### INDEX TO FINANCIAL STATEMENTS AND PRO FORMA FINANCIAL INFORMATION

The following historical financial statements and pro forma financial information is presented in accordance with Rule 3-14 and Article 11, respectively, of Regulation S-X of the Securities and Exchange Commission. The historical financial statements have been audited only for certain properties acquired. With respect to the properties acquired from Faison Enterprises, the historical combined financial statement has been audited only for the most recent fiscal year as the transaction did not involve a related party and the registrant, after reasonable inquiry, is not aware of any material factors related to the acquired properties not otherwise disclosed that would cause the reported financial information to not be necessarily indicative of future operating results. In accordance with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission, certain unaudited financial information for properties acquired during 2003 that are not individually significant has also been presented. In addition, as the properties will be directly or indirectly

owned by entities that will elect or have elected to be treated as real estate investment trusts (as specified under sections 856-860 of the Internal Revenue Code of 1986) for Federal income tax purposes, a presentation of estimated taxable operating results is not applicable.

### INDEPENDENT AUDITORS' REPORT

To the Board of Directors of CBL & Associates Properties, Inc.:

We have audited the accompanying combined statement of certain revenues and certain operating expenses (the "Statement") of Valley View Mall, Cross Creek Mall, Southpark Mall and River Ridge Mall (the "Faison Properties") for the year ended December 31, 2002. This Statement is the responsibility of the management of CBL & Associates Properties, Inc. (the "Company"). Our responsibility is to express an opinion on the Statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Statement. We believe that our audit provides a reasonable basis for our opinion.

The accompanying Statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the filing of a Form 8-K of the Company) as described in Note 1 to the Statement, and is not intended to be a complete presentation of the Faison Properties' revenues and expenses.

In our opinion, such Statement presents fairly, in all material respects, the certain revenues and certain operating expenses described in Note 1 to the Statement for the year ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America.

FAISON PROPERTIES

NOTES TO COMBINED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2002 AND THE NINE MONTHS ENDED  
SEPTEMBER 30, 2003 (UNAUDITED)

NOTE 1. ORGANIZATION AND BASIS FOR PRESENTATION

## Edgar Filing: CBL & ASSOCIATES PROPERTIES INC - Form 8-K

The accompanying combined statements of certain revenues and certain operating expenses (the "Statements") relate to Valley View Mall, Cross Creek Mall, Southpark Mall, and River Ridge Mall (the "Faison Properties"). The Faison Properties are affiliated through common ownership and common property management.

Valley View Mall is an approximately 787,255-square-foot, two-level regional mall in Roanoke, Virginia. Cross Creek Mall is an approximately 1,054,034-square-foot, super regional mall in Fayetteville, North Carolina. Southpark Mall is an approximately 626,806-square-foot regional mall in Colonial Heights, Virginia. River Ridge Mall is an approximately 784,775-square-foot, one-level regional mall in Lynchburg, Virginia.

CBL Associates Properties, Inc., ("CBL") purchased the Faison Properties in four separate transactions, all of which occurred during 2003. The results of operations of the Faison Properties from the dates they were acquired by CBL through December 31, 2003, are included in CBL's historical results of operations for the year ended December 31, 2003.

The Statement is prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the Statements are not representative of the actual operations of the Faison Properties for the periods presented as certain revenues and certain operating expenses have been excluded. Such items include depreciation, amortization, interest expense, management fees and interest income.

### NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition - Rental income comprises minimum rents, expense reimbursements and percentage rent payments. Minimum Rents with fixed increases are recognized on a straight-line bases over the initial terms of the related leases. Expense reimbursements are recognized in the period that the applicable costs are incurred. The Faison Properties account for these leases as operating leases as the Properties have retained substantially all risks and benefits of property ownership. Percentage rent income is recognized when the tenant's reported sales have reached certain levels specified in the respective lease.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The accompanying combined financial statements for the nine months ended September 30, 2003 are unaudited; however, they have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and in conjunction with the rules and regulations of the U.S. Securities and Exchange Commission. Accordingly, they do not include all of the disclosures required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management of Faison Properties, all adjustments (consisting

solely of normal recurring matters) necessary for a fair presentation for the interim period have been included. The results for the interim period ended

September 30, 2003, are not necessarily indicative of the results that may be expected for the full year.

### NOTE 3. LEASING ACTIVITIES

The Faison Properties have non-cancelable operating leases with tenants requiring monthly payments of specified minimum rent. A majority of the leases require reimbursement by the tenant of substantially all operating expenses of the Properties. Future minimum rental commitments under the non-cancelable operating leases at December 31, 2002 are as follows:
