STARBOARD VALUE AND OPPORTUNITY MASTER FUND LTD

\_\_\_\_\_, 2012

Dear Fellow Shareholder:

Starboard Value and Opportunity Master Fund Ltd (“Starboard V&O Fund”) and the other participants in this solicitation (collectively, “Starboard” or “we”) are the beneficial owners of an aggregate of 3,236,000 shares of common stock, par value \$0.01 per share (the “Common Stock”) of Progress Software Corporation (the “Company”), representing approximately 5.2% of the outstanding shares of Common Stock of the Company. For the reasons set forth in the attached Proxy Statement, we are seeking representation on the Board of Directors of the Company. We are seeking your support at the annual meeting of shareholders scheduled to be held at \_\_\_\_\_ located at \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ on \_\_\_\_\_, \_\_\_\_\_, 2012 at \_\_\_\_:\_\_\_\_.m., local time, including any adjournments or postponements thereof and any meeting which may be called in lieu thereof (the “Annual Meeting”), for the following:

1. To elect Starboard V&O Fund’s three nominees (the “Nominees”) to the Board of Directors in opposition to certain of the Company’s incumbent directors;
2. To hold an advisory vote on the compensation of the Company’s named executive officers; and
3. To transact such other business, if any, as may properly come before the Annual Meeting or any adjournment or postponement thereof.

We are seeking to change a significant minority of the Company’s Board of Directors (the “Board”) to ensure that the interests of the shareholders, the true owners of the Company, are appropriately represented in the boardroom. The Board is currently composed of eight directors, all of whom are up for election at the Annual Meeting. Through the attached Proxy Statement, we are soliciting proxies to elect not only our three director nominees, but also the candidates who have been nominated by the Company other than \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_. This gives shareholders the ability to vote for the total number of directors up for election at the Annual Meeting. The names, backgrounds and qualifications of the Company’s nominees, and other information about them, can be found in the Company’s proxy statement. There is no assurance that any of the Company’s nominees will serve as directors if our nominees are elected.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed WHITE proxy card today. The attached Proxy Statement and the enclosed WHITE proxy card are first being furnished to the shareholders on or about \_\_\_\_\_, 2012.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated proxy.

If you have any questions or require any assistance with your vote, please contact Okapi Partners LLC, which is assisting us, at their address and toll-free numbers listed below.

Thank you for your support.

We are seeking representation on the Board of Directors of the Company (the “Board”) because we believe that the Board could be improved with independent directors who have strong, relevant backgrounds and the operational expertise necessary to fully explore available opportunities to unlock shareholder value. We are seeking your support at the annual meeting of shareholders scheduled to be held at \_\_\_\_\_ located at \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_ on \_\_\_\_\_, \_\_\_\_\_, 2012 at \_\_\_\_:\_\_\_\_.m., local time (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”), for the following:

1. To elect Starboard V&O Fund’s director nominees, [Dale L. Fuller, John Mutch, Jeffrey C. Smith and Edward Terino] (each a “Nominee” and, collectively, the “Nominees”), to serve as directors of the Company to hold office until the 2013 annual meeting of shareholders and until their respective successors have been duly elected and qualified, in opposition to certain of the Company’s incumbent directors whose terms expire at the Annual Meeting;
2. To hold an advisory vote on the compensation of the Company’s named executive officers (the “Say on Pay Proposal”); and
3. To transact any other business as may properly come before the Annual Meeting.

This Proxy Statement is soliciting proxies to elect not only our three Nominees, but also the candidates who have been nominated by the Company other than \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. This gives shareholders who wish to vote for our Nominees the ability to vote for a full slate of eight nominees in total.

The Company has set the close of business on March 23, 2012 as the record date for determining shareholders entitled to notice of and to vote at the Annual Meeting (the “Record Date”). As of the date hereof, the members of Starboard and the Nominees own 3,236,000 shares of common stock, par value \$0.01 per share (the “Shares”) of the Company. We intend to vote such Shares FOR the election of the Nominees and in a manner consistent with the recommendation of Institutional Shareholder Services Inc. (“ISS”), a leading proxy advisory firm, with respect to the Say-on-Pay Proposal, as described herein.

THIS SOLICITATION IS BEING MADE BY STARBOARD AND NOT ON BEHALF OF THE BOARD OF DIRECTORS OR MANAGEMENT OF THE COMPANY. WE ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING OTHER THAN AS SET FORTH IN THIS PROXY STATEMENT. SHOULD OTHER MATTERS, WHICH STARBOARD IS NOT AWARE OF A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED WHITE PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

STARBOARD URGES YOU TO SIGN, DATE AND RETURN THE WHITE PROXY CARD IN FAVOR OF THE ELECTION OF THE NOMINEES.

### Background to the Solicitation

The following is a chronology of events leading up to this proxy solicitation:

- On October 3, 2011, representatives of Starboard met with Tom Barth, Vice President of Finance and Investor Relations for the Company, and Charles Wagner, Executive Vice President, Finance & Administration and Chief Financial Officer, to discuss the Company's strategy and business fundamentals.
- On January 18, 2012, representatives of Starboard met in Boston with Jay Bhatt, the Company's President and Chief Executive Officer (CEO), and Charles Wagner to discuss the Company's strategy moving forward with Mr. Bhatt as the newly appointed CEO.
- On January 24, 2012, Starboard Value LP delivered a letter to Mr. Bhatt, and the members of the Board stating, among other things, Starboard's belief that the Company is deeply undervalued and at its current price, the Company's Application Development Platforms (ADP) segment alone is worth as much as, if not more than, the entire market value of the Company. Starboard stated it believes this valuation discrepancy is, in part, due to the Company's conglomerate structure consisting of a highly profitable mature business along with a money-losing growth business with little to no overlap. The letter also provided an analysis of each of the Company's businesses and product lines to highlight Starboard's serious concern that the current market price of the Company fails to reflect the value of the sum-of-its-parts. Starboard stated that it hopes to work with Mr. Bhatt and the Board to explore ways to unlock value at the Company for the benefit of all shareholders.
- On January 26, 2012, Jeffrey Smith had a call with Mr. Bhatt and Board member Philip Pead to discuss the Company's strategy and business fundamentals and to see if a mutually agreeable resolution could be reached regarding Board composition.
- On January 27, 2012, Starboard V&O Fund delivered a letter to the Company (the "Nomination Letter") nominating Dale L. Fuller, John Mutch, Jeffrey C. Smith and Edward Terino for election to the Board at the Annual Meeting.
- On January 30, 2012, Starboard delivered a letter to Mr. Bhatt and the Board stating that while it is appreciative of the continued dialogue with the Company, it remains confident that the Company is deeply undervalued and that opportunities exist to create value based on actions within the control of management and the Board. The letter further stated that Starboard delivered the Nomination Letter in order to preserve its rights under the Amended and Restated Bylaws of the Company (the "Bylaws") to seek the election of an alternate slate of director nominees at the Annual Meeting. In the letter Starboard also stressed that it remains willing to have a constructive dialogue with the Company and that it feels strongly that the Nominees would increase the quality and independence of the Board while ensuring that the interests of shareholders are adequately represented in the boardroom.
- On January 30, 2012, the Company issued a statement in which it, among other things, confirmed receipt of the Nomination Letter and stated that the nominating and corporate governance committee of the Board would consider the nominations.
- On March 7, 2012, Jeffrey Smith had a meeting with Mr. Bhatt to discuss the Company's strategy and Board composition.
- On March 30, 2012, Starboard delivered a supplement to the Nomination Letter to the Company.

## REASONS FOR THE SOLICITATION

We are soliciting your support to elect our Nominees at the Annual Meeting because we have little confidence in the Board, as currently composed, to take the steps necessary to enhance shareholder value.

**WE BELIEVE THE COMPANY IS DEEPLY UNDERVALUED AND ITS CURRENT MARKET PRICE FAILS TO REFLECT THE VALUE OF THE SUM-OF-ITS-PARTS**

We believe the Company is deeply undervalued. In our view this is due, in part, to the Company's conglomerate structure consisting of a highly profitable mature business along with a money-losing growth business with little to no overlap. If elected at the Annual Meeting, the Nominees will, subject to their fiduciary duties as directors, endeavor to work with the other members of the Board to review the Company's disparate operating businesses and identify opportunities to address the substantial valuation discrepancy between the intrinsic value of these businesses and the current enterprise value of the Company. However, since the Nominees would comprise less than a majority of the Board, if elected, there can be no assurance that any actions or changes proposed by the Nominees will be adopted or supported by the Board. It is our hope, however, that if shareholders vote to elect our Nominees at the Annual Meeting, then the Board will give serious consideration to any ideas, plans or proposals for enhancing shareholder value that one or more of the Nominees may recommend to the full Board.

In putting forth the Nominees for election at the Annual Meeting, we are not attempting to take control of the Board. However, we do believe significant change to the composition of the Board is warranted given the strong qualifications of our Nominees and the serious issues facing the Company, including the persistent losses for EBS and the sharp decline in revenue growth over the past two quarters.

We believe the value of the Company's Application Development Platforms (ADP) business is worth as much, if not more, than the entire value of the Company.

The Company's ADP business consists primarily of OpenEdge, a suite of products used by small to medium-sized application software companies to build and run their applications. While today OpenEdge is a relatively mature technology, its historical benefits resulted in it being embedded in the software of over 1,500 Independent Software Vendors (ISVs) with more than 60,000 customers worldwide. The ISVs pay the Company a royalty based on revenue they receive from their respective customers, which allows the Company to maintain a very stable customer base with a highly recurring and predictable revenue stream while at the same time minimizing costs. Over the last twelve months alone, the ADP segment has generated revenue of approximately \$326 million and operating profits of \$189 million.

Although the ADP business is maturing, in our view the recurring and stable revenue stream, substantial switching costs, and sustained profitability make it extremely valuable. When compared to the Company's enterprise value, the

EBITDA generated by just the ADP business alone indicates a total company valuation of just 5.0x ADP EBITDA before taking into account any value for the Company's EBS and EDS businesses.

Note: ADP EBITDA estimated based on Wall Street Research estimates. Enterprise Value based on share price as of 1/23/12 (one day prior to Starboard's public letter).

We believe the Company's Enterprise Business Solutions (EBS) business is valuable, but that the market is currently attributing little, if any value to this business due to weak historical operating performance, poor integration of past acquisitions, and a flawed growth strategy.

The Company's EBS business is comprised of a collection of market leading products to help businesses improve performance by gaining visibility into processes and responding to events in real time including the Savvion® business process management suite, the Apama® event processing platform, the Sonic® integration products and certain other products. In contrast to the Company's maturing ADP business, the EBS segment sells directly to customers in one of the fastest growing segments of the software industry and faces intense competition from some of the industry's largest players, including IBM, Oracle, Tibco and Pegasystems.

The competitive nature of the EBS business requires the Company to make significant investments in acquisitions, research and development, and sales and marketing to gain the scale needed to compete. However, despite generating revenue growth of approximately 22% per year over the last three years, both organically and through acquisitions, the EBS segment has produced total losses of approximately \$147 million over the past three years. In 2011 alone, EBS generated losses of \$52 million on revenue of \$136 million.

We believe the poor operating performance in EBS is a direct result of the Company's inability to integrate past acquisitions resulting in excessive costs and a lack of product integration. The EBS business unit is a combination of numerous acquisitions that have been made over the past ten years. The combination of these businesses has clearly failed to drive the desired outcome as the EBS business continues to be sub-scale and highly unprofitable. In the past twelve months, operating expenses in the EBS business have grown faster than revenue, driving an increase in operating losses despite 12% growth in revenue.

We are concerned that the Company currently intends to continue its strategy of increasing scale in EBS through acquisitions. The Company recently announced the acquisition of Corticon. In addition, Jay Bhatt's first new hire as Chief Executive Officer was Tony Aquilina as Head of Corporate Development and M&A, a hire which based on comments Mr. Bhatt made on the Company's Q4 Earnings Conference call is part of management's intention to continue its acquisition strategy. We believe this is a flawed strategy given the Company's past failures to adequately integrate acquisitions as well as the premium valuations that the Company has paid and may pay in the future compared to where the Company is valued in the public market today.

Despite our concerns regarding the Company's current strategy for EBS, we believe that the EBS business is quite valuable. According to independent market research, the addressable markets for EBS products are expected to grow to between \$2.5 billion and \$6.5 billion by 2014. As shown in the table below, the historical and projected growth of the industry has resulted in similar pure-play businesses trading at multiples between 2.4x and 4.9x revenues.

Note: Total Revenue for latest reported twelve month period. Enterprise Value is based on share prices as of 1/23/12.

We believe the value of the Company's Enterprise Data Solutions (EDS) business is not reflected in the Company's stock price.

The Company's EDS business consists of a number of small products including DataDirect Connect, DataDirect Shadow and Data Services. While revenue has declined over the last several years, the Company has been able to achieve profitability by reducing expenses in the EDS business. Given the mature nature and leading market share in the DataDirect business, we believe the EDS segment could be substantially more profitable.

As shown in the table above, it appears that the EDS business is not currently contributing significantly to either revenue growth or profitability and is non-core to management's current strategy. We believe the value of the EDS business is not currently reflected in the stock price and could provide incremental upside if divested.

WE ARE CONCERNED WITH THE COMPANY'S COMPENSATION STRUCTURE, THE LACK OF  
SUFFICIENT STOCK OWNERSHIP BY MEMBERS OF THE BOARD AND COMPENSATION PAID TO  
OUTSIDE DIRECTORS

We are concerned that executive compensation is poorly structured and not aligned with performance.

We believe management's ability to properly address the issues facing the Company is compromised by the misalignment between compensation and the Company's performance.

In each of 2010 and 2011, the Company received a D grade from Glass Lewis & Co., a leading proxy advisory service ("Glass Lewis"), and in 2009 the Company received a C grade from Glass Lewis on its overall compensation. Glass Lewis noted that the Company's overall compensation structure is poor and that the Company has been deficient in linking executive pay to corporate performance. As a result, Glass Lewis recommended that shareholders vote against the Company's executive compensation program in 2011. We also agree with Glass Lewis that the Company has failed to sufficiently align the long-term interests of management with those of shareholders.

While ISS ultimately recommended that shareholders vote in favor of the Company's say-on-pay proposal at the Company's 2011 annual meeting, ISS stated its concern over the absence of a holding period for any stock option grants or restricted shares granted to executives.

We are concerned with the Board's lack of sufficient stock ownership and excessive compensation.

Collectively, the members of the Board directly own less than 0.5% of the outstanding Shares. In contrast, Starboard beneficially owns an aggregate of 3,235,000 Shares, or approximately 5.2% of the outstanding Shares. We also note that the Company's outside directors, Ram Gupta, Charles F. Kane, David A. Krall and Michael L. Mark, each collected at least \$100,000 in cash fees and over \$275,000 in total compensation in 2010.

We believe the Board's minimal ownership of Shares and excessive compensation paid to the outside directors may compromise the Board's ability to properly evaluate and address the serious challenges facing the Company.

Our Three Nominees have the experience and qualifications necessary to fully explore opportunities to enhance shareholder value.

Our three Nominees have valuable and relevant business and financial experience that we believe will allow them to make informed, decisive decisions to explore and identify opportunities to enhance shareholder value.

[Dale Fuller is the President and Chief Executive Officer of MokaFive, a venture-backed private company. Previously, Mr. Fuller served as interim President and Chief Executive Officer of McAfee, Inc., the world's largest dedicated security technology company ("McAfee"), from January 2006 through March 2007. Prior to joining McAfee, he was President and Chief Executive Officer of Borland Software Corporation (Nasdaq: BORL) from 1999 until 2005, and prior to that founded and served as President and Chief Executive Officer of WhoWhere? Corporation, later acquired by Lycos, Inc. Mr. Fuller currently serves as a director of MokaFive, AVG Technologies and Webgistix Corporation. Mr. Fuller previously served on the Board of Directors of Zoran Corporation, Phoenix Technologies Ltd., Guidance Software, Inc., Krugle, Inc, McAfee and Quest Aircraft Company, LLC. We believe that Mr. Fuller's deep experience in the technology industry both as an executive officer and a director of private and publicly traded technology companies well qualifies him to serve on the Board.

John Mutch is the President and Chief Executive Officer of BeyondTrust Software, a privately held security software company focused on privilege identity management solutions sold into the Global 2000 IT infrastructure market. He is also the founder and managing partner of MV Advisors LLC, a strategic block investment firm founded in December 2005 which provides focused investment and strategic guidance to small and mid-cap technology companies. Mr. Mutch previously served as President and Chief Executive Officer of Peregrine Systems, Inc., a

global provider of enterprise software (“Peregrine Systems”), from July 2003 until its sale to Hewlett-Packard Company for \$425 million in December 2005. Mr. Mutch currently serves as a member of the Board of Directors of Agilysys, Inc. and Steel Excel Inc. (f/k/a ADPT Corporation). Previously he served on the Board of Phoenix Technologies Ltd., Edgar Online, Inc., Aspyra Inc., Overland Storage, Inc. and Brio Software. We believe that Mr. Mutch’s extensive experience and knowledge in financial reporting matters and his experience in restructuring and building public technology companies will enable him to assist in the effective oversight of the Company.

Jeffrey C. Smith is a Managing Member, Chief Executive Officer and Chief Investment Officer of Starboard Value LP. As Chief Investment Officer of Starboard Value LP, he has significant experience evaluating companies from a financial, operational, and strategic perspective to identify inefficiencies and the resulting opportunities for value creation. Mr. Smith also has extensive public board experience and currently serves on the Board of Directors of Surmodics, Inc. and Regis Corporation. Previously, he served on the Board of Directors of Zoran Corporation, Phoenix Technologies Ltd., Actel Corporation, S1 Corporation, and Kensey Nash Corp. Mr. Smith also served as a member of the Management Committee for Register.com. We believe that the Board will benefit greatly by having a representative of a significant shareholder serve on the Board. Additionally, Mr. Smith's experience in a variety of industries together with his management experience in a variety of roles enable Mr. Smith to provide the Company with valuable financial and executive insights.

Edward Terino is the President of GET Advisory Service LLC, a strategic and financial management consulting firm focused on the technology and maritime industries. He previously served as Senior Vice President, Chief Financial Officer and Treasurer of Art Technology Group, Inc., a publicly-traded eCommerce software company that later sold to Oracle, from September 2001 to June 2005, and then as Chief Executive Officer and Chief Financial Officer of Arlington Tankers Ltd, an international seaborne transporter of crude oil and petroleum products, from July 2005 to December 2008. He currently serves as a director of Baltic Trading Ltd. and SeaChange International, Inc. Previously he served as a director of S1 Corporation, Phoenix Technologies Ltd. and EBT International, Inc. We believe that Mr. Terino's depth of experience serving for over a decade on the Boards of Directors of public and private companies and in senior executive roles of various companies, including of numerous enterprise software companies, will enable him to assist in the effective oversight of the Company.]

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board is currently composed of eight directors whose terms expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our three Nominees in opposition to three of the Company's director nominees, \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. Fuller, Mutch and Terino: (i) \$10,000 in cash as a result of the submission by Starboard V&O Fund of its nomination of each of Messrs. Fuller, Mutch and Terino to the Company and (ii) \$10,000 in cash upon the filing of a definitive proxy statement with the SEC by Starboard V&O Fund relating to the solicitation of proxies in favor of each of Messrs. On January 30, 2012, Starboard V&O Fund, Starboard LLC, Starboard Value LP, Starboard Value GP, Starboard Principal Co, Principal GP, Peter A. Feld, Mark Mitchell and the Nominees (collectively the “Group”) entered into a Joint Filing and Solicitation Agreement in which, among other things, (a) the Group agreed to the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of the Company to the extent required by applicable law, (b) the Group agreed to solicit proxies or written consents for the election of the Nominees, or any other person(s) nominated by Starboard V&O Fund, to the Board at the Annual Meeting (the “Solicitation”), and (c) Starboard V&O Fund and Starboard LLC agreed to bear all expenses incurred in connection with the Group’s activities, including approved expenses incurred by any of the parties in connection with the Solicitation, subject to certain limitations.

Other than as stated herein, there are no material relationships between members of Starboard and any of the Nominees and there are no arrangements or understandings between members of Starboard and any of the Nominees or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each of the Nominees to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. None of the Nominees are a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceedings.

Each Nominee presently is, and if elected as a director of the Company would be, an “independent director” within the meaning of (i) applicable NASDAQ listing standards applicable to board composition, including Rule 5605(a)(2), and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. No Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

We do not expect that the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the Shares represented by the enclosed WHITE proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, Shares represented by the enclosed WHITE proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Starboard that any attempt to increase the size of the current Board constitutes an unlawful manipulation of the Company’s corporate machinery.

**YOU ARE URGED TO VOTE FOR THE ELECTION OF THE NOMINEES ON THE ENCLOSED WHITE PROXY CARD.**

PROPOSAL NO. 2

APPROVAL OF ADVISORY VOTE ON COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

As discussed in further detail in the Company's proxy statement, the Company is asking shareholders to indicate their support for the compensation of the Company's named executive officers. This proposal, commonly known as a "say-on-pay" proposal, is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in the Company's proxy statement. Accordingly, the Company is asking shareholders to vote for the following resolution:

"RESOLVED, that the Company's shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's proxy statement for the 2012 annual meeting of shareholders pursuant to the compensation disclosure rules of the SEC, including the "Compensation Discussion and Analysis," the "Summary Compensation Table (2011)" and the other related tables and narrative disclosure [as set forth in the Company's proxy statement]."

According to the Company's proxy statement, the say-on-pay vote is advisory only and not binding on the Company, the Compensation Committee of the Board or the Board.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE SAY-ON-PAY PROPOSAL AND INTEND TO VOTE OUR SHARES CONSISTENT WITH THE RECOMMENDATION OF ISS WITH RESPECT TO THIS PROPOSAL.

## VOTING AND PROXY PROCEDURES

Only shareholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Shareholders who sell their Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Shareholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such Shares after the Record Date. Based on publicly available information, Starboard believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Shares.

Shares represented by properly executed WHITE proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees to the Board, ABSTAIN on the Say-on-Pay Proposal (which will have no effect on the outcome of the vote on this proposal) and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate eight candidates for election as directors at the Annual Meeting. This Proxy Statement is soliciting proxies to elect not only our three Nominees, but also the candidates who have been nominated by the Company other than \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. This gives shareholders who wish to vote for our three Nominees and such other persons the ability to do so. Under applicable proxy rules we are required either to solicit proxies only for our three Nominees, which could result in limiting the ability of shareholders to fully exercise their voting rights with respect to the Company's nominees, or to solicit for our three Nominees and for fewer than all of the Company's nominees, which enables a shareholder who desires to vote for our three Nominees to also vote for those of the Company's nominees for whom we are soliciting proxies. The names, backgrounds and qualifications of the Company's nominees, and other information about them, can be found in the Company's proxy statement. There is no assurance that any of the Company's nominees will serve as directors if our Nominees are elected.

## QUORUM; DISCRETIONARY VOTING

A quorum is the minimum number of Shares that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of at least 31,395,713 Shares, which is a simple majority of the 62,791,424 Shares outstanding as of the Record Date, will be considered a quorum allowing votes to be taken and counted for the matters before the shareholders. Both abstentions and broker non-votes are to be counted as present for the purpose of determining the existence of a quorum for the Annual Meeting.

If you are a shareholder of record, you must deliver your vote by mail or attend the Annual Meeting in person and vote in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the matters to be presented at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your Shares will not count for purposes of attaining a quorum.

## VOTES REQUIRED FOR APPROVAL

**Election of Directors** According to the Company's proxy statement, the directors elected at the meeting will be the eight directors receiving the highest number of votes. Abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

**Say-on-Pay Proposal** According to the Company's proxy statement, the advisory vote on executive compensation may be approved by shareholders by the affirmative vote of a majority of the votes cast at the Annual Meeting. Abstentions and broker non-votes will not count as voting with respect to this proposal and therefore, will have no direct effect on the outcome of this proposal.

## REVOCATION OF PROXIES

Shareholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Starboard in care of Okapi Partners at the address set forth on the back cover of this Proxy Statement or to the Company at 14 Oak Park, Bedford, Massachusetts 01730 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to Starboard in care of Okapi Partners at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding Shares. Additionally, Okapi Partners may use this information to contact shareholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.
