**Item 1.01 Entry into a Material Definitive Agreement.**

On December 11, 2008, Patrick Industries, Inc., an Indiana corporation (the Company), entered into a Second Amendment and Waiver (the Amendment) to the Company's Credit Agreement, dated as of May 18, 2007, among the Company, the lenders party thereto and JP Morgan Chase Bank, N.A., as administrative agent (the Credit Agreement).

The Company previously reported in its second quarter 2008 Form 10-Q that it was anticipating a third quarter violation of certain covenants under the terms of the Credit Agreement, and subsequently reported in its third quarter 2008 Form 10-Q that it was in violation of those covenants. Under the terms of the Amendment, the lenders have waived any Event of Default (as defined in the Credit Agreement) resulting from the Company's failure to comply with the Maximum Leverage Ratio and Minimum Fixed Charge Coverage Ratio covenants for the Computation Period ended September 28, 2008. The financial covenants have been amended to eliminate the Consolidated Net Worth, Minimum Fixed Charge Coverage Ratio and Maximum Leverage Ratio covenants, in lieu of new one-month and two-month minimum Consolidated EBITDA requirements and a \$2,250,000 capital expenditures limitation for any fiscal year. In addition, certain definitions, terms and reporting requirements contained in the Credit Agreement were also amended and/or added. The maturity date for all loans has been amended to January 3, 2011.

The Company's credit facility will continue to consist of a term loan and a revolving line of credit. Borrowings under the revolving line of credit are subject to a borrowing base, up to a borrowing limit of \$33.0 million. The principal amount outstanding under the term loan of approximately \$38.5 million at September 30, 2008 remains unchanged under the amended terms. The interest rates for borrowings under the revolving line of credit are the Alternate Base Rate (the ABR) plus 3.50%, or the London Interbank Offer Rate (LIBOR) plus 4.50%. For term loans, interest rates are the ABR plus 6.50%, or LIBOR plus 7.50%. The Company has the option to pay a portion of the interest in kind on the term loan. The fee payable by the Company on unused but committed portions of the revolving loan facility was amended to 0.50%.

As part of the lenders' consideration for the Amendment, on December 11, 2008, the Company entered into a Warrant Agreement under which the Company issued warrants to the lenders to purchase an aggregate of 474,049 shares of common stock, subject to adjustment, at an exercise price per share of \$1 (the Warrants). The Warrants are immediately exercisable, subject to anti-dilution provisions and expire on December 11, 2018.

In connection with the Warrants and the Warrant Agreement, on December 11, 2008, the Company entered into a Second Amended and Restated Registration Rights Agreement (the Registration Rights Agreement) with the lenders and Tontine Capital Partners, L.P. and Tontine Capital Overseas Master Fund, L.P. (collectively, Tontine). The Registration Rights Agreement provides that the Company shall file a registration statement on Form S-3 registering the shares of common stock that may be issued upon the exercise of the Warrants, as well as a registration statement on Form S-3 registering the shares of common stock held by Tontine, and also provides the holders of the Warrants and Tontine and its affiliates certain demand registration rights and piggy-back registration rights in
