MANAGEMENT PROXY CIRCULAR

(All dollar amounts expressed herein are U.S. dollars)

PART I VOTING

SOLICITATION OF PROXIES

This Management Proxy Circular (the *Circular*) is forwarded to holders of Class B voting shares (the *Class B Shares*) and Class A non-voting shares (the *Class A Shares*) of Oppenheimer Holdings Inc. (the *Corporation*) in connection with the solicitation of proxies by the management of the Corporation from the holders of the Class B Shares for use at the Annual and Special Meeting of Shareholders of the Corporation (the *Meeting*) to be held on May 14, 2007, at the hour of 4:30 p.m. (Toronto time) at The Toronto Board of Trade Downtown Centre, 4th Floor, 1 First Canadian Place, 77 Adelaide St. West, Toronto, Ontario, Canada and at any adjournments thereof for the purposes set forth in the Notice of Meeting of Shareholders (the *Notice of Meeting*) which accompanies this Circular. This Circular is dated March 14, 2007 and is first being mailed to Shareholders on or about March 28, 2007.

The record date for the determination of shareholders entitled to receive notice of the meeting is March 14, 2007. In accordance with the provisions of the *Canada Corporations Act* the Corporation will prepare a list of holders of Class B Shares (*Class B Shareholders*) as of the record date. Class B Shareholders named in the list will be entitled to vote the Class B Shares on all matters to be voted on at the Meeting except to the extent that (a) the shareholder has transferred any of the shareholder's Class B Shares after the record date and (b) the transferee of those shares produces properly endorsed share certificates or otherwise establishes that the transferee owns such shares and demands, not later than immediately before a vote on any matter, that the transferee's name be included in the list, in which case the transferee of the Class B Shares will be entitled to vote such shares at the Meeting.

It is planned that the solicitation will be initially by mail, but proxies may also be solicited by employees of the Corporation. The cost of such solicitation, estimated to be approximately \$25,000, will be borne by the Corporation.

No person is authorized to give any information or to make any representation other than those contained in this Circular and, if given or made, such information or representation should not be relied upon as having been authorized by the Corporation. The delivery of this Circular shall not, under any circumstances, create an implication that there has not been any change in the information set forth herein since the date of this Circular. Except as otherwise stated, the information contained in this Circular is given as of March 14, 2007.

The Corporation has distributed copies of its Annual Report for the year ended December 31, 2006, the Notice of Meeting, this Circular, and, in the case of Class B Shareholders, a form of proxy for use by the Class B Shareholders to intermediaries such as clearing agencies, securities dealers, banks and trust companies or their nominees for distribution to non-registered shareholders of the Corporation whose shares are held by or in the custody of such intermediaries. Intermediaries are required to forward these documents to non-registered Class B Shareholders. The solicitation of proxies from non-registered Class B Shareholders will be carried out by the intermediaries, or by the Corporation if the names and addresses of Class B Shareholders are provided by the intermediaries. The cost of such solicitation will be borne by the Corporation. Non-registered Class B Shareholders who wish to file proxies should follow the instructions of their intermediary with respect to the procedure to be followed. Generally, non-registered Class B Shareholders will either: (a) be provided with a proxy executed by the intermediary, as the registered shareholder, but otherwise uncompleted and the non-registered holder may complete the proxy and return it directly to

the Corporation's transfer agent; or (b) be provided with a request for voting instructions by the intermediary, as the registered shareholder, then the intermediary must send to the Corporation's transfer agent an executed proxy form completed in accordance with any voting instructions received by it from the non-registered holder and may not vote in the event that no instructions are received.

Table of Contents

CLASS A SHARES AND CLASS B SHARES

The Corporation has authorized and issued Class A Shares and Class B Shares which are equal in all respects except that holders of Class A Shares (Class A Shareholders), as such, are not entitled to vote at meetings of shareholders of the Corporation unless entitled to vote by law, pursuant to the Corporation's articles or as may be required by regulatory authorities. Class A Shareholders are not entitled to vote the Class A Shares owned or controlled by them on the matters identified in the Notice of Meeting to be voted on.

Generally, Class A Shareholders are entitled to receive notices of all meetings of shareholders of the Corporation and to attend and speak at such meetings. In addition to notices of shareholders' meetings, Class A Shareholders are entitled to receive all informational documentation sent to the Class B Shareholders of the Corporation.

Class B Shareholders are entitled to one vote for each Class B Share held at all meetings of shareholders except meetings at which only the holders of a specified class of shares other than the Class B Shares are entitled to vote.

In the event of either a take-over bid or an issuer bid (as those terms are defined in the Securities Act of Ontario) being made for the Class B Shares and no corresponding offer being made to purchase Class A Shares, the Class A Shareholders would have no right under the articles of the Corporation or under any applicable statute to require that a similar offer be made to them to purchase their Class A Shares.

APPOINTMENT AND REVOCATION OF PROXIES

The persons (the Management Nominees) named in the form of proxy provided to Class B Shareholders are directors and officers of the Corporation.

Class B Shareholders have the right to appoint persons, other than the Management Nominees, who need not be shareholders to represent them at the Meeting. To exercise this right, a Class B Shareholder may insert the name of the desired person in the blank space provided in the form of proxy accompanying this Circular or may submit another form of proxy.

Class B Shares represented by properly executed proxies will be voted by the Management Nominees on any ballot that may be called for, unless the shareholder has directed otherwise, (i) for the election of Directors (item 2 in the Notice of Meeting), (ii) for the appointment of auditors and authorizing the directors to fix the remuneration of the auditors (item 3 in the Notice of Meeting), (iii) for the approval of the Corporation's 2006 Equity Incentive Plan (item 4 in the Notice of Meeting), (iv) for the resolution authorizing the issue of Class A Shares to the Oppenheimer & Co. Inc. 401(k) Plan (item 5 in the Notice of Meeting), and (v) for the resolution confirming the grant of stock options on 10,000 Class A Shares to an employee of Oppenheimer & Co. Inc. (item 6 in the Notice of Meeting).

It is not intended to use the proxies solicited from Class B Shareholders for the purpose of voting upon the consolidated financial statements of the Corporation for the year ended December 31, 2006, or the report of the auditors thereon.

Each form of proxy confers discretionary authority with respect to amendments or variations to matters identified in the Notice of Meeting to which the proxy relates and other matters which may properly come before the Meeting. Management knows of no matters to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if matters which are not known to the management should properly come before the Meeting, the proxies will be voted on such matters in accordance with the best judgment of the person or persons voting the

proxies.

A Class B Shareholder who has given a proxy has the power to revoke it prior to the commencement of the Meeting by depositing an instrument in writing executed by the Class B Shareholder or by the Class B Shareholder's attorney authorized in writing either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof or in any other manner permitted by law. A Class B Shareholder who has given a proxy has the power to revoke it after the commencement of the Meeting as to any matter on which a vote has not been cast under the proxy by delivering written notice of revocation to the Chairman of the Meeting.

A Class B Shareholder who has given a proxy may also revoke it by signing a form of proxy bearing a later date and returning such proxy to the Secretary of the Corporation at the registered office of the Corporation prior to the commencement of the Meeting.

Table of Contents**PART II PARTICULARS OF MATTERS TO BE ACTED UPON****1. 2006 ANNUAL REPORT TO SHAREHOLDERS**

The Consolidated Financial Statement and Management's Discussion and Analysis of Financial Condition and Results of Operations for the year ended December 31, 2006, are included in the Annual Report, which has been mailed to shareholders with the Circular. These consolidated financial statements are also available on the Corporation's website at www.opco.com and regulatory websites at www.sedar.com or www.sec.gov (for EDGAR filings).

2. ELECTION OF DIRECTORS

The Board of Directors of the Corporation currently consists of seven directors to be elected annually. The term of office for each director is from the date of the meeting at which the director is elected until the close of the next annual meeting of shareholders or until his or her successor is duly elected or appointed, unless his or her office is earlier vacated in accordance with the by-laws of the Corporation.

The Nominating/Corporate Governance Committee of the Board (the "Committee") has recommended and the directors have determined that seven directors are to be elected at the Meeting. Management does not contemplate that any of the nominees named below will be unable to serve as a director, but, if such an event should occur for any reason prior to the Meeting, the Management Nominees reserve the right to vote for another nominee or nominees in their discretion. The following sets out information with respect to the proposed nominees for election as directors as recommended by the Committee, in accordance with the Nominating/Corporate Governance Committee Charter (available at www.opco.com). The Committee has reported that it is satisfied that each of the nominees (who have served on the Board for the period indicated below) is fully able and fully committed to serve the best interests of the Corporation's shareholders. The election of the directors nominated requires the affirmative vote of a simple majority of the Class B Shares voted at the meeting.

3. APPOINTMENT OF AUDITORS

The Audit Committee has nominated PricewaterhouseCoopers LLP for reappointment as auditors of the Corporation for the 2007 fiscal year.

PRINCIPAL ACCOUNTING FEES AND SERVICES

The following information is provided in accordance with the requirements of Item 9(e) of Schedule 14A of the United States Securities Exchange Act of 1934, as amended (the Exchange Act), Principal Accounting Fees and Services .

PricewaterhouseCoopers LLP has served as the auditors of the Corporation since 1993. PricewaterhouseCoopers LLP has advised the Corporation that neither the firm nor any of its members or associates has any direct financial interest or any material indirect financial interest in the Corporation or any of its affiliates other than as accountants.

Table of Contents

The fees billed to the Corporation and its subsidiaries by PricewaterhouseCoopers LLP during the years 2006 and 2005 were as follows:

	Year ended December 31,	
	2006	2005
Audit fees	\$ 1,100,000	\$ 950,000
Audit-related fees	Nil	62,500
Tax fees	8,000	7,000
All other fees	Nil	Nil
	\$ 1,108,000	\$ 1,019,500

The audit fees include the fees for the audit of the Corporation's annual consolidated financial statements for the year 2006 and the review of the quarterly financial statements included in the Forms 10-Q filed by the Corporation and the interim reports to shareholders sent to shareholders during the year. Other audit-related fees include fees for audits of the Corporation's employee benefit plans. During 2006 and 2005, the Corporation retained Ernst & Young LLP to provide tax related services to the Corporation. PricewaterhouseCoopers LLP provides tax compliance services for the Corporation in Canada. The Corporation, with the approval of the Audit Committee, has retained Plante Moran, PLLC to perform the audit of the Oppenheimer & Co. Inc. 401(K) Plan for the year ended December 31, 2006.

The Audit Committee has the sole authority and responsibility to nominate independent auditors for appointment by shareholders, and to recommend to shareholders that independent auditors be removed. The Audit Committee has nominated PricewaterhouseCoopers LLP for appointment as the Corporation's auditors by the shareholders at the Meeting.

The Audit Committee recommends and the Board approves all audit engagement fees and terms as well as approves all non-audit engagements and engagement fees provided by independent auditors. The process begins prior to the commencement of the audit. The fees described above were 100% pre-approved.

4. SHARE-BASED COMPENSATION ARRANGEMENTS

Each of the matters referred to in (a), (b) and (c) below involve the approval of the issue of Class A Shares to or for the benefit of employees of the Corporation and its subsidiaries as part of their compensation. It is a requirement of both the New York Stock Exchange (the "NYSE") and the Toronto Stock Exchange (the "TSX") that these matters be approved by the holders of the Class B Shares.

(a) 2006 Equity Incentive Plan

Class B Shareholders are being asked at the Meeting to consider and, if deemed advisable, pass the resolution set out below confirming the adoption of the Corporation's 2006 Equity Incentive Plan (the "Plan") (attached to the Circular as Schedule B) approved by the directors on December 11, 2006. The 1996 Equity Incentive Plan expired on April 19, 2006.

The grant of stock options under the Plan is a significant component of the Corporation's compensation program for the executive officers and directors of the Corporation and its subsidiaries and for certain of Oppenheimer's investment executives. The granting of stock options to key personnel is intended to align their interests with those of the Class A

and Class B Shareholders. Accordingly, the number of Class A Shares underlying existing options and reserved for future option grants as a percentage of the issued Class A and Class B Shares might be perceived as being relatively high. The Board and the Compensation and Stock Option Committee recognize this and have adopted a policy of maintaining the percentage of optioned Class A Shares plus Class A Shares reserved for future options and other stock-based awards, at any one time, to not more than 20% of the number of issued Class A and Class B Shares. The Corporation purchases and will continue to purchase Class A Shares for cancellation from time to time at prices deemed appropriate, pursuant to the Corporation's normal course issuer bid, thus offsetting, at least in part, the issue of Class A Shares under the Plan. In order to reduce the issuance of Class A Shares, the Corporation has a stock appreciation rights plan under which certain employees are granted stock appreciation rights.

As of the date of the Circular, there were options outstanding on 1,051,436 Class A Shares granted under the Corporation's 1996 Equity Incentive Plan and options on 84,103 Class A Shares granted under the Corporation's 2006

Table of Contents

Equity Incentive Plan, which options may not be exercised unless the Class B Shareholders approve the 2006 Equity Incentive Plan.

All terms of the 2006 Equity Incentive Plan which is attached as Schedule B are set out therein.

Accordingly, Class B shareholders are being asked to consider and, if deemed advisable, pass the following resolution:

RESOLVED THAT:

1. The resolution passed by the Board of Directors on December 11, 2006 adopting the Corporation's 2006 Equity Incentive Plan (appearing as Schedule B to the Circular) providing for the issue of up to 800,000 Class A Shares be and it is hereby confirmed.
2. The grants by the Compensation and Stock Option Committee of the Board of Directors of the Corporation of options to purchase up to 84,103 Class A Shares at the closing price of the Class A Shares on the dates of grants of the options pursuant to the 2006 Equity Incentive Plan be and they are hereby approved.
3. The proper officers and directors of the Corporation be and they are hereby authorized and directed to take all such action and execute all such documents as are necessary to implement the terms of this resolution.

To be effective this resolution must be passed by a simple majority of the votes cast by the Class B Shareholders.

(b) Issue of Class A Shares to the Oppenheimer & Co. Inc. 401(k) Plan

Oppenheimer & Co. Inc. (Oppenheimer) maintains a 401(k) Plan (the 401(k) Plan) for its employees and those of its subsidiaries in the United States, as a defined contribution retirement and profit sharing plan in accordance with the provisions of the United States Internal Revenue Code. Employees are eligible to participate on the completion of one year of employment. Oppenheimer and its eligible employees make contributions to the 401(k) Plan which is administered by a Trustee. Amounts of contributions are limited by the 401(k) Plan. Participants in the 401(k) Plan are entitled to the direct investment of the funds in the 401(k) Plan held for their accounts from a selection of investments designated by Oppenheimer including Class A Shares issued from treasury. Prior to year-end the Board conditionally issues Class A Shares to the 401(k) Plan at the closing price on the NYSE on the date of conditional issue. At the end of the year, participants select their investments and, where Class A Shares are selected, the Corporation issues Class A Shares to the 401(k) Plan at the price set as at the date of conditional issue.

Annual contributions to the 401(k) Plan vest depending on the years of service of the employee. Distributions under the 401(k) Plan are made on termination of employment, or retirement, or death and in certain other instances prescribed in the 401(k) Plan including financial hardship.

On May 9, 2005, the Class A and Class B Shareholders authorized the issue of an additional 180,000 Class A Shares to the 401(k) Plan (totalling 380,000 Class A Shares authorized since May 12, 2003). Since then, 339,323 Class A Shares have been issued to the 401(k) Plan and it is anticipated that a further 300,000 Class A Shares will be required for the 401(k) Plan for the next several years.

Accordingly, Class B Shareholders are being asked to consider and, if deemed advisable, pass a resolution authorizing the issue, from time to time, of up to an additional 300,000 Class A Shares to the 401(k) Plan at the closing NYSE price on the dates of conditional issue.

RESOLVED THAT:

1. The issue by the Board of Directors of the Corporation, from time to time, of up to an aggregate of 300,000 Class A non-voting shares of the Corporation to the Oppenheimer & Co. Inc. 401(k) Plan at the closing price per share on the New York Stock Exchange of the Class A non-voting shares on the date of issue be and they are hereby authorized.
2. The proper officers and directors of the Corporation be and they are hereby authorized and directed to take all such action and execute all such documents as are necessary to implement the terms of this resolution.

To be effective this resolution must be passed by a simple majority of the votes cast by the Class B shareholders.

The option was granted after the expiration of the 1996 Equity Incentive Plan consistent with the terms and conditions of the 1996 Equity Incentive Plan.

Inc. priced at the closing price on the New York Stock Exchange on April 27, 2006 of the Class A non-voting shares of the Corporation (subsequently determined to be \$26.50 per share) be and it is hereby approved.
2. The proper officers and directors of the Corporation be and they are hereby authorized and directed to take all such action and execute all such documents as are necessary to implement the terms of this resolution.

PART IV COMPENSATION AND OTHER MATTERS

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

The following Compensation Discussion and Analysis is provided as required by Item 402 Executive Compensation of Regulation S-K under the Exchange Act. It describes the material elements of compensation for the Corporation's named executive officers identified in the Summary Compensation Table (the Named Executives). The Compensation and Stock Option Committee of the Board (the Compensation Committee) makes all decisions for the total direct compensation (that is, the base salary, bonus awards, stock options and stock awards) of the Corporation's executive officers, including the Named Executives. The Compensation Committee's recommendations for the total direct compensation of the Corporation's Chief Executive Officer (the CEO) are subject, in part, to the Performance-Based Compensation Agreement, Amended and Restated March 15, 2005, which was included as Schedule E in the Corporation's Proxy Circular dated March 24, 2005 and which received shareholder approval on May 9, 2005 (the Performance-Based Compensation Agreement).

The day-to-day design and administration of health benefits, the deferred compensation plans and the 401(k) plan and other employee benefits plans and policies applicable to salaried U.S.-based employees in general are handled by Oppenheimer's Human Resources, Finance and Legal Department employees. The Compensation Committee remains responsible for certain fundamental changes outside the day-to-day requirements necessary to maintain these plans and policies.

The Corporation has adopted a Compensation and Stock Option Committee Charter which is posted on the Corporation's website www.opco.com. The processes and procedures of the Compensation Committee are discussed below as is the role of the Compensation Committee in dealing with the Chief Executive Officer's compensation and the compensation of other Named Executives. Under its Charter, the Compensation Committee is required to discharge the Board's responsibilities relating to compensation of the Corporation's senior executive officers and to report thereon to shareholders in the Corporation's Annual Management Proxy Circular. The Compensation Committee relies on recommendations from the Chief Executive Officer with respect to the compensation of Named Executives other than the Chief Executive Officer.

For the purposes of determining 2006 executive compensation, the Compensation Committee did not retain compensation consultants although it is open to the Compensation Committee to retain compensation consultants when deemed necessary.

Objectives and Policies

The Committee's objective is to provide a competitive compensation program with appropriate incentives for superior performance, thereby providing a strong and direct link between corporate and individual performance and compensation. The Corporation's compensation policy with respect to its named executives has the following stated objectives:

recruit, motivate, reward and retain the high performing executive talent required to create superior long-term total shareholder returns in comparison to its peer group;

reward executives for short-term performance as well as the growth in enterprise value over the long-term;

provide a competitive package relative to industry-specific and general industry comparisons and internal pay equity, as appropriate; and

ensure effective utilization and development of talent by working in concert with other management processes for example, performance appraisal, succession planning and management development.

The Corporation's compensation program for senior executive officers, including the Named Executives, consists of the following key elements: a base salary, an annual bonus, grants of stock options and, in the case of the CEO, the Performance-Based Compensation Agreement.

In arriving at its recommendations concerning the specific components of the Corporation's compensation program, the Compensation Committee considers certain public information about the compensation paid by a group of

Table of Contents

comparable public Canadian and U.S. broker-dealers and the relative performance of the Corporation as measured by net income levels and earnings per share, among other factors. The goal of the Compensation Committee is to provide the compensation structure to enable the Corporation to retain and reward the executive officers that it believes are critical to its long-term success. The Compensation Committee also structures compensation to ensure that a portion of its named executives' compensation is directly related to its share performance and other factors that directly and indirectly influence shareholder value.

The Compensation Committee believes incentive compensation (annual bonus and to a lesser extent, share-based awards) should comprise between 65% to 95% of total compensation for the named executives because:

these executive officers are in positions to influence corporate direction;

his/her compensation is at risk in proportion to financial results that warrant such payments;

tying the majority of total compensation to incentive payments helps ensure focus on the Corporation's goals; and

the volatile nature of the Corporation's market-driven business should be reflected in compensation.

Generally, the Compensation Committee's approach has been to approve total compensation including annual bonuses for the Corporation's Named Executives. The Compensation Committee does not necessarily grant share-based awards on an annual basis to employees, including the Named Executives, but considers the number of outstanding share-based awards already awarded to the employee when determining total compensation in any year. Upon the expiration of an employee's share-based awards, the Compensation Committee makes the determination whether or not to grant new awards and on what terms. All share-based awards are priced at grant date fair value. The Compensation Committee believes that, as shareholders, the Named Executives will be motivated to consistently deliver financial results that build wealth for all shareholders over the long-term. However, with the adoption of Statement of Financial Accounting Standards (SFAS) 123(R), Share-Based Payment, on January 1, 2006, the Corporation is required to expense stock options. During 2006, the Corporation granted only a very limited number of stock options and none to the Named Executives. The Compensation Committee is cognizant of the impact of SFAS 123(R) on the Corporation's financial results and will strive to balance the granting of stock options and stock awards with the other objectives of executive compensation set forth above.

The Compensation Committee believes that this approach best serves the interests of shareholders by enabling the Corporation to structure compensation in a way that meets the requirements of the highly competitive environment in which the Corporation operates, while ensuring that senior executive officers are compensated in a manner that advances both the short and long-term interests of shareholders.

Compensation for the Corporation's senior executive officers, except the CEO, involves a significant component of remuneration which is contingent on the performance of both the Corporation and the senior executive officer: the annual bonus (which permits individual performance to be recognized on an annual basis, and which is based, in significant part, on an evaluation of the contribution made by the officer to corporate performance) and stock options (which directly relate a portion of compensation to stock price appreciation realized by the Corporation's shareholders).

Determination of 2006 compensation

The Compensation Committee, with recommendations from the CEO, determined all compensation for each Named Executive, except the CEO, for 2006. See discussion of CEO compensation below.

The Compensation Committee determines the Named Executives' annual salaries, annual bonus and share-based awards by reference to the executive's position, responsibilities and performance. Some of the factors considered by the Compensation Committee are:

the position's responsibilities relative to the Corporation's total earnings, use of invested capital, and the stable generation of earnings and cash flows, and

the position's impact on key strategic initiatives.

Table of Contents

The CEO assessed each Named Executive's performance under the performance assessment program, and the Compensation Committee assessed the CEO's performance. The Corporation's performance assessment program rates performance in different competencies, as follows:

- strategic thinking,
- integrity,
- managing employee performance and morale,
- financial responsibility,
- achievement focus,
- business judgment,
- planning & organization,
- leadership,
- mentoring,
- relationship building,
- compliance with regulatory requirements and company policies,
- profitability of business unit, if applicable,
- conflict resolution, and
- communications.

Base Salary. Salaries paid to senior executive officers (other than the Chief Executive Officer) are reviewed annually by the Compensation Committee considering recommendations made by the Chief Executive Officer to the Compensation Committee, based upon the Chief Executive Officer's assessment of the nature of the position, and the skills, experience and performance of each senior executive officer, as well as salaries paid by comparable companies in the Corporation's industry. The Compensation Committee then makes recommendations to the Board with respect to base salaries.

Annual Bonus. Bonuses paid to senior executive officers (other than the CEO) are reviewed annually by the Compensation Committee considering recommendations made by the CEO to the Compensation Committee, based upon the CEO's assessment of the performance of the Corporation and his assessment of the contribution of each senior executive to that performance. The Compensation Committee then makes recommendations to the Board with respect to bonuses. Senior executive officers, including the CEO, of Oppenheimer have the right to elect to defer a portion of their annual bonus and performance-based compensation under Oppenheimer's Executive Deferred Compensation Plan, a non-qualified unfunded plan.

Stock Option Grants. Under the Corporation's 1996 Equity Incentive Plan and 2006 Equity Incentive Plan (together the "EIP"), senior executive officers and employees of the Corporation and its subsidiaries were and may be granted

stock options by the Compensation Committee based upon a variety of considerations, including the date of the last grant made to the officer or employee, as well as considerations relating to the contribution and performance of the specific optionee.

No Backdating or Spring Loading: The Corporation does not backdate options or grant options retroactively. In addition, it does not plan to coordinate grants of options so that they are made before announcement of favorable information, or after announcement of unfavorable information. The Corporation's options are granted at fair market value on a fixed date or event (such as the first regular meeting of the Board of Directors following an employee's hire), with all required approvals obtained in advance of or on the actual grant date. All grants require the approval of the Compensation Committee and confirmation by the Board.

Fair Market Value: Fair market value has been consistently determined, as required by the EIP, as the closing price on the New York Stock Exchange (NYSE) on the grant date. In order to ensure that an exercise price fairly reflects all material information without regard to whether the information seems positive or negative every grant of options is contingent upon an assurance by the Corporation's General Counsel that the Corporation is not in possession of material

Table of Contents

non-public information. If the Corporation is in possession of such information, grants or the determination of a stock option exercise price are suspended until the second business day after public dissemination of the information.

Stock Awards. Under the Corporation's Employee Share Plan (the "ESP"), executive officers and employees of the Corporation and its subsidiaries (other than the Chief Executive Officer) are granted stock awards by the Compensation Committee based upon the recommendations of the Chief Executive Officer and based upon a variety of considerations, relating to the contribution and performance of the specific awardee. A limited number of senior executives and employees, including Mr. Okin, are offered the opportunity to elect to receive up to 25% of their year-end bonus in Class A Shares. Under the terms of this offer, the employee elects with respect to his/her year-end bonus at the end of the preceding fiscal year and may elect to purchase the Class A Shares at fair market value on the date (within the first week of January) in the following fiscal year, determined by the Compensation Committee).

Executive Deferred Compensation Plan. The Executive Deferred Compensation Plan ("EDCP") was established with a dual purpose. The EDCP, together with its sister plan, the Deferred Incentive Plan ("DIP"), is maintained to offer certain high-performing financial advisors bonuses requiring a mandatory deferral subject to vesting provisions. Further description of the EDCP and the DIP can be found in note 12 to the Corporation's consolidated financial statements for the year ended December 31, 2006. The EDCP also provides for voluntary deferral of year-end bonuses by its senior executives. These voluntary deferrals are not subject to vesting. The Company does not make contributions to the EDCP for the Named Executives and other senior level executives. Mr. Lowenthal has made voluntary deferrals into the EDCP.

Benefits. As salaried, U.S.-based employees, the Named Executives participate in a variety of benefits designed to enable the Corporation to attract and retain its workforce in a competitive marketplace. Health and welfare benefits help ensure that the Corporation has a productive and focused workforce through reliable and competitive health and other benefits. Deferred compensation and 401(k) plans help employees, especially long-service employees, save and prepare financially for retirement. The Named Executives receive the same benefits as all full time employees. Oppenheimer's qualified 401(k) Plan allowed employees to contribute up to \$15,000 for 2006 (\$15,500 for 2007) plus an additional \$5000 for employees over age 50. Employees may continue to retain their 401(k) Plan account after they leave Oppenheimer so long as their account balance is \$5000 or more. At age 70.5, minimum distributions must begin.

Perquisites. The Named Executive Officers, along with other senior management employees, are provided a limited number of perquisites whose primary purpose is the Corporation's desire to minimize distractions from the executives' attention to important corporate initiatives. An item is not a perquisite if it is integrally and directly related to the performance of the executive's duties. An item that is not integrally and directly related to the performance of the executive's duties is a perquisite if it confers a direct or indirect benefit that has a personal aspect, without regard to whether it may be provided for some business reason or for the convenience of the Corporation, unless it is generally available on a non-discriminatory basis to all employees.

The Corporation provides the following, all of which are quantified in the Summary Compensation Table, below and detailed in the All Other Compensation table, below.

Award trips There are two annual Award Trips for Oppenheimer's highest producing financial advisors and their spouses. The Chairman's Council Trip rewards the 40 highest producers and the Executive Council Trip rewards the next 40 highest producers. Messrs. Lowenthal, Okin and Neuhoff host these trips, along with their spouses. The value of the perquisites with respect to spousal travel is included in the Summary Compensation Table, below.

Parking Messrs. Lowenthal, Okin and Ms. Roberts have company-paid parking arrangements. This benefit is included in the Summary Compensation Table, below.

Relocation costs Mr. Alfano, who joined Oppenheimer on April 3, 2006, was provided with a relocation cost allowance. This benefit is included in the Summary Compensation Table, below.

The Corporation does not provide the Named Executives with any other perquisites such as split-dollar life insurance, reimbursement for legal counseling for personal matters, or tax reimbursement payments. The Corporation does not provide loans to executive officers, other than margin loans in margin accounts with Oppenheimer in connection with the purchase of securities (including securities of the Company) which margin accounts are substantially on the same terms, including interest rates and collateral, as those prevailing from time to time for comparable transactions with non-affiliated persons and do not involve more than the normal risk of collectibility.

Table of Contents

Separation and Change in Control Arrangements The Named Executive Officers are not eligible for benefits and payments if employment terminates in a separation or if there is a change in control, except for Mr. Alfano as described in note 2 to the Summary Compensation Table, below.

The Corporation does not sponsor a pension plan for its employees.

Chief Executive Officer Compensation

Mr. A.G. Lowenthal, the Chairman of the Board and the Chief Executive Officer of the Corporation and Oppenheimer, is paid a base salary set by the Compensation Committee, plus performance-based compensation under the Performance-Based Compensation Agreement and, at the discretion of the Committee, is eligible for bonuses and grants of stock options.

On March 15, 2005, the Corporation and Mr. A.G. Lowenthal entered into the Performance-Based Compensation Agreement. The purpose of the Performance-Based Compensation Agreement is to set the terms under which Mr. Lowenthal's annual performance-based compensation is to be calculated during the term thereof.

In March of 2006, the Committee established performance goals under the Performance-Based Compensation Agreement entitling Mr. Lowenthal to a Performance Award under the Performance-Based Compensation Agreement for the year 2006 of an aggregate of up to \$5 million (the maximum bonus available in a single year) determined by the application of a formula based on the following components: (i) the amount by which the closing price of one Class A Share at January 1, 2006, exceeded the closing price of one Class A Share as at December 31, 2003 multiplied by 200,000 shares; (ii) 5% of the amount by which the Corporation's adjusted consolidated profit before income taxes for the year ended December 31, 2006 exceeded 10% of the amount of the Corporation's consolidated shareholders' equity as at December 31, 2005; and (iii) 2.5% of pre tax profit up to \$10,000,000, 4% of pre tax profit in excess of \$10,000,000 up to \$40,000,000, and 5% of pre tax profit over \$40,000,000. The application of the 2006 formula as set out above produced a bonus of \$5 million for fiscal 2006. Mr. Lowenthal declined to accept his bonus in full. Mr. Lowenthal's bonus is included in the Summary Compensation Table, below. In March of 2006, the Committee set Mr. Lowenthal's base salary for 2006 at \$500,000.

U.S. Internal Revenue Code Section 162(m)

The Corporation is a Canadian taxpayer. However, because Oppenheimer is a U.S. taxpayer, most compensation issues are affected by the U.S. Internal Revenue Code of 1986, as amended (the "U.S. Tax Code").

Section 162(m) of the U.S. Tax Code generally disallows a tax deduction to public corporations for annual compensation of over \$1,000,000 paid to any of the Corporation's chief executive officer and four other most highly paid executive officers (determined as of the end of each fiscal year) unless such compensation constitutes qualified performance-based compensation.

The Performance-Based Compensation Agreement was adopted and approved by the Class B Shareholders so that it would satisfy the requirements for performance-based compensation.

To the extent consistent with the Corporation's general compensation objectives, the Committee considers the potential effect of Section 162(m) on compensation paid to the executive officers of the Corporation and its subsidiaries. However, the Committee reserves the right to award and recommend the awarding of non-deductible compensation in any circumstances it deems appropriate. Further, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the regulations issued thereunder, no assurance can be given, notwithstanding the

Corporation's efforts to qualify, that the compensation paid by the Corporation to its executive officers will in fact satisfy the requirements for the exemption from the Section 162(m) deduction limit.

Notes:

- The Bonus amounts are not reduced by the Named Executive's election, if any, to defer receipt of bonuses into the EDCP or, in the case of Mr. Okin, an election to convert a portion of his bonus into the purchase of Class A

Shares.

2. The values of stock options (granted under the EIP) and stock awards (granted under the ESP) represents the dollar amount recognized for financial statement reporting purposes for the year ended December 31, 2006 based on grant date fair value. The underlying assumptions and methodology are described in note 12 to the Corporation's consolidated financial statements for the year ended December 31, 2006.

With respect to fiscal 2006, in lieu of taking his full year-end bonus in cash, Mr. Okin elected to purchase 5,264 Class A Shares priced at \$33.24 per share. The price per share was the closing price of the Class A Shares on the NYSE for the January 5, 2007 grant date. In connection with his election to purchase Class A Shares with a portion of his year-end cash bonus, Mr. Okin was granted a restricted stock award under the ESP on January 5, 2007 for 790 restricted shares, subject to a three-year service requirement which cliff-vests on January 15, 2010. In addition, on January 3, 2006, Mr. Okin received 22,222 Class A Shares awarded on January 3, 2003 in connection with his initial employment by the Corporation. The value of these 22,222 Class A Shares on receipt was determined to be \$19.71 per share or \$437,996 in aggregate. In connection with the terms of his employment, Mr. Alfano was awarded 25,000 restricted shares under the ESP which is subject to a five-year service requirement and which cliff-vests on April 26, 2011. In addition, on April 27, 2006, Mr. Alfano was granted an option on 10,000 Class A Shares which vests as follows: 25% on April 27, 2008; 25% on April 27, 2009; 25% on April 27, 2010; 25% on October 27, 2010 and expires on April 26, 2011. Mr. Alfano's stock option and restricted shares immediately vest upon a change of control of more than 50% of the Class B voting shares of the Corporation or the sale of Oppenheimer. Such earnings (or losses) for fiscal 2006 are reflected in column d of the table. Account balances may be invested in phantom investments selected by the Named Executives from a menu of deemed investment choices. Participants may change their deemed investment choices quarterly. When participants elect to defer amounts into the EDCP, they also elect when the amounts will ultimately be paid out to them. Distributions may either be made in a specific future year or at a time that begins after retirement. In accordance with Section 409 A of the Internal Revenue Code, in general distribution schedules cannot be accelerated (other than for hardship) and to delay distribution, the participant must make such an election at least one year before distribution would otherwise have commenced and the new distribution must be delayed a minimum of five years after distribution would have initially begun.

SCHEDULE A

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Mandate and Duties of the Board of Directors

The fundamental responsibility of the Board is to supervise the management of the business of the Corporation with a view to maximizing shareholder value and ensuring corporate conduct in a legal and ethical manner through a system of corporate governance and internal controls appropriate to the Corporation's business. Given the nature of the Corporation's business and the size and composition of the Board, the Board has determined that there is no current need to develop specific mandates or position descriptions for the Board, the lead director, the chief executive officer or the chairs of the Board committees. The Board has adopted a statement of Corporate Governance Guidelines to which it adheres. The Corporation has a Code of Conduct and Business Ethics for Directors, Officers and Employees which is posted on the Corporation's website www.opco.com and available in hard copy from the Corporation's head office. No waivers were granted in 2006 or to date in 2007 under the Code for Directors, Officers and Employees.

In fulfilling its mandate, the Board's responsibilities include:

the establishment and maintenance of an appropriate system of corporate governance, including practices to ensure that the Board functions effectively and independently of management;

monitoring and overseeing the Corporation's strategic planning;

monitoring the performance of the Corporation's business, identifying and evaluating opportunities and risks and controlling risk;

overseeing monitoring systems for internal controls, audit and information management systems;

assessing and monitoring the performance of senior management and overseeing succession planning;

remuneration of executive officers and senior management and reviewing the general compensation policy of the Corporation;

reviewing and approving the Corporation's financial statements and overseeing the Corporation's compliance with applicable audit, accounting and financial reporting requirements; and

overseeing corporate communications to all stakeholders.

Independence of the Board of Directors

Four of the Corporation's seven directors are independent as required by the CSA Guidelines for Corporate Governance and by the New York Stock Exchange Corporate Governance Rules. To be considered independent under these rules, the Board must determine that a Director has no direct or indirect material relationship with the Corporation. The board has determined that Messrs. Bitove, Crystal, McArthur and Winberg (the non-management directors) are independent directors and that Mr. Lowenthal, the Chairman of the Board and chief executive officer of the Corporation, Ms. Roberts, the President and Treasurer of the Corporation, and Mr. Oughtred, the Secretary of the Corporation, are not independent.

The Board has not adopted formal categorical standards to assist in determining independence. The Board has considered the relationship of each non-management/officer director and has made a determination that the four non-management/officer directors of the Corporation are independent.

Of the four non-management/officer Directors, the Board has determined that the only Director that has a relationship with the Corporation (other than as a Director) is Mr. Crystal. The Board has determined that although Mr. Crystal is a partner in the firm of Thelen Reid Brown Raysman & Steiner LLP, which firm provides legal services to the Corporation, in view of the professional ethical standards which govern his conduct, the fact that less than one percent of the annual revenues of his firm are derived from the Corporation and that Mr. Crystal receives no direct compensation from the Corporation other than his Director's compensation, his relationship with the Corporation is not material for the purposes of determining that Mr. Crystal is an independent director.

A-1

Table of Contents

At each regular Board and Audit Committee meeting, the independent directors are afforded an opportunity to meet in the absence of management. During 2006, four meetings of the independent directors were held in the absence of management. As well, at quarterly meetings of the Audit Committee, the members of the Committee are afforded the opportunity to meeting with the auditors in the absence of management.

The independent Directors and the Directors that are not independent, understand the need for directors to be independent minded and to assess and question management initiatives and recommendations from an independent perspective. The Board has a Lead Director, Mr. K.W. McArthur, an independent director who, among other things, chairs sessions of the independent directors in the absence of management.

A majority of the directors are independent. Assuming the slate of directors nominated for election at the Corporation's 2007 shareholders meeting are elected, four of the seven directors will be independent.

Orientation and Continuing Education

The Nominating/Corporate Governance Committee of the Board, as required by its Charter, is responsible for the orientation of new directors as to the business of the Corporation, the role of the board and the Board committees.

The Board encourages the Directors to maintain the skill and knowledge necessary to meet their obligations as Directors. This includes attendance at continuing education sessions and providing written materials on governance and related matters. Mr. A.W. Oughtred attended the Institute of Corporate Directors (Canada) Corporate Governance College Programme and is certified as an Institute of Corporate Directors Director (ICD.D).

- (a) **Eligibility.** Incentive Stock Options may be granted solely to Eligible Employees who are employees of the Company or any Participating Company.
- (b) **Option Price.** Except as provided in Section 6(c), the option price per Class A Share underlying each Option shall be determined by the Committee and shall be at least 100% of the Fair Market Value of a Class A Share at the time such Option is granted.

- (d) **Annual Limit.** To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Class A Shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year under the Plan and/or any other stock option plan of the Company, any Subsidiary or any Parent, exceeds \$100,000 or any other maximum established under the Code for Incentive Stock Options that may be granted to an individual employee, such Options shall be treated as Nonqualified Stock Options.
- (e) **Medium and Time of Payment.** An Option shall be exercised by giving written notice of exercise to the Company. Such notice shall specify the number of Class A Shares to be purchased and shall be accompanied by payment in full of the purchase price as follows: (i) in cash or by certified cheque, cashier's cheque, money order or bank draft payable to the order of the Company for the full purchase price therefor; (ii) solely to the extent permitted by applicable law, if the Class A Shares are traded on an established securities exchange, the Toronto Stock Exchange or the New York Stock Exchange, and the Committee authorizes, through a procedure whereby the Participant delivers irrevocable instructions to a broker reasonably acceptable to the Committee to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and conditions as may be acceptable to the Committee (including, without limitation, the relinquishment of Options or by payment in full or in part in the form of Class A Shares owned by the Participant based on the Fair Market Value of the Class A Shares on the payment date as determined by the Committee). In addition, the Participant shall, upon notification of the amount due and prior to, or concurrently with, the delivery to the Participant of a certificate representing the Class A Shares, pay promptly any amount necessary to satisfy applicable federal, provincial, state or local tax requirements with respect to the issue or transfer of shares. No Class A Shares shall be issued until all payments therefor, as provided herein, have been made or provided for.

- (f) **Withholding.** It shall be a condition to the performance of the Company's obligation to issue or transfer Class A Shares upon exercise of an Option or Options that the Participant pay, or make provision satisfactory to the Company for the payment of, any taxes (other than stock transfer taxes) which the Company is obligated to collect with respect to the issue or transfer of Class A Shares upon such exercise.
- (g) **Exercise.** No Option granted which is an Incentive Stock Option shall be exercisable unless the Participant remains in the employ of the Company, a Parent or a Subsidiary for at least two years from the date of grant, and until the expiration of such two-year period, except as provided in Section 9 hereof

7. Terms and Conditions of Nonqualified Stock Options

Nonqualified Stock Options shall be evidenced by Award Agreements which shall be subject to the terms and conditions set forth in Section 9 of the Plan and shall contain in substance the terms and conditions set forth in subparagraphs (b), (e) and (f) of Section 6 hereof and such other terms and conditions not inconsistent therewith as the Committee may approve. The option price per Class A Share under a Nonqualified Stock Option shall be determined by the Committee and shall be at least 100% of the Fair Market Value of a Class A share at the time such option is granted.

8. Automatic Grant of Options to Non-Employee Directors

Subject to:

- (a) compliance by the Company with all applicable securities regulatory requirements; and
- (b) there being a sufficient number of Class A Shares issuable under the Plan to accommodate the automatic grant of Options provided for in this Section 8;

Options to purchase Class A Shares shall be granted to Non-Employee Directors, including members of the Committee as follows:

- (i) Commencing on December 31 of the year in which a Non-Employee Director shall have first been elected as a director of the Company and on each December 31 thereafter (provided that such person shall continue to be a Non-Employee Director), each Non-Employee Director shall be granted automatically an Option (a Director's Option) to purchase 5,000 Class A Shares for each year of service as a director; provided, however, the total number of Class A Shares subject to Options granted to a Non-Employee Director with respect to any five-year period shall not exceed 25,000 shares (reduced by the number of shares subject to any option granted to such Non-Employee Director under another plan or program of the Company). On the fifth anniversary of the date of each grant of a Director's Option or a Director's Option under the Plan or the Company's 1996 Equity Incentive Plan (collectively, a Prior Option) each Non-Employee Director shall be granted automatically a new Director's Option to purchase the same number of Class A Shares that were subject to the Prior Option. Each Director's Option shall be exercisable on a cumulative basis as to 25% of the Class A Shares covered by each such Director's Option commencing on the last days of each of the 24th, 36th, 42nd and 48th months after the date of grant and shall expire on the fifth anniversary of the grant of each Director's Option.
- (ii) Each Director's Option shall be exercisable at a price per share equal to 100% of the Fair Market Value on the date of the automatic grant.
- (iii) Any unexercised portion of any Director's Option granted under the Plan automatically shall terminate and have no further force or effect whatsoever upon the Non-Employee Director's ceasing to be a director of the Company, unless (i) such cessation of directorship shall be because of Total Disability (as determined by the Board in its discretion), in which case the Director's Option shall be exercisable within a period of one (1) year following the date of cessation of directorship by the Non-Employee Director, his or her guardian, committee or other authorized representative, or (ii) such cessation of directorship shall be because of death, in which case the Director's Option shall be exercisable within a period of one (1) year following the date of death by the Non-Employee Director's Beneficiary; provided, however, that in no event may a Director's Option be exercised after the expiration date thereof.

- (iv) Except as specifically otherwise provided in this Section 8, all Director's Options shall be subject to the provisions of the Plan as if the Non-Employee director were an officer or employee of the Company.

9. Provisions Relating to Options

Except as otherwise provided in Section 8 with respect to Director's Options, all Options granted under the Plan shall be subject to the following provisions:

- (a) **Term.** An Option shall have such term as is fixed by the Committee, provided that no Option may be exercised after the expiration of ten (10) years from the date of grant of such Option, further provided that no Incentive Stock Option granted to any individual who, at the time of the grant, owns shares of the Company

possessing more than 10% of the total combined voting power of all classes of shares of the Company or any of its Parents or Subsidiaries may be exercised after the expiration of five (5) years from the date of grant of such Option.

- (b) **Exercise.** Each Option granted under the Plan shall be exercisable with respect to such number of Class A Shares and, subject to the provisions of Section 6(g) hereof and this Section 9, at such time or times, including periodic installments, as may be determined by the Committee at the time of the grant.
- (c) **Rights as a Shareholder.** A recipient of Options shall have no rights as a shareholder with respect to any shares issuable or transferable upon exercise thereof until the date of issuance of a stock certificate to him for such shares. Except as otherwise expressly provided in the Plan, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such stock certificate is issued.
- (d) **Non-Assignability of Options.** No Option shall be assignable or transferable by the recipient except by will or by the laws of descent and distribution. During the lifetime of a recipient, Options shall be exercisable only by him.
- (e) **Effect of Termination of Employment, Disability or Death.** Subject to the other provisions of Section 9 hereof, any unexercised portion of any Option granted under the Plan automatically shall terminate and have no further force or effect whatsoever upon the Participant's ceasing to be employed by a Participating Company, (or by a corporation or subsidiary of such corporation issuing a new stock option or assuming such stock option in a transaction to which Section 424 of the Code is applicable), unless (i) such cessation of employment shall be because of (a) involuntary termination of employment by the employer corporation which the board of directors of the employer corporation in its sole discretion shall determine to be without cause, or (b) retirement in accordance with and as permitted by the terms and conditions of a retirement plan adopted by the employer corporation, in each of which cases the Option shall be exercisable within a period of three (3) months following the date of such cessation of employment, (ii) such cessation of employment shall be because of Total Disability (as determined by the Committee in its discretion), in which case the Option shall be exercisable within a period of one (1) year following the date of cessation of employment by the Participant, his or her guardian, committee or other authorized representative, or (iii) such cessation of employment shall be because of death, in which case an Incentive Stock Option shall be exercisable within a period of three (3) months, and a non-qualified stock option shall be exercisable within a period of one (1) year following the date of death by the Participant's Beneficiary; provided, however, that in no event may an Option be exercised after the expiration date thereof.
- (f) **Acceleration.** Notwithstanding anything to the contrary set forth in the Plan, but subject to Section 3(b) of the Plan, the Board shall have the power to cause all Options then outstanding to be deemed to have been amended to permit the exercise thereof in whole or in part by the holder at any time or from time to time. To the extent that an acceleration of the exercisability of an Incentive Stock Option pursuant to this paragraph causes the aggregate Fair Market Value of Class A Shares (determined as of the time the Option with respect to such stock was granted) with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year under the Plan (or any other plan of the Company or a Parent or Subsidiary providing for the grant of Incentive Stock Options) to exceed US\$100,000, such Options shall be treated as Nonqualified Stock Option.
- (g) **General Restriction.** Each Option granted under the Plan shall be subject to the requirement that, if at any time the Board shall determine, in its discretion, that the listing, registration, or qualification of the Class A Shares issuable or transferable upon exercise thereof upon any securities exchange or under any state, provincial or federal law, or the consent or approval of any governmental regulatory body, is necessary or

desirable as a condition of, or in connection with, the granting of such Option or the issue or transfer of Class A Shares thereunder, such Option may not be exercised in whole or in part unless such listing, registration, qualification, consent, or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

10. Other Stock-Based Awards.

The Committee may grant Other Stock-Based Awards under the Plan which are in the form of, or denominated in, Class A Shares, including units based on Class A Shares or Other Stock-Based Awards valued using measures other than market value, if deemed by the Committee in its discretion to be consistent with the purposes of the Plan and in compliance with applicable securities laws and the requirements of any stock exchange on which the Class A Shares are listed. Subject to the terms of the Plan, the Committee shall determine the form of such Other Stock-Based Awards, the number of Class A Shares to be granted or covered pursuant to such Other Stock-Based Awards and all other terms and conditions of such Other Stock-Based Awards.

The Committee may condition the grant, exercisability or vesting of Other Stock-Based Awards upon the attainment of specified performance criteria set forth on Exhibit A as the Committee may determine, in its sole discretion; provided that to the extent that such Other Stock-Based Awards are intended to comply with Section 162(m) of the Code, the Committee shall establish the objective performance goals for the grant, exercisability or vesting of such Other Stock-Based Awards based on a performance period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable performance period or at such later date as permitted under Section 162(m) of the Code and while the outcome of the performance goals are substantially uncertain. Such performance goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. To the extent any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect. The applicable performance goals shall be based on one or more of the performance criteria set forth in Exhibit A hereto.

11. Certificates for Awards of Class A Shares

- (a) Subject to Section 6(e), each Participant entitled to receive Class A Shares under the Plan shall be issued a certificate for such shares. Such certificate shall be registered in the name of the Participant, and shall bear an appropriate legend reciting the terms, conditions and restrictions, if any, applicable to such shares and shall be subject to appropriate stop-transfer orders.
- (b) The Company shall not be required to issue or deliver any certificates for Class A Shares prior to (i) the listing of such shares on any stock exchange or quotation system on which the Class A Shares may then be listed or quoted and (ii) the completion of any registration, qualification, approval or authorization of such Class A Shares under any federal, provincial or state law, or any ruling or regulation or approval or authorization of any governmental body which the Company shall, in its sole discretion, determine to be necessary or advisable.
- (c) All certificates for Class A Shares delivered under the Plan shall also be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Class A Shares are then listed and any applicable federal, provincial or state securities laws, and the Committee may cause a legend or legends to be placed on any such certificates to make appropriate reference to such restrictions. The foregoing provisions of this Section 11(c) shall not be effective if and to the extent that the Class A Shares delivered under the Plan are covered by an effective and current registration statement under the Securities Act of 1933, or if and so long as the Committee determines that application of such provisions is no longer required or desirable. In making such determination, the Committee may rely upon an opinion of counsel for the Company.

- (d) Each Participant who receives an award of Class A Shares shall have all of the rights of a shareholder with respect to such shares, including the right to vote the shares (if any) and receive dividends and other distributions (if any). No Participant shall have any right as a shareholder with respect to any shares subject to such Award prior to the date of issuance to him or her of a certificate or certificates for such shares.
- (e) In the discretion of the Committee and with the consent of a Participant, the requirement set out in subsection 11(a) that the Participant is entitled to the issue of a certificate for Class A Shares may be dispensed with provided arrangements are made to record the Participant's ownership rights to Class A Shares in a book-based or other recognized securities certificateless ownership system.

12. Beneficiary

- (a) Each Participant shall file with the Committee a written designation of one or more persons as the Beneficiary who shall be entitled to receive the Award, if any, payable under the Plan upon his or her death. A Participant may from time to time revoke or change his or her Beneficiary designation without the consent of any prior Beneficiary by filing a new designation with the Committee. The last such designation, or change or revocation thereof, shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt.
- (b) If no such Beneficiary designation is in effect at the time of a Participant's death, or if no designated Beneficiary survives the Participant or if such designation conflicts with law, the Participant's estate or the person or persons to whom the Participant's rights under the Award shall pass by the Participant's will or the laws of descent and distribution shall be entitled to receive the Award, if any, payable under the Plan upon his or her death. If the Committee is in doubt as to the right of any person to receive such Award, the Company may retain such Award, without liability for any interest thereon, or the Company may pay such Award into any court of appropriate jurisdiction and such payment shall be a complete discharge of the liability of the Company therefor.

13. Administration of the Plan

- (a) The Plan shall be administered by a committee or subcommittee of the Board, which shall consist of two or more persons, as appointed by the Board and serving at the Board's pleasure, each of whom shall be a member of the Board and is intended to be (i) to the extent required by Rule 16b-3 under the Securities Exchange Act of 1934 or any successor rule or regulation, a nonemployee director as defined in Rule 16b-3; (ii) to the extent required by Section 162(m) of the Code, an outside director as defined under Section 162(m) of the Code; and (iii) an independent director as defined under Section 303A.02 of the NYSE Listed Company Manual or such other applicable stock exchange rule. Except as provided in Section 8, no member of the Committee shall have been granted Options under the Plan or have been granted or awarded an Option or other right with respect to equity securities of the Company pursuant to any other plan of the Company at the time within the one-year period immediately preceding the member's appointment to the Committee. To the extent that no Committee exists which has the authority to administer the Plan, the functions of the Committee shall be exercised by the Board. If for any reason the appointed Committee does not meet the requirements of Rule 16b-3 or Section 162(m) of the Code, such noncompliance shall not affect the validity of Awards, interpretations or other actions of the Committee.
- (b) All decisions, determinations or actions of the Committee made or taken pursuant to grants of authority under the Plan shall be made or taken in the sole discretion of the Committee and shall be final, conclusive and binding on all persons for all purposes.
- (c) The Committee shall have full power, discretion and authority to interpret, construe and administer the Plan and any part thereof and any related Award agreement, and its interpretations and constructions thereof and actions taken thereunder shall be, except as otherwise determined by the Board, final, conclusive and binding on all persons for all purposes.
- (d) The Committee shall have full power, discretion and authority to prescribe and rescind rules, regulations and policies for the administration of the Plan.

- (e) The Committee's decisions and determinations under the Plan and with respect to any Award granted thereunder need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated.
- (f) The Committee shall keep minutes of its actions under the Plan. The act of a majority of the members present at a meeting duly called and held shall be the act of the Committee. Any decision or determination reduced to writing and signed by all members of the Committee shall be fully as effective as if made by unanimous vote at a meeting duly called and held.
- (g) The Committee may employ such legal counsel, including without limitation independent legal counsel and counsel regularly employed by the Company, consultants and agents as the Committee may deem appropriate

for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computations received from any such consultant or agent. All expenses incurred by the Committee in interpreting and administering the Plan, including without limitation, meeting fees and expenses and professional fees, shall be paid by the Company.

- (h) No member or former member of the Committee or the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted or not granted under it. Each member or former member of the Committee or the Board shall be indemnified and held harmless by the Company against all cost or expense (including counsel fees and expenses) or liability (including any sum paid in settlement of a claim with the approval of the Board) arising out of an act or omission to act in connection with the Plan unless arising out of such member's or former member's own fraud or bad faith. Such indemnification shall be in addition to any rights of indemnification or insurance the members or former members may have as directors or under the by-laws of the Company or otherwise.

14. Amendment or Discontinuance

The Board may, at any time, amend or terminate the Plan, except that no amendment shall increase the maximum number of shares which may be optioned (except in accordance with the provisions of Section 15 hereof), change the class of employees eligible to receive Options, decrease the option price, extend the terms of the Plan, alter the performance goals for Other Stock-Based Awards, or, except in accordance with Section 4(c), award any Option in replacement of a canceled Option with a higher exercise price than the replacement award, without the prior approval of a simple majority of the votes cast by the holders of the Class B voting shares of the Company at a meeting duly called for such purpose. All such amendments to the Plan, whether or not requiring shareholder approval, shall be subject to the approval, if applicable, or any stock exchange upon which the shares of the Company are listed. The Plan may also be amended by the Committee, provided that all such amendments shall be reported to the Board. No amendment shall become effective unless approved by affirmative vote of the Company's shareholders if such approval is necessary or desirable for the continued validity of the Plan or if the failure to obtain such approval would adversely affect the compliance of the Plan with Rule 16b-3 or any successor rule under the Securities Exchange Act of 1934, the applicable provisions of Section 162(m) of the Code or, to the extent applicable to Incentive Stock Options, Section 422 of the Code or any successor provisions under the Code, the requirements of the New York Stock Exchange Listed Company Manual, or any other rule or regulation. No amendment or termination shall, when taken as a whole, adversely and materially affect the rights of any recipient of a previously granted award without his or her consent unless the amendment or termination is necessary or desirable for the continued validity of the Plan or its compliance with Rule 16b-3 or any successor rule under the Securities Exchange Act of 1934, the applicable provisions of Section 162(m) of the Code or, to the extent applicable to Incentive Stock Options, Section 422 of the Code or any successor provisions under the Code, the requirements of the New York Stock Exchange Listed Company Manual, or any other rule or regulation. Except as otherwise provided herein, the Board may amend the Plan or any Award Agreement at any time without a Participant's consent to comply with applicable law including Section 409A of the Code.

15. Adjustments in Event of Change in Class A Shares

- (a) In the event of any recapitalization, reclassification, stock dividend, split-up or consolidation of Class A Shares, reorganization, amalgamation, combination, merger or consolidation of the Company, or other event affecting the Class A Shares as determined by the Committee, the Committee shall make appropriate adjustments in the number and kind of securities which may be issued pursuant to Awards under the Plan, including Awards then outstanding. Upon the occurrence of any other event, the Committee may make such adjustments to the terms, conditions or restrictions on securities or Awards as the Committee deems equitable with respect to such event.

- (b) The existence of any Awards does not affect in any way the right or power of the Company or its shareholders to make, authorize or determine any adjustment, recapitalization, reclassification, stock dividend, split-up, consolidation of Class A Shares, reorganization or any other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company, to create or issue any bonds, debentures, Class A Shares or other securities of the Company or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar

character or otherwise, whether or not any such action referred to in this Section 15(a) would have an adverse effect on the Plan or any Award granted hereunder.

- (c) No fractional Class A Shares will be issued on the exercise of an Award. Accordingly, if, as a result of any adjustment under this Section 15, a Participant would become entitled to a fractional Class A Share, the Participant has the right to acquire only the adjusted number of full Class A Shares and no payment or other adjustment will be made with respect to the fractional Class A Shares so disregarded.

16. Miscellaneous

- (a) Nothing in the Plan or any Award granted hereunder shall confer upon any employee any right to continue in the employ of any Participating Company or interfere in any way with the right of any Participating Company to terminate his or her employment at any time.
- (b) No Award payable under the Plan shall be deemed salary or compensation for the purpose of computing benefits under any employee benefit plan or other arrangement of any Participating Company for the benefit of its employees unless the Company shall determine otherwise.
- (c) No Participant shall have any claim to an Award until it is actually granted under the Plan. To the extent that any person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments of Awards provided for under the Plan shall be paid by the Company either by issuing Class A Shares or by delivering cash from the general funds of the Company or other property of the Company; provided, however, that such payments shall be reduced by the amount of any payments made to the participant or his or her dependents, beneficiaries or estate from any trust or special or separate fund established in connection with the Plan. The Company shall not be required to establish a special or separate fund or other segregation of assets to assure any payments, and, if the Company shall make any investments to aid it in meeting its obligations hereunder the participant shall have no right, title or interest whatever in or to any such investments except as may otherwise be expressly provided in a separate written instrument relating to such investments.
- (d) At the time of any exercise of any Option under the Plan, the Committee may, if it shall deem it necessary or desirable for any reason connected with any applicable law or regulation of any governmental authority relating to the regulation of securities, require as a condition to the issuance of any Class A Shares to the Participant that the Participant represent in writing to the Company that it is his or her then intention to acquire the shares for investment and not with a view to the distribution thereof. In the event such a representation is required and made, no shares shall be issued to the Participant unless and until the Company is satisfied with the correctness of such representation. Certificates for shares as to which such representation is required and made may, in the discretion of the Committee, and subject to any applicable securities laws or the requirements of any stock exchange upon which the Class A Shares are listed, be endorsed with a legend noting such representations.
- (e) Any Participant who disposes of any Class A Shares acquired through the exercise of an Option granted under the Plan either (a) within two years from the date of the grant of the Option pursuant to which the subject shares were acquired or (b) within one year after the issue of such shares of the Participant, shall promptly notify the Company of such disposition and the amount of consideration realized upon such disposition.
- (f) If the Committee shall find that any person to whom any Award, or portion thereof, is payable under the Plan is unable to care for his or her affairs because of illness or accident, or is a minor, then any payment due him or her (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the

Committee so directs the Company, be paid to his or her spouse, child or relative, or an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Company therefor.

- (g) The right of any Participant or other person to any Award under the Plan may not be assigned, transferred, pledged or encumbered, either voluntarily or by operation of law, except as provided in Section 9 with respect to the designation of a Beneficiary or as may otherwise be required by law. If, by reason of any attempted assignment, transfer, pledge or encumbrance or any bankruptcy or other event happening at any time, any

amount payable under the Plan would be made subject to the debts or liabilities of the Participant or his or her Beneficiary or would otherwise devolve upon anyone else and not be enjoyed by the Participant or his or her Beneficiary, then the Committee may terminate such person's interest in any such payment and direct that the same be held and applied to or for the benefit of the Participant, his or her Beneficiary or any other persons deemed to be the natural objects of his or her bounty, taking into account the expressed wishes of the Participant, (or, in the event of his or her death, those of his or her Beneficiary) in such manner as the Committee may deem proper.

- (h) Copies of the Plan and all amendments, administrative rules and procedures and interpretations shall be made available for review to all Eligible Employees and Non-Employee Directors at all reasonable times at the Company's administrative offices.
- (i) The Committee may cause to be made, as a condition precedent to the payment of any Award, or otherwise, appropriate arrangements with Participant or his or her Beneficiary, for the withholding of any federal, provincial, state or local taxes. The Committee may in its discretion permit the payment of such withholding taxes by authorizing the Company to withhold Class A Shares to be issued, or by delivering to the Company shares of Class A Shares owned by the Participant or Beneficiary, in either case having a Fair Market Value equal to the amount of such taxes.
- (j) The Plan and the grant of Awards shall be subject to all applicable federal, state and provincial laws, rules and regulations and to such approvals by any governmental or regulatory agency as may be required.
- (k) To the extent applicable, the Plan is intended to comply with the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent. To the extent that any Award is subject to Section 409A of the Code, it shall be paid in a manner that will comply with Section 409A of the Code, including proposed, temporary or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto.
- (l) The Plan is an unfunded plan for incentive and deferred compensation. With respect to any payments as to which a Participant has a fixed and vested interest but that are not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general unsecured creditor of the Company.
- (m) No Award granted or amount paid with respect to any Award under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Participating Company nor affect any benefits under any other benefit plan now or subsequently in effect under which the availability or amount of benefits is related to the level of compensation, except as may be specifically provided for in any such retirement or benefit plan.
- (n) All elections, designations, requests, notices, instructions and other communications from a Participant, Beneficiary or other person to the Committee, required or permitted under the Plan, shall be in such form as is prescribed from time to time by the Committee and shall be mailed by first class mail or delivered to such location as shall be specified by the Committee.
- (o) The terms of the Plan shall be binding upon the Company and its successors and assigns.
- (p) Absence on leave approved by a duly constituted officer of the Company shall not be considered interruption or termination of employment for any purposes of the Plan; provided, however, that no Award may be granted to an Eligible Employee or Non-Employee Director while he or she is absent on leave.

- (q) Captions preceding the sections hereof are inserted solely as a matter of convenience and in no way define or limit the scope or intent of any provisions hereof.

17. Effective Date and Shareholder Approval

The Effective Date of the Plan shall be December 11, 2006, subject to approval by the holders of a majority of Class B voting Shares present in person or by proxy at the Company's 2007 Annual and Special Meeting of Shareholders. No Awards will be granted under the Plan after the expiration of ten years from the Effective Date, but Awards granted prior to such date may extend beyond that date; provided that no Other Stock-Based Award that is intended to be performance-
