BOARD OF DIRECTORS AND COMMITTEES

Independent and Outside Directors

The Israeli Companies Law requires Israeli companies with shares that have been offered to the public in or outside of Israel to appoint at least two outside directors. No person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as an outside director or may otherwise interfere with the person's ability to serve as an outside director. If, at the time outside directors are to be appointed, all current members of the Board of Directors are of the same gender, then at least one outside director must be of the other gender.

Outside directors are elected by shareholders. The shareholders voting in favor of their election must include at least one-third of the shares of the

Edgar Filing: RADA ELECTRONIC INDUSTRIES LTD - Form 6-K

non-controlling shareholders of the company who are present at the meeting. This minority approval requirement need not be met if the total shareholdings of

5

those non-controlling shareholders who vote against their election represent 1% or less of all of the voting rights in the company. Outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company.

Any committee of the Board of Directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Audit Committee

Our Audit Committee, established in accordance with Section 114 of the Israeli Companies Law and Section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our Board of Directors in overseeing the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, the performance of our internal audit function and independent public accountants, finding any defects in the business management of our company for which purpose the Audit Committee may consult with our independent auditors and internal auditor, proposing to the Board of Directors ways to correct such defects, approving related-party transactions as required by Israeli law, and such other duties as may be directed by our Board of Directors.

Our Audit Committee consists of three board members who satisfy the "independence" requirements of the SEC, Nasdaq and Israeli Law for audit committee members. Our Audit Committee is currently composed of Ms. Hava Snir and Messrs. Zvi Tropp and Asaf Agmon, each of whom satisfies these requirements. The Audit Committee meets at least once each quarter.

Under Israeli law, an audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two outside directors are serving as members of the audit committee and at least one of the outside directors was present at the meeting in which an approval was granted.

The Audit Committee reviewed our audited financial statements for the year ended December 31, 2003 and members of the committee met with both management and our external auditors to discuss those financial statements. Management and the external auditors have represented to the Audit Committee that the financial statements were prepared in accordance with the generally accepted accounting principles. Members of the Audit Committee have received from and discussed with the external auditors their written disclosure and letter regarding their independence from our company as required by Independence Standards Board Standard No. 1. Members of the Audit Committee also discussed with the external auditors any matters required to be discussed by Statement on Auditing Standards No. 61. Based upon these reviews and discussions, the Audit Committee has recommended to the Board of Directors that the audited financial statements be

Edgar Filing: RADA ELECTRONIC INDUSTRIES LTD - Form 6-K

included in our Annual Report on Form 20-F for the year ended December 31, 2003.

vesting over three years. These options expire between 2009 and 2013. Of such options, 144,000 options were issued under our 1999 employee stock option plan and 1,426,000 options were issued under our 2003 employee stock option plan. These options have ten year terms.

Additionally, as of December 31, 2003, our directors and officers as a group held warrants to purchase an aggregate of 177,041 ordinary shares, at exercise prices ranging from \$2.00 to \$2.75 per share. These warrants were purchased as part of the private placements of our shares in 2001 (prior to the directors' nomination to office) and 2002 of which 75,000 warrants expire on June 30, 2004 and 102,041 warrants expire on June 30, 2007. Stock Option Plans

1994 Stock Option Plan

Our 1994 Stock Option Plan, or the 1994 Plan, provides for the issuance of stock options to purchase an aggregate of 40,400 of our ordinary shares. Options under the 1994 Plan may be issued to outside directors, consultants, officers and other key employees of our company and its subsidiaries who, in the judgment of the Board of Directors or, if appointed in the future, a committee which will administer the 1994 Plan, are in a position to contribute significantly to our success. The Board of Directors or the committee will determine the number of shares covered by each option, and the formulation, within the limitations of the 1994 Plan, of the form of option.

Options granted under the 1994 Plan may be for a maximum term of ten years from the date of grant. The 1994 Plan itself will expire on November 23, 2004 (unless terminated earlier by an action of the Board of Directors) and no options can be granted after such date. The exercise price of an option granted to an employee may not be less than 60% of the fair market value of our ordinary shares on the date of grant of the option. The exercise price of an option to a non-employee director or consultant may not be less than 80% of the fair market value of our ordinary shares on the date of grant of the option. If any option expires without having been fully exercised, the shares with respect to which such option has not been exercised will be available for future grants.

7

Options may not be transferable by the optionee otherwise than by will or the laws of descent and distribution and during the optionee's lifetime are exercisable only by the optionee. Options terminate before their expiration dates one year after the optionee's death while in our employ, three months after the optionee's retirement for reasons of age or disability or involuntary termination of employment other than for cause, and immediately upon voluntary termination of employment or involuntary termination of employment for cause.

Our Board of Directors may, at its discretion, modify, revise or terminate the 1994 Plan at any time, except that the aggregate number of shares issuable pursuant to options may not be increased (except in the event of certain changes in our capital structure), the eligibility provisions and minimum option price may not be changed, or the permissible maximum term of options may not be increased without the consent of our shareholders.

The 1994 Plan also contains provisions protecting optionees against dilution of the value of their options in the case of stock splits, stock dividends or other changes in our capital structure, in the event of any proposed reorganization or merger involving our company or in the event of any spin-off or distribution of assets to our shareholders.

(Item 2 on the Proxy Card)

Our Board of Directors first appointed Luboshitz Kasierer, independent certified public accountants in Israel, then a member firm of Arthur Andersen, as our auditors in 1999 and has reappointed the firm, which was merged into Kost Forer Gabbay & Kasierer, and is now a member firm of Ernst & Young Global, as our auditors since such time. Kost Forer Gabbay & Kasierer has no relationship with us or any of our affiliates except as auditors. As a result of Kost Forer Gabbay & Kasierer's knowledge of our operations, our Audit Committee and Board of Directors are convinced that such firm has the necessary personnel, professional qualifications and independence to act as our auditors. Our Board of Directors has again recommended, pursuant to the recommendation of our Audit Committee, that Kost Forer Gabbay & Kasierer be selected as our auditors for the fiscal year ending December 31, 2004 and recommends that the shareholders ratify and approve the selection. The remuneration of Kost Forer Gabbay & Kasierer will be determined by our Board of Directors pursuant to the recommendation of our Audit Committee.
