RADA Electronic Industries Announces Full Year 2004 Results Recording 15% YoY Growth in Revenues to \$14.2m and Net Profit of \$822,000

Monday February 28, 8:38 am ET

NETANYA, Israel, February 28 /PRNewswire-FirstCall/ -- RADA Electronic Industries Ltd. (Nasdaq: RADI - News) today reported its financial results for the year ended December 31, 2004. The company reported net profit of \$822,000. This is the second consecutive year of net profit.

Revenues in 2004 increased by 15% to \$14.2 million. Gross margin increased to 27% from 22% in 2003. Operating profit for the year reached \$1m representing an operating margin of 7.2%. This is compared with \$25,000 of operating profit in 2003.

The Company's net income increased 8.4% to \$822,000, or \$0.03 per share (on a fully diluted basis). This is compared with a net income of \$758,000, or \$0.04 per share (on a fully diluted basis), for the year ended December 31, 2003 which also included an extraordinary financial income of \$708,000. The lower EPS on a fully diluted basis is due to a 4 million increase in the number of shares during 2004.

Commenting on the results, RADA's CEO, Mr. Adar Azancot stated, "We are pleased with this year's financial results, as we continue to show improvements in all our financial indicators. These results coupled with the recent acquisition of Vectop's assets and some of the programs that we are now competing for- gives us confidence regarding our ability to fulfill our strategy and achieve our growth targets."

Mr. Azancot concluded, "It is our plan over 2005, to maintain our internal growth rate at around the level we have seen over the last couple of years. However, it is our view that RADA needs to grow faster than that. We feel that we are now ready for our next step and we will be looking to acquire, or merge, with a company in our field and of similar size to us, that will enable us to double our top line."

RADA will host a conference call today, Monday, February 28, 2005 at 11:00 a.m. EST. Mr. Adar Azancot, Chief Executive Officer, and Elan Sigal, Chief Financial Officer, will be on the call and available to answer investor questions after presenting the results.
