RADA Electronic Industries Announces First Quarter 2005 Results

Thursday May 5, 8:33 am ET

NETANYA, Israel, May 5 /PRNewswire-FirstCall/ -- RADA Electronic Industries Ltd. (Nasdaq: RADI - News) today reported its financial results for the first quarter ended March 31, 2005. The company reported first quarter 2005 revenues of US\$2.84 million, compared to revenues of US\$1.69 million in the same period of last year.

Operating expenses in the first quarter of 2005 increased to US\$2.53 million from US\$1.36 million. As a result the company reported a net loss of \$508,000 for the quarter. This compares to a loss of \$560,000 in the first quarter of 2004.

Commenting on the results, RADA's CEO, Mr. Adar Azancot stated, "Although we have seen an improvement in both the top and bottom line compared to the first quarter of last year, the results were still slightly below our average quarterly forecast for 2005. This occurred for two reasons. First, a number of projects were pushed out to the second quarter. Second, most of the revenues during the quarter derived from development programs, which are, by nature, lower-margin programs."

Mr. Azancot concluded, "We believe our second quarter results will compensate for our slightly lower than expected revenue volume received this quarter."

RADA will host a conference call today, Thursday, May 5, 2005 at 10:00 a.m. EST. Mr. Adar Azancot, Chief Executive Officer, will be on the call and available to answer investor questions after presenting the results.
