This strong performance happens when a bank continues to mark record breaking financial results, open new high-tech branches, win awards, partner with Fintech firms, expand services and aspire to further growth in Michigan. **NEW BRANCH OFFICES** In 2018, ChoiceOne expanded our community bank franchise in West Michigan and opened a full-service branch office in Downtown Grand Rapids at 330 Market Avenue SW. This branch is also home to our Grand Rapids commercial lending and mortgage team who are seasoned professionals with many years serving the Grand Rapids Market. We also opened a second full-service branch office in Rockford at 590 East Division Street NE. These new branches are located in high-traffic, growth areas and increase our locations to 14 full-service offices allowing us to reach more families and businesses in our broadened footprint. **LOAN GROWTH** Commercial lending was solid in West Michigan and we were pleased to loan money to entrepreneurs who are just starting their businesses and to many companies who are expanding their organizations. We were able to help rebuild a community icon after a fire destroyed it, build a new hotel and remodel a church...examples of our diverse portfolio for which we continue to value and preserve. ChoiceOne also experienced growth in both mortgage and home equity loans during 2018. With our ability to reach further into West Michigan in 2019 with our new Grand Rapids office, we look forward to serving more individuals and families with their home mortgage needs. ChoiceOne continues to offer an expansive line of mortgage options including a competitive construction product as well as government-backed programs, conventional and portfolio mortgages.

AWARD WINNING TECHNOLOGY The financial industry is changing rapidly and so are the expectations of our customers. As part of our vision to be the best bank in Michigan, we are committed to innovation. Yet, we respect that our customers prefer many different banking channels from traditional to digital. ChoiceOne Bank was selected as one of the country's "Most Innovative Community Banks" from research conducted by the Independent Community Bankers of America® (ICBA), the nation's voice for over 5,800 community banks. Twenty community banks were chosen throughout the country for their innovation in the areas of technology, products and branch design. In addition to this award, ChoiceOne was nominated for multiple other awards highlighting our innovative technology and marketing. In addition, ChoiceOne recently announced a digital service using Voice Bill Pay through Amazon Alexa. Using Alexa with the Voice Bill Pay feature allows ChoiceOne customers hands-free bill payments as well as reviews of upcoming payments. Once payments are set up in ChoiceOne Bill Pay, customers can pay their bills safely and securely without their laptops, tablets or smartphones. They can just ask Alexa to pay their bills. Grand Rapids Team from left: Scott Jongsma, Bernie Seals, Aaron Griffin, Eunice Lopez-Martin and Troy Butler III. **GIVING BACK** ChoiceOne Bank continues to expand our focus on corporate social responsibility as we grow our roots deeper into West Michigan. ChoiceOne Bank has been an advocate for our communities for 120 years. Giving back is ingrained in our culture. Last year our employees graciously volunteered over 3,600 hours in the communities we serve, and the Bank provided over \$160,000 in community donations and sponsorships representing over 2% of our 2018 net income. These numbers reflect our commitment as an organization to the communities we serve.

Paul L. Johnson Chairman of the Board Kelly J. Potes CEO and President “When you have a vision To Be the Best Bank in Michigan... change presents opportunities.” STRATEGIC MERGER As you may know, on March 25, 2019, we announced that ChoiceOne and County Bank Corp, parent company of Lakestone Bank and Trust, signed a definitive merger agreement pursuant to which County Bank Corp will combine with ChoiceOne Financial Services, Inc. in a strategic merger. The transaction is expected to close in the second half of 2019, pending satisfaction of customary closing conditions, including receipt of shareholder and regulatory approvals. The merger is an all-stock transaction and will create an approximate \$1.3 billion-asset bank holding company with 28 offices in West and Southeastern Michigan making it the 12th largest bank holding company in Michigan based on asset size. Located on opposite sides of the state, our two community banks share the same culture, values and commitment to serve our customers. Lakestone Bank & Trust is a \$616 million asset community bank with 14 locations serving Southeastern Michigan for over 117 years. Because of our separate, but similar markets, this combination will result in an exceptional company and present efficiencies and new growth opportunities in our expanded network across Michigan. LEADERSHIP CHANGES In 2018, we appointed Greg L. Armock and Bradley F. McGinnis to serve on the Boards of Directors of ChoiceOne Financial Services, Inc. and ChoiceOne Bank and look forward to their clear insight into growth and development in our communities. At the same time, we bid a sincere farewell to K. Timothy Bull, Raymond A. Lanning and Dennis C. Nelson, D.D.S. as they leave our Boards of Directors. We also announced the retirement of Sheila Clark, Senior Vice President and Human Resource Director. With a successful banking career spanning over 42 years with ChoiceOne Bank, it goes without saying we will miss her leadership, expertise and grace. Your Board of Directors, management and everyone at ChoiceOne Bank take our mission to provide superior service, high-quality advice and show our utmost respect to everyone we meet seriously. At the end of the day, it is how we treat one another that will set us apart...and make us the best bank in Michigan. We have a team that really cares, and it shows. Thank you for your care and support of ChoiceOne. Paul Johnson Kelly Potes
