UNITY WIRELESS CORPORATION

PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS
JUNE 22, 2001

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors of Unity Wireless Corporation, a Delaware corporation, for use at Unity Wireless' Annual Meeting of Stockholders to be held on June 22, 2001, or at any adjournment(s) or postponement(s) of the meeting.

A number of abbreviations are used in this Proxy Statement. Unity Wireless Corporation is referred to as "Unity Wireless" or "the Company." The term "proxy solicitation materials" includes this Proxy Statement, as well as the enclosed proxy card and the 2000 Annual Report, which is incorporated by reference. References to "fiscal 2000" mean the Company's 2000 fiscal year which began on January 1, 2000 and ended on December 31, 2000. The Company's 2001 Annual Meeting of Stockholders is simply referred to as "the annual meeting."

The Company's executive offices are located at 10900 NE 4th Street, Suite 2300, Bellevue, Washington. The Company's telephone number is (800) 337-6642.

These proxy solicitation materials were mailed on or about May 24, 2001 to all stockholders entitled to vote at the annual meeting.

RECORD DATE AND SHARES OUTSTANDING

Stockholders who owned shares of the Company's stock at the close of business on May 18, 2001 (the "Record Date") are entitled to notice of, and to vote at, the annual meeting. At the Record Date, the Company had 25,743,153 shares of Common Stock issued and outstanding.

REVOCABILITY OF PROXIES

You may revoke your proxy at any time before its use by delivering to the Company a written notice of revocation, by delivering to the Company an executed proxy bearing a later date, or by attending the annual meeting and voting in person.

VOTING

Edgar Filing: UNITY WIRELESS CORP - Form DEF 14A

Each share of Common Stock outstanding on the Record Date is entitled to one vote. Cumulative voting is not permitted. The Company's transfer agent tabulates the votes. A quorum, which is a majority of the outstanding shares as of the Record Date, must be present in person or by proxy in order to hold the meeting and to conduct business. Your shares will be counted as being present at the meeting if you appear in person at the meeting, or if you submit a properly executed proxy card. Votes against a particular proposal will be counted both to determine the presence or absence of a quorum and to determine whether the requisite majority of voting shares has been obtained.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions and broker non-votes, the Company believes that both abstentions and broker non-votes should be counted for purposes of determining whether a quorum is present at the annual meeting, but not to determine whether the requisite majority of the shares has been obtained on the various proposals. In the absence of

3

controlling precedent to the contrary, the Company intends to treat abstentions and broker non-votes in this manner.

SOLICITATION OF PROXIES

The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding soliciting materials to such beneficial owners. Proxies may also be solicited by certain of the directors, officers, and regular employees of the Company, without additional compensation, personally or by telephone, telegram or facsimile.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS FOR 2002 ANNUAL MEETING

If you intend to present a stockholder proposal at the Company's 2002 Annual Meeting of Stockholders, the Company must receive your proposal no later than February 10, 2002 in order to include it in the proxy statement and form of proxy related to that meeting.

PROPOSAL ONE -- ELECTION OF DIRECTORS

NOMINEES

Combined Incentive and Nonqualified Stock Option Plan

In fiscal 1998, the Company adopted the 1998 Combined Incentive and Nonqualified Stock Option Plan (the "98 Plan"), pursuant to which options to purchase up to 3,000,000 shares of common stock may be granted to employees and consultants of the Company. As this plan did not receive shareholder approval within the 12 months required for certain options to qualify as Incentive Stock Options, the Company adopted the 1999 Stock Option Plan (the "99 Plan") in December, 1999 pursuant to which options to purchase up to

Edgar Filing: UNITY WIRELESS CORP - Form DEF 14A

5,000,000 shares of common stock may be granted, and the 98 Plan was terminated. The Company amended the 99 Plan in May, 2000 to revise the maximum number of shares issuable under the plan to 20% of the number of common shares outstanding including shares of common stock issuable under the plan. The 99 Plan received shareholder approval in July, 2000.

As of May 16, 2001, there were 4,006,583 options outstanding under the 99 Plan. These options were exercisable at the following prices:

\$0.38	2,770,333
\$0.47	210,000
\$0.50	385,000
\$0.51	332,500
\$0.64	10,000
\$1.00	288,750
\$2.06	10,000

	4,006,583

Also, 437,500 of these options vested immediately, with the remainder vesting as to one twelfth of the award at the end of each quarter of service for 12 quarters starting from the award date. All options expire 5 years from the award date, unless an earlier expiry applies under the terms of the 99 Plan.

Of the total of 4,006,583 options, 1,322,708 will be vested by June 30, 2001. Also, 1,878,750 options are awarded to directors and officers as listed in "Security Ownership Of Certain Beneficial Owners And Management", of which 796,250 will be vested by June 30, 2001.

The 99 Plan provides for the granting of stock options, including Incentive Stock Options ("ISO's") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), and Non-Qualified Stock Options ("NQSO's").

The 99 Plan is administered by the Board. The Board has the right to grant awards to eligible recipients and to determine the terms and conditions of Award Agreements ("Agreements"), including, but not limited to, the vesting schedule and exercise price of such awards, and to make all other determinations deemed necessary or advisable for the administration of the 99 Plan. The persons who are eligible to receive awards pursuant to the 99 Plan are such directors, officers, consultants and other employees of the Company as the Board selects ("Participants").

The maximum number of shares of the Company's common stock reserved for issuance under the 99 Plan as at May 16, 2001 is 6,435,788 shares (subject to adjustment as provided therein). Such shares may be authorized but unissued common stock or authorized and issued common stock held in the Company's treasury. The Board has the authority to make any and all equitable changes or adjustments it deems necessary or appropriate in the event any dividend or other distribution (whether in the form of cash, common stock, or other property), recapitalization, common stock split, reverse common stock split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the common stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Participants under the 99 Plan.

The Board determines the expiration date of each option, provided, however, that no ISO can be exercisable more than 10 years after the date of grant. The exercisability of options may be based on a predetermined vesting schedule or may be subject to the attainment by the Company of performance goals pre-established by the Board. The option exercise price per share is determined

Edgar Filing: UNITY WIRELESS CORP - Form DEF 14A

by the Board, provided, however, that in the case

9

of an ISO, the option exercise price in no event can be less than the fair market value of the common stock on the date the ISO is granted.

The Board may suspend, terminate or amend the 99 Plan at any time, provided, however, that shareholder approval is required if and to the extent the Board determines that such approval is appropriate for purposes of satisfying Section 422 of the Code or Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended ("Exchange Act").

For the complete text of the 99 Plan, see the Company's 1999 Stock Option Plan, a copy of which has been filed as Exhibit 10.6 to the Company's Form 10-KSB filed April 2, 2001.

Repricing of Options

Edgar Filing: UNITY WIRELESS CORP - Form DEF 14A

On December 22, 2000 the Board of Directors approved the Stock Option Grant Policy (see Exhibit 10.7 to the Company's report on Form 10-KSB filed April 2, 2001). This policy was implemented on December 27, 2000. See notes to the table "Option/SAR Grants in Last Fiscal Year" for the impact of this policy on options held by John Robertson and Mark Godsy. H. William Brogdon was not affected by this policy as he no longer holds options in the Company's common stock.

PROPOSAL TWO - RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Ernst & Young LLP ("E&Y") was dismissed from its position as the certifying accountant of the registrant on December 31, 2000. KPMG LLP ("KPMG") was appointed the new certifying accountant of the registrant on the same day.

E&Y's report on the financial statement for either of the past two years did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles, except for the report on the 1998 financial statement, which contained an explanatory paragraph (after the opinion paragraph) that stated the Company's recurring losses from operations raised substantial doubt about its ability to continue as a going concern. The 1998 financial statements did not include any adjustments that might result from the outcome of this uncertainty. The report on the 1999 financial statement did not contain any such explanatory paragraph as to uncertainty.

The decision to change accountants was approved by the board of directors of the Company pursuant to a consent board resolution dated December 31, 2000. The Company has an audit committee, but the decision to change accountants was not considered by this committee.

Edgar Filing: UNITY WIRELESS CORP - Form DEF 14A

During the Company's two most recent fiscal years and the subsequent interim period preceding the dismissal of E&Y, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

KPMG was engaged as the new principal accountant of the Company to audit the Company's financial statements. The date of engagement was December 31, 2000. The Company expects that a representative of KPMG LLP will be present at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to answer any appropriate questions.

VOTE REQUIRED AND BOARD OF DIRECTORS' RECOMMENDATION

The affirmative vote of the holders of a majority of the shares of the Company's Common Stock present or represented and voting at the Annual Meeting will be required to approve this proposal. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE PROPOSAL.

OTHER MATTERS

The Company knows of no other matters to be submitted at the meeting. If any other matters properly come before the meeting, it is the intention of the persons named in the enclosed proxy card to vote the shares they represent as the Board of Directors may recommend.

It is important that your shares be represented at the meeting, regardless of the number of shares that you hold. You are, therefore, urged to mark, sign, date and return the accompanying proxy card as promptly as possible in the postage-prepaid envelope enclosed for that purpose.
