United Bancshares, Inc.

Date: February 8, 2005 By: /s/ Brian D. Young

Brian D. Young

CFO

Exhibit 99.1

On February 8, 2005, United Bancshares, Inc. issued the following press release:

United Bancshares, Inc. (Nasdaq: UBOH news), a bank holding company headquartered in Columbus Grove, Ohio with consolidated assets of \$559 million, today announced 2004 operating results and that the Board of Directors declared a dividend of \$0.12 per share.

The declared dividend is an increase of 9% over last quarters \$0.11 per share dividend and will be paid on March 15, 2005 to shareholders of record as of February 28, 2005.

For the year ended December 31, 2004, United Bancshares, Inc. reported net income of \$3,088,000 or \$0.84 basic earnings per share. This compares to 2003 net income of \$3,691,000, or \$1.01 basic earnings per share. Compared with the same period in 2003, 2004 net income decreased \$603,000 or 16%. The decrease was the result of a \$2.0 million dollar increase in non-interest expenses and a \$1 million decrease in non-interest income, offset by a \$2.0 million dollar increase in net interest income. The increase in non-interest expense was the result of costs associated with the retirement of the Company s Chief Executive Officer (\$653,000), stock option charges (\$597,000), and general increases in costs associated with Company s operations. The decrease in non-interest income was the result of a \$1.6 million reduction in gain on sale of loans, offset by increases to securities gains (\$306,000), service charges (\$170,000) and other operating income (\$96,000). The increase in net interest income was the result of the Company s improved net interest margin and increased earning assets.

The Company s return on average assets was 0.59% for 2004, compared to 0.77% for 2003 and return on average equity was 7.14% for 2004 compared to 8.79% for the same period of 2003. Excluding the Company s costs associated with the stock option charges and severance costs related to its former Chief Executive Officer, the Company s 2004 return on average assets and return on average equity would have been 0.74% and 9.05%, respectively.

United Bancshares, Inc. is a locally owned and operated holding company of The Union Bank Company which serves Allen, Putnam, Sandusky, Van Wert and Wood Counties, with office locations in Bowling Green, Columbus Grove, Delphos, Gibsonburg, Kalida, Leipsic, Lima, Ottawa, and Pemberville.

This release may contain certain forward-looking statements that are provided to assist in the understanding of anticipated future financial performance. However, such performance involves risk and uncertainties that may cause actual results to differ materially. Factors that could cause actual results to differ from those discussed in the forward-looking statements include, but are not limited to, the strength of the local economies in which operations are conducted, the effects of and changes in policies and laws of regulatory agencies, inflation, and interest rates. For further discussion of certain factors that may cause such forward-looking statements to differ materially from actual results, refer to the 2003 Form 10-K.
