PROPOSAL 1 - ELECTION OF DIRECTORS

DIRECTOR INFORMATION

Peapack-Gladstone's certificate of incorporation and by-laws authorize a minimum of 5 and a maximum of 25 directors, but leave the exact number to be fixed by resolution of Peapack-Gladstone's Board of Directors. The Board has currently fixed the number of directors at 11 and the Board is presently comprised of 11 members. Directors are elected annually by the shareholders for one-year terms. Peapack-Gladstone's Nominating Committee has recommended to the Board the 11 current directors for reelection to serve for one-year terms expiring at Peapack-Gladstone's 2010 Annual Meeting of Shareholders or until their successors shall have been duly elected and qualified. If, for any reason, any of the nominees become unavailable for election, the proxy solicited by the Board will be voted for a substitute nominee selected by the Board. The Board has no reason to believe that any of the named nominees is not available or will not serve if elected.

CORPORATE GOVERNANCE

General

The business and affairs of Peapack-Gladstone are managed under the direction of the Board of Directors. Members of the Board are kept informed of Peapack-Gladstone's business through discussions with the Chairman and Peapack-Gladstone's other officers, by reviewing materials provided to them and by participating in meetings of the Board and its committees. All members of the Board also served as directors of Peapack-Gladstone's subsidiary bank, Peapack-Gladstone Bank, during 2009. The Board of Directors of Peapack-Gladstone and Peapack-Gladstone Bank held 12 meetings during 2009. During 2009, all directors of Peapack-Gladstone attended no fewer than 75% of the total number of meetings of Peapack-Gladstone's Board and meetings of committees on which such director served. It is Peapack-Gladstone's policy to encourage director attendance at the Annual Meeting absent a compelling reason such as illness. Last year, all but two directors attended the Annual Meeting.

Our Board of Directors believes that the purpose of corporate governance is to maximize shareholder value in a manner consistent with legal requirements. The Board has adopted corporate governance principles, which the Board and senior management believe promote this purpose. We periodically review these governance principles, the rules and listing standards of the National Association of Securities Dealers Automated Quotations (NASDAQ) and Securities and Exchange Commission (the "SEC") regulations.

Board Leadership Structure and Role in Risk Oversight

Our company is led by Mr. Frank A. Kissel, who has served as Chairman of the Board of Directors and Chief Executive Officer of the Company and the Bank since 2001. Our board of directors is comprised of Mr. Kissel and 10 other directors, a majority of which are independent directors. The board has three primary committees – Audit, Compensation, and Nominating. Each of the Audit, Compensation and Nominating committees is comprised solely of independent directors, with each of the three committees having a separate independent chair. Our full Board of Directors is responsible for overseeing risk management, and our full Board receives and reviews a company-wide risk assessment annually. While the Board oversees the Company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is an appropriate approach for addressing the risks facing our Company at this time. Our independent directors conduct separate executive sessions to discuss Company affairs on a semi-annual basis. Our Board of Directors has chosen to rotate the presiding director for each of these independent director sessions among the independent directors serving as chairs of the Audit, Compensation and Nominating Committees.

We believe that having a combined chairman/CEO, independent chairs and membership for each of our Audit, Compensation and Nominating Committees and a rotating independent presiding director for each of the independent director sessions provides the right form of leadership for our Company. Having a combined chairman/CEO allows us to present a single, uniform voice to our customers, business partners and shareholders while our experienced independent director majority, which has appointed independent chairs of our Audit, Compensation and Nominating Committees, provides oversight of Company operations.

Director Independence

The Board has determined that a majority of the directors and all current members of the Nominating, Compensation, and Audit Committees are "independent" for purposes of the NASDAQ rules, and that the members of the Audit Committee are also "independent" for purposes of the NASDAQ rules and Section 10A-3 of the Securities Exchange Act of 1934. The Board based these determinations on a review by the Nominating Committee and on a review by management of the responses of the directors and executive officers to questions regarding employment and

transaction history, affiliations and family and other relationships. The independent directors are Anthony J. Consi, II, Pamela Hill, James R. Lamb, Edward A. Merton, F. Duffield Meyercord, John R. Mulcahy, and Philip W. Smith, III.

To assist it in making determinations of independence, the Board has concluded that the following relationships are immaterial and that a director whose only relationships with Peapack-Gladstone fall within these categories is independent:

•A loan made by the Bank to a director, his or her immediate family member or an entity affiliated with a director or his or her immediate family member, or a loan personally guaranteed by such persons if such loan (i) complies with state and federal regulations on insider loans, where applicable; and (ii) is not classified by the Bank's credit committee or by any bank regulatory agency which supervised the Bank as substandard, doubtful or loss.

- •A deposit, trust, insurance brokerage, securities brokerage or similar customer relationship between Peapack-Gladstone or its subsidiaries and a director, his or her immediate family member or an affiliate of his or her immediate family member if such relationship is on customary and usual market terms and conditions.
- The employment by Peapack-Gladstone or its subsidiaries of any immediate family member of the director if the employee serves below the level of a senior vice president.
- Annual contributions by Peapack-Gladstone or its subsidiaries to any charity or non-profit corporation with which a director is affiliated if the contributions do not exceed an aggregate of \$20,000 in any calendar year and the contribution is made in the name of Peapack-Gladstone.
- Purchases of goods or services by Peapack-Gladstone or any of its subsidiaries from a business in which a director or his or her immediate family member is a partner, shareholder or officer, if the director or his or her immediate family member owns five percent or less of the equity interests of that business and does not serve as an executive officer of the business.
- Purchases of goods or services by Peapack-Gladstone, or any of its subsidiaries, from a director or a business in which the director or his or her immediate family member is a partner, shareholder or officer if the annual aggregate purchases of goods or services from the director, his or her immediate family member or such business in the last calendar year does not exceed the greater of \$60,000 or two percent of the gross revenues of the business.
 - Fixed retirement benefits paid or payable to a director either currently or on retirement.

The following categories or types of transactions, relationships or arrangements were considered by the Board in determining that each listed director is independent in accordance with the NASDAQ listing standards and Peapack-Gladstone's Corporate Governance Principles.

Independent Director	Category or Type
Mr. Consi	Deposits
Ms. Hill	Deposits, Trust
Mr. Lamb	Loans, Deposits, Trust
Mr. Merton	Loans, Deposits, Trust
Mr. Meyercord	Loans, Deposits, Trust
Mr. Mulcahy	Loans, Deposits, Trust
Mr. Smith	Loans, Deposits, Trust, Employment of
	Immediate Family Member below level of
	Senior Vice President

Executive Sessions of Non-Management Directors

Our Corporate Governance Principles require the Board to provide for at least semi-annual executive sessions to include non-management directors. Twice a year the Board holds an executive session including only independent directors. Peapack-Gladstone's Board has chosen to rotate the presiding director for each meeting among the Chairperson of the Audit, Compensation, and Nominating Committees.

Shareholder Communication with Directors

The Board of Directors has established the following procedures for shareholder communications with the Board of Directors:

- Shareholders wishing to communicate with the Board of Directors should send any communication to the Board of Directors, Peapack-Gladstone Financial Corporation, c/o Corporate Secretary of Peapack-Gladstone, Antoinette Rosell, at 158 Route 206 North, Gladstone, New Jersey, 07934. Any such communication should state the number of shares owned by the shareholder.
- The Corporate Secretary will forward such communication to the Board of Directors or as appropriate to the particular Committee Chairman, unless the communication is a personal or similar grievance, a shareholder proposal or related communication, an abusive or inappropriate communication, or a communication not related to the duties or responsibilities of the Board of Directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible.

• The Corporate Secretary will maintain a log of, and copies of, all communications, for inspection and review by any

Board member, and shall regularly review all such communications with the Board or the appropriate Committee Chairman.

The Board of Directors has also established the following procedures for shareholder communications with the rotating chairman of the executive sessions of the non-management directors of the Board:

- Shareholders wishing to communicate with the presiding director of executive sessions should send any communication to the Presiding Director of Executive Sessions, Peapack-Gladstone Financial Corporation, c/o Corporate Secretary of Peapack-Gladstone, Antoinette Rosell, at 158 Route 206 North, P.O. Box 178, Gladstone, New Jersey, 07934. Any such communication should state the number of shares owned by the shareholder.
- The Corporate Secretary will forward such communication to the then presiding director, unless the communication is a personal or similar grievance, a shareholder proposal or related communication, an abusive or inappropriate communication, or a communication not related to the duties or responsibilities of the non-management directors, in which case the Corporate Secretary has the authority to disregard the communication. All such communications will be kept confidential to the extent possible.
- The Corporate Secretary will maintain a log of, and copies of, all communications, for inspection and review by the presiding director of executive sessions, and shall regularly review all such communications with the presiding director at the next meeting.

Committees of the Board of Directors

In 2009, the Board of Directors maintained an Audit Committee, a Nominating Committee and a Compensation Committee.

Audit Committee

Mr. Consi serves as Chair of the Audit Committee. Other members of the Audit Committee are Messrs. Mulcahy, Smith and Ms. Hill. The Audit Committee met 9 times during 2009.

The Board of Directors has determined that at least one member of the Audit Committee meets the NASDAQ standard of being financially sophisticated. The Board of Directors has also determined that Mr. Consi meets the SEC criteria of an "audit committee financial expert."

The Audit Committee operates pursuant to a charter. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The charter gives the Audit Committee the authority and responsibility for the appointment, retention, compensation and oversight of our independent auditors, including pre-approval of all audit and non-audit services to be performed by our independent auditors. Other responsibilities of the Audit Committee pursuant to the charter include: reviewing the scope and results of the audit with our independent auditors; reviewing with management and our independent auditors Peapack-Gladstone's interim and year-end operating results including press releases; considering the appropriateness of the internal accounting and auditing procedures of Peapack-Gladstone; considering our outside auditors' independence; reviewing examination reports by bank regulatory agencies; reviewing audit reports prepared by the Internal Audit Department of Peapack-Gladstone, reviewing audit reports prepared by the response of management to those reports. The Audit Committee reports to the full Board concerning

pertinent matters coming before it.

Compensation Committee

Peapack-Gladstone's Compensation Committee consists of Messrs. Meyercord (Chair), Merton and Consi. During 2009 the Compensation Committee met 5 times.

The Compensation Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Compensation Committee determines CEO compensation, sets general compensation levels for all officers and employees and sets specific compensation for executive officers. It also administers our stock option plans and makes awards under those plans. The Board has approved its charter, which delegates to the Compensation Committee the responsibility to recommend Board compensation.

The Compensation Committee annually reviews, considers, and approves all compensation and awards to executive officers, including the CEO, the President, Executive Vice Presidents, Senior Vice Presidents and First Vice Presidents. Included in this process is a thorough analysis and consideration of overall Bank performance, individual job performance, the overall need of the Bank to attract, retain and incent executive talent, and the total cost of the compensation programs.

The Compensation Committee has the authority to hire, fire, and seek the services of compensation consulting and advisory firms as it deems appropriate to its role. In 2009, the Committee engaged the services of Pearl Meyer & Partners (PM&P), an independent compensation consulting firm specializing in executive compensation. Services were related to providing an updated competitive market analysis. PM&P reports directly to the Committee and carries out its responsibilities to the Committee in coordination with the Human Resources department as requested by the Committee. As a matter of policy the Committee does not prohibit its advisors from providing services to Management, but any such engagement must be requested or approved by the Committee. PM&P is independent with respect to SEC standards.

Nominating Committee

Peapack-Gladstone's Nominating Committee consists of Messrs. Smith (Chair), Consi, Lamb, Merton, Meyercord, Mulcahy and Ms. Hill. The Nominating Committee met two times during 2009.

The Nominating Committee operates under a written charter setting out the functions and responsibilities of this committee. The charter can be viewed at the Investor Relations link on our website www.pgbank.com. The Nominating Committee reviews qualifications of and recommends to the Board candidates for election as director of Peapack-Gladstone and the Bank, considers the composition of the Board, recommends committee assignments, and discusses management succession for the Chairman and the CEO positions. The Nominating Committee develops corporate governance principles which include director qualifications and standards; director responsibilities; director orientation and continuing education; limitations concerning service on other boards and director access to management and records. The committee is also charged with reviewing the Board's adherence to the Corporate Governance Principles and the Code of Business Conduct and Ethics. The Nominating Committee reviews recommendations from shareholders regarding corporate governance and director candidates. The procedure for submitting recommendations of director candidates is set forth below under the caption "Nomination of Directors."

Nomination of Directors

Nominations for director may be made only by the Board of Directors or a committee of the Board or by a shareholder of record entitled to vote. The Board of Directors has established minimum criteria for members of the Board.

These include:

- Directors are encouraged to live and/or work in the communities served by Peapack-Gladstone's subsidiary bank.
- Directors shall beneficially own or agree to acquire at least \$25,000 (market value) of Peapack-Gladstone stock.
- Directors shall be experienced in business, shall be financially literate and shall be respected members of their communities.
 - Directors shall be of high ethical and moral standards and have sound personal finances.

A Director may not serve on the board of directors of any other bank that serves the same market area as Peapack-Gladstone.

• If there is a vacancy, the Nominating Committee shall evaluate the qualifications of persons who may be recommended to it as potential candidates based on information the Committee may deem relevant.

The Nominating Committee has not adopted a formal diversity policy with regard to the selection of director nominees. The Nominating Committee considers diversity of experience, both of the individual under consideration and of the Board as a whole, as a factor in identifying nominees for director. In accordance with the Company's Corporate Governance Principles, in assessing candidates for nomination, the Nominating Committee considers, among other factors, the candidate's independence, diversity, skills and experience in the context of the needs of the Board.

The Nominating Committee has adopted a policy regarding consideration of director candidates recommended by shareholders. The Nominating Committee will consider nominations made by shareholders. In order for a shareholder to make a nomination, the shareholder must provide a notice along with the additional information and supporting materials to our Corporate Secretary not less than 120 days or more than 150 days prior to the first anniversary of the date of the preceding year's annual meeting. The shareholder wishing to propose a candidate for consideration by the Nominating Committee must have a significant stake in

Peapack-Gladstone. To qualify for consideration by the Nominating Committee, the shareholder submitting the candidate must demonstrate that he or she has been the beneficial owner of at least one percent of Peapack-Gladstone's outstanding shares for a minimum of one year prior to the submission of the request. In addition, the Nominating Committee has the right to require any additional background or other information from any director candidate or the recommending shareholder, as it may deem appropriate. For our annual meeting in the year 2011, we must receive this notice on or after November 27, 2010, and on or before December 27, 2010. The following factors, at a minimum, are considered by the Nominating Committee as part of its review of all director candidates and in recommending potential director candidates to the Board:

- appropriate mix of educational background, professional background and business experience to make a significant contribution to the overall composition of the Board;
- if the Committee deems it applicable, whether the candidate would be able to read and understand fundamental financial statements and considered to be financially sophisticated as described in the NASDAQ rules, or considered to be an audit committee financial expert as defined pursuant to the Sarbanes-Oxley Act of 2002;
- if the Committee deems it applicable, whether the candidate would be considered independent under the NASDAQ rules and the Board's additional independence guidelines set forth in Peapack-Gladstone's Corporate Governance Principles;
- demonstrated character and reputation, both personal and professional, consistent with that required for a bank director;
 - willingness to apply sound and independent business judgment;
 - ability to work productively with the other members of the Board;
 - availability for the substantial duties and responsibilities of a Peapack-Gladstone director; and
 - meets the additional criteria set forth in the Peapack-Gladstone's Corporate Governance Principles.

You can obtain a copy of the full text of our policy regarding shareholder nominations by writing to Antoinette Rosell, Corporate Secretary, Peapack-Gladstone Financial Corporation, 158 Route 206 North, P.O. Box 178, Gladstone, New Jersey 07934.

- (3)Peapack-Gladstone has a retirement plan for eligible non-employee directors of Peapack-Gladstone and/or its Subsidiaries. The plan provides 5 years of annual benefits to directors with 10 or more years of service, which commence after a director has retired from the Board. The annual benefit is equal to 25 percent of the director's final compensation and increases by 5 percent for each year of service in excess of 10. The maximum benefit is limited to 50 percent of final compensation. No director was credited with more than 10 years of service when the plan became effective, regardless of how long the person had served as director as of the effective date. If a director with 10 years of service ceases to be a director as a result of death or disability, or a director with 5 years of service ceases to be a director following a change in control, the director will be credited with a total of 15 years of service for plan purposes. In the event that the director dies prior to receipt of all benefits, the payments continue to the director's beneficiary or estate.
- (4)Peapack-Gladstone has a nonqualified deferred compensation plan for non-employee directors covering retainer fees and the aggregate of all fees for service and attendance at Board and committee meetings. Participation is optional. As of January 1, 2005, the plan is frozen and no further contributions may be made. Interest is paid on the deferred fees equal to that which would have been credited if such deferred fees were invested in the Peapack-Gladstone Money Market Account, which yields 0.90 percent as of February 28, 2010. The provisions of the deferred compensation plan are designed to comply with certain rulings of the Internal Revenue Service under which the deferred amounts are not taxed until received. Under the deferred compensation plan, the directors who elect to defer their fees receive the fees either (i) in a lump sum on the first day of the calendar quarter following termination of service as director, or on the first day of a calendar quarter that is at least 5 years following the date of the original deferral election, or (ii) in substantially equal annual installments over a period of between 2 to 10 years, commencing in January of the calendar year following the calendar year during which the director ceases serving as director. In the event the director dies, within a reasonable period of time following his or her death, the amount credited to the director's deferred compensation account shall be paid in a lump sum to the director's beneficiary or estate.
- (5) The amount in this column represents the change in pension value. There were no above-market, nonqualified deferred compensation earnings.
