ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES.

The Company has entered into a Securities Purchase Agreement (the "SPA") by and between the Company and Laurus Master Fund, Ltd. ("Laurus") and a Security Agreement (the "Loan Agreement" and, together with the SPA, the "Agreements") by and between the Company and Laurus, each dated May 17, 2005. Pursuant to the Agreements, Laurus has agreed to provide the Company with a term loan (the "Term Loan") in the aggregate principal amount of \$3.2 million and a revolving credit facility (the "Revolving Facility") with a maximum availability of \$10.0 million. Each of the Term Loan and any loans under the Revolving Facility shall be convertible by Laurus in shares of the Company's common stock at an initial rate of \$1.66 per share. The Term Loan shall accrue interest at the prime rate (as published in The Wall Street Journal from time to time) plus 4% and loans under the Revolving Facility shall accrue interest at the prime rate (as published in The Wall Street Journal from time to time) plus 1.25%; provided, however, that in each instance such interest rates shall not be less than 6.50%. Concurrent with the consummation of the transactions contemplated by the Agreements, the Company has requested, and Laurus has agreed to lend, an initial draw under the Revolving Facility of \$6,031,000 (which amount includes an overadvance of \$2.3 million). In addition, the Company has agreed to issue to Laurus an option to purchase 650,000 shares of its Common Stock at an exercise price of \$.01 per share (the "Option").

Laurus has agreed that it shall not convert either the Term Loan or any loans under the Revolving Facility into shares of the Company's Common Stock in amounts that would cause Laurus' aggregate beneficial ownership of the Company's Common Stock to exceed 4.99% at any given time (or 19.99% in the event such limitation is suspended upon the occurrence of an "event of default" under any of the Agreements or any other transaction agreements). The Company and Laurus have agreed to customary terms and conditions including, but not limited to the registration, within 120 days from the date of the Agreements, of shares of the Company's Common Stock issuable (i) upon exercise of the Option, (ii) upon conversion of the Term Loan, and (iii) upon conversion of up to \$4.0 million under the Revolving Facility.

The Company shall use the proceeds from the Term Loan and the Revolving Facility to extinguish, in full, its indebtedness owed to Comerica Bank, its senior secured lender, and The HillStreet Fund II, L.P., its subordinated secured lender, as well as for general

working capital purposes. In connection with the transactions described herein, Laurus received fees and was reimbursed by the Company for its expenses in the aggregate amount of \$510,200.

The descriptions contained herein are qualified in their entirety by reference to the Agreements and other related transaction agreements filed herewith as exhibits.
