Shareholders will be asked to vote upon: (i) the election of two Class B directors; (ii) the authorization of our Board of Directors to acquire a 48.36% equity interest in Gold-Trade from Eurocom Marketing, for \$241,818 or for shares of Internet Gold having a market value of \$241,818 at the date of acquisition, as the Board of Directors will determine; (iii) the approval of the inclusion of our chief executive officer, who is also a director, as a participant in the incentive plan of our company; (iv) the approval of the amendment of Article 41 of our Articles of Association; (v) the appointment of Somekh Chaikin, independent certified public accountants in Israel, a member firm of KPMG International, as our independent auditors for the year ending December 31, 2004 and authorization for the Board of Directors to fix their remuneration; and (vi) the review and discussion of our consolidated financial statements for the year ended December 31, 2003.

Shares eligible to be voted and for which a proxy card is properly signed and returned at least 24 hours prior to the beginning of the Meeting will be voted as directed. If directions are not given or directions are not in accordance with the options listed on a signed and returned proxy card, such shares will be voted FOR the nominee for director and each proposition for which the Board of Directors recommends a vote FOR. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes. You may revoke your proxy at any time prior to the exercise of authority granted in the proxy by giving a written notice of revocation to our Corporate Secretary, by submitting a subsequently dated, validly executed proxy, or by voting in person at the Meeting.

As of November 17, 2004, the record date for the determination of shareholders entitled to vote at the Meeting, there were outstanding 18,431,500 ordinary shares. Each ordinary share entitles the holder to one vote. The ordinary shares have a par value of NIS 0.01 per share. The presence of two shareholders, holding at least one third of our voting rights, represented in person or by proxy at the Meeting, will constitute a quorum. If, within half an hour from the starting time of the general meeting a quorum is not present, the meeting shall stand adjourned to the same day in the next week at the same time and place, and if, at such adjourned meeting, a quorum is not present within half an hour from the time appointed for holding the meeting, any two shareholders present in person or by proxy shall constitute a quorum. This proxy shall constitute notice of such adjourned meeting and no additional notice shall be provided by us to the shareholders.

An affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting, in person or by proxy and voting thereon is required to elect the nominees for Class B director and to approve each of the other proposals, except for Proposal 2, to be presented at the Meeting. The approval of Proposal 2 requires the affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting in person or by proxy and voting thereon, provided that either (i) at least one third of the non-interested shareholders with respect to such proposal represented and voting at the Annual General Meeting are included in the majority (excluding the vote of abstaining shareholders); or (ii) that the total

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

shareholdings of the non-interested shareholders who vote against the proposal do not represent more than 1% of the voting rights in our company. Under the Israeli Companies Law, Proposal 2 requires that our shareholders notify us prior to the vote at the Meeting, or if such vote is made by proxy on the proxy card, whether or not they have a personal interest with respect to the subject matter of this proposal. The term "personal interest" is defined as "a person's personal interest in an act or transaction of the company, including the personal interest of his relatives and of any other corporation in which he or his relatives is an interested party, and exclusive of personal interest that stems from the fact of holding shares in the company." There will be a specific place on the proxy card to indicate if you have a personal interest in Proposal 2. Shareholders are asked to indicate "yes" or "no."

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited personally or by telephone by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in

accordance with the regulations of the Securities and Exchange Commission concerning the sending of proxies and proxy material to the beneficial owners of stock.

You may vote by submitting your proxy with voting instructions by mail if you promptly complete, sign, date and return the accompanying proxy card in enclosed self-addressed envelope to our transfer agent or to our registered office in Israel at least 24 hours prior to the Meeting.

BOARD OF DIRECTORS AND COMMITTEES

Independent and Outside Directors

The Israeli Companies Law requires Israeli companies with shares that have been offered to the public in or outside of Israel to appoint at least two outside directors. Our outside directors are Mr. Ish-Hurvitz and Mr. Stramer. No person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as an outside director or may otherwise interfere with the person's ability to serve as an outside director. If, at the time outside directors are to be appointed, all current members of the board of directors are of the same gender, then at least one outside director must be of the other gender.

Outside directors are elected by shareholders. The shareholders voting in favor of their election must include at least one-third of the shares of the non-controlling shareholders of the company who are present at the meeting. This minority approval requirement need not be met if the total shareholdings of those non-controlling shareholders who vote against their election represent 1% or less of all of the voting rights in the company. Outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company.

Any committee of the board of directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as

4

provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

Audit Committee

Our audit committee, which was established in accordance with Section 114 of the Israeli Companies Law and Section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our board of directors in overseeing the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, the performance of our internal audit function and independent public accountants, finding any defects in the business management of our company for which purpose the audit committee may consult with our independent auditors and internal auditor, proposing to the board of directors ways to correct such defects, approving related-party transactions as required by Israeli law, and such other duties as may be directed by our board of directors.

Our audit committee consists of three board members who satisfy the "independence" requirements of the Securities Exchange Commission, NASDAQ and Israeli Law for audit committee members. Our audit committee is currently composed of Ms. Winner and Messrs. Ish-Hurvitz and Stramer each of whom satisfies these requirements. The audit committee meets at least once each quarter.

Under Israeli law, an audit committee may not approve an action or a transaction with a controlling shareholder, or with an office holder, unless at the time of approval two outside directors are serving as members of the audit committee and at least one of the outside directors was present at the meeting in which an approval was granted.

Approval of Related Party Transactions Under Israeli Law

The Companies Law codifies the fiduciary duties that "office holders," including directors and executive officers, owe to a company. An office holder's fiduciary duties consist of a duty of care and a duty of loyalty. Generally, duty of care requires an office holder to act at a level of care that a reasonable office holder in the same position would employ under the same circumstances. Under the Companies Law, all arrangements as to compensation of office holders who are not directors require approval of our board of directors, and the compensation of office holders who are directors must be approved by our audit committee, board of directors and shareholders. If the director or the office holder is a controlling shareholder of the company, then the employment and compensation arrangements of such director or office holder requires the approval of the audit committee, the Board of Directors and the shareholders (by either (i) the affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting in person or by proxy and voting thereon, provided that at least one third of the non-controlling shareholders represented and voting at the Annual General Meeting are included

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

in the majority; or (ii) that the total shareholdings of the non-controlling shareholders who vote against their election do not represent more than 1% of the voting rights in our company), except in certain events where shareholders approval is not required.

Indemnification of Directors and Officers

The Companies Law provides that an Israeli company cannot exculpate an office holder from liability with respect to a breach of his duty of loyalty, but may exculpate in advance an office holder from his liability to the company, in whole or in part, with respect to a breach of his duty of care.

Pursuant to the Companies Law, indemnification of, and procurement of insurance coverage for, our office holders must be approved by our audit committee and our board of directors and, in specified circumstances, by our shareholders. We currently maintain a directors and officers liability insurance policy with a per claim and aggregate coverage limit of \$5.0 million including legal costs incurred in Israel. In addition, we undertook to indemnify our directors and officers to the extent permitted by law, in an aggregate amount not to exceed \$5,000,000, to the extent that their liability is not covered under our directors and officers liability insurance policy.

5

Our articles of association provide that subject to any restrictions imposed by the Companies Law, we may procure insurance for, or indemnify any officer holder, to the fullest extent permitted, provided that the procurement of any such insurance or provision of any such indemnification, as the case may be, is approved by the audit committee and otherwise as required by law.

Compensation

The following table sets forth all compensation we paid with respect to all of our directors and executive officers as a group for the year ended December 31, 2003:

	Salaries, fees, commissions and bonuses(1)

All directors and executive officers as a group (13 persons).....	\$ 1.1 million

(1) Includes expenses incurred for cars made available to officers and expenses related to salaries, but does not include expenses such as business travel, professional and business association dues and expenses reimbursed to officers and other fringe benefits commonly reimbursed or paid by companies in Israel.

As of December 31, 2003 we accrued \$350,000 for retirement, recreation payments and vacation for our directors and executive officers.

During the year ended December 31, 2003 we paid to each of our outside directors as well as to Mrs. Winner, who was paid as an outside director since she was considered to be an independent director under U.S. law, an annual fee of NIS 31,000 (\$ 7,080), and a per meeting attendance fee of NIS 1,631 (\$372). Those fees are paid based on the fees detailed in regulations promulgated under the Israeli Companies Law. Our other non-employee directors do not receive compensation for their services on the board of directors or any committee thereof. All of our non-employee directors are reimbursed for their expenses for

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

each board of directors meeting attended.

AUTHORIZATION OF THE BOARD OF DIRECTORS TO ACQUIRE A 48.36% EQUITY INTEREST IN GOLD-TRADE FROM EUROCOM MARKETING (Item 2 on the Proxy Card)

Our Board of Directors and Audit Committee have recommended that we acquire a 48.36% equity interest in Gold-Trade from Eurocom Marketing, for \$241,818 or for Internet Gold shares having a market value of \$241,818 at the acquisition date, as our Board of Directors will determine. Currently we own a 48.27% equity interest in Gold Trade, after this acquisition, and following the acquisition of additional shares from three minority shareholders of Gold Trade, which is not subject to shareholder approval, we will own all the shares of Gold Trade.

Gold Trade is involved in e-commerce activity. According to an independent survey conducted this year by a third party, Gold Trade's website, P1000.CO.IL, is one of the four most popular e-commerce websites in Israel. Gold Trade is involved in the sale, by means of electronic tenders, of products and services by third parties. Gold Trade's revenues result from commissions paid for any transaction executed through its website by any of the 90 different suppliers who sell their products through the website. In the past Gold Trade was involved in telemarketing activity. During the last quarter of 2004 Gold Trade ceased its telemarketing activity, which was one of the reasons it had incurred losses over the last few years.

As of October 30, 2004, Gold Trade had an excess of liabilities over assets of NIS 22 million (approximately \$5 million). As of October 30, 2004, Gold Trade had approximately 60 employees, however, according to a re-organization plan authorized by its Board of Directors, the number of employees will decrease to about 30 by the end of 2004. In the third quarter of 2004, Gold Trade reached a positive EBITDA (earnings before interest, taxes, depreciation and amortization) and a positive cash flow from operations of NIS 0.3 million (approximately \$0.07 million).

In the last two years the scope of electronic commerce in Israel has significantly increased. Nevertheless, the percentage of electronic transactions is still a small part of total commercial transactions

6

in Israel. We believe that the acquisition of Gold Trade will afford us a secure e-commerce base from which to provide our customers a broader range of services and may increase synergies in our company, especially in the areas of ISP connectivity and e-advertising. We believe that the increase of collaboration between P1000.CO.IL, the MSN portal and our large customer base may increase our sales in all of our activity fields.

Our Board of Directors will chose from two alternative methods to acquire Gold Trade. The first alternative is the acquisition of a 48.36% equity interest in Gold-Trade for \$241,818. The other alternative is the acquisition of Gold Trade shares for shares of Internet Gold having a market value of \$241,818 at the date of acquisition.

Under the Israeli Companies Law, because Eurocom Marketing is an affiliate of Eurocom Holdings Ltd., our principal shareholder, Eurocom Marketing is deemed to be an interested party to the transaction and, therefore, shareholder approval of the acquisition is required. Our Board of Directors believes that the terms of the acquisition are fair and no less favorable to us than the terms that might be available to us from unaffiliated third parties. Our Board has received an appraisal confirming that the terms of the acquisition are fair.

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

It is proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, to authorize the Board of Directors to acquire a 48.36% equity interest in Gold-Trade from Eurocom Marketing, for \$241,818 or for shares of Internet Gold having a market value of \$241,818 at the date of acquisition, as the Board of Directors will determine."

Under the Israeli Companies Law, since this acquisition is deemed to be an extraordinary transaction with a controlling shareholder, the approval of the forgoing resolution will require the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and voting thereon, provided (i) that at least one-third of the non-interested shareholders represented and voting at the meeting are included in the majority; or (ii) that the total shareholdings of those who have no personal interest in the transaction who vote against the proposal do not represent more than 1% of the voting rights in our company.

The Board of Directors recommends a vote FOR the foregoing resolution.

APPROVAL OF THE INCLUSION OF OUR CHIEF EXECUTIVE OFFICER AS A PARTICIPANT IN THE INCENTIVE PLAN OF OUR COMPANY (Item 3 on the Proxy Card)

Under applicable Israeli law, shareholders must approve the payment of compensation and fees to our directors. Our Board of Directors and Audit Committee have decided to include Mr. Eli Holtzman, our chief executive officer and a member of our Board of Directors, as a participant in the company incentive plan. Accordingly shareholders will be asked to approve at the Annual General Meeting the inclusion of Mr. Eli Holtzman as a participant in our company's incentive plan. According to the terms of the incentive plan, our management projects that no more than 10% of our annual operational profit (excluding certain items, as determined by the Board of Directors) will be allocated in the aggregate to all of the participants in the plan. Our Board of Directors will determine the actual annual allocation.

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, that the Company is authorized to include its chief executive officer, who is also a Director, as a participant in its incentive plan."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

7

APPROVAL OF AN AMENDMENT TO ARTICLE 41 OF OUR ARTICLES OF ASSOCIATION (Item 4 on the Proxy Card)

The amendment to Article 41 will allow our Board of Directors to fill vacancies and to appoint new directors to serve until our next Annual General Meeting. At present, the Board of Directors' ability to fill vacancies and appoint new directors is limited.

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, that Article 41 of our Articles of Association is hereby amended to read as follows: "The Board of Directors may, from time to time, appoint additional director/s to the Company's Board of Directors, whether to fill a vacancy of a director whose appointment was terminated for any reason or as additional director/s, provided, however, that the total number of directors will not exceed that set forth in Article 38 hereof and further provided, that if the total number of directors decreases below that set forth in Article 38 hereof, the Board may only act in emergency situations, or to fill the office of the director(s) which has or have become vacant up to the minimum number, or to call a General Meeting. Any director so appointed shall hold office until the end of first General Meeting convened after such appointment and may be re-elected at such General Meeting."

The affirmative vote of the holders of the majority of the ordinary shares present at the Meeting in person or represented by proxy entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

APPOINTMENT OF AUDITORS (Item 5 on the Proxy Card)

Our Board of Directors first appointed Somekh Chaikin as our auditors in 1999 and has reappointed the firm as our auditors since such time. Somekh Chaikin has no relationship with us or any of our affiliates except as auditors. As a result of Somekh Chaikin's knowledge of our operations and reputation in the auditing field, the Board of Directors is convinced that this firm has the necessary personnel, professional qualifications and independence to act as our auditors and has again recommended, pursuant to the recommendation of our Audit Committee, that Somekh Chaikin be selected as our auditors for the fiscal year ending December 31, 2004 and recommends that the shareholders ratify and approve the selection. The remuneration of Somekh Chaikin will be fixed by the Board of Directors pursuant to the recommendation of our Audit Committee.

The following resolution will be offered by the Board of Directors at the Meeting:

"RESOLVED, that the appointment of Somekh Chaikin, independent certified public accountants in Israel, a member firm of KPMG International, to conduct the annual audit of our financial statements for the year ending December 31, 2004, and to authorize the Board of Directors to determine their remuneration pursuant to the recommendation of our Audit Committee is ratified, confirmed and approved".

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.
