Subject: Bostic Latest Press Release

I've attached a copy of our fight letter which deals with the questions posed to me by Jack Larson. Although I was disappointed that you voted in favor of CEC's proxy, I would hope that you would give us some re-consideration. Clearly, the "independent" proxy governance advisors have come out on our side. I would like to speak to you today if possible. My cell number is 404-558-3333.

P.S. We are in contact with the DOE and CEC has not been released from their examination from either the DOE or OIG. If you would like further clarification, I would be happy to provide it.
