3.

SSH has purchased 2,731,797 Common Shares through transactions directly with the Issuer and in open market transactions using funds from working capital, which includes 620,465 Common Shares purchased in a block trade using funds from working capital on March 10, 2016.

On March 17, 2016 the Issuer priced its underwritten public offering of 21,000,000 Common Shares, of which SSH agreed to purchase 5,000,000 shares at the public offering price of \$3.00 per share using funds from working capital. The offering closed on March 22, 2016.

In addition, SSH and the Issuer have entered into an administrative services agreement, dated September 27, 2013 and as amended from time to time (the "Administrative Services Agreement"), pursuant to which SSH provides, among other things, vessel acquisition services to the Issuer for a fee which is payable in Common Shares of the Issuer. The amount of Common Shares payable is determined by dividing \$250,000 by the market value of the Issuer's common shares based on the volume weighted average price of the Issuer's common shares over the 30 trading day period immediately preceding the contract date of a definitive agreement to acquire any vessel. As of the date hereof, SSH has received an aggregate of 143,035 Common Shares under the Administrative Services Agreement.

ItemPurpose of Transaction.

Certain of the SSH Principals also serve as executive officers and/or directors of the Issuer. Accordingly, the Reporting Persons may, and the SSH Principals will continue to, influence the corporate activities of the Issuer, including activities which may relate to items described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

SSH acquired the Common Shares described in Item 3 solely for investment purposes, through purchases directly from the Issuer, in open market transactions, and pursuant to the Administrative Services Agreement as consideration for services provided by SSH. The Reporting Persons, at any time and from time to time, may acquire additional Common Shares, including through SSH as consideration under the Administrative Services Agreement or in connection with the provision of other services or other strategic transactions with the Issuer, or dispose of any or all of the Common Shares they own depending upon an ongoing evaluation of their investment in the Common Shares, prevailing market conditions, other investment opportunities, other investment considerations and/or other factors. The Reporting Persons further reserve the right to act in concert with any other shareholders of the Issuer, or other persons, for a common purpose should it determine to do so, and/or to recommend courses of action to the Issuer's management, the Issuer's board of directors, the Issuer's shareholders and others. In addition, the Reporting Persons are in contact with members of the Issuer's management, the members of the Issuer's Board of Directors, other significant shareholders and others regarding alternatives that the Issuer could employ to increase shareholder value.

ItemInterest in Securities of the Issuer.  
5.
