PROXY STATEMENT

GENERAL INFORMATION

PROXY SOLICITATION

This Proxy Statement is furnished to the holders of the Common Stock, par value \$.10 per share ("Common Stock"), of the Company in connection with the solicitation of proxies on behalf of the Board for use at the Annual Meeting of Stockholders to be held on Wednesday, August 29, 2001, at 10:00 a.m. Eastern Daylight Time, and at any adjournment thereof. The purposes of the meeting and the matters expected to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders. At present, the Board knows of no other

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

business which will come before the meeting.

The Notice of Annual Meeting, Proxy Statement, and form of proxy will be mailed to stockholders on or about July __, 2001. The Company will bear the cost of its solicitation of proxies. In addition to the use of the mails, proxies may be solicited by personal interview, telephone, telegram, and facsimile by the directors, officers, and employees of the Company. Arrangements will also be made with brokerage houses and other custodians, nominees, and fiduciaries for the forwarding of solicitation material to the beneficial owners of stock held by such persons, and the Company may reimburse such custodians, nominees, and fiduciaries for reasonable out-of-pocket expenses incurred.

ISSUES IN THE PROXY CONTEST

Wyly has announced that he intends to conduct a proxy solicitation to replace your Board of Directors with a slate of his nominees (the "Wyly Slate").

The centerpiece of the Wyly Slate's campaign to gain control of the Company's Board is apparently a plan to break Computer Associates into "four independent business groups" with four separate CEO's. Wyly claims that the adoption of this plan will improve the Company's performance but offers few details about the plan. The Board of Directors believes that a breakup of Computer Associates would be harmful to shareholders. Among other things, a breakup would decrease the Company's ability to offer integrated software solutions and engage in cross-selling and would increase overhead costs.

BACKGROUND AND CHRONOLOGY OF PROXY CONTEST

On June 21, 2001, Sanjay Kumar, President and Chief Executive Officer of Computer Associates, and the members of the Company's Board of Directors, received a letter from Sam Wyly informing Mr. Kumar that Wyly intended to undertake a proxy solicitation of the stockholders of Computer Associates at the 2001 annual meeting for election of a slate of eight directors (later increased to ten directors) nominated by Wyly. That same day, Wyly publicly announced that he had initiated a proxy solicitation of the stockholders of Computer Associates to replace Computer Associates' current Board of Directors with a slate of eight nominees (later increased to ten nominees), including Sam Wyly as chairman.

Even before the public announcement of the proxy contest, Mr. Wyly had apparently been seeking the support of Computer Associates' largest shareholder, Walter Haefner, who beneficially owns approximately 21.4% of the Company's outstanding shares. On June 1, 2001, Mr. Wyly wrote to Mr. Haefner, soliciting his support for the Wyly Slate's attempt to gain control of the Company. In his letter, Mr. Wyly wrote "If you do not agree with me on this need for a change, I loose (sic) a lot of motivation for spending the time, energy and money." Mr. Haefner briefly replied in a letter dated June 7, 2001, stating his support for the current management of the Company. In a facsimile correspondence dated June 20, Mr. Wyly wrote again to Mr. Haefner seeking support, this time attaching a draft of an announcement of the proxy contest to be publicly released the following day. Mr. Haefner's reply, dated June 22, stated: "I have complete confidence in the existing CA management team and intend to support them fully....I simply will not act otherwise."

On June 25, 2001, the Company filed a lawsuit against Ranger Governance, Ltd. and Mr. Wyly in the United States District Court for the Eastern District of New York. The Company's complaint alleges, among other claims, that Mr. Wyly's proxy campaign breaches a contract that Mr. Wyly entered into in connection with the sale of Sterling Software, Inc. to the Company in 2000. It further alleges that Mr. Wyly and Ranger Governance, Ltd. have violated federal

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

proxy rules by making false and misleading statements and omissions in their proxy solicitations.

REVOCABILITY AND VOTING OF PROXY

A form of proxy for use at the meeting and a postpaid return envelope for the proxy are enclosed. Stockholders may revoke the authority granted by their execution of proxies at any time before their effective exercise by filing with the Secretary of the Company a written revocation or duly executed proxy bearing a later date or by voting in person at the meeting. Shares of Common Stock represented by executed and unrevoked proxies will be voted in accordance with the instructions shown on the proxy. If no instructions are given, the proxies will be voted (1) FOR the election of management's nominees for election as directors; (2) FOR approval of the 2001 Stock Option Plan; and (3) FOR ratification of the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending March 31, 2002.

RECORD DATE AND VOTING RIGHTS

Only stockholders of record at the close of business on July 5, 2001 are entitled to notice of and to vote at the meeting or any adjournment thereof. On July 5, 2001, the Company had outstanding _____ shares of Common Stock. All of the outstanding shares of Common Stock are entitled to one vote per share.

Votes cast at the meeting will be tabulated by persons appointed as inspectors of election for the meeting. The inspectors of election will treat shares of Common Stock represented by a properly signed and returned proxy as present at the meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining on any or all of the matters. Likewise, the inspectors of election will treat shares of Common Stock held in street name as to which brokers do not have discretionary voting authority (so-called "broker non-votes") as present for purposes of determining a quorum.

The nominees for election to the Board of Directors receiving the greatest number of affirmative votes cast by holders of Common Stock, up to the number of directors to be elected, will be elected as directors. Accordingly, abstentions or broker non-votes as to the election of directors will have no effect on the election of directors.

2

The affirmative vote of the holders of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote on the subject matter will be required to approve both the adoption of the 2001 Stock Option Plan and the ratification of the independent auditors. In determining whether the adoption of the 2001 Stock Option Plan or the ratification of the auditors has received the requisite number of affirmative votes, (i) abstentions will be treated as shares entitled to vote, and therefore will have the effect of a vote against the proposal, and (ii) broker non-votes, if any, will be treated as shares that are not entitled to vote.

ANNUAL REPORT

The Annual Report of the Company for the fiscal year ended March 31, 2001 is being mailed with this Proxy Statement.

Stockholders are referred to the Annual Report for financial and other information about the activities of the Company. The Annual Report is not

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

incorporated by reference into this Proxy Statement and is not deemed to be a part of it.

The Company, Charles B. Wang, Sanjay Kumar and Russell M. Artzt are defendants in a number of shareholder class action lawsuits, the first of which was filed July 23, 1998, alleging that a class consisting of all persons who purchased the Company's stock during the period January 20, 1998 until July 22, 1998 were harmed by misleading statements, representations and omissions regarding the Company's future financial performance. These cases, which seek monetary damages in an unspecified amount, have been consolidated into a single action (the "Shareholder Action") in the United States District Court for the Eastern District of New York ("NY Federal Court"). The NY Federal Court has denied the defendants' motion to dismiss the Shareholders Action, and the parties currently are engaged in discovery. Although the ultimate outcome and liability, if any, cannot be determined, management, after consultation and review with counsel, believes that the facts in the Shareholder Action do not support the plaintiffs' claim and that the Company and its officers and directors have meritorious defenses.

In addition, three derivative actions, the first of which was filed on

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

July 30, 1998, alleging misleading statements and omissions similar to those alleged in the Shareholder Action were brought in the NY Federal Court on behalf of the Company against a majority of the Company's directors. An additional derivative action on behalf of the Company, alleging that the Company issued 14.25 million more shares than were authorized under the 1995 Key Employee Stock Ownership Plan (the "1995 Plan"), also was filed in the NY Federal Court. These derivative actions have been consolidated into a single action (the "Derivative Action") in the NY Federal Court. The Derivative Action has been stayed. Lastly a derivative action on behalf of the Company was filed in the Chancery Court in Delaware (the "Delaware Action") on September 15, 1998 alleging that 9.5 million more shares were issued to the three 1995 Plan participants than were authorized under the 1995 Plan. The Company and its directors who are parties to the Derivative Action and the Delaware Action have announced that an agreement has been reached to settle the Delaware Action and the Derivative Action. Under the terms of the proposed

7

settlement, which is subject to dismissal of related claims by the NY Federal Court, the 1995 Plan participants returned 4.5 million shares of Computer Associates stock to the Company. The Chancery Court in Delaware has approved the settlement and the parties are awaiting dismissal by the NY Federal Court. In the first quarter of fiscal year 2001, the Company recorded a \$184 million gain in conjunction with the settlement.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR EACH OF THE NOMINEES LISTED ABOVE.

Under the 1996 Deferred Stock Plan for Non-Employee Directors (the "1996 Plan"), directors receive their entire annual retainer in Common Stock, receipt of which is deferred until retirement from the Board, death, or disability. At its annual meeting on August 30, 2000, the Board of Directors established its annual director fee for the succeeding 12 months at \$45,000. The retainer for 2001 will be credited to each director's Deferred Stock Compensation Account under the 1996 Plan based on the fair market value of the Common Stock on August 28, 2001.

Under the Company's 1993 Stock Option Plan for Non-Employee Directors (the "1993 Plan"), non-employee directors are automatically awarded options to acquire up to 6,750 shares of Common Stock per year depending on the Company's attainment of specific return on equity objectives. Pursuant to the 1993 Plan, the exercise price of such options is equal to the fair market value of the shares covered by such options on the date of grant. On August 31, 2000, each Non-Employee Director, except Dr. Kenny (and Messrs. Cheung and Ranieri who at the time were not directors of the Company), was granted options to acquire 6,750 shares of Common Stock with an exercise price of \$32.38 per share. On the advice of the New York State Commission on Ethical Practices, Dr. Kenny has declined to accept any options under this Plan.

Under an Amendment to the 1996 Plan, which provides that the Board of Directors may credit the Deferred Stock Compensation Account under the 1996 Plan of any Non-Employee Director who by force of any federal, state, or local law, regulation, or government agency decision is precluded from accepting options under the 1993 Plan, Dr. Kenny has received a credit to her Deferred Stock Compensation Account with an amount representing the economic equivalent of options foregone under the 1993 Plan.

REPORT OF COMPENSATION COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might affect future filings, including this Proxy Statement, the report of the Stock Option and Compensation Committee

of the Company's Board of Directors set forth below, and the Stock Performance Graph set forth herein, in accordance with Securities Exchange Commission requirements, shall not be incorporated by reference into any such filings.

STOCK OPTION AND COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

GENERAL

Decisions as to certain compensation of the Company's executive officers are made by the Compensation Committee of the Company's Board of Directors, none of the members of which are employees of the Company. At the Company's 2001 fiscal year end, the members of the Compensation Committee were Alfonse M. D'Amato, Willem F.P. de Vogel, Richard A. Grasso, and Roel Pieper.

COMPENSATION POLICIES

The Compensation Committee's executive compensation policies are designed to attract and retain executives capable of leading the Company in a rapidly evolving computer software marketplace

9

and to motivate such executives to maximize profitability and stockholder value. The Compensation Committee has designed the Company's executive compensation program with four components to achieve this objective--base salary; annual incentives; long-term equity participation; and benefits. The majority of each executive's total compensation is dependent on the attainment of predefined performance objectives which are consistent with the maximization of stockholder value. The philosophy and operation of each component is discussed herein.

BASE SALARY. Base salaries for its executive officers are designed to attract and retain superior, high-performing individuals. As such, the Company believes its base salaries for executive positions are, and should be, equal to or greater than those of comparable companies.

ANNUAL INCENTIVES. The executive officers earn a significant portion of their total annual compensation based on achievement of predetermined individual and Company performance targets. The Company's 1994 Annual Incentive Compensation Plan, which is administered by the Compensation Committee, establishes a specific percentage of net income after taxes that is in excess of a threshold based on the Company's target return on average stockholders' equity. Different percentages of any such excess are allocated to each executive officer at the commencement of each fiscal year. The Compensation Committee may, at its discretion, decrease (but never increase) the calculated annual incentive compensation payable to an executive, and/or direct that a portion of this incentive be payable in Common Stock, subject to certain holding restrictions.

LONG-TERM EQUITY PARTICIPATION. The Compensation Committee believes strongly that stock ownership by management and stock-based performance compensation arrangements are beneficial in aligning management's and stockholders' interests in the enhancement of stockholders' return. To this end, the Compensation Committee has granted to key executives stock options which vest (i.e., become exercisable) under the 1991 Stock Incentive Plan (the "1991 Plan") over a five-year period following the date of grant as follows: 10% on the first anniversary; 15% on the second anniversary; 20% on the third anniversary; 25% on the fourth anniversary; and 30% on the fifth anniversary. Options granted at the current market price to executives under the 1991 Plan

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

have a term of ten years from the date of grant, and subject to the above vesting restrictions, may be exercised at any time during such term. The 1991 Plan expired in accordance with its terms on June 24, 2001, and is intended to be replaced by the 2001 Stock Option Plan, subject to shareholder approval. The Company's 1995 Key Employee Stock Ownership Plan (the "1995 Plan"), which is administered by the Compensation Committee, was approved by the stockholders at the 1995 Annual Meeting. It provided for the award of restricted stock upon the attainment of certain predefined stock prices. Shares awarded under the 1995 Plan are subject to significant limitations on transfer for seven years after the shares vest.

BENEFITS. The benefits available to executive officers are the same as those afforded to all full-time employees. In general, they are the standard protection against financial catastrophe that can result from personal or family illness, disability, or death. Executive officers are also eligible to participate in the voluntary personal contribution, as well as the Company matching and discretionary, provisions of the Computer Associates Savings Harvest Plan (the "CASH Plan"), to the extent permitted under the CASH Plan, the applicable Employment Retirement Income Security Act of 1974 regulations, as amended ("ERISA") and the Internal Revenue Code of 1986, as amended (the "Code"). The Company's medical, dental, and disability plans as well as the CASH Plan provide all employees with the protection and peace of mind necessary to devote their full attention to achievement of the Company's objectives.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Compensation Committee determined the components of Mr. Kumar's fiscal year 2001 compensation as follows:

10

BASE SALARY. Mr. Kumar's base salary of \$900,000 was not increased from that of the two previous fiscal years. Mr. Kumar became Chief Executive Officer in August 2000. Prior to that time, Mr. Wang was Chief Executive Officer. Mr. Wang's compensation for fiscal 2001 is described below under "Other Executive Officers".

ANNUAL INCENTIVES. The Company's fiscal year 2001 performance did not produce a payout based upon return-on-average stockholders' equity, in excess of the predetermined threshold under the 1994 Annual Incentive Compensation Plan (the "1994 Plan"). Pursuant to the 1994 Plan for fiscal year 2001, Mr. Kumar's award was calculated at a predetermined percentage of the Company's net income for the fiscal year less a cost of equity. The cost of equity was computed based on a "five point" quarterly average of the Company's reported stockholder's equity. Due principally to the change in the manner in which the Company recognized revenue resulting from the change in the Company's business model, the Company reported a net loss for the year and thus did not produce a return-on-average stockholders' equity. Mr. Kumar's total incentive compensation calculated under the 1994 Plan, therefore, was zero, and Mr. Kumar's total compensation for fiscal 2001 consisted only of his base salary and benefits. In addition, the Compensation Committee did not grant Mr. Kumar any stock options for fiscal 2001. For fiscal 2002, Mr. Kumar has agreed that his compensation will be limited to base salary and benefits and any stock options that might be awarded to him by the Compensation Committee. This means Mr. Kumar will not receive any restricted stock or cash compensation other than base salary for fiscal 2002.

LONG-TERM EQUITY PARTICIPATION. Under the terms of the 1995 Plan, Mr. Kumar in 1998 received, based upon the achievement of the performance objectives

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

described in the 1995 Plan, 4,088,130 shares of Common Stock (after adjustment for applicable taxes). These shares are subject to significant limitations on transfer for seven years after vesting. Pursuant to a court approved settlement, Mr. Kumar returned to the Company in December 2000, 1,350,000 of the shares.

BENEFITS. Mr. Kumar received matching and discretionary contributions to the Company's benefit plans of \$19,000 and a \$12,000 non-reimbursed travel allowance in fiscal year 2001. He was also provided benefits under the Company's medical, dental, and disability plans consistent with those provided to other full-time employees.

OTHER EXECUTIVE OFFICERS

The compensation plans for most of the Company's other executive officers, including the persons listed in the Summary Compensation Table set forth herein, provide for a base salary, annual incentive compensation based on either individual fixed percentages of the Company's aggregate net income above a predetermined return on average stockholders' equity for the fiscal year or an absolute level of Company revenue/net margin achievement, long-term equity grants under the 1991 Plan (intended to be replaced by the 2001 Stock Option Plan), and access to the Company's standard employee benefit plans. Under the 1995 Plan, Mr. Wang, who was Chief Executive Officer until August 2000, and Mr. Artzt were awarded shares of Common Stock on the same basis and same performance objectives as described above for the Chief Executive Officer. These shares are subject to significant limitations on transfer for seven years after vesting. In addition, Mr. Wang is restricted from transferring 6,480,000 additional shares of Common Stock which he owns today. Such restriction will lapse concomitantly with those for shares issued under the 1995 Plan. Pursuant to a court approved settlement, Mr. Wang and Mr. Artzt returned to the Company in December 2000, 2,700,000 and 450,000, respectively, of the shares. Like Mr. Kumar, Mr. Wang's and Mr. Artzt's total compensation for fiscal 2001 consisted only of base salary and benefits. In addition, the Compensation Committee did not grant Mr. Wang or Mr. Artzt any stock options for fiscal 2001. For fiscal 2002, Mr. Wang and Mr. Artzt each has agreed that his compensation will be limited to base salary and benefits and any stock options that might be

11

awarded to him by the Compensation Committee. This means Mr. Wang and Mr. Artzt will not receive any restricted stock or cash compensation other than base salary for fiscal 2002.

DEDUCTIBILITY

Beginning in 1994, Section 162(m) of the Code limits deductibility of compensation in excess of \$1 million paid to the Company's chief executive officer and to each of the other four highest-paid executive officers unless this compensation qualifies as "performance-based." In 1994, the Committee adopted, and the stockholders approved, terms under which Annual Incentive Compensation and Long-Term Equity Participation awards should qualify as performance-based. The Company believes that all awards under the 1995 Plan are fully deductible under current tax regulations. Additionally, based on the applicable tax regulations, any taxable compensation derived from the exercise of stock options, the issuance or vesting of restricted stock, or the award of any other equity-based compensation, as applicable under the Company's 1991 Plan, the 2001 Stock Option Plan, and any prior Plans should qualify as performance-based. The Committee is not precluded, however, from making compensation payments under different terms even if they would not qualify for tax deductibility under Section 162(m).

(2) The Black-Scholes option pricing model was chosen to estimate the Grant Date Present Value of the options set forth in this table. The Company's use of this model should not be construed as an endorsement of its accuracy of valuing options. The following assumptions were made for purposes of calculating the Grant Date Present Value on the grants awarded on July 20, 2000: an expected option term of six years, a volatility factor of .65, dividend yield at .30%, and a risk free interest rate of 6.15%. The actual value of the stock option grants will depend on the future performance of the Common Stock.

EMPLOYEE PROFIT SHARING PLANS

The Company maintains a profit sharing plan, the CASH Plan, for the benefit of employees of the Company. The CASH Plan is intended to be a qualified plan under Section 401(a) of the Code, and certain contributions made thereunder qualify for tax deferral under Section 401(k) of the Code. The CASH Plan is funded through the Company's and participating employees' contributions, and generally provides that employees may contribute, through payroll deductions, a percentage of their regular salary. The Company makes matching and discretionary contributions for eligible participants in the CASH Plan who have one year of service, including the Company's executive officers ("Employer Contributions"). Participants in the CASH Plan receive a 50% match of their contributions, up to a maximum of 5% of their annual base compensation (subject to certain Code limitations), and a portion of the Company's discretionary contribution for each year generally in proportion to their annual compensation as allowed by the Code. The Company's contributions under the CASH Plan vest in incremental amounts over a period of seven years from date of hire, and are 100% vested after seven years. The CASH Plan is administered by a committee of officers of the Company appointed by the Board of Directors. All employees are eligible to participate in the CASH Plan in the month following hire.

Effective April 1, 1994, the Company established an unfunded "Restoration Plan" primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees, within the meaning of Sections 201(2), 301(a)(3), and 401(a)(1) of ERISA. This Restoration Plan is solely for the purpose of benefiting participants in the CASH Plan who are precluded from receiving a full allocation of Employer Contributions under the CASH Plan because of the limitation on the compensation taken into account under such CASH Plan imposed by Section 401(a)(17) of the Code as amended by the Omnibus Budget Reconciliation Act of 1993.

The Company also established effective January 1, 1993, an unfunded "Excess Benefit Plan" as said term is defined in Sections 3(36) and 4(b)(5) of ERISA, solely for the purpose of benefiting participants in the CASH Plan who are unable to receive a full allocation of Employer Contributions under the CASH Plan limitations imposed by Section 415 of the Code.

During fiscal year 2001, the Company contributed \$19,000 for each of the accounts of Messrs. Wang, Kumar, and Artzt, \$18,885 for the account of Mr. Richards, \$18,892 for the account of Mr. Zar, and approximately \$35,000,000 for all participating employees under the CASH, the Excess Benefit, and the Restoration Plans. Such contributions are included in the amount of other cash compensation set forth opposite the five executive officers' names on the Summary Compensation Table.

STOCK OPTION PLANS

During fiscal year 2001, the Company maintained the 1981 Incentive Stock Option Plan (the "1981 Plan") which provides for the issuance to certain selected employees of incentive stock options to purchase up to a maximum of 27,000,000 shares of Common Stock. Incentive stock options are stock options which are intended to satisfy the criteria established in Section 422 of the Code and are subject to different tax treatment than non-statutory stock options. Under the 1981 Plan, stock options may be granted for terms of up to ten years. The 1981 Plan terminated in accordance with its terms, on October 23, 1991, which was the tenth anniversary of the date on which it was first adopted. No additional options may be granted under the 1981 Plan.

The Company also maintains the 1987 Non-Statutory Stock Option Plan (the "1987 Plan") pursuant to which non-statutory options to purchase up to 16,875,000 shares of Common Stock may be granted to selected officers and key employees of the Company. Pursuant to the 1987 Plan, the option price of stock options granted thereunder may not be less than the market price of the shares of Common Stock on the date of grant. The option period may not exceed 12 years.

The Company's 1991 Stock Incentive Plan (the "1991 Plan") provides that up to an aggregate of 67,500,000 shares of the Company's Common Stock may be granted to employees (including officers of the Company) pursuant to stock options or stock appreciation rights ("SARs"). The options may be either options intended to qualify as "incentive stock options," as that term is defined in the Code, or non-statutory options. The Compensation Committee has the power to determine whether such options are intended to qualify as incentive stock options under the Code. The 1991 Plan terminated in accordance with its terms on June 24, 2001. No additional options may be granted under the 1991 Plan.

The 1993 Stock Option Plan for Non-Employee Directors (the "1993 Plan") provides for non-statutory options to purchase up to 337,500 shares of Common Stock to be available for grant to each member of the Board of Directors who is not otherwise an employee of the Company.

The Company's 2001 Stock Option Plan that shareholders will be asked to consider and vote upon at the Company's 2001 Annual Meeting of Stockholders is described in this Proxy Statement under "Item 2 - 2001 Stock Option Plan."

The 1981 Plan, the 1987 Plan, the 1991 Plan, and the 1993 Plan are administered by the Compensation Committee of the Board of Directors. Outstanding options which were issued under a Plan which subsequently terminated remain exercisable in accordance with the terms of each option. The Compensation

Committee determines the individuals to whom options and SARs are granted, the date or dates of grant, and the number of shares covered by the options and SARs granted. The per share exercise

17

price of options and SARs granted may not be less than 100% of the Fair Market Value of a share of the Company's Common Stock on the date of grant. Shares of Common Stock acquired may be treasury shares, including shares purchased in the open market, newly issued shares or a combination thereof. Fair Market Value, as of any date, means the closing sales price of a share of Common Stock on such date as reflected in the consolidated trading of New York Stock Exchange issues (as long as the Company's Common Stock is listed on the New York Stock Exchange).

1995 KEY EMPLOYEE STOCK OWNERSHIP PLAN

Under the 1995 Key Employee Stock Ownership Plan, a total of 20,250,000 restricted shares were granted to Messrs. Artzt, Kumar, and Wang. On May 21, 1998, the closing price of the Company's Common Stock exceeded \$53.33 for 60 trading days beginning October 21, 1997, and all of the 20,250,000 shares vested. After an adjustment for applicable taxes, a total of 14,743,266 shares were issued to Messrs. Artzt, Kumar, and Wang on June 12, 1998. These shares issued are subject to significant limitations on transfer during the seven years following vesting.

On June 22, 2000, the Delaware Court of Chancery approved a settlement providing for the return to the Company of a total of 4,500,000 shares of Common Stock issued under the 1995 Plan. The shares were returned to the Company in December 2000.

1998 INCENTIVE AWARD PLAN ("1998 PLAN")

Under the 1998 Plan, a total of 4,000,000 Phantom Shares, as defined in the 1998 Plan, are available for grant to certain employees from time to time through March 31, 2008. As of March 31, 2001, there were approximately 1,100,000 Phantom Shares outstanding. Messrs. Artzt, Kumar, and Wang and the Company's Chief Financial Officer are ineligible to receive awards under the 1998 Plan.

YEAR 2000 EMPLOYEE STOCK PURCHASE PLAN ("PURCHASE PLAN")

During fiscal year 2001, the Company maintained the Purchase Plan, which provides for the purchase of up to 30,000,000 shares of the Company's Common Stock by employees. Under the terms of the Purchase Plan, employees may elect to withhold between 1% and 25% of their base pay through payroll deductions, subject to Internal Revenue Code limitations. Shares of the Company's Common Stock may be purchased at six-month intervals at 85% of the lower of the Fair Market Value on the first or last day of each six-month period.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act"), requires the Company's directors and executive officers, and persons who own beneficially more than 10% of a registered class of the Company's equity securities (a 10% stockholder), to file with the Securities and Exchange Commission ("SEC") and the New York Stock Exchange (the "NYSE") initial reports of beneficial ownership and reports of changes in beneficial ownership of Common Stock and other equity securities of the Company ("Section 16(a) Forms"). Officers, directors, and 10% stockholders are required by SEC regulations to

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of such copies of Section 16(a) forms received by it, or written representations from each reporting person for the fiscal year ended March 31, 2001, the Company believes that each of its officers, directors, and 10% beneficial stockholders complied with all applicable filing requirements, except that a Statement of Changes in Beneficial Ownership on Form 4 for Mr. Wang disclosing one transaction was filed 40 days late.

18

CERTAIN TRANSACTIONS

During the fiscal year ended March 31, 2001, the Company retained the law firm of Wang & Wang, in which Charles B. Wang's brother, Mr. Francis S. L. Wang, is a member, to perform legal services for the Company. Wang & Wang, who represented the Company in connection with a number of matters involving protection of intellectual property rights, joint venture matters, and litigation, received approximately \$865,000 in fees and disbursements during the fiscal year.

In fiscal 2001, the Company paid the New York Islanders Hockey Club, L.P. the amount of \$315,000. This amount represented purchase of advertising and a corporate suite. Charles B. Wang and Sanjay Kumar are the owners of the New York Islanders. In addition, the Company made a commitment to pay \$54,000 for advertising to the New York Dragons, an arena football team. Charles B. Wang, Sanjay Kumar and Russell M. Artzt are the owners of the New York Dragons. These expenditures are consistent with the Company's overall marketing plan and with amounts charged to comparable third parties.

In the opinion of management, the aforementioned services were fair and reasonable and as favorable to the Company as those which could have been obtained from other third parties.

ITEM 2--2001 STOCK OPTION PLAN

The shareholders will be asked to consider and vote on a proposal to approve and adopt the Computer Associates International, Inc. 2001 Stock Option Plan (the "Plan"). The Plan is intended to replace the 1991 Plan, which automatically terminated according to its terms on June 24, 2001. The Plan reserves for issuance Stock Option awards of 7,500,000 shares of Common Stock ("Shares") that is equivalent to the number of Shares that were previously available for grant under the 1991 Plan but which can no longer be awarded due to the automatic expiration of the 1991 Plan. No additional Shares are being requested for issuance under the Plan. As of July [___], 2001, the market price of a Share was \$[___].

The Plan was approved by the Compensation Committee and adopted by the Company's Board of Directors, subject to the approval of shareholders. If the shareholders approve the Plan, it will be effective as of July 1, 2001. If shareholders do not approve the Plan, the Plan will be rescinded, and all Awards granted prior to such time, if any, will not have any effect. No grants have been made under the Plan to date.

The purpose of the Plan is to enable the Company to achieve superior financial performance, as reflected in the performance of its common stock and other key financial indicators, by providing for broad-based incentives to its Employees and Consultants in consideration of their services to the Company, aiding in the recruitment and retention of outstanding Employees and providing

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

Employees and Consultants an opportunity to acquire and expand equity interests in the Company, thus aligning their interests with those of shareholders. To accomplish these objectives, the Plan provides for the award of Nonqualified Stock Options and Incentive Stock Options. The Plan is intended to meet the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended.

The following is a summary of the material terms and provisions of the Plan and of certain tax effects of participation in the Plan. This summary is qualified in its entirety by reference to the complete text of the Plan, which is attached hereto as Exhibit B. To the extent there is a conflict between this summary and the Plan, the terms of the Plan will govern. Any capitalized terms that are used but not defined in this summary have meaning as defined in the Plan.

19

DESCRIPTION OF THE 2001 STOCK OPTION PLAN

PLAN ADMINISTRATION. The Plan will be administered by the Compensation Committee, which will have broad discretion and authority under the Plan to (1) interpret the Plan; (2) prescribe, amend and rescind rules and regulations regarding the Plan, (3) select Employees and Consultants to receive Awards under the Plan; (4) determine the form of an Award, the number of Shares subject to an Award, and the terms, conditions, restrictions and/or limitations, of each Award; (5) determine whether Awards will be granted singly, in combination or in tandem; (6) waive or amend any terms, conditions, restrictions or limitations of an Award (although the Plan's prohibition on Stock Option repricing cannot be waived); (7) make such adjustments to the Plan (including but not limited to adjustment of the number of Shares available under the Plan or any Award) and/or to any Award granted under the Plan, as may be appropriate in accordance with the Plan's adjustment provisions, see "Adjustments" below; (8) accelerate the vesting, exercise or payment of an Award when it would be in the best interest of the Company; (9) determine whether Nonqualified Stock Options may be transferable to family members, a family trust or a family partnership; (10) establish subplans in order to implement and administer the Plan in foreign countries; and (11) take any and all other action it deems necessary or advisable for the proper operation or administration of the Plan. The Compensation Committee can delegate any of its duties and authority under the Plan, except for the authority to grant and administer Awards to any Employee who is subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, or to any Employee to whom the Compensation Committee has delegated any of its authority under the Plan.

ELIGIBILITY. In general, each of the approximately 18,000 Employees of the Company and its consolidated subsidiaries, except seasonal and temporary employees, are eligible to receive Awards under the Plan. Consultants to the Company, of which there are approximately 25, will be eligible to receive Awards only in the form of Nonqualified Stock Options under the Plan. To be eligible to receive an Award, a Consultant must be a natural person who has contracted directly with the Company to provide bona fide services to the Company that are not in connection with the offer or sale of securities in a capital-raising transaction and do not directly or indirectly promote or maintain a market for the Company's securities. The Compensation Committee in its discretion will determine all questions regarding eligibility to receive Awards under the Plan, and the selection of Participants from those individuals, who are eligible to receive Awards.

STOCK OPTIONS. Stock Options awarded under the Plan may be in the form of either Nonqualified Stock Options or Incentive Stock Options, or a combination

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

of the two, at the discretion of the Compensation Committee, except that Stock Options may be awarded to Consultants only in the form of Nonqualified Stock Options. Stock Options granted under the Plan are subject to the following terms and conditions, although the Compensation Committee can determine, in its discretion, that different terms and conditions will apply to a particular Stock Option:

- o EXERCISE PRICE--The Exercise Price for each Share subject to a Stock Option will be determined by the Compensation Committee at the time of grant and may not be less than the Fair Market Value of a Share on the date of grant.
- o INCENTIVE STOCK OPTIONS-- The aggregate Fair Market Value on the date of grant of the Shares with respect to which Incentive Stock Options first become exercisable during any calendar year under the terms of the Plan for any Participant may not exceed \$100,000. For purposes of this \$100,000 limit, the Participant's Incentive Stock Options under this Plan and all Plans maintained by the Company and subsidiaries are aggregated.

20

- o NO REPRICING--The Plan contains a prohibition against decreasing the Exercise Price of a Stock Option after grant (other than in connection with permitted Plan adjustments, see "Adjustments" below), unless shareholder approval of the repricing is obtained.
- o VESTING--The Compensation Committee will determine the vesting schedule of a Stock Option at the time of grant, PROVIDED, HOWEVER, that no Stock Option may vest prior to the one-year anniversary of the date of grant; except that Stock Options will immediately vest upon the death of a Participant and the Committee may provide in the Award Certificate that a Stock Option will immediately vest upon a Change in Control.
- o TERM--Stock Options will automatically lapse 10 years after the date of grant.
- o POST-TERMINATION EXERCISE--Stock Options that have not vested as of the date of a Participant's Termination of Employment or Termination of Consultancy will immediately terminate as of such events; and, subject to the Special Forfeiture Provision described later in this summary, any vested Stock Option that has not already been exercised must be exercised, if at all, within 30 days after such event, unless the Compensation Committee provides otherwise in an Award Certificate.
- o PAYMENT OF EXERCISE PRICE--Payment of the Exercise Price may be made in cash, check, wire transfer, or money order or, if permitted by the Compensation Committee, (i) by tendering to the Company Shares owned by the Participant for at least six months having a Fair Market Value equal to the Exercise Price, (ii) delivering revocable instructions to a broker to deliver to the Company the amount of sale or loan proceeds with respect to Shares having a Fair Market Value equal to the Exercise Price, or (iii) any combination of the above methods.
- o TRANSFER RESTRICTION--Incentive Stock Options may not be transferred by a Participant other than by will or the laws of descent and

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

distribution and may be exercised only by a Participant, unless the Participant is deceased. In general, similar transfer restrictions apply to Nonqualified Stock Options, except that, in the case of Nonqualified Stock Options, the Compensation Committee has the discretion to permit a Participant to transfer a Nonqualified Stock Option to a family member, a trust for the benefit of a family member and to certain family partnerships. Any Nonqualified Stock Option so transferred will be subject to the same terms and conditions of the original grant and may be exercised by the transferee only to the extent the Stock Option would have been exercisable by the Participant had no transfer occurred.

SPECIAL FORFEITURE PROVISION. The Compensation Committee has discretion to provide at the time of grant of a Stock Option that in the event a Participant enters into certain employment or consulting arrangements that are competitive with the Company or any subsidiary or affiliate without first obtaining the Company's written consent, the Participant will forfeit all rights under any outstanding Stock Option and return to the Company the amount of any profit realized upon the exercise. This special forfeiture provision will not apply to a particular grant unless it is so specified at the time of the grant.

SHARES AVAILABLE FOR ISSUANCE. The maximum number of Shares that may be issued to Participants under the Plan is 7,500,000 Shares, which number of Shares had previously been approved by shareholders for issuance under the 1991 Plan but which, as of the June 24, 2001 automatic termination date of the 1991 Plan, have not been awarded (or have been awarded, but have been forfeited or cancelled without the issuance of Shares) under the 1991 Plan. Shareholders are not being asked to approve the issuance of any additional Shares under the Plan. The 7,500,000 Shares available under this Plan will be subject to adjustment as provided under the terms of the Plan, see "Adjustments" below. The market price of a Share on July [___], 2001 was \$[_____].

21

Shares issuable under the Plan may consist of authorized but unissued Shares or Shares held in the Company's treasury. In determining the number of Shares that remain available under the Plan, any Shares underlying Awards that terminate by expiration, forfeiture, cancellation or otherwise without issuance of Shares, or is settled in cash in lieu of Shares, will be available for future grants under the Plan. Also, if Shares are tendered or withheld in payment of all or part of the Exercise Price of a Stock Option, or in satisfaction of tax withholding obligations, such Shares will be available for future grants under the Plan. The following aggregate and individual limitations on the number of Shares issuable with respect to specific forms of Awards, which the Plan is required under the tax law to set (in some cases to ensure deductibility) are not indicative of the Awards that may actually be made from time to time, which Awards cannot exceed such limitations:

- o INCENTIVE STOCK OPTIONS--No more than 7,500,000 Shares may be issued under grants of Incentive Stock Options during the term of the Plan.
- o ANNUAL PARTICIPANT LIMITATION--No more than 1,000,000 Shares may be granted in the form of Stock Options (in whatever form) to any one Participant during any fiscal year of the Company.

ADJUSTMENTS. The maximum number or kind of Shares available for issuance under the Plan, the individual and aggregate maximum that may be issued under each form of Award, the number of Shares underlying outstanding Awards and the Exercise Price applicable to outstanding Stock Options may be adjusted by the

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

Compensation Committee, in its discretion, if the Compensation Committee determines that, because of any stock split, reverse stock split, dividend or other distribution (whether in the form of cash, Shares, other securities or other property), extraordinary cash dividend, recapitalization, merger, consolidation, split-up, spin-off, reorganization, combination, repurchase or exchange of Shares or other securities, the exercisability of stock purchase rights received under the Rights Agreement, the issuance of warrants or other rights to purchase Shares or other securities, or other similar corporate transaction or event, such adjustment is required in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

AMENDMENT AND TERMINATION. The Plan may be amended or terminated by the Company's Board of Directors at any time without shareholder approval, except that any amendment that either increases the aggregate number of Shares which may be issued under to the Plan, decreases the Exercise Price at which Stock Options may be granted or materially modifies the eligibility requirements for participation in the Plan requires shareholder approval before it can be effective. No amendment of the Plan will adversely affect any right of any Participant with respect to any outstanding Award without the Participant's written consent. If not earlier terminated by the Company's Board of Directors, the Plan will automatically terminate on the 3-year anniversary of the Company's 2001 Annual Meeting of Stockholders. No Awards may be granted under the Plan after it is terminated, but any previously granted Awards will remain in effect until they expire.

SUMMARY OF FEDERAL INCOME TAX CONSEQUENCES OF AWARDS

The following is a brief summary of the principal United States Federal income tax consequences of Awards and transactions under the Plan, based on advice received from counsel to the Company regarding current United States Federal income tax laws. This summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences.

NONQUALIFIED STOCK OPTIONS. A Participant will not recognize any income at the time a Nonqualified Stock Option is granted, nor will the Company be entitled to a deduction at that time. When a Nonqualified Stock Option is exercised, the Participant will recognize ordinary income in an amount equal to the excess of the fair market value of the Shares to which the option exercise pertains on the date

22

of exercise over the Exercise Price. Payroll taxes are required to be withheld from the Participant on the amount of ordinary income recognized by the Participant. The Company will be entitled to a tax deduction with respect to a Nonqualified Stock Option at the same time and in the same amount as the Participant recognizes income. The Participant's tax basis in any Shares acquired by exercise of a Nonqualified Stock Option will be equal to the Exercise Price paid plus the amount of ordinary income recognized.

Upon a sale of the Shares received by a Participant upon the exercise of a Nonqualified Stock Option, any gain or loss will generally be treated as long-term or short-term capital gain or loss, depending on the how long the Participant held such Shares prior to sale. The Participant's holding period for Shares acquired pursuant to the exercise of a Nonqualified Stock Option begins on the date of exercise.

INCENTIVE STOCK OPTIONS ("ISOs"). A Participant will not recognize any

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

income at the time an ISO is granted. Nor will a Participant recognize any income at the time an ISO is exercised. However, the excess of the fair market value of the Shares on the date of exercise over the Exercise Price paid will be a preference item that could create an alternate minimum tax liability. If a Participant disposes of the Shares acquired on exercise of an ISO after the later of two years after the date of grant of the ISO or one year after the date of exercise of the ISO (the "holding period"), the gain (i.e., the excess of the proceeds received on sale over the Exercise Price paid), if any, will be long-term capital gain eligible for favorable tax rates. If the Participant disposes of the Shares prior to the end of the holding period, the disposition is a "disqualifying disposition," and the Participant will recognize ordinary income in the year of the disqualifying disposition equal to the excess of the lesser of (i) the fair market value of the Shares on the date of exercise, or (ii) the amount received for the Shares, over the Exercise Price paid. The balance of the gain or loss, if any, will be long-term or short-term capital gain or loss depending on how long the Shares were held by the Participant prior to disposition.

The Company is not entitled to a deduction as a result of the grant or exercise of an ISO. If a Participant recognizes ordinary income as a result of a disqualifying disposition, the Company will be entitled to a deduction at the same time and in the same amount as the Participant recognizes ordinary income.

CODE SECTION 162(m). With certain exceptions, Section 162(m) of the Internal Revenue Code limits the Company's deduction for compensation in excess of \$1 million paid to certain highly paid officers of the Company ("Covered Employees"). However, compensation paid to such Covered Employees will not be subject to such deduction limitation if it is considered "qualified performance-based compensation" (within the meaning of Section 162(m) of the Code). If shareholder approval of the Plan is obtained, the Company believes that all Stock Options awarded to Covered Employees under the Plan will meet the requirements of "qualified performance-based compensation" and, therefore, will be deductible by the Company for Federal income tax purposes.

NEW PLAN BENEFITS

As of the date of this Proxy Statement, no Awards have been made under the Plan. Therefore, the amount of Shares subject to Stock Options under the Plan for the Company's 2002 fiscal year is not determinable.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE APPROVAL AND ADOPTION OF THE 2001 STOCK OPTION PLAN.

23

ITEM 3--RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Although the By-laws of the Company do not require the submission of the selection of independent auditors to the stockholders for approval, the Board of Directors considers it desirable that its appointment of independent auditors be ratified by the stockholders. KPMG LLP was the independent public accountant for the Company for the 2001 and 2000 fiscal years and has been appointed to serve in that capacity for the 2002 fiscal year. The firm of Ernst & Young LLP ("Ernst & Young") served as independent auditors for the Company for the fiscal year ended March 31, 1999, and was discontinued upon the Board of Directors' appointment of KPMG LLP on June 29, 1999. The decision to change accountants was approved by the Audit Committee.

The report of Ernst & Young on the Company's consolidated financial

Edgar Filing: COMPUTER ASSOCIATES INTERNATIONAL INC - Form PRE 14A

statements for the fiscal year ended March 31, 1999 did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with audits of the Company's consolidated financial statements for the fiscal year ended March 31, 1999, and the subsequent interim period prior to June 29, 1999, there were no disagreements between the Company and Ernst & Young on any matters of accounting principles or practices, financial statement disclosure, or audit scope and procedures which, if not resolved to the satisfaction of Ernst & Young, would have caused Ernst & Young to make reference to the matter in their reports.

AUDIT FEES

The aggregate fees billed by KPMG LLP for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended March 31, 2001, including statutory audits, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for fiscal year 2001, were approximately \$1,700,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The aggregate fees billed for financial information systems and implementation services provided by KPMG LLP for the fiscal year ended March 31, 2001 were approximately \$10,000.

ALL OTHER FEES

The aggregate fees billed by KPMG LLP for professional services rendered to the Company, other than those described above, for the fiscal year ended March 31, 2001 were approximately \$1,200,000.

The Audit Committee has considered whether the provision of the services, other than those in connection with the audit, is compatible with maintaining the independence of KPMG LLP.

A representative of KPMG LLP will be present at the meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from stockholders.

In the event that the stockholders fail to ratify the appointment of KPMG LLP, the Board of Directors will reconsider its selection of the firm as the Company's independent auditors for the fiscal year ending March 31, 2002.

24

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT AUDITORS.

25

2001 STOCK OPTION PLAN

Effective July 1, 2001

ARTICLE I

ESTABLISHMENT AND PURPOSE

SECTION 1.01 PURPOSE. The purpose of this Computer Associates International, Inc. 2001 Stock Option Plan (the "Plan") is to enable Computer Associates International, Inc. (the "Company") to achieve superior financial performance, as reflected in the performance of its Common Stock and other key financial or operating indicators by (i) providing incentives and rewards to Employees and Consultants who are in a position to contribute materially to the success and long-term objectives of the Company, (ii) aiding in the recruitment and retention of Employees of outstanding ability and (iii) providing Employees and Consultants an opportunity to acquire or expand equity interests in the Company, thus aligning the interests of such Employees and Consultants with those of the Company's shareholders. Towards these objectives, the Plan provides for grants of Nonqualified Stock and Incentive Stock Options.

SECTION 1.02 EFFECTIVE DATE; SHAREHOLDER APPROVAL. The Plan is effective as of July 1, 2001, subject to the approval by a vote at the Company's 2001 Annual Meeting of Stockholders, or any adjournment of such meeting, of the holders of at least a majority of the Shares of the Company, present in person or by proxy and entitled to vote at such meeting. Any Awards granted under the Plan prior to the approval of the Plan by the Company's shareholders, as provided herein, shall be contingent on such approval; if such approval is not obtained, the Plan shall have no effect, and any Awards granted under the Plan shall be rescinded.
