Explanatory Note

The Common Shares (the Common Shares) of Thomson Reuters Corporation (the Company) that are the subject matter of this Schedule 13D include the 452,082,798 Common Shares that are the subject matter of a Schedule 13D (the Woodbridge 13D) filed on May 12, 2008 by The Woodbridge Company Limited (Woodbridge), which beneficially owns those 452,082,798 Common Shares.

On April 17, 2008, The Thomson Corporation, renamed as Thomson Reuters Corporation, completed its acquisition of Reuters Group PLC (Reuters) by implementing a dual listed company (DLC) structure (the Transaction). Thomson Reuters, the unified group operating under the DLC structure, has two parent companies, both of which are publicly listed Thomson Reuters Corporation, an Ontario corporation, and Thomson Reuters PLC, a new UK company in which Reuters shareholders received shares as part of their consideration in the Transaction. Thomson Reuters Corporation and Thomson Reuters PLC operate as a unified group pursuant to contractual arrangements and provisions in their organizational documents. Under the DLC structure, shareholders of Thomson Reuters Corporation and Thomson Reuters PLC both have a stake in Thomson Reuters, with cash dividend, capital distribution and voting rights that are comparable to the rights they would have if they were holding shares in one company carrying on the Thomson Reuters business.

Under the DLC structure, holders of Common Shares and ordinary shares (Ordinary Shares) of Thomson Reuters PLC ordinarily vote together as a single decision-making body, including in the election of directors, and in that sense have voting interests in Thomson Reuters. Based on the issued share capital of Thomson Reuters Corporation and Thomson Reuters PLC as of April 30, 2008, Woodbridge has a voting interest in Thomson Reuters of approximately 54% and thus is the principal and controlling shareholder of Thomson Reuters.

Woodbridge, a private company, is the primary investment vehicle for members of the family of the late Roy H. Thomson, the first Lord Thomson of Fleet. Prior to his death in 2006, Kenneth R. Thomson controlled the Company through Woodbridge. He did so by holding shares of a holding company of Woodbridge, Thomson Investments Limited. Under his estate arrangements, the 2003 TIL Settlement, a trust of which The Bank of Nova Scotia Trust Company (the Trust Company) is trustee and members of the family of the late first Lord Thomson of Fleet are beneficiaries, holds those holding company shares. Kenneth R. Thomson established these arrangements to provide for long-term stability of the business of Woodbridge. The equity of Woodbridge continues to be owned by members of successive generations of the family of the first Lord Thomson of Fleet. Under the Kenneth R. Thomson estate arrangements, the directors and officers of Woodbridge are responsible for its business and operations. In certain limited circumstances, including very substantial dispositions of Common Shares by Woodbridge, the estate arrangements provide for approval of the Trust Company, as trustee, to be obtained. This Schedule 13D is being filed as the Transaction has been completed. There has been no change in the Thomson family's beneficial ownership of the Common Shares. This Schedule 13D amends and restates the Schedule 13D filed by the Trust Company and The Bank of Nova Scotia (the Bank) on April 27, 2007 relating to The Thomson Corporation, and is a new Schedule 13D in respect of Thomson Reuters Corporation.

The filing of this Schedule 13D by the Trust Company and the Bank should not be construed as an admission that either the Trust Company or the Bank is, for purposes of section 13(d) or 13(g) of the Securities Exchange Act of 1934, as amended (the Exchange Act), the beneficial owner of the 452,082,798 Common Shares included in this Schedule 13D.

The Trust Company became Trustee in the ordinary course of its corporate trust business and not with any purpose or effect of changing control of the Company. As non-U.S. financial
