Exhibit 99.1

On July 29, 2005, United Bancshares, Inc. issued the following release:

United Bancshares, Inc. (Nasdaq: UBOH news), a bank holding company headquartered in Columbus Grove, Ohio with consolidated assets of \$547 million, today announced that its board of directors has authorized the repurchase of up to 100,000 of its outstanding shares of common stock.

The stock repurchase plan authorizes the Company to make repurchases from time to time in a program of market purchases or in privately negotiated transactions as the securities laws and market conditions permit. The market purchases will be made through a market maker in the Corporation's stock. The privately negotiated purchases will be considered on a case-by-case basis and will be made at prevailing market prices. Daniel W. Schutt, the company's President and CEO stated, "We continue to proactively manage the Corporation's capital position. We believe a stock repurchase program is consistent with our capital management strategy and is an efficient tool to enhance long-term shareholder value." At July 29, 2005, the Company had 3,707,274 shares of common stock outstanding.

United Bancshares, Inc. is the holding company of The Union Bank Company, which serves Allen, Putnam, Sandusky, Van Wert and Wood Counties, with office locations in Bowling Green, Columbus Grove, Delphos, Gibsonburg, Kalida, Leipsic, Lima, Ottawa, and Pemberville.

This release may contain certain forward-looking statements that are provided to assist in the understanding of anticipated future financial performance. However, such performance involves risk and uncertainties that may cause actual results to differ materially. Factors that could cause actual results to differ from those discussed in the forward-looking statements include, but are not limited to, the strength of the local economies in which operations are conducted, the effects of and changes in policies and laws of regulatory agencies, inflation, and interest rates. For further discussion of certain factors that may cause such forward-looking statements to differ materially from actual results, refer to the 2004 Form 10-K.
