ITEM 1. SECURITY AND ISSUER

This Statement relates to the Common Stock, no par value per share (the "Common Stock") of Imatron Inc. ("Imatron" or the "Issuer"), which may be acquired by Reporting Person upon exercise of the Reporting Person's option to acquire shares of Issuer's Common Stock. The principal executive offices of the Issuer are located at 389 Oyster Point Boulevard, South San Francisco, California, 94080.

ITEM 2. IDENTITY AND BACKGROUND

## Edgar Filing: IMATRON INC - Form SC 13D

The Reporting Person is General Electric Company, a New York corporation ("GE"). GE is one of the largest and most diversified industrial corporations in the world. GE has engaged in developing, manufacturing and marketing a wide variety of products for the generation, transmission, distribution, control and utilization of electricity since its incorporation in 1892. Over the years, GE has developed or acquired new technologies and services that have broadened considerably the scope of its activities.

GE's products include major appliances; lighting products; industrial automation products; medical diagnostic imaging equipment; motors; electrical distribution and control equipment; locomotives; power generation and delivery products; nuclear power support services and fuel assemblies; commercial and military aircraft jet engines; and engineered materials, such as plastics, silicones and superabrasive industrial diamonds.

GE's services include product services; electrical product supply houses; electrical apparatus installation, engineering, repair and rebuilding services; and computer-related information services. Through its affiliate, the National Broadcasting Company, Inc., GE delivers network television services, operates television stations, and provides cable programming and distribution services. Through another affiliate, General Electric Capital Services, Inc., GE offers a broad array of financial and other services including consumer financing, commercial and industrial financing, real estate financing, asset management and leasing, mortgage services, consumer savings and insurance services, specialty insurance and reinsurance, and satellite communications.

GE operates in more than 100 countries around the world, including 280 manufacturing plants in 26 different nations. GE's principal executive offices are located at 3135 Easton Turnpike, Fairfield, CT 06431 (telephone (203) 373-2211).

The names, business address and principal occupations of each of Reporting Person's executive officers and directors are set forth in Exhibit A attached hereto, which is incorporated herein by this reference. All such persons are citizens of the United States unless otherwise noted in Exhibit A.

During the last five years, none of the persons named in this Item 2 has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

GE has not and, to the best of GE's knowledge, none of the directors and executive officers of GE has been, during the last five years, a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

### ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

The Stock Option Agreement described in Item 6 of this Statement was entered into by GE and Imatron as an inducement to GE to enter into the Merger Agreement described in Item 6. The exercise price for such option is \$1.89 per share, payable in cash. The maximum amount payable is \$39,545,389 (based on the total

number of shares of Imatron Common Stock issued and outstanding on September 20, 2001). GE would pay this amount out of working capital.

## Edgar Filing: IMATRON INC - Form SC 13D

The Shareholder Agreements described in Item 6 of this Statement were entered into between GE and each of Lewis Meyer, Douglas Boyd, Terry Ross and Jose Maria Salema Garcao as an inducement to GE to enter into the Merger Agreement described in Item 6. These Agreements contain an option for GE to purchase between 7,189,566 and 10,641,556 shares of stock (see Item 6 below). The exercise price for such options is \$1.89 per share, payable in cash. The maximum amount payable is \$20,112,541. GE would pay this amount out of working capital.

### ITEM 4. PURPOSE OF TRANSACTION

GE entered into the Stock Option Agreement and the Shareholder Agreements in order to help ensure the closing of the Merger Agreement described in Item 6. GE presently anticipates that it will acquire all of the outstanding Common Stock of Imatron upon consummation of the Merger described in Item 6.

### ITEM 5. INTEREST IN SECURITIES OF ISSUER

(a) - (c) By reason of the Stock Option Agreement, GE may be deemed to be the beneficial owner (with sole power to vote and sole power to direct disposition) of 20,923,486 shares of Imatron Common Stock (the "Stock Option Shares") (based on the number of shares of Imatron Common Stock outstanding as of the date of the Stock Option Agreement), which may be deemed to represent beneficial ownership of approximately 17% of the Imatron Common Stock under Rule 13d-3(d). The Stock Option Shares would be shares newly issued by Imatron. If Imatron issues additional shares of Common Stock, the number of Stock Option Shares will be increased so that they would continue to represent prior to issuance slightly less than 20% of the shares of Imatron Common Stock then issued and outstanding.

By reason of the Shareholder Agreements, GE may be deemed to be the beneficial owner of up to 10,641,556 shares optioned under those agreements (the "Shareholder Shares") and, together with the Subject Shareholders may be deemed to have shared power to vote or direct the vote of the Shareholder Shares and shared power to dispose or direct the disposition of the Shareholder Shares. In the press release of GE and Imatron announcing the signing of the Merger Agreement, Stock Option Agreement and Shareholder Agreements, filed pursuant to Rule 425 of the Securities Act on September 24, 2001, it was reported that the Subject Shareholders were "shareholders representing 11% of the Imatron shares outstanding on a fully diluted basis." Although the Subject Shareholders beneficially own 11% of the Imatron Common Stock, the actual amount of shares beneficially owned by the Subject Shareholders that is also subject to the Shareholder Agreements, calculated using Rule 13d-3(d), is approximately 10% of the Imatron Common Stock, based upon the number of shares outstanding as of September 20, 2001, and assuming acceleration and exercise of all stock options and warrants held by the Subject Shareholders (including stock options and warrants having an exercise price that is greater than \$1.89 per share). See Item 6.

GE's total combined beneficial ownership of Imatron Common Stock as a result of the Stock Option Agreement and the Shareholder Agreements may be deemed to be approximately 24%.

For purposes of computing and reporting beneficial ownership as a result of the options granted under the Stock Option Agreement and the Shareholder Agreements, GE has assumed that such options will become exercisable within 60 days of the date of this Schedule 13D (see Item 6). However, because the circumstances under which GE could purchase such shares under these agreements are beyond the control of GE, GE disclaims beneficial ownership of all such shares.

## Edgar Filing: IMATRON INC - Form SC 13D

Except as described in this Schedule 13D, neither GE nor, to the best knowledge of GE, any of the persons listed in Item 2 above beneficially owns any shares of Imatron Common Stock. Except as described in

4

this Schedule 13D, neither GE nor, to the best of its knowledge, any of the persons listed in Item 2 above has effected any transactions in Imatron Common Stock during the past 60 days.

(d) Not applicable.

(e) Not applicable.

### ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS WITH RESPECT TO THE SECURITIES OF THE ISSUER

On September 21, 2001, GE, Ruby Merger Corp., a New Jersey corporation and a wholly owned subsidiary of GE ("Sub") and Imatron entered into an Agreement and Plan of Merger (the "Merger Agreement") providing for the merger of Sub with and into Imatron (the "Merger"), with Imatron surviving the Merger and becoming a wholly-owned subsidiary of GE. By virtue of the Merger, each outstanding share of Imatron Common Stock (other than shares held by Imatron or its subsidiaries or GE or any wholly-owned subsidiaries of GE) will be converted into the right to receive that number of shares of common stock, par value \$0.06 per share, of GE (the "GE Common Stock") determined by dividing \$1.89 by the Average GE Share Price (as defined below).

The "Average GE Share Price" is the average of the daily volume-weighted sales prices per share of GE Common Stock on the New York Stock Exchange Tape for each of the ten consecutive trading days ending on the trading day which is five calendar days prior to the closing date of the Merger. After the Merger, the directors of Sub immediately prior to the consummation of the Merger will become directors of Imatron. Following the consummation of the Merger, the Imatron Common Stock will be delisted from the NASDAQ and the Imatron Common Stock will be terminated from registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended. A copy of the Merger Agreement is included as Exhibit 99(a) hereto and the description of the Merger Agreement contained herein is qualified in its entirety by reference to such exhibit, which is incorporated by reference.

Immediately prior to the execution of the Merger Agreement, in order to induce GE to enter into the Merger Agreement, GE and Imatron entered into the Stock Option Agreement (the "Stock Option Agreement") in which Imatron granted to GE an option (the "Option") to purchase up to a number of shares that, immediately prior to issuance, would represent approximately 20% of the then issued and outstanding shares of Imatron Common Stock at an exercise price of \$1.89 per share, payable in cash.

The Option is immediately exercisable if one or more of the following events occurs: (a) any person, corporation, partnership, limited liability company or other entity or group (singularly or collectively hereinafter, a "Person"), acquires or becomes the beneficial owner of 20% or more of the outstanding shares of Imatron Common Stock, (b) any group is formed which beneficially owns 20% or more of the outstanding shares of Imatron Common stock; (c) any person shall have commenced a tender or exchange offer for 20% or more of the then outstanding shares of Imatron Common Stock or publicly proposed any bona fide merger, consolidation or acquisition of all or substantially all the assets of Imatron, or other similar business combination involving Imatron; (d) Imatron enters into, or announces that it proposes to enter into, an agreement, including, without limitation, an agreement in principle, providing for a merger

## Edgar Filing: IMATRON INC - Form SC 13D

or other business combination involving Imatron or a "significant subsidiary" (as defined in rule 1.02(w) of Regulation S-X as promulgated by the Securities and Exchange Commission) of Imatron or the acquisition of a substantial interest in, or a substantial portion of the assets, business or operations of, Imatron or a significant subsidiary (other than the transactions contemplated by the Merger Agreement); (e) any Person is granted any option or right, conditional or otherwise, to acquire or otherwise become the beneficial owner of shares of Imatron Common Stock which, together with all shares of Imatron Common Stock beneficially owned by such Person, results or would result in such Person being the beneficial owner of 20% or more of the outstanding shares of Imatron

5

Common Stock; or (f) there is a public announcement with respect to a plan or intention by a person, other than GE or its affiliates, to effect any of the foregoing transactions.

The Option terminates upon the earlier to occur of (i) the closing of the transactions contemplated by the Merger and (ii) the termination of the Merger Agreement in accordance with its terms; PROVIDED, HOWEVER, that the Option will not terminate until 12 months after a termination pursuant to clause (ii) immediately above under circumstances specified in the Stock Option Agreement.

A copy of the Stock Option Agreement entered into between GE and Imatron is filed as Exhibit 99(b) hereto and the description contained herein is qualified in its entirety by reference to such exhibit, which is incorporated herein by reference.

Immediately prior to the execution of the Merger Agreement, in order to induce GE to enter into the Merger Agreement, Lewis Meyer, owner of 237,041 shares and options to purchase 1,560,000 shares, Douglas Boyd, owner of 1,942,042 shares, Terry Ross, owner of 5,372,105 shares and warrants to purchase 560,000 shares and Jose Maria Salema Garcao, owner of 1,250,000 shares and a warrant to acquire 1,500,000 shares (collectively, the "Subject Shareholders"), entered into Shareholder Agreements with GE (the "Shareholder Agreements") governing their shares. The Shareholder Agreement between GE and Mr. Ross covers only 70% of the shares held (or hereafter acquired pursuant to the exercise of warrants) by Mr. Ross.

The Shareholder Agreements provide, among other things, that so long as the Shareholder Agreements are in effect, the Subject Shareholders will: (i) vote (or cause to be voted or to act by consent) the Shareholder Shares in favor of the Merger and all transactions contemplated by the Merger Agreement, (ii) vote (or cause to be voted or to act by consent) the Shareholder Shares against any action or agreement which would impede, frustrate, prevent or nullify the Merger, the Merger Agreement, or any transactions contemplated by the Merger Agreement and (iii) grant to GE a proxy to vote the Shareholder Shares in favor of the Merger. Additionally, except in limited circumstances, the Subject Shareholders are prohibited from selling, transferring, assigning or pledging the Shareholder Shares.

The Shareholder Agreements also grant to GE an option (the "Shareholder Option") to purchase the Shareholder Shares at an exercise price of \$1.89 per share, payable in cash. The Shareholder Option is immediately exercisable if one or more of the following events occurs: (a) any person, corporation, partnership, limited liability company or other entity or group (singularly or collectively hereinafter, a "Person"), acquires or becomes the beneficial owner of 20% or more of the outstanding shares of Imatron Common Stock, (b) any group is formed which beneficially owns 20% or more of the outstanding shares of Imatron Common stock; (c) any person shall have commenced a tender or exchange offer for 20% or more of the then outstanding shares of Imatron Common Stock or

## Edgar Filing: IMATRON INC - Form SC 13D

publicly proposed any bona fide merger, consolidation or acquisition of all or substantially all the assets of Imatron, or other similar business combination involving Imatron; (d) Imatron enters into, or announces that it proposes to enter into, an agreement, including, without limitation, an agreement in principle, providing for a merger or other business combination involving Imatron or a "significant subsidiary" (as defined in rule 1.02(w) of Regulation S-X as promulgated by the Securities and Exchange Commission) of Imatron or the acquisition of a substantial interest in, or a substantial portion of the assets, business or operations of, Imatron or a significant subsidiary (other than the transactions contemplated by the Merger Agreement); (e) any Person is granted any option or right, conditional or otherwise, to acquire or otherwise become the beneficial owner of shares of Imatron Common Stock which, together with all shares of Imatron Common Stock beneficially owned by such Person, results or would result in such Person being the beneficial owner of 20% or more of the outstanding shares of Imatron Common Stock; or (f) there is a public announcement with respect to a plan or intention by any person, other than GE or its affiliates, to effect any of the foregoing transactions.

6

The Subject Shareholders' obligations under the Shareholder Agreement terminate on the earlier to occur of (i) 6 months after the termination of the Merger Agreement in accordance with its terms (or, in the case of the agreement with Mr. Ross, 60 days after the termination of the Merger Agreement in accordance with its terms), or (ii) the effective time of the Merger PROVIDED, HOWEVER, that the under certain circumstances specified in the Shareholder Agreement the obligations terminate immediately upon a termination of the Merger Agreement.

The Shareholder Agreements affect 10,641,557 shares of Imatron Common Stock, assuming full acceleration and exercise of all stock options and warrants that are covered by the Shareholder Agreements (including stock options and warrants having an exercise price that is greater than \$1.89 per share). However, the Shareholder Agreements do not require the Subject Shareholders to exercise their stock options or warrants. If such options or warrants are not exercised, the Shareholder Agreements would affect 7,189,556 of the shares that are currently issued and outstanding and held by the Subject Shareholders.

A copy of each of the Shareholder Agreements entered into between GE, and the Subject Shareholders is filed as Exhibit 99(c) and Exhibit 99(d) hereto and the description contained herein is qualified in its entirety by reference to such exhibit, which is incorporated herein by reference.
