ANNUAL MEETING OF SHAREHOLDERS

PROXY STATEMENT

Meeting Information

Time and Place of Meeting

You are invited to attend the annual meeting of shareholders of ChoiceOne Financial Services, Inc. that will be held on Thursday, April 27, 2006, at Sparta Church of the Nazarene, 665-13 Mile Road, Sparta, Michigan, at 6:30 p.m. local time.

This proxy statement and the enclosed proxy are being furnished to you on and after March 31, 2006, in connection with the solicitation of proxies by ChoiceOne's Board of Directors for use at the annual meeting. In this proxy statement, "we," "us," "our" and "ChoiceOne" refer to ChoiceOne Financial Services, Inc. and "you" and "your" refer to ChoiceOne shareholders.

Purpose of Meeting

The purpose of the annual meeting is to consider and vote upon the election of directors. *Your Board of Directors recommends that you vote FOR each of the nominees discussed in this proxy statement.*

How to Vote Your Shares

You may vote at the meeting if you were a shareholder of record of ChoiceOne common stock on March 1, 2006. You are entitled to one vote per share of ChoiceOne common stock that you own on each matter presented at the annual meeting.

As of March 1, 2006, there were 1,651,258 shares of ChoiceOne common stock issued and outstanding.

Your shares will be voted at the annual meeting if you properly sign and return to us the enclosed proxy. If you specify a choice, your proxy will be voted as specified. If you do not specify a choice, your shares will be voted for the election of each nominee for director named in this proxy statement. If other matters are presented at the annual meeting, the individuals named in the enclosed proxy will vote your shares on those matters in their discretion. As of the date of this proxy statement, we do not know of any other matters to be considered at the annual meeting.

You may revoke your proxy at any time before it is exercised by:

delivering written notice to the Secretary of ChoiceOne; or
attending and voting at the annual meeting.

Who Will Solicit Proxies

Directors, officers and employees of ChoiceOne and ChoiceOne Bank (referred to as the "Bank") will initially solicit proxies by mail. They also may solicit proxies in person, by telephone or by other means, but they will not receive any additional compensation for these efforts. Nominees, trustees and other fiduciaries who hold stock on behalf of beneficial owners of ChoiceOne common stock may communicate with the beneficial owners by mail or otherwise and may forward proxy materials to and solicit proxies from the beneficial owners. ChoiceOne will pay all expenses related to soliciting proxies.

Required Vote and Quorum

A plurality of the shares voting at the annual meeting is required to elect directors. This means that if there are more nominees than director positions to be filled, the nominees for whom the most votes are cast will be elected. In counting votes on the election of directors, abstentions, broker non-votes and other shares not voted will not be counted as voted, and the number of shares of which a plurality is required will be reduced by the number of shares not voted.

A majority of the shares entitled to vote at the annual meeting must be present or represented at the meeting to constitute a quorum. If you submit a proxy or attend the meeting in person, your shares will be counted towards the quorum, even if you abstain from voting on some or all of the matters introduced at the meeting. Broker non-votes also count for quorum purposes.

Election of Directors

The Board of Directors presently consists of ten individuals divided into three classes. Each class of directors is as nearly equal in number as possible and serves for a three-year term of office. The term of office of one class of directors expires at the annual meeting each year. An individual may not continue to serve on the Board of Directors after he or she becomes 70 years old.

The Board of Directors proposes that the following nominees be elected as directors for terms expiring at the annual meeting of shareholders to be held in 2009:

Nominee

James A. Bosserd
William F. Cutler, Jr
Paul L. Johnson
Andrew W. Zamiara

Each proposed nominee currently serves as a director of ChoiceOne for a term that will expire at this year's annual meeting. The persons named in the enclosed proxy intend to vote for the election of the four nominees listed. The proposed nominees are willing to be elected and serve as directors. If a nominee is unable to serve or is otherwise unavailable for election - which we do not anticipate - the incumbent Board of Directors may or may not select a substitute nominee. If a substitute nominee is selected, your proxy will be voted for the person so selected. If a substitute nominee is not selected, your proxy will be voted for the election of the remaining nominees. No proxy will be voted for a greater number of persons than the number of nominees named.

Biographical information is presented below concerning the nominees for director, current directors whose term of office will continue after the annual meeting and the executive officers of ChoiceOne. All of the directors of ChoiceOne also serve as directors of the Bank. Except as otherwise indicated, each nominee, current director and executive officer has had the same principal employment for over five years.

The Audit Committee also reviews ChoiceOne's internal accounting controls, the proposed form of its financial statements, the results of internal audits and compliance programs, and the results of the examinations received from regulatory authorities. As of the date of this proxy statement, Jon E. Pike (Chairman), William F. Cutler, Jr., Bruce A. Johnson and Paul L. Johnson serve on the Audit Committee. ChoiceOne has designated Mr. Pike as its audit committee financial expert as defined by the Securities and Exchange Commission ("SEC"). Annual Meeting Attendance

ChoiceOne expects all of its directors to attend the annual meeting. In 2005, all ten directors attended the annual meeting.

Compensation of Directors

During 2005, ChoiceOne compensated its directors at the rate of \$350 quarterly for board meeting attendance. Directors who were not employees of ChoiceOne or the Bank received \$100 per hour for each meeting of any committee of the Board of Directors on which they served. During 2005, the Bank compensated its directors at the rate of \$700 per meeting attended. The Chairman of the Board of the Bank received an additional \$100 per meeting attended. The Bank also provided non-employee directors their choice of one of the following: (a) medical insurance; or (b) an additional \$500 per month.

Under ChoiceOne's Directors' Stock Purchase Plan, a director may elect to receive payment of 25%, 50% 75% or 100% of his or her director's fees in the form of ChoiceOne common stock. On each quarterly payment date, a director participating in this plan receives a number of shares of ChoiceOne common stock (rounded to the nearest whole share) determined by dividing the dollar amount of fees payable that the director has elected to receive as ChoiceOne common stock by the market value of ChoiceOne common stock determined by a poll of ChoiceOne's market makers on the last day of the month preceding the quarterly payment date.

Communicating with the Board of Directors

Shareholders and interested parties may communicate with members of ChoiceOne's Board of Directors by sending correspondence addressed to the board as a whole, a specific committee, or a specific board member c/o Linda R. Pitsch, Secretary, ChoiceOne Financial Services, Inc., 109 East Division, Sparta, Michigan 49345. All correspondence will be forwarded directly to the applicable members of the Board of Directors.

Shareholder Nominations

The Governance and Nominating Committee will consider director candidates recommended by shareholders, directors, officers, third party search firms and other sources. Shareholders may recommend individual nominees for consideration by the Governance and Nominating Committee by communicating with the committee as described under the heading "Communicating with the Board of Directors." The Governance and Nominating Committee will ultimately determine whether a shareholder recommendation will result in a nomination under this process. In considering potential nominees, the committee will review all candidates in the same manner, regardless of the source of the recommendation. In evaluating the skills and characteristics required of board members, the committee considers various factors and believes that each candidate should:

- (1) Includes compensation deferred under the Bank's 401(k) and Employee Stock Ownership Plan and, for Mr. Bosserd, director fees paid by ChoiceOne and the Bank.
- (2) Includes compensation deferred under the Bank's 401(k) and Employee Stock Ownership Plan.
- (3) All other compensation in 2005 includes: (a) for Mr. Bosserd, a life insurance premium payment of \$774, and an employer contribution under the Bank's 401(k) and Employee Stock Ownership Plan of \$7,032; (b) for Mr. Knooihuizen, a life insurance premium payment of \$764 and an employer contribution under the Bank's 401(k) and Employee Stock Ownership Plan of \$3,890; and (c) for Mr. Potes, a life insurance premium payment of \$90 and an employer contribution under the Bank's 401(k) and Employee Stock Ownership Plan of \$4,197.

Stock Options

The following tables provide information concerning stock options granted to the named executive officers during 2005 and unexercised options held as of December 31, 2005:

OPTION GRANTS IN LAST FISCAL YEAR**Individual Grants**

Name	Number of Shares Underlying Options Granted(1)	Percent of Total Options Granted to Employees in Fiscal Year	Exercise Price Per Share(1)	Expiration Date	Grant Date Present Value(2)
James A. Bosserd	3,150	40.0%	\$21.43	1/19/2015	\$16,065
Louis D. Knooihuizen	788	10.0%	21.43	1/19/2015	4,019
Kelly Potes	525	6.7%	21.43	1/19/2015	2,678

- (1) The per share exercise price of each option is equal to the market value of ChoiceOne common stock on the date each option was granted. The number of options granted and the exercise price of each option has been adjusted due to the stock dividend in May 2005. Options were granted for a term of ten years. Options terminate, subject to certain limited exercise provisions, in the event of death, retirement or other termination of employment. Options become exercisable over a period from the date of grant until three years after the date of grant. All options permit the option price to be paid by delivery of cash or other shares of ChoiceOne common stock owned by the option holder, including shares acquired through the exercise of other options.
- (2) Based on the Black-Scholes option pricing model. The actual value, if any, an option holder may realize will depend on the excess of the stock price over the exercise price on the date the option is exercised. There is no assurance the value realized by an option holder, if any, will be at or near the value estimated by the Black-Scholes model. The estimated values in the table above were calculated using the Black-Scholes model based on assumptions that include:

a stock price volatility factor of 24.59%, calculated using monthly stock prices for the three years prior to the grant date;
a risk free rate of return of 4.5%;
an expected average dividend yield of 3.03% (approximately the dividend yield at the date of the grant); and
an expected average option holding period of 7 years.

No adjustments were made for the general non-transferability of the options or to reflect any risk of forfeiture before vesting. Disclosure of grant date present value is presented pursuant to SEC regulations. ChoiceOne's use of the Black-Scholes model to indicate the present value of each grant is not an endorsement of this valuation method.

FISCAL YEAR-END OPTION VALUES

Name	Number of Shares Underlying Unexercised Options at Fiscal Year-End		Value of Unexercised In-the-Money Options at Fiscal Year-End(1)	
	Exercisable	Unexercisable	Exercisable	Unexercisable
James A. Bosserd	4,384	4,069	15,023	4,982
Louis D. Knooihuizen	1,510	1,116	5,446	1,560
Kelly Potes	1,313	788	5,142	1,256

- (1) The values reported are based on a fair market value of \$18.63 per share, the closing bid price of ChoiceOne's common stock on December 31, 2005.

None of the executive officers listed in the table exercised options during the year ended December 31, 2005.

Executive Stock Incentive Plan

ChoiceOne's Amended and Restated Executive Stock Incentive Plan provides that options to purchase shares of common stock, stock appreciation rights and stock awards may be granted to officers and other key employees of ChoiceOne and its subsidiaries. A stock option entitles the recipient to purchase shares of common stock for a stated period of time at a stated price. Subject to certain restrictions, the Personnel and Benefits Committee determines who will be granted options, the number of shares subject to each option, the form of payment for exercise of an option and other matters related to the stock incentive plan. The Personnel and Benefits Committee also determines the terms and conditions of any stock appreciation rights and stock awards granted under the stock incentive plan. The Personnel and Benefits Committee may provide that, if there is a merger or combination of ChoiceOne with another entity or a change in control of ChoiceOne:

- any vesting restrictions are accelerated;
- any restrictions are eliminated; or
- any participant may choose to receive cash in lieu of outstanding stock options.

The Personnel and Benefits Committee has provided for the acceleration of vesting of options upon a change in control of ChoiceOne in all outstanding stock options.

Employment Contracts

As an inducement for Mr. Bosserd's agreement to serve as a director and President and Chief Executive Officer of ChoiceOne and the Bank, ChoiceOne and the Bank entered into an employment agreement with Mr. Bosserd in 2001. Under this agreement, ChoiceOne and the Bank agreed to:

- pay Mr. Bosserd a salary of \$130,000 per year as may be adjusted, less taxes and withholdings, plus possible bonuses not to exceed 25% of his base salary;
- pay Mr. Bosserd the regular director's fee for attending Board meetings;
- provide Mr. Bosserd with an automobile allowance of \$600 per month;
- reimburse Mr. Bosserd for all documented business expenses;
- provide Mr. Bosserd a lump sum severance amount equal to one year's base salary if Mr. Bosserd is terminated, without cause, within one year following a change in control of ChoiceOne;
- provide Mr. Bosserd with four weeks paid vacation; and
- provide Mr. Bosserd with the same health and other employee benefits provided to other employees of ChoiceOne and the Bank.

Mr. Bosserd agreed not to disclose or make any use of confidential or proprietary information of ChoiceOne or the Bank, and agreed not to compete with ChoiceOne or the Bank during his employment with ChoiceOne and the Bank and for a period of one year after such employment.

401(k) Plan

The ChoiceOne Bank 401(k) and Employee Stock Ownership Plan is qualified under Section 401(a) of the Internal Revenue Code.

The purpose of the 401(k) plan is to permit Bank employees, including the named executive officers, to save for retirement on a pre-tax basis. In addition to an employee's pre-tax contributions, the Bank may contribute

discretionary matching and/or employee stock ownership plan payments to the 401(k) plan. If the Bank contributes matching and/or employee stock ownership plan payments to the 401(k) plan, those contributions will become fully vested after six years of a participant's vesting service.

Each participant in the 401(k) plan has an account to record the participant's interest in the plan. Amounts contributed by or on behalf of a participant are credited to his or her account. A participant's benefit from the 401(k) plan is equal to the vested amount in the participant's account when he or she terminates employment with the Bank. The employee stock ownership plan provisions provide that the 401(k) plan, in part, is designed to invest primarily in stock of ChoiceOne.

Discretionary Bonus Plan

Under ChoiceOne's discretionary bonus plan, executives may earn bonuses based upon individual and corporate performance, as determined by ChoiceOne's Board of Directors, in its sole discretion.

Personnel and Benefits Committee Report on Executive Compensation

The Personnel and Benefits Committee of ChoiceOne's Board of Directors administers benefit plans, reviews ChoiceOne's key personnel policies and programs, including individual salaries of executive officers, and submits recommendations to the Board of Directors. Directors who are also employees of ChoiceOne or the Bank may not serve as voting members of the Personnel and Benefits Committee.

Successful long-term financial performance and increasing shareholder value are ChoiceOne's primary corporate goals. ChoiceOne's executive compensation practices are intended to encourage successful financial performance and attract and retain talented key executives who are critical to ChoiceOne's long-term success.

ChoiceOne's executive compensation program consists of three components:

- base salary;
- annual cash incentive bonus opportunities; and
- long-term incentives through awards of stock options.

In determining the levels of some components, the Personnel and Benefits Committee considers only corporate performance. In determining the levels of other components, such as base salary and annual cash incentive bonus opportunities, the Personnel and Benefits Committee will consider a number of factors in addition to corporate performance.

When establishing base salary levels, the Personnel and Benefits Committee's primary goal is to be competitive. The Personnel and Benefits Committee establishes ranges for base salaries of executive officers by comparing ChoiceOne to other more or less comparable bank holding companies. In general, salaries paid to ChoiceOne's executives have been closer to the median, rather than either the high or low end, of each range. Although the Personnel and Benefits Committee considers corporate performance when establishing base salary levels, corporate performance is not the most important factor. The Personnel and Benefits Committee also considers a discretionary assessment of job performance when establishing base salary levels.

Annual discretionary bonuses are based on performance at three levels:

- corporate;
- business unit; and
- individual.

The Personnel and Benefits Committee annually approves how to weigh each participant's performance at each level. The Personnel and Benefits Committee establishes target cash awards for participants in the annual discretionary bonus plan. Target awards range from 0% to 15% of base salary. For their individual performance in 2005, executive officers as a group, other than Mr. Bosserd, were awarded discretionary bonuses totaling \$35,618. Mr. Bosserd received a discretionary bonus of \$23,100 based upon a subjective evaluation of his personal performance.

ChoiceOne uses long-term incentives to reward executives for achieving the long-term goal of increasing shareholder value. All of ChoiceOne's long-term incentives have involved awards of stock options. Stock ownership is considered important. Through stock ownership, the interests of executives become joined with those of the shareholders. Under ChoiceOne's Amended and Restated Executive Stock Incentive Plan, executives may be rewarded for enhancing shareholder value through the increase in the value of shares subject to options that the executives receive. During 2005, the Personnel and Benefits Committee made awards of stock options to ChoiceOne's executive officers, including Mr. Bosserd, for a total of 6,000 shares of common stock. Mr. Bosserd received the greatest number of stock options because the Personnel and Benefits Committee believes he has the greatest potential to influence corporate performance and, therefore, should have the greatest amount of potential compensation "at risk."

ChoiceOne generally maintains a conservative level of perquisites and personal benefits. The dollar value of perquisites and personal benefits provided to executive officers does not exceed 10% of the applicable executive officer's annual base salary and bonus.

Mr. Bosserd's compensation was determined by the Personnel and Benefits Committee and was set at a level to approximate the weekly compensation and perquisites of chief executive officers with comparable levels of experience working with comparable sized bank holding companies.

Section 162(m) of the Internal Revenue Code provides that publicly held corporations may not deduct compensation paid to certain executive officers in excess of \$1 million annually, with certain exemptions. ChoiceOne has examined its executive compensation policies in light of Section 162(m) and the regulations that the Internal Revenue Service has issued to implement that section. We do not expect that any portion of ChoiceOne's deductions for employee compensation will be disallowed in 2006 or in future years by reason of actions expected to be taken in 2006.

During 2005, the Board of Directors approved all of the Personnel and Benefits Committee's recommendations without modification.

Andrew W. Zamiara, Chairman

Audit Committee Report

The Audit Committee reviews and supervises ChoiceOne's procedures for recording and reporting the financial results of its operations on behalf of the Board of Directors. ChoiceOne's management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its supervisory duties, the Audit Committee has reviewed ChoiceOne's audited financial statements for the year ended December 31, 2005 included in the 2005 Annual Report to Shareholders and has discussed those financial statements with ChoiceOne's management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

The Audit Committee has also reviewed with ChoiceOne's independent auditors - who are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles - the judgments of the independent auditors concerning the quality, not just the acceptability, of the accounting principles and such other matters that are required under generally accepted auditing standards to be discussed with the independent auditors. In addition, the Audit Committee has received from the independent auditors the written disclosures required by the Independence Standards Board, has discussed with them their independence from ChoiceOne's management and ChoiceOne, and has considered the compatibility of nonaudit services with their independence.

After and in reliance on the reviews and discussions described above, the Audit Committee recommended to ChoiceOne's Board of Directors that the audited financial statements for the year ended December 31, 2005 be included in ChoiceOne's Annual Report on Form 10-K for the year then ended to be filed with the SEC.

Respectfully submitted,

Jon E. Pike, Chairman

Related Matters

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires directors and officers of ChoiceOne and persons who beneficially own more than 10% of the outstanding shares of its common stock to file reports of beneficial ownership and changes in beneficial ownership of shares of common stock with the SEC. SEC regulations require such persons to furnish ChoiceOne with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports received by us or written representations from certain reporting persons that no Forms 5 were required for those persons, we believe that all applicable Section 16(a) reporting and filing requirements were satisfied by such persons from January 1, 2005, through December 31, 2005.

Certain Relationships and Related Transactions

Frank G. Berris, a director of ChoiceOne and the Bank, owns all of the equity interest of JFB Real Estate, LLC ("JFB"). During 2004, JFB purchased from the Bank the building housing the Bank's Appletree Branch located at 416 W. Division, Sparta, Michigan for \$725,000. The price paid for the building was determined by an independent third-party appraisal. The Bank then entered into a lease with JFB to rent that part of the building housing the Appletree Branch for a period of 36 months for \$3,200 per month, subject to adjustment annually. The monthly lease rate is the same rate charged by JFB to all of its tenants. The Bank has the option to extend the lease for five additional three-year terms.

Directors, nominees for director and executive officers of ChoiceOne and members of their immediate families were customers of and had transactions with the Bank in the ordinary course of business between January 1, 2005, and December 31, 2005. We anticipate that such transactions will take place in the future in the ordinary course of business. All loans and commitments included in such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

Independent Certified Public Accountants

Crowe Chizek and Company LLC ("Crowe"), Certified Public Accountants, served as ChoiceOne's principal accountant for 2005. The Audit Committee of the Board of Directors has selected Plante & Moran, PLLC ("Plante Moran") to replace ChoiceOne's prior accounting firm, Crowe, effective as of the fiscal year beginning January 1, 2006. The change in ChoiceOne's certifying independent registered public accounting firm was based on the results of a competitive bidding process. Crowe's reports on ChoiceOne's financial statements for the fiscal years ended December 31, 2005 and 2004 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the two fiscal years ended December 31, 2005 and 2004 and through the date of this report, there were no "disagreements" (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K issued under the Securities Exchange Act of 1934, as amended, and its related instructions) between ChoiceOne and Crowe on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Crowe, would have caused Crowe to make reference to the subject matter of the disagreement in connection with its reports.

During the two fiscal years ended December 31, 2005 and 2004 and through the date of this report, there were no "reportable events" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K issued under the Securities Exchange Act of 1934, as amended, and its related instructions) between ChoiceOne and Crowe.

During the two fiscal years ended December 31, 2005 and 2004 and through the date of this report, ChoiceOne has not consulted with Plante Moran regarding the application of accounting principles to a specified transaction (either completed or proposed), the type of audit opinion that might be rendered on ChoiceOne's financial statements, or any matter that was the subject of a disagreement or reportable event.

Representatives of neither Plante Moran nor Crowe are expected to attend the annual meeting. If a representative of Plante Moran or Crowe attend the meeting, the representative will have an opportunity to make a statement if he or she desires to do so and will be expected to be available to respond to appropriate questions.

In accordance with SEC rules, ChoiceOne's Audit Committee has adopted a Pre-Approval Policy. Under the Pre-Approval Policy, all audit and non-audit services need to be pre-approved by the Audit Committee.

The Pre-Approval Policy permits the Audit Committee to delegate to one or more of its members pre-approval decisions. The member or members to whom such authority is delegated shall report, for informational purposes, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee has identified certain services that do not impair the independence of the independent auditors and granted general pre-approval for those services. All services that do not have general pre-approval must be specifically pre-approved by the Audit Committee. The Audit Committee will periodically set pre-approval fee levels for all services to be provided by the independent auditors. Any proposed services

exceeding these levels require specific pre-approval by the Audit Committee.

The Pre-Approval Policy requires the independent auditors to provide detailed back-up documentation, which will be provided to the Audit Committee, regarding specific services to be provided.

Requests or applications to provide services that require separate pre-approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and the Chief Executive Officer or Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

Audit Fees. ChoiceOne paid to Crowe \$70,375 during 2005 and \$56,725 during 2004 for the audit of ChoiceOne's annual financial statements and review of financial statements included in ChoiceOne's quarterly reports on Form 10-Q, or services that are normally provided by the auditors in connection with statutory and regulatory filings.

Audit-Related Fees. ChoiceOne paid to Crowe \$0 during 2005 and \$1,300 during 2004 for assurance and related services that were reasonably related to the performance of the audit or review of ChoiceOne's financial statements and are not reported under "Audit Fees" above.

Tax Fees. ChoiceOne paid to Crowe \$11,500 during 2005 and \$7,325 during 2004 for tax compliance, tax advice and tax planning. Tax services included preparing ChoiceOne's federal and state tax returns.

All Other Fees. ChoiceOne paid to Crowe \$2,320 during 2005 and \$2,220 during 2004 for services other than those services described above. In 2005 and 2004, these services included general consultations.

Shareholder Proposals

If you would like a proposal to be presented at the 2007 annual meeting of shareholders and if you would like your proposal to be considered for inclusion in ChoiceOne's proxy statement and form of proxy relating to that meeting, you must submit the proposal to ChoiceOne in accordance with Securities and Exchange Commission Rule 14a-8. ChoiceOne must receive your proposal by December 1, 2006 for your proposal to be eligible for inclusion in the proxy statement and form of proxy relating to that meeting. To be considered timely, any other proposal that you intend to present at the 2007 annual meeting of shareholders must similarly be received by ChoiceOne by December 1, 2006.

Form 10-K Report Available

ChoiceOne's Form 10-K Annual Report to the Securities and Exchange Commission, including financial statements and financial statement schedules, will be provided to you without charge upon written request. The Committee shall review with the independent auditors the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards and applicable rules and regulations. This review will discuss the independent auditors' judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Based on such review and discussions, the Committee will determine whether or not to recommend to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K;
