NOTICE OF MEETING
AND
MANAGEMENT INFORMATION
AND PROXY CIRCULAR

for the
Annual and Special General Meeting
to be held on

Friday, April 26, 2002

[LETTERHEAD]

March 19, 2002

Dear Shareholder:

Throughout 2001, our focus has been on assuring that the Corporation will have sufficient funds to continue operating. Our 2001 reports carried a consistent theme -- the need for fresh capital if we were to remain viable. On January 22, 2002, we announced a U.S.\$3.8 million private placement which, pending shareholder approval, provides the capital that will allow us to continue operating and to pursue a value-creating business plan.

It is therefore my pleasure to invite you to attend the Corporation's 2002 annual and special general meeting of shareholders. The meeting will be held on Friday, April 26, 2002 at 10:00 a.m., Vancouver time, at Suite 1200, 200 Burrard Street, Vancouver, British Columbia, Canada. If you are unable to attend the meeting in person, please complete, date, sign and return the enclosed form of proxy to ensure that your vote is counted.

The Notice of Meeting, Management Information and Proxy Circular, and forms of proxy for the annual and special general meeting, are all enclosed. These documents contain important information and I encourage you to read them carefully. Specifically, I would like to draw your attention to the section in the Management Information and Proxy Circular entitled "Particulars of Matters to be Acted Upon". In this section, in addition to the election of directors and the appointment of auditors, you will be asked to consider and approve three important resolutions related to the private placement.

SHAREHOLDER APPROVAL IS REQUIRED BEFORE THE PRIVATE PLACEMENT IS FINALIZED, AND MANAGEMENT AND THE BOARD OF DIRECTORS STRONGLY URGE YOU TO VOTE FOR THE RESOLUTIONS.

Additional information regarding the private placement and management's decision to proceed with the private placement is set out below.

Recent years have been difficult for gold miners and investors in gold mining companies. Many gold companies have gone out of business. Those of us that have survived have learned to be resourceful. Until now, Vista's management has maintained the Corporation and its gold resources without issuing new equity or debt, by selling off non-essential assets and minimizing overhead. However, these are temporary measures, at best. As disclosed in the Corporation's 2001 Forms 10-Q, the company expected to run out of cash around the end of March 2002. Without the addition of new capital, the Corporation cannot continue

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

operating.

In the past several years, the Corporation has aggressively pursued a variety of potential funding sources. A significant deterrent for potential investors had been the contingent liability associated with the Mineral Ridge Resources, Inc. lawsuit as disclosed in Part II, Item 1 "Legal Proceedings" of the Corporation's 2001 Forms 10-Q. On August 25, 2000, United States Fidelity & Guarantee Company ("USF&G") filed an action in the United States District Court against the Corporation, our subsidiary Vista Gold Holdings, Inc., Stockscope.com Technologies, Inc. (formerly, Cornucopia Resources Inc.) and its

subsidiaries, Cornucopia Resources, Inc., Red Mountain Resources, Inc. and Touchstone Resources Inc. This action involved a General Contract of Indemnity in connection with the posting of a reclamation bond for mining activities by Mineral Ridge Resources, Inc. at Silver Peak, Nevada. In the action, USF&G sought to compel all of the defendants to post additional collateral for the bond and reimburse USF&G for costs, in the total amount of U.S.\$902,819.

The Corporation and Vista Gold Holdings, Inc. were not parties to the General Contract of Indemnity and have denied any liability. However, because of the expense in defending against this suit and the negative impact on the Corporation's ability to attract financing, management determined that it was in the best interest of the Corporation to settle this matter. As a result, management negotiated a settlement with USF&G in the amount of U.S.\$814,087, and an agreement with Stockscope, whereby Stockscope would provide all of the cash needed to settle the suit with USF&G plus additional working capital for the Corporation in return for equity in the Corporation. This resulted in the first part of the private placement, which closed on February 1, 2002.

The first part of the private placement raised U.S.\$1.026 million (U.S.\$814,087) of which is being held in trust to settle the USF&G suit) through the issuance of 21.6 million units priced at U.S.\$0.0513 per unit -- each unit consisting of one common share and one warrant to purchase one common share at an exercise price of U.S.\$0.075 per share for a period of five years from the date of issue. Of these units, 1.6 million were issued to Global Resource Investments Ltd. ("Global") as consideration for its services as agent. If the warrants that were issued as part of this stage of the private placement are exercised, an additional U.S.\$1.5 million will flow into the Corporation. SHAREHOLDER APPROVAL IS REQUIRED BEFORE THESE WARRANTS MAY BE EXERCISED.

As a direct result of the negotiations with Stockscope, Global agreed to broker the private placement of convertible debentures of the Corporation with a total principal amount of U.S.\$2.774 million -- the second step of the private placement -- bringing the total private placement to U.S.\$3.8 million. This level of investment, together with the potential for additional investment through the exercise of warrants, ensures the Corporation's viability and will provide funding that will allow Vista to focus on increasing its gold resource and reserve base.

This second part of the private placement was fully subscribed and closed on March 19, 2002. The gross proceeds of this stage were placed in escrow and will be available to the Corporation only if shareholders approve the private placement and the USF&G lawsuit is settled. The debentures are convertible into units at a price of U.S.\$0.0513 per unit -- each unit consisting of one common share and one warrant with the same terms as those issued in connection with the first part of the private placement. If these warrants are exercised, the Corporation will receive an additional U.S.\$4.1 million. SHAREHOLDER APPROVAL IS REQUIRED BEFORE THESE DEBENTURES MAY BE CONVERTED.

A 1 for 20 share consolidation is contemplated in conjunction with the private placement. After this consolidation is completed, the conversion price for the debentures will be U.S.\$1.026 per unit (i.e., U.S.\$0.0513 times 20), and the

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

exercise price for the warrants issued as part of the first and second parts of the private placement will be U.S.\$1.50 (i.e., U.S.\$0.075 times 20). The private placement, combined with the share consolidation, will support the Corporation's continued eligibility for listing on the American Stock Exchange, which provides an important market for our shareholders. It will also introduce the potential to attract large institutional investors and investment coverage by industry analysts. SHAREHOLDER APPROVAL IS REQUIRED FOR THE SHARE CONSOLIDATION.

The total sum being raised as a result of the Private Placements is U.S.\$3.8 million initially, with a potential for an additional U.S.\$5.6 million if all of the associated warrants are exercised. This new funding will allow the Corporation to eliminate a contingent liability; will provide the capital for the Corporation to remain viable; and will allow the Corporation to pursue a value-creating business plan. This plan involves selective acquisition of gold exploration and development properties, and the improvement of these properties through the application of appropriate technology.

At the time this financing was negotiated, it was priced at a small discount to the then prevailing market prices for the Corporation's stock. Since that time, the value of the Corporation's business plan and the

improved viability of the Corporation have been recognized in the market place and at the date of this letter, reflected in increased prices for the Corporation's stock.

Management and the Board of Directors believe that this private placement is the best, and possibly the only, source of new capital available to the Corporation in the near term. This new capital will help the Corporation improve its reserve and resource base from which future cash flows, earnings and long-term growth can be generated.

WE STRONGLY URGE YOU TO VOTE FOR THE PRIVATE PLACEMENT RESOLUTIONS.

Yours truly,
(Signed) RONALD J. MCGREGOR
President and
Chief Executive Officer

APPOINTMENT OF AUDITORS

Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted for the re-appointment of PricewaterhouseCoopers LLP, Chartered Accountants, of Vancouver, British Columbia, as the auditor of the Corporation to hold office until the close of the next annual general meeting of the Corporation or until a successor is appointed. It is proposed that the remuneration to be paid to the auditor be fixed by the Board of Directors. PricewaterhouseCoopers LLP (then Coopers & Lybrand) was first appointed the auditor of the Corporation on June 28, 1985.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Meeting and to be available to respond to appropriate questions from persons present at the Meeting. If representatives of PricewaterhouseCoopers LLP are present at the Meeting, the Chairman of the Meeting will provide such representatives with the opportunity to make a statement if they so desire.

FEES PAID TO AUDITORS AND THEIR INDEPENDENCE FROM THE CORPORATION

The aggregate fees billed by PricewaterhouseCoopers LLP for their audit of the Corporation's 2001 financial statements and for their reading and commenting on the Corporation's financial statements included in the Corporation's quarterly reports on Form 10-Q for 2001 were approximately U.S.\$25,000. During 2001, PricewaterhouseCoopers LLP did not bill the Corporation for any fees related to financial information systems design and implementation services rendered in fiscal 2001. During 2001, the aggregate fees billed by PricewaterhouseCoopers LLP for all other services rendered in fiscal 2001 were approximately U.S.\$16,000.

In reviewing the independence of PricewaterhouseCoopers LLP, the Audit Committee of the Board of Directors considered whether the provision of the services described above, other than the services related to the audit of the Corporation's annual financial statements and reading and commenting on financial statements included in the Corporation's quarterly reports, is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

APPROVAL OF PRIVATE PLACEMENTS AND SHARE CONSOLIDATION

At the Meeting, shareholders will be asked to consider and approve three separate resolutions which relate to a private placement transaction that was completed by the Corporation in two steps on February 1, 2002 and March 19, 2002, respectively. The first resolution relates to certain common share purchase warrants that were issued on February 1, 2002 in connection with the first step of the private placement (defined below as the "UNIT OFFERING"), the second resolution relates to certain convertible debentures and special warrants that were issued on March 19, 2002 in connection with the second step of the private placement (defined below as the "DEBENTURE OFFERING"), and the third resolution relates to a consolidation of the outstanding Common Shares of the Corporation (defined below as the "SHARE CONSOLIDATION") which is being completed in connection with the private placements. These matters are discussed in further detail below and the resolutions are set out in Schedule "A" to this Information Circular.

MANAGEMENT AND THE BOARD OF DIRECTORS STRONGLY RECOMMEND THAT SHAREHOLDERS VOTE IN FAVOUR OF THESE RESOLUTIONS. SEE "RECOMMENDATIONS OF MANAGEMENT AND BOARD OF DIRECTORS" BELOW.

PRIVATE PLACEMENT OF UNITS

On February 1, 2002, the Corporation completed a private placement (the "UNIT OFFERING") of 20,000,000 units (the "OFFERED UNITS") to Stockscape.com

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

Technologies Inc. ("STOCKSCAPE"), and 1,600,000 units (the "AGENT'S UNITS") to Global Resource Investments Ltd. ("GLOBAL"), as consideration for its services as agent in connection with the Unit Offering. Each Offered Unit and each Agent's Unit consisted of one Common Share and one common share purchase warrant (a "WARRANT"). Subject to

3

shareholder approval, each Warrant entitles the holder to purchase one Common Share at a price of U.S.\$0.075 per share on or before 4:30 p.m., Vancouver time, on February 1, 2007. As a condition of the closing of the Unit Offering, Murray Sinclair, a director of Stockscape, was appointed to the Board of Directors of the Corporation. See "Particulars of Matters to be Acted Upon--Election of Directors".

The closing of the Unit Offering provided the Corporation with net proceeds of U.S.\$1,026,000 and the potential for an additional U.S.\$1,500,000, if the Warrants issued as part of the Unit Offering are exercised. Of these proceeds, U.S.\$814,087 is being held in trust to settle a lawsuit initiated by United States Fidelity & Guarantee Company (described in the Corporation's Form 10-K for the year-ended 2000 and Form 10-Qs for 2001) and the balance will be used by the Corporation as working capital. The potential liability associated with this lawsuit had been a significant deterrent for potential investors and management believes that its settlement will enhance the ability of the Corporation to raise additional capital in the future. Management estimates that the additional working capital provided by the Unit Offering will provide the Corporation with sufficient cash resources to continue operations until the end of April 2002. IF SHAREHOLDERS DO NOT APPROVE THE WARRANTS ISSUED AS PART OF THE UNIT OFFERING, THE CORPORATION WILL LOSE THE POTENTIAL TO RECEIVE THE U.S.\$1,500,000 THAT WILL BE RECEIVED BY THE CORPORATION IF ALL WARRANTS ARE EXERCISED.

The Toronto Stock Exchange (the "TSE") has approved the Unit Offering, subject to shareholders approving the issuance of the Warrants at the Meeting. The issuance of the Common Shares that were issued as part of the Unit Offering is not subject to shareholder approval.

Accordingly, at the Meeting, the shareholders will be asked to consider and approve an ordinary resolution (the "UNIT OFFERING RESOLUTION") authorizing the directors of the Corporation to issue the Warrants to acquire 21,600,000 Common Shares that were issued in connection with the Unit Offering. The full text of the Unit Offering Resolution is set out as Resolution No. 1 of Schedule "A" to this Information Circular.

PRIVATE PLACEMENT OF CONVERTIBLE DEBENTURES

On March 19, 2002, the Corporation completed a private placement (the "DEBENTURE OFFERING") of convertible debentures ("DEBENTURES") in the principal amount of U.S.\$2,774,000 to various investors, and 4,325,925 special warrants (the "AGENT'S SPECIAL WARRANTS") to Global, as consideration for its services as agent in connection with the Debenture Offering. Subject to shareholder approval, the Debentures are convertible into units (the "DEBENTURE UNITS") at a price of U.S.\$0.0513 per Debenture Unit, with each Debenture Unit consisting of one Common Share and one Warrant. Subject to shareholder approval, each warrant entitles the holder to purchase one Common Share at a price of U.S.\$0.075 per share on or before 4:30 p.m., Vancouver time, on March 18, 2007. The Debentures bear interest at a rate of 1% per annum and will mature on September 20, 2003 (the "MATURITY DATE"), unless they are converted or otherwise become due and payable prior to that date. Subject to shareholder approval (prior to March 18, 2007), the Agent's Special Warrants are convertible into 4,325,925 Agent's Units, with each Agent's Unit consisting of one Common Share and one Warrant with the same terms as the Offered Units (described above under "Private Placement of Units").

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

Subject to shareholder approval of the Debenture Offering at the Meeting, and the release to the Corporation from escrow of the gross proceeds raised by the issuance of the Debentures (as described below), the Debentures may, at the option of the holder, be converted into Debenture Units at any time prior to the Maturity Date. In addition, if shareholder approval is obtained at the Meeting the Debentures will automatically be converted into Debenture Units on the later of (i) the date a registration statement filed under the United States SECURITIES ACT OF 1933 (a "REGISTRATION STATEMENT") relating to the Debentures, the Debenture Units and the Common Shares and Warrants underlying the Debenture Units is declared effective by the United States Securities and Exchange Commission (the "SEC") and (ii) the date the gross proceeds raised by the issuance of the Debentures are released to the Corporation from escrow. THE DEBENTURES WILL AUTOMATICALLY BECOME DUE AND PAYABLE, IN CASH, ON THE DATE OF THE MEETING, IF

4

SHAREHOLDERS DO NOT APPROVE THE DEBENTURE OFFERING AT THE MEETING. In addition, if shareholder approval is obtained at the Meeting the Debentures will become due and payable, in cash, at the option of the holder at any time after September 20, 2002, if by such date either (i) the SEC has not declared effective a Registration Statement relating to the Debentures, the Debenture Units and the Common Shares and Warrants underlying the Debenture Units, or (ii) the gross proceeds raised by the issuance of the Debentures have not been released to the Corporation from escrow (as described below).

The gross proceeds raised by the issuance of the Debentures have been placed in escrow pending shareholder approval of the Debenture Offering at the Meeting and the dismissal of the USF&G lawsuit (referred to above under "Private Placement Units"). If shareholders approve the Debenture Offering at the Meeting, these proceeds will be released to the Corporation within three business days of the later of the date of the Meeting or the date the USF&G lawsuit is dismissed. IF SHAREHOLDERS DO NOT APPROVE THE DEBENTURE OFFERING AT THE MEETING, THE PROCEEDS FROM THE ISSUANCE OF THE DEBENTURES AND ALL ACCRUED INTEREST WILL BE RETURNED TO INVESTORS. THE AGENT'S SPECIAL WARRANTS WILL NOT BE CONVERTED INTO AGENT'S UNITS UNLESS SHAREHOLDER APPROVAL IS OBTAINED AT THE MEETING, OR AT A SUBSEQUENT MEETING HELD PRIOR TO MARCH 18, 2007.

If shareholders approve the Debenture Offering at the Meeting, management expects that the Debentureholders will nominate a person to be appointed as a director of the Corporation.

The TSE has approved the Debenture Offering, subject to, among other things, shareholders approving the issuance of the Debentures and the Agent's Special Warrants at the Meeting. Accordingly, at the Meeting, the shareholders will be asked to consider and approve an ordinary resolution (the "DEBENTURE OFFERING RESOLUTION") authorizing the directors of the Corporation to issue the Debentures and the Agent's Special Warrants that were issued in connection with the Debenture Offering. The full text of the Debenture Offering Resolution is set out as Resolution No. 2 of Schedule "A" to this Information Circular.

SHARE CONSOLIDATION

The Corporation is currently authorized to issue an unlimited number of Common Shares, of which 112,315,040 were outstanding on March 19, 2002. In connection with the Debenture Offering, the Board of Directors has approved (i) the consolidation (the "SHARE CONSOLIDATION") of the issued and outstanding Common Shares on the basis of 20 existing Common Shares into one Common Share, and (ii) amendments to the Corporation's Articles of Continuance to reflect the Share Consolidation. Management and the Board of Directors of the Corporation believe that the Share Consolidation is necessary in order to facilitate future

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

equity financing that will be required by the Corporation to fund on-going exploration and development of its properties, future property acquisitions and working capital requirements

No fractional Common Shares will be issued in connection with the Share Consolidation and in the event that the resultant number of Common Shares held by any shareholder following the Share Consolidation is not a whole number, then the number of Common Shares to be received by the shareholder shall be rounded down to the nearest whole number of Common Shares. The maximum number of Common Shares that the Corporation is authorized to issue will not be amended in connection with the Share Consolidation and will remain as an unlimited number of Common Shares.

Under the terms of the Warrants and the Debentures that were issued in connection with the Unit Offering and the Debenture Offering (see "Private Placement of Units" and "Private Placement of Convertible Debentures" above), if the Share Consolidation is effected the price at which each Warrant is exercisable to acquire one Common Share and each Debenture is convertible into one Common Share will be adjusted so that it is 20 times the exercise price and conversion price, respectively, prior to the Share Consolidation being made effective. In other words, the Share Consolidation would have the effect of re-pricing the exercise price of the Warrants from U.S.\$0.075 to U.S.\$1.50 and the price of the Debenture Units issued on conversion of the Debentures from U.S.\$0.0513 to U.S.\$1.026. A similar adjustment will be

5

made to the exercise price of stock options to acquire Common Shares which are held by directors, officers and employees of the Corporation under the terms of the Corporation's stock option plan. In addition, the number of Common Shares issuable under the Corporation's stock option plan, will be reduced on a 20 to one basis, from 4,500,000 Common Shares to 225,000 Common Shares.

If shareholders approve the Share Consolidation and management of the Corporation elect to proceed with the Share Consolidation management will determine the timing for the necessary actions to effect the Share Consolidation. At present, management of the Corporation intends to file the necessary corporate documents to effect the Share Consolidation with the Yukon Registrar of Corporations as soon as possible following the approval of the Share Consolidation Resolution at the Meeting. Upon receipt of confirmation that the Corporation's Articles have been amended to reflect the Share Consolidation, management intends to file the necessary documents to effect the Share Consolidation with The Toronto Stock Exchange and the American Stock Exchange. Following these filings with the stock exchanges, management of the Corporation intends to mail letters of transmittal to each shareholder of record of the Corporation that will set out the procedures for shareholders to surrender their existing Common Share certificates and receive new Common Share certificates representing the number of Common Shares to which they are entitled on a post-Share Consolidation basis. Upon receipt by the Corporation's registrar and transfer agent, Computershare Trust Company of Canada, of a shareholder's properly completed letter of transmittal, together with his or her existing Common Share certificates, Computershare will forward to such shareholder as soon as practicable, the new Common Share certificates of the Corporation reflecting the number of Common Shares to which each such shareholder is entitled on a post-Share Consolidation basis. The Common Shares of the Corporation are expected by management to commence trading on The Toronto Stock Exchange and the American Stock Exchange on a post-Share Consolidation basis two to three trading days after the later of (i) mailing of letters of transmittal to shareholders of the Corporation and (ii) the Corporation meeting all requirements established by The Toronto Stock Exchange and the American Stock Exchange in respect of the Share Consolidation.

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

The Toronto Stock Exchange has approved the Share Consolidation, subject to, among other things, shareholders approving the Share Consolidation at the Meeting. Accordingly, at the Meeting, shareholders will be asked to consider and approve a special resolution (the "SHARE CONSOLIDATION RESOLUTION") authorizing the Share Consolidation and amendments to the Corporation's Articles of Continuance to reflect the Share Consolidation. The full text of the Share Consolidation Resolution is set out as Resolution No. 3 of Schedule "A" to this Information Circular and the full text of the proposed Articles of Amendment of the Corporation is set out in Schedule "B" to this Information Circular.

IF THE DEBENTURE OFFERING RESOLUTION IS NOT APPROVED BY SHAREHOLDERS, MANAGEMENT OF THE CORPORATION MAY NOT PROCEED WITH THE SHARE CONSOLIDATION (I.E., EVEN IF THE SHARE CONSOLIDATION RESOLUTION IS APPROVED). In addition, notwithstanding the approval of the Share Consolidation Resolution by shareholders, the Board of Directors may without further approval of the shareholders elect not to act on or carry out the Share Consolidation. Finally, the Share Consolidation will not be effected without the approval of The Toronto Stock Exchange and the American Stock Exchange.

RECOMMENDATION OF MANAGEMENT AND THE BOARD OF DIRECTORS

MANAGEMENT AND THE BOARD OF DIRECTORS STRONGLY RECOMMEND THAT SHAREHOLDERS VOTE IN FAVOUR OF THE UNIT OFFERING RESOLUTION, THE DEBENTURE OFFERING RESOLUTION AND THE SHARE CONSOLIDATION RESOLUTION.

The Corporation's recent financial statements and other disclosure documents have highlighted that the ability of the Corporation to continue as a going concern (i.e., remain in business) is dependent on the Corporation obtaining additional capital. In particular, the Corporation's financial statements and Form 10-K for the year-ended 2000 and quarterly financial statements and Form 10-Qs for 2001 disclosed

6

management's estimate that the Corporation had sufficient cash resources to continue operations until March 2002, and made it clear that there was substantial doubt about the ability of the Corporation to remain in business after March 2002 unless the Corporation obtained additional capital. Management now estimates that the additional working capital obtained by the Corporation at the Unit Offering will provide the Corporation with sufficient cash resources to continue operations only until the end of April 2002.

If approved by shareholders, the Warrants issued as part of the Unit Offering will provide the potential for an additional U.S.\$1,500,000 of capital to the Corporation, if all Warrants are exercised; and the Debenture Offering will provide a total of U.S.\$2,800,000 immediately, (provided the USF&G lawsuit has been dismissed), with the potential to provide an additional U.S.\$4,100,000 of capital if all Warrants issued in connection with this transaction are exercised by investors. HOWEVER, THE CORPORATION WILL NOT RECEIVE ANY OF THIS FUNDING UNLESS THE APPROVAL OF SHAREHOLDERS IS OBTAINED AT THE MEETING. IF THIS FUNDING IS NOT OBTAINED, MANAGEMENT AND THE BOARD OF DIRECTORS HAVE SIGNIFICANT CONCERNS REGARDING THE ABILITY OF THE CORPORATION TO CONTINUE TO REMAIN IN BUSINESS.

The closings of the Unit Offering and the Debenture Offering in February and March 2002 represent the culmination of several years of extensive efforts by management to identify and secure the funding necessary for the Corporation to continue to operate its business. Management and the Board of Directors believe that these transactions represent the best, and possibly the only, source of new capital available to the Corporation in the near term. In addition, these transactions have provided the Corporation with the capital necessary to eliminate the contingent liability associated with a lawsuit against the Corporation, to remain viable, and to develop and pursue a value-creating

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

business plan.

FOR THESE REASONS, MANAGEMENT AND THE BOARD OF DIRECTORS STRONGLY RECOMMEND THAT SHAREHOLDERS VOTE IN FAVOUR OF THE UNIT OFFERING RESOLUTION, THE DEBENTURE OFFERING RESOLUTION AND THE SHARE CONSOLIDATION RESOLUTION.

INFORMATION ABOUT PROXIES

SOLICITATION OF PROXIES

The solicitation for proxies will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by officers and employees of the Corporation. THE CORPORATION MAY RETAIN OTHER PERSONS OR COMPANIES TO SOLICIT PROXIES ON BEHALF OF MANAGEMENT, IN WHICH EVENT THE CUSTOMARY FEES FOR SUCH SERVICES WILL BE PAID. THE COST OF THE SOLICITATION WILL BE BORNE BY THE CORPORATION.

APPOINTMENT OF PROXYHOLDER

THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY FOR THE MEETING ARE DIRECTORS OR OFFICERS OF THE CORPORATION AND ARE NOMINEES OF MANAGEMENT. A SHAREHOLDER HAS THE RIGHT TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER, TO REPRESENT SUCH SHAREHOLDER AT THE MEETING BY STRIKING OUT THE NAMES OF THE PERSONS DESIGNATED IN THE ACCOMPANYING FORM OF PROXY AND BY INSERTING THAT OTHER PERSON'S NAME IN THE BLANK SPACE PROVIDED. IF A SHAREHOLDER APPOINTS ONE OF THE PERSONS DESIGNATED IN THE ACCOMPANYING FORM OF PROXY AS A NOMINEE AND DOES NOT DIRECT THE SAID NOMINEE TO VOTE EITHER FOR OR AGAINST OR WITHHOLD FROM VOTING ON A MATTER OR MATTERS WITH RESPECT TO WHICH AN OPPORTUNITY TO SPECIFY HOW THE COMMON SHARES REGISTERED IN THE NAME OF SUCH SHAREHOLDER SHALL BE VOTED, THE PROXY SHALL BE VOTED IN FAVOUR OF SUCH MATTER OR MATTERS.

The instrument appointing a proxyholder must be in writing and signed by the shareholder, or such shareholder's attorney authorized in writing, or if the shareholder is a corporation, by a duly authorized officer, or attorney, of the corporation. An instrument of proxy will only be valid if it is duly completed, signed, dated and received at the office of the Corporation's registrar and transfer agent, Computershare Trust Company of Canada at Montreal Trust Centre, 510 Burrard Street, Vancouver, British Columbia,

7

V6C 3B9, Attention: Proxy Department before 10:00 a.m., Vancouver time, on Wednesday, April 24, 2002, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

REVOCACTION OF PROXY

A shareholder may revoke a proxy by delivering an instrument in writing executed by such shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, either to the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, before any vote in respect of which the proxy is to be used shall have been taken or in any other manner permitted by law.

VOTING OF PROXIES

A shareholder may direct the matter in which his or her Common Shares are to be

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

voted or withheld from voting in accordance with the instructions of the shareholder by marking the form of proxy accordingly. If the instructions in a proxy given to management are certain, the Common Shares represented by that proxy will be voted on any poll and where a choice has been specified in the proxy, the Common Shares will be voted on any poll in accordance with the specifications so made. WHERE NO CHOICE IS SO SPECIFIED WITH RESPECT TO ANY RESOLUTION OR IN THE ABSENCE OF CERTAIN INSTRUCTIONS, THE COMMON SHARES REPRESENTED BY A PROXY GIVEN TO MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION. IF MORE THAN ONE DIRECTION IS MADE WITH RESPECT TO ANY RESOLUTION, SUCH COMMON SHARES WILL SIMILARLY BE VOTED IN FAVOUR OF THE RESOLUTION.

EXERCISE OF DISCRETION BY PROXYHOLDERS

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the proxyholders named therein with respect to amendments or variations of matters identified in the accompanying Notice of Meeting, and other matters not so identified which may properly be brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. If any other matter comes before the Meeting, the persons named in the proxy will vote in accordance with their judgement on such matter.

SECURITIES ENTITLED TO VOTE

As of March 19, 2002, the authorized share capital of the Corporation is divided into an unlimited number of Common Shares, of which 112,315,040 Common Shares are issued and outstanding, and an unlimited number of preferred shares, none of which are issued. Every shareholder who is present in person and entitled to vote at the Meeting shall have one vote on a show of hands and on a poll shall have one vote for each Common Share of which the shareholder is the registered holder and such shareholder may exercise such vote either in person or by proxyholder, except that shareholders who acquired their Common Shares as part of the Unit Offering are not entitled to vote at the Meeting with respect to the Unit Offering Resolution or the Debenture Offering Resolution. See "Particulars of Matters to be Acted Upon--Approval of Private Placements and Share Consolidation".

8

The Board of Directors of the Corporation has fixed the close of business on March 22, 2002 as the record date for the purpose of determining the shareholders entitled to receive notice of the Meeting, but the failure of any shareholder to receive notice of the Meeting does not deprive such shareholder of the entitlement to vote at the Meeting. Every shareholder of record at the close of business on March 22, 2002 who personally attends the Meeting will be entitled to vote at the Meeting or any adjournment thereof, except to the extent that:

- (a) such shareholder has transferred the ownership of any of his or her Common Shares after March 22, 2002; and
- (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares, and demands, not later than 10 days before the Meeting, that his or her name be included in the list of shareholders entitled to vote at the Meeting, in which case the transferee is entitled to vote those Common Shares at the Meeting.

PRINCIPAL SHAREHOLDERS

To the knowledge of the directors and officers of the Corporation, as of March 19, 2002, the only person or company that beneficially owns, directly or

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

indirectly, or exercises control or direction over, more than 5% of the issued and outstanding Common Shares is Stockscope.com Technologies Inc., (defined below as "STOCKSCAPE"), which beneficially owns 20,000,000 Common Shares, which represent 17.8% of the outstanding Common Shares. The Corporation understands that more than 10% of the issued and outstanding shares of Stockscope are beneficially owned by Mr. Arthur Richard Rule. See "Particulars of Matters to be Acted Upon -- Approval of Private Placements and Share Consolidation" and "Interests of Management and Others in Material Transactions".

QUORUM AND PERCENTAGE OF VOTES NECESSARY TO PASS RESOLUTIONS

Under By-Law No. 1 of the Corporation, the quorum for the transaction of business at the Meeting is two shareholders present in person or by proxy.

The ordinary resolutions authorizing the directors of the Corporation (i) to issue certain common share purchase warrants in connection with the private placement transaction that was completed by the Corporation on February 1, 2002 (defined above as the "UNIT OFFERING"), and (ii) to issue certain convertible debentures and special warrants in connection with the private placement transaction that was completed by the Corporation on March 19, 2002 (defined above as the "DEBENTURE OFFERING"), must be approved by a majority of more than 50% of the votes cast by shareholders who vote in person or by proxy at the Meeting with respect to these resolutions, excluding shareholders who acquired their Common Shares as part of the Unit Offering. See "Particulars of Matters to be Acted Upon--Approval of Private Placements and Share Consolidation".

The special resolution to approve the consolidation of the issued and outstanding Common Shares of the Corporation on the basis of 20 existing Common Shares into one Common Share, must be approved by a majority of not less than 66 2/3% of the votes cast by the shareholders of the Corporation who vote in person or by proxy in respect of that resolution. See "Particulars of Matters to be Acted Upon--Approval of Private Placements and Share Consolidation--Share Consolidation".

CORPORATE GOVERNANCE

The Corporation's Board of Directors and executive officers consider good corporate governance to be an important factor in the efficient and effective operation of the Corporation. The Toronto Stock Exchange has established guidelines for effective corporate governance. The Board of Directors is of the view that the Corporation's system of corporate governance meets or exceeds these guidelines. A detailed

9

description of how the Corporation's system of corporate governance compares to the corporate governance guidelines established by The Toronto Stock Exchange is attached as Schedule "C" to this Information Circular.

COMMITTEES OF THE BOARD OF DIRECTORS AND MEETINGS

During fiscal 2001, there were three standing committees of the Board of Directors: the Audit Committee; the Corporate Governance Committee; and the Compensation Committee, each described below. Between meetings of the Board of Directors, certain of its powers may be exercised by these standing committees, and these committees, as well as the Board of Directors, sometimes act by unanimous written consent. A majority of the directors on each committee are unrelated directors.

The Audit Committee is chaired by John M. Clark-. Its other members are C. Thomas Ogryzlo and A. Murray Sinclair (a member since February 21, 2002). Its primary function is to assist the Board of Directors in fulfilling its oversight

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

responsibilities by reviewing (i) the financial statements, reports and other information provided to shareholders, regulators and others, (ii) the internal controls that management and the Board have established, and (iii) the audit, accounting and financial reporting processes generally. The Audit Committee met four times during the fiscal year ended December 31, 2001. Additional information about the Audit Committee is contained in the Audit Committee Report below "Audit Committee Report".

The Corporate Governance Committee is chaired by C. Thomas Ogryzlo. Its other members are John Clark and A. Murray Sinclair (a member since February 21, 2002). The Corporate Governance Committee's functions are to review the Corporation's governance activities and policies in light of the corporate governance guidelines published by The Toronto Stock Exchange and also to review proposed nominees for the Board. The Corporate Governance Committee met once during the fiscal year ended December 31, 2001. Additional information about the Corporate Governance Committee is contained above under "Corporate Governance" and in Schedule "C" to this Information Circular.

The Compensation Committee is chaired by John M. Clark. Its other members are C. Thomas Ogryzlo and A. Murray Sinclair (a member since February 21, 2002). The Compensation Committee's functions are to review and recommend compensation policies and programs to the Corporation as well as salary and benefit levels for its executives. The Compensation Committee met two times during the fiscal year ended December 31, 2001. Additional information about the Compensation Committee is contained under the heading "Executive Compensation--Report of the Compensation Committee".

During the fiscal year ended December 31, 2001, the Board of Directors met seven times. Each director attended at least 75% of the total number of each of the meetings of the Board of Directors and the meetings of the committees on which he served.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee acts under a written charter adopted and approved by the Board of Directors in 2001. Each of the members of the Audit Committee is independent, as defined by the American Stock Exchange listing standards.

The responsibilities of the Audit Committee include recommending to the Board of Directors an accounting firm to be engaged as the Corporation's independent accountants. The Audit Committee is responsible for recommending to the Board of Directors that Corporation's financial statements be included in its annual report. The Audit Committee took a number of steps in making this recommendation for fiscal year 2001.

First, the Audit Committee discussed with PricewaterhouseCoopers LLP those matters required to be discussed by Statement on Auditing Standards. No. 61, including information regarding the scope and

10

results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Audit Committee discussed with PricewaterhouseCoopers LLP the independence of PricewaterhouseCoopers LLP and received from PricewaterhouseCoopers LLP a letter concerning their independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure assisted the Audit Committee in evaluating such independence. Finally, the Audit Committee reviewed and discussed, with the

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

Corporation's management and PricewaterhouseCoopers LLP, the Corporation's audited consolidated balance sheets at December 31, 2001, and consolidated statements of income, cash flows and shareholders' equity for the fiscal year ended December 31, 2001. Based on the discussions with PricewaterhouseCoopers LLP concerning the audit, the independence discussions, and the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board of Directors that the Corporation's financial statements be included in its 2001 Annual Report on Form 10-KSB.

STOCK OPTIONS

The Corporation has established the Stock Option Plan which provides for grants to directors, officers, employees and consultants of the Corporation, or its subsidiaries, of options to purchase up to a maximum of 4,500,000 of the issued and outstanding Common Shares from time to time, provided that no more than 5% of the issued and outstanding Common Shares may from time to time be reserved for issuance pursuant to the exercise of stock options granted to any one individual. Effective upon the amalgamation of Granges Inc. and Da Capo Resources Ltd. on November 1, 1996, the Corporation, as the amalgamated entity, adopted the Stock Option Plan of Granges Inc. Under the Stock Option Plan, options may be exercised by the payment in cash of the option exercise price to the Corporation. All options are subject to the terms and conditions of an option agreement entered into by the Corporation and each participant at the time an option is granted.

The Stock Option Plan is administered by the Board of Directors which has full and final discretion to determine (i) the total number of optioned shares to be made available under the Stock Option Plan, (ii) the directors, officers, employees and consultants of the Corporation who are eligible to receive stock options under the Stock Option Plan ("Optionees"), (iii) the time when and the price at which stock options will be granted, (iv) the time when and the price at which stock options may be exercised, and (v) the conditions and restrictions on the exercise of options. Pursuant to the terms of the Stock Option Plan, the exercise price must not be less than the closing price of the Common Shares on The Toronto Stock Exchange on the day preceding the date of grant. Options become exercisable only after they vest in accordance with the respective stock option agreement and must expire no later than ten years from the date of grant.

If an Optionee ceases to be a director, officer or employee of the Corporation, or its subsidiaries, or ceases to be a consultant to the Corporation, for any reason other than termination for cause, the Optionee shall have the right to exercise his or her options at any time up to but not after the earlier of 30 days from the date of ceasing to be a director, officer, employee or consultant, or the expiry date. Under the terms of this plan, the Corporation makes contributions of up to 4% of eligible employees' salaries.

TERMINATION OF EMPLOYMENT, CHANGE IN RESPONSIBILITIES AND EMPLOYMENT CONTRACTS

On April 30, 2001, Robert L. Folen resigned as Vice President, Finance and was replaced by John F. Engele. Mr. Engele was previously employed by Echo Bay Mines Ltd. in various senior financial positions. Mr. Engele was appointed Chief Financial Officer on October 30, 2001. Mr. Folen continues to serve the company as Controller of Vista's subsidiary, Hycroft Resources & Development Inc. The Named Executive Officers of the Corporation, Ronald J. McGregor, the President and Chief Executive Officer, and John F. Engele, Vice President, Finance and Chief Financial Officer, have been engaged under employment contracts. Each of these contracts provides for base salary, annual discretionary incentive bonus, four weeks vacation time and various minor perquisites.

The contract between the Corporation and Mr. McGregor is for an unlimited term, provides for an annual bonus at the sole discretion of the Board of Directors and provides for the severance benefit described below. Under the terms of this contract, the employment of Mr. McGregor may be terminated by the Corporation without cause, provided that it continues to pay his base salary for a period of 12 months (or makes a lump sum payment equal to 12 months of his base salary), and by Mr. McGregor upon 30 days notice to the Corporation. In addition, in the event that Mr. McGregor suffers an injury or illness that renders him permanently incapable of substantially performing his duties under this contract, the Corporation may terminate Mr. McGregor's employment, provided that it continues to pay his base salary and other employee benefits for a period of

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

12 months following notice of such termination.

The contract between the Corporation and Mr. Engele is for an unlimited term, provides for a performance bonus in accordance with the Corporation's incentive policy, may be terminated by the

14

Corporation or the employee upon 30 days written notice, and provides for the severance benefits described below. Under the terms of this contract, the employment of Mr. Engele may be terminated by the Corporation without cause, provided that it continues to pay his base salary for a period of 6 months (or makes a lump sum payment equal to 6 months of his base salary), and by Mr. Engele upon 30 days notice to the Corporation. In addition, in the event that Mr. Engele suffers an injury or illness that renders him permanently incapable of substantially performing his duties under this contract, the Corporation may terminate Mr. McGregor's employment, provided that it continues to pay his base salary and other employee benefits for a period of 6 months following notice of such termination.

As at March 19, 2002, the Corporation has arrangements with Mr. McGregor and Mr. Engele under which each is entitled to receive severance benefits based upon his monthly salary in the event of termination of his employment other than for cause. The aggregate compensation payable to Mr. McGregor and Mr. Engele under this arrangement is U.S.\$210,000 and the amount payable to each Mr. McGregor and Mr. Engele is as follows:

----	-----
Ronald J. McGregor.....	U.S.\$160,000
John F. Engele.....	U.S.\$ 50,000

Other than as described above, the Corporation has no plan or arrangement in respect of compensation received or that may be received by Named Executive Officers to compensate such officers in the event of the termination of employment, resignation, retirement, change of control of the Corporation or in the event of a change in responsibilities following a change of control.

REPORT OF THE COMPENSATION COMMITTEE

COMPOSITION OF THE COMPENSATION COMMITTEE

The Corporation has a Compensation Committee comprised of the following directors: John M. Clark (Chairman), C. Thomas Ogryzlo and A. Murray Sinclair. None of the members of the Compensation Committee is or has been an executive officer or employee of the Corporation or any of its subsidiaries or affiliates. No executive officer of the Corporation is or has been a director or a member of the Compensation Committee of another entity having an executive officer who is or has been a director or a member of the Compensation Committee of the Corporation.

REPORT ON EXECUTIVE COMPENSATION

It is the responsibility of the Compensation Committee to review and recommend compensation policies and programs to the Corporation as well as salary and benefit levels for its executives. The committee makes recommendations to the Board of Directors which gives final approval on compensation matters.

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

The Corporation's compensation policies and programs are designed to be competitive with similar mining companies and to recognize and reward executive performance consistent with the success of the Corporation's business. These policies and programs are intended to attract and retain capable and experienced people.

In addition to industry comparables, the Compensation Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-range interests of the Corporation and its shareholders, overall financial and operating performance of the Corporation and the committee's assessment of each executive's individual performance and contribution toward meeting corporate objectives. Superior performance is recognized through the Corporation's incentive policy.

15

The total compensation plan for executive officers is comprised of three components: base salary, an incentive payment and stock options. As a general rule for establishing base salaries, the Compensation Committee reviews competitive market data for each of the executive positions and determines placement at an appropriate level in a range. Compensation levels are typically negotiated with the candidate for the position prior to his or her final selection as an executive officer. The compensation range for executives normally moves annually to reflect external factors such as inflation.

The Corporation's incentive policy generally allows executive officers and management personnel to earn an incentive payment to a maximum of 15% of his or her base salary, two-thirds of which is based upon individual performance and one-third of which is based upon the performance of the Corporation. All executive officers and management personnel participate in this policy, except the President and Chief Executive Officer. By contract, he is entitled to earn a bonus the amount of which is at the sole discretion of the Board of Directors. Following the end of each fiscal year, the Compensation Committee makes a recommendation to the Board of Directors as to the appropriate incentive payment for the executive officers and management personnel. No specific performance criteria or objectives are utilized by the Compensation Committee or the Board of Directors in making their determinations. In 2001, no incentive payments were paid to any executive officers or employees of the Corporation.

The third element in the total compensation plan is the Stock Option Plan. This plan is intended to emphasize management's commitment to growth of the Corporation and enhancement of shareholders' wealth through, for example, improvements in net earnings, resource base, and share price increments.

The compensation of Ronald J. McGregor, the President and Chief Executive Officer of the Corporation, is determined in the same manner as for other executive officers (as described above). Under the employment contract between the Corporation and Mr. McGregor, Mr. McGregor is entitled to receive a base salary, an annual discretionary incentive bonus, four weeks vacation time and various minor perquisites. DIRECTOR AND OFFICER LIABILITY INSURANCE

The Corporation has purchased and maintains insurance in the amount of Cdn.\$10 million for the benefit of the directors and officers of the Corporation against liabilities incurred by such persons as directors and officers of the Corporation and its subsidiaries, except where the liability relates to such persons failure to act honestly and in good faith with a view to the best interests of the Corporation. The annual premium paid by the Corporation for this insurance in respect of the directors and officers as a group is Cdn.\$75,375. No premium for this insurance is paid by the individual directors and officers. INTEREST OF MANAGEMENT AND OTHERS IN MATERIAL TRANSACTIONS

Except as described below, no proposed nominee for election as director, no director or senior officer of the Corporation who has served in such capacity

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

since the beginning of the last financial year, no person that has direct or indirect beneficial ownership of more than 10% of the issued Common Shares of the Corporation, and no associate or affiliate of any such person, had any material interest, directly or indirectly, in any transaction within the past three years, or in any proposed transaction, which has affected or would materially affect the Corporation or any of its subsidiaries.

As part of the Unit Offering (as defined above), the Corporation issued 20,000,000 Common Shares and subject to shareholder approval, Warrants to acquire an additional 20,000,000 Common Shares to Stockscape.com Technologies Inc. (defined above as "STOCKSCAPE"), and 1,600,000 Common Shares and subject to shareholder approval, Warrants to acquire an additional 1,600,000 Common Shares to Global Resource Investments Ltd. (defined above as "GLOBAL"), as consideration for its services as agent in connection with the Unit Offering. In addition, as part of the Debenture Offering (as defined above), the Corporation issued 4,325,925 Agent's Special Warrants to Global as consideration for its services as agent in connection with the Debenture Offering. Subject to shareholder approval, the Agent's Special Warrants are convertible into 4,325,925 Common Shares and Warrants to acquire an additional 4,325,925 Common Shares. These transactions are described in further detail above under "Particulars of Matters to be Acted Upon-- Approval of Private Placements and Share Consolidation".

As at March 19, 2002, the Common Shares acquired by Stockscape as part of the Unit Offering represented approximately 17.8% of the issued and outstanding Common Shares. See "Principal Shareholders". The Corporation understands that more than 10% of the issued and outstanding shares of Stockscape, and that all of the issued and outstanding shares of Global are beneficially owned by Mr. Arthur Richard Rule. At the Meeting, shareholders will be asked to approve the Unit Offering Resolution and the Debenture Offering Resolution which include, among other things, approval of the issuance of Warrants to Stockscape and Global, and the Agent's Special Warrants to Global. Neither Stockscape nor Global will be permitted to vote its Common Shares at the Meeting with respect to these matters. See "Quorum and Percentage of Votes Necessary to Pass Resolutions".

SHAREHOLDER PROPOSALS

Under the United States SECURITIES ACT OF 1933, the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for an annual meeting of the Corporation is calculated in accordance with Rule 14a-8(e) of Regulation 14A to that Act. However, if the Corporation did not hold an annual meeting the previous year, or if the date of the current year's annual meeting has been changed by more than 30 days from the date of the previous year's meeting, then the

19

30 days from the date of this year's meeting the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for the next annual meeting of the Corporation will be November 25, 2002.

ALIGNMENT WITH TSE CORPORATE GOVERNANCE GUIDELINES

TSE CORPORATE GOVERNANCE GUIDELINE	DOES THE CORPORATION ALIGN?	COMMENTS
1. Board should explicitly assume responsibility for stewardship of the corporation, and specifically for:	Yes	Pursuant to the BUSINESS CORPORATIONS ACT of the Yukon Territory, the Board of Directors is required to manage or supervise the management of the affairs and business of the Corporation. The Board of Directors has adopted a written mandate, which defines its stewardship responsibilities in light of this statutory obligation. The Directors' principal responsibilities are to supervise and evaluate management, to oversee the conduct of the business, to set policies appropriate for the business and to approve corporate strategies and goals. In carrying out these responsibilities, the Board of Directors is entitled to place reasonable reliance on management. The mandate and responsibilities of the Board of Directors are to be carried out in a manner consistent with the fundamental objective of protecting and enhancing the value of the Corporation and providing ongoing benefit to the shareholders.
(a) adoption of a strategic planning process	Yes	The Board of Directors specifically assumes responsibility for the adoption of a strategic planning process.
(b) identification of principal risks, and implementing risk management systems	Yes	The Board of Directors specifically assumes responsibility for identification of principal risks, and implementing risk management systems.
(c) succession planning and monitoring senior management	Yes	The Board of Directors specifically assumes responsibility for succession planning and monitoring senior management.
(d) communications policy	Yes	The Board of Directors specifically assumes responsibility for the Corporation's communications policy.
(e) integrity of internal control and management information systems	Yes	The Board of Directors specifically assumes responsibility for the integrity of internal control and management information systems.

2.	Majority of directors should be "unrelated" (independent of management and free from conflicting interest)	Yes	The present Board of Directors consists of five directors, three of whom qualify as unrelated directors who are independent of management and free from any interest or business relationship which could, or could be perceived to, materially interfere with their ability to act in the best interest of the Corporation.
----	--	-----	--

C-1

TSE CORPORATE GOVERNANCE GUIDELINE -----	DOES THE CORPORATION ALIGN? -----	COMMENTS -----
3.	Disclosure for each director whether he or she is related, and how that conclusion was reached	Yes Ronald J. McGregor is a related director because of his management position with the Corporation. Michael B. Richings was President and Chief Executive Officer of the Corporation until September 8, 2000 and since then has continued to provide services to management of the Corporation on an informal consulting basis. The Corporate Governance Committee of the Board of Directors has determined that the above factors may impair the ability of the directors to act with a view to the best interest of the Corporation and, accordingly, Mr. Richings has been determined to be a related director. The remaining three directors are all independent of management and have no interest, business or other relationship other than shareholdings, which could, or could reasonably be perceived to materially interfere with the directors ability to act with a view to the best interests of the Corporation. The Corporation does not have a significant shareholder with the ability to exercise a majority of the votes for the election of the Board of Directors.
4.	(a) Appoint a committee responsible for appointment/assessment of directors	Yes The Corporate Governance Committee, which is required to meet at least once each year, is required to identify, review the qualifications of and recommend to the Board of Directors possible nominees for the Board of Directors to be proposed in management's Information Circular for election or re-election at each annual meeting of the Corporation and to identify, review the qualifications of and recommend to the Board of Directors possible candidates to fill vacancies on the Board of Directors between annual meetings.
	(b) Composed exclusively of non-management directors, the majority of whom are unrelated	Yes The Corporate Governance Committee is entirely composed of non-management directors who are unrelated to the Corporation.
5.	Implement a process	Yes The Corporate Governance Committee reviews the

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

for assessing the effectiveness of the Board, its committees and individual directors

Corporations governance activities and reviews the qualifications of and recommends to the Board of Directors nominees for re-election at each annual meeting of the Corporation.

6. Provide orientation and education programs for new directors

Yes

New Board members receive a director's orientation. As well, presentations are from time to time given to the Board on legal and other matters applicable to the Corporation and directors' duties.

C-2

TSE CORPORATE GOVERNANCE GUIDELINE -----	DOES THE CORPORATION ALIGN? -----	COMMENTS -----
7. Consider reducing size of Board, with a view to improving effectiveness	Yes	A board must have enough directors to carry out its duties efficiently, while presenting a diversity of views and experience. The Board of Directors believes that its present size effectively fulfils this goal. The size of the Board, at five members, is smaller than in previous years, reflecting a depressed gold market and a reduced level of company activities, and allowing the Board to react more quickly in changing market conditions. The Corporate Governance Committee reviews the Board size annually.
8. Review compensation of directors in light of risks and responsibilities	Yes	The Compensation Committee is comprised of three directors, John M. Clark, C. Thomas Ogrzlo, and A. Murray Sinclair (since February 21, 2002) all of whom are unrelated directors who are independent of management. The Compensation Committee reviews and makes recommendations to the Board of Directors in respect of the compensation levels for the directors and executive officers of the Corporation.
9. (a) Committees should generally be composed of non-management directors	Yes	The Board of Directors has established three committees: the Audit Committee; the Compensation Committee; and the Corporate Governance Committee. All three committees are entirely composed of non-management directors.
(b) Majority of committee members should be unrelated	Yes	All the members of the Audit Committee, the Compensation Committee and the Corporate Governance Committee are unrelated directors.
10. Appoint a committee responsible for approach to corporate governance issues	Yes	The Corporate Governance Committee consists of three directors, John M. Clark, C. Thomas Ogrzlo, and A. Murray Sinclair (since February 21, 2002) all of whom were unrelated directors who were independent of management of the Corporation. The Corporate Governance Committee reviews the Corporation's governance activities and policies and reviews proposed nominees for the Board of Directors prior to approval by the Board of Directors.

C-3

TSE CORPORATE GOVERNANCE GUIDELINE	DOES THE CORPORATION ALIGN?	COMMENTS
11. (a) Define limits to management's responsibilities by developing mandates for:		
(i) the Board	Yes	The Board of Directors expects management of the Corporation to conduct the business and affairs of the Corporation in accordance with the Corporation's ongoing strategic plan and to meet or surpass the annual and long-term goals of the Corporation set by the Board of Directors in consultation with management. As a part of its annual strategic planning process, the Board of Directors specifies its expectations of management both over the next financial year and in the context of the Corporation's long-term goals. The Board of Directors will review management's progress in meeting these expectations at Board of Director's meetings held at least every quarter.
(ii) the CEO	Yes	The Board of Directors has delegated the day to day management of the business and affairs of the Corporation to the President and Chief Executive Officer, subject to compliance with the Corporation's strategic plans.
(b) Board should approve CEO's corporate objectives	Yes	The Corporation's capital plans are approved from time to time by the Board of Directors.
12. Establish structures and procedures to enable the board to function independently of management	Yes	The Board of Directors believes that adequate structures and processes are in place to facilitate the functioning of the Board of Directors independently of the Corporation's management. The Audit Committee, the Compensation Committee and the Corporate Governance Committee are entirely composed of directors who are unrelated to the Corporation's management.
