do not presently plan to do so) to influence or change the Issuer's management, directors, operations or business, strategy and future plans of the Issuer, which may include, among other things, discussions of potential strategic alternatives and other initiatives and transactions that may become available to the Issuer designed to enhance enterprise, shareholder and/or the Aurelius Funds' respective investment values, including, without limitation, through potential discussions with management, directors, the creditors' committee of the Issuer, bank creditors, other creditors, other shareholders, existing or potential strategic partners or competitors of the Issuer, industry analysts, investment and financing professionals and/or other third parties. For the avoidance of doubt, the Reporting Persons do not have any current intention to change or influence the control of the Issuer.
