Dear Fellow Front Yard Stockholder:

For the reasons set forth in the attached Proxy Statement, we believe that stockholders would benefit from significant changes to the composition of the Company’s Board of Directors (the “Board”). We are therefore seeking your support at the Company’s upcoming 2019 annual meeting of stockholders (the “Annual Meeting”) scheduled to be held on Thursday, May 23, 2019, at 8:30 a.m., Atlantic Standard Time, at The Buccaneer Hotel, located at 5007 Estate Shoys, Christiansted, United States Virgin Islands 00820, for the following purposes:

- To elect Snow Park’s five (5) director nominees, Leland Abrams, Khalil Kanaan, George Lucaci, Lazar Nikolic and 1. Jeffrey Pierce (each a “Nominee” and collectively, the “Nominees”), to serve until the 2020 annual meeting of stockholders and until their respective successors are duly elected and qualified;
2. To ratify the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019;

5. To transact such other business as may properly come before the Annual Meeting.

There are seven (7) directorships up for election at the Annual Meeting. The enclosed Proxy Statement is soliciting proxies to elect only our five (5) Nominees. **Accordingly, the enclosed BLUE proxy card may only be voted for our Nominees and does not confer voting power with respect to any of the Company’s director nominees. Stockholders who return the BLUE proxy card will only be able to vote for our five (5) Nominees and will not have the opportunity to vote for the other two (2) seats up for election at the Annual Meeting.** You can only vote for the Company’s director nominees by signing and returning a proxy card provided by the Company. Your vote to elect our Nominees will have the legal effect of replacing five (5) incumbent directors with our nominees. If at least four (4) of our Nominees are elected, they would represent a majority of the directors on the Board.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **BLUE** proxy card today. The attached Proxy Statement and the enclosed **BLUE** proxy card are first being mailed to stockholders on or about April 17, 2019.

Stockholders should refer to the Company’s proxy statement for the names, backgrounds, qualifications and other information concerning the Company’s nominees.

The participants in this solicitation intend to vote their shares (the “Snow Park Group Shares”) **FOR** the election of the Nominees, **FOR** the ratification of the appointment of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019, **AGAINST** the adoption of the 2019 Equity Incentive Plan and **AGAINST** the non-binding advisory vote on executive compensation, as described herein. While we currently intend to vote all of the Snow Park Group Shares in favor of the election of the Nominees, we reserve the right to vote some or all of the Snow Park Group Shares for some or all of the Company’s director nominees, as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. We would only intend to vote some or all of the Snow Park Group Shares for some or all of the Company’s director nominees in the event it were to become apparent to us, based on the projected voting results at such time, that by voting the Snow Park Group Shares we could help elect the Company nominee(s) that we believe are the most qualified to serve as directors and thus help achieve a Board composition that we believe is in the best interest of all stockholders. BACKGROUND TO SOLICITATION

The following is a chronology of events leading up to this proxy solicitation:

Snow Park first began investing in the Company in early 2016 and sharing its views with representatives of Front Yard in early 2017.

In December 2017, believing that change was necessary in Front Yard's boardroom, Snow Park nominated two candidates for election to the Board at the Company's 2018 annual meeting of stockholders (the "2018 Annual Meeting").

From January 2018 to April 2018, representatives of Snow Park and the Company engaged in various discussions and the Company implemented certain corporate governance improvements in consultation with Snow Park, including with respect to the composition of the Board. In connection therewith, Snow Park and the Company entered into a letter agreement and Snow Park agreed to withdraw its nomination of candidates for election to the Board at the 2018 Annual Meeting.

On November 16, 2018, Jeffrey Pierce, Managing Partner of Snow Park, had a telephone conversation with the Company's Chief Executive Officer, George G. Ellison, following Mr. Pierce's request for a meeting. During the call, Mr. Pierce expressed his views on the Company and its strategy. Mr. Pierce offered to help the Company address issues that Snow Park believes have been ignored for far too long, including the Company's leverage, stockholder messaging and relationship with its external manager. Additionally, he offered to restrict Snow Park's trading and enter into a confidentiality agreement in order to provide such guidance.

On November 18, 2018, Mr. Pierce sent an email to Mr. Ellison as a follow up to their discussion. Mr. Pierce expressed his concern with the lack of oversight in the boardroom and made clear Snow Park's desire to work constructively with the Board. No response was received from the Company.

On December 20, 2018, Snow Park delivered a letter to the Company, in accordance with its Bylaws, nominating six (6) candidates, including Leland Abrams, Khalil Kanaan, George Lucaci, Lazar Nikolic, Mr. Pierce and another individual, for election to the Board at the Annual Meeting.

Over the next few weeks, outside counsel for Snow Park and the Company coordinated with each other regarding scheduling a meeting between representatives of Snow Park and representatives of the Company.

On January 8, 2019, Mr. Pierce had a telephone call with representatives of the Company, including Rochelle R. Dobbs, Chairperson of the Board, director David B. Reiner and Mr. Ellison. During the call, Mr. Pierce expressed his views regarding the Company, including his belief that the Company is over-leveraged and that there is a need for direct stockholder representation on the Board.

On January 10, 2019, outside counsel for the Company contacted outside counsel for Snow Park to inquire regarding Snow Park's interest in continuing discussions with representatives of the Company. On the same day, through its outside counsel, Snow Park confirmed its interest in continuing discussions with the Company's representatives. No response was received from the Company.

On February 7, 2019, outside counsel for Snow Park contacted outside counsel for the Company to reiterate Snow Park's interest in continuing discussions with representatives of the Company. No response was received from the Company.

On March 18, 2019, outside counsel for the Company contacted outside counsel for Snow Park to inquire whether Snow Park would be interested in hearing about potential changes that the Board was contemplating making.

On March 21, 2019, through its outside counsel, Snow Park informed Front Yard, through its outside counsel, that any changes that Snow Park would find acceptable must include the addition of direct stockholder representatives to the Board and that Snow Park would be happy to further discuss such matters with the Company.

On March 29, 2019, the Company filed its preliminary proxy statement in connection with the Annual Meeting, in which it disclosed that the size of the Board would be increased to seven (7) members effective as of the Annual Meeting in connection with its nomination of new candidate Leslie B. Fox.

On April 2, 2019, Snow Park issued a public letter to the Company's stockholders in which it announced the nomination of the Nominees for election to the Board at the Annual Meeting. In the letter, Snow Park also explained its belief that the Company's underperformance is attributed to a lack of true stockholder representation and oversight in the boardroom. Snow Park also noted that, given Front Yard's stock price, the Company's shares have more than 85% of untapped upside based on the Company's own net asset value estimate of \$17.50 that it disclosed in February 2019.

On April 4, 2019, Snow Park filed its preliminary proxy statement in connection with the Annual Meeting.

REASONS FOR THE SOLICITATION

WE BELIEVE THAT IMMEDIATE CHANGE IS NEEDED AND WARRANTED ON FRONT YARD'S BOARD

As a sizable long-term stockholder of Front Yard, we have grown increasingly concerned in recent years with the Board's record of presiding over strategic missteps, sustained underperformance and long-term value erosion. This concern has prompted us to spend a significant amount of time and effort thoroughly analyzing the Company's corporate governance, strategic direction, balance sheet, portfolio and operating landscape. Time and again, our assessments have reinforced our belief that poor decision-making and a lack of stockholder oversight in the boardroom are suppressing the tremendous upside that is trapped in the Company's shares.

We do believe there is a clear solution to the issues at hand: refresh Front Yard's Board by installing a slate of highly-qualified independent directors that will be laser-focused on maximizing value for all stockholders. We believe a reconstituted Board that includes our Nominees will have the expertise, impartiality and ownership perspectives required to carry out an unbiased strategic review and identify paths to value creation.

We Are Deeply Concerned with Front Yard's Dismal Stock Price Performance Under the Incumbent Board

We believe Front Yard's long-term underperformance is punctuated by the Company's Total Shareholder Returns (TSR) over the past one, three and five years. Throughout each period, Front Yard has dramatically lagged peers as well as the MSCI US REIT Index and the broader market.

**Note: Invitation Homes launched its IPO on 1/37/2017*

We Are Deeply Concerned That the Incumbent Board Has Failed to Close the Significant Gap That Exists Between Front Yard's Share Price and its Stated Net Asset Value

Although publicly-listed Real Estate Investment Trusts (REITs) often trade at modest discounts to their Net Asset Value (NAV) calculations, we believe there should be at least a credible plan to address the fact that Front Yard's shares trade at an approximate 60% discount to the Company's own stated NAV! We believe stockholder representation is particularly warranted when taking into account that decisions and inaction in the boardroom are what have led to this significant valuation gap. Our view is that the recent widening of this gap is a clear signal from the marketplace that stockholders have lost confidence in the incumbent Board.

We Are Deeply Concerned That the Incumbent Board Has Embraced a Flawed Strategy That Does Not Account for Front Yard's Operating Realities

With respect to Front Yard's corporate strategy, we question on its face how it can succeed without dramatic changes that account for the Company's operating realities and reinvigorate the confidence of stockholders. Specifically, the Company indicated on its most recent earnings call that scaling its portfolio to 50,000 homes is how it can bring general and administrative costs in line with peers.² We believe this realization or prospective initiative overlooks the fact that Front Yard has not once in the past four years accessed the public markets for growth capital. We also believe such growth is nearly impossible with the Company's terribly designed external management agreement, which is something that would have been better addressed before designing such a business plan.

We Believe the Incumbent Board Lacks Ownership Perspectives and Has Fallen Short When It Comes to Maintaining Fair Governance Policies

Our Nominees, who collectively beneficially own approximately 2.1% of the Company's outstanding shares, have a meaningful financial interest in the Company relative to the incumbent independent directors, who collectively beneficially own 39,888 shares, or approximately 0.07% of the outstanding shares.³ Similar to incumbent directors Rochelle R. Dobbs, Wade J. Henderson and Company director nominee Leslie B. Fox, Messrs. Kanaan and Lucaci do not own any shares of the Company; however, our other Nominees, Messrs. Abrams, Nikolic and Pierce, each beneficially own shares of Common Stock and have a vested financial interest in Front Yard's performance. After investing capital into the Company, these Nominees will bring an owner's perspective to the boardroom and a commitment to driving stockholder value. We feel they also bring true REIT expertise to address many of the challenges Front Yard will need to overcome to close its large discount to NAV.

Moreover, we have long held that not having an ownership mentality in the boardroom has led to ineffective and unproductive stockholder relations and poor corporate governance policies. We are concerned that certain of the Company's governance provisions severely limit the ability of stockholders to seek effective change at Front Yard. Specifically, stockholders are effectively prohibited from taking action by written consent (it must be unanimous) and can call special meetings only upon the request of a majority of outstanding shares, and in any event, directors may only be removed by a prohibitively high two-thirds vote and the Board has the exclusive right to fill vacancies. Moreover, stockholders do not have the power to amend the Bylaws and the Company does not have a majority vote standard or director resignation policy in uncontested elections. Further, the Company has not opted out of the Maryland Unsolicited Takeovers Act ("MUTA"), which allows the Board to take various stockholder-unfriendly actions, such as classifying the Board without stockholder approval. We believe it is contrary to good corporate governance practices for the Board to utilize Front Yard's corporate machinery to insulate itself from the Company's stockholders.

¹ As of market close on March 29, 2019, Front Yard Residential Corp.'s shares were trading at \$9.27. A NAV of \$17.50 was set forth in Front Yard Residential Corp.'s February 2019 earnings call transcript.

² Front Yard Residential Corp.'s February 2019 earnings call transcript.

³ Based on Front Yard Residential Corp.'s preliminary proxy statement filed on March 29, 2019.

Our Solution: The Snow Park Nominees Possess the Experience, Expertise and Independent Ownership Mentality Needed to Maximize Value for Front Yard's Stockholders

Our five highly-qualified Nominees will apply their collective experience and knowledge to pursuing the right strategy for realizing Front Yard's full potential and closing the perpetual valuation gap that has been eroding stockholder value for years. Our Nominees bring strong real estate pedigrees, mortgage and financial services expertise, and deep knowledge of effective corporate governance practices in the REIT sector – all attributes that can underpin the following:

- An impartial and expert-led strategic review of Front Yard's plans, operations and portfolio.
 - Retention of top professionals to perform an unbiased assessment of strategic alternatives.
- The improvement of stockholder relations practices and corporate governance policies (including opting out of MUTA).

If elected, our Nominees are committed to carrying out these initiatives in an efficient and timely manner in order to place Front Yard on a road to strong value creation.

PROPOSAL ONE

ELECTION OF DIRECTORS

The Board is currently composed of six (6) directors, each with terms expiring at the Annual Meeting; however, according to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate seven (7) candidates for election as directors and there are seven (7) seats up for election at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our five (5) Nominees in opposition to the Company's director nominees. Your vote to elect our Nominees will have the legal effect of replacing five (5) incumbent directors with the Nominees. If at least four (4) of the Nominees are elected, such Nominees will represent a majority of the members of the Board. In the event that our director Nominees comprise less than a majority of the Board following the Annual Meeting, there can be no assurance that any actions or changes proposed by our Nominees will be adopted or supported by the full Board.

THE NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five (5) years of each of the Nominees. The nomination was made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the Nominees should serve as directors of the Company is set forth above in the section entitled "Reasons For Our Solicitation" and below. This information has been furnished to us by the Nominees. All of the Nominees are citizens of the United States of America. Mr. Kanaan is also a citizen of Lebanon.

Leland Abrams, age 36, has served as a Fund Manager at Wynkoop, LLC ("Wynkoop"), an investment fund manager, since September 2016. Prior to joining Wynkoop, Mr. Abrams was the former RMBS Sector Manager for Candlewood Investment Group, LP, an alternative asset management firm focused primarily on credit opportunities where he was responsible for overseeing approximately half of its structured credit investments, from November 2010 until April 2016. From 2008 until 2010, Mr. Abrams was a structured mortgage and esoteric ABS trader and credit analyst at United Capital Markets, Inc., a secondary market maker concentrating on asset backed and mortgage backed securities. Prior to that, Mr. Abrams was a credit analyst and trader on the proprietary credit trading desk at Dresdner Bank, A.G., a mid-size investment banking firm offering brokerage services and investment products, from 2005 until 2008. Mr. Abrams holds a B.A. in Economics from Bucknell University.

Snow Park believes Mr. Abrams' financial expertise and his experience investing in structured credit, specifically, residential mortgage backed securities, makes him well qualified to serve on the Board.

Khalil Kanaan, age 45, has served as a Senior Managing Director at Incenter LLC, a leading provider of capital markets and fulfillment services for mortgage lenders and specialty finance companies, since April 2019. He previously served as a Portfolio Manager and Partner of One William Street Capital Management, L.P., an alternative investment adviser, from March 2008 until June 2016. Prior to that, Mr. Kanaan served in a variety of senior executive positions at Lehman Brothers Holdings, Inc., a global financial services firm, from March 1998 until December 2007. Before that, Mr. Kanaan worked as an associate at Deloitte & Touche LLP, a professional services network, from

Edgar Filing: Front Yard Residential Corp - Form DEFC14A

Mr. Kanaan also earned an M.S. in Engineering & Management from the University of Michigan.

10

Snow Park believes that Mr. Kanaan's extensive experience in the financial services industry would make him a valuable addition to the Board.

George Lucaci, age 67, has served as a Partner and Senior Advisor for Wealth Management and Electronic Distribution of Alternatives for Mercury Capital Advisors, LLC, a capital raising and investment advisory enterprise, since April 2015. Prior to that, he served as the head of Capital Alternatives Group, an independent hedge fund capital raising enterprise, from October 2013 to April 2015. From February 2010 to June 2013, Mr. Lucaci served as the Senior Managing Director at Direct Access Partners LLC, a multi-asset brokerage firm, from February 2010 to June 2013. Additionally, he was also Senior Managing Director of Channel Capital Group LLC, owners of HedgeFund.net, one of Wall Street's first electronic alternative asset distribution platforms, where he spearheaded its capital raising business and broker-dealer, from 2002 to June 2013. Prior to that, Mr. Lucaci was Senior Vice President, International Fixed Income at UBS Paine Webber (n/k/a UBS Wealth Management USA), an investment bank and stock brokerage firm, from 1999 to 2001. Mr. Lucaci also served as Managing Director of Normandy Asset Management, an investment manager, as a member of the Fixed Income Risk and Trading Group, from 1993 to 1996. Before that, Mr. Lucaci was Head of Fixed Income Sales, Senior Vice President for Nomura Securities, International, Inc., a financial services and financial management consulting company, from 1989 to 1993. In addition, Mr. Lucaci served as a Managing Director of the mortgage-backed securities business for Merrill Lynch Capital Markets, a financial services institution, from 1987 to 1989. Mr. Lucaci also served as head of Proprietary FX Futures Arbitrage Trading at Citibank, the consumer division of financial services multinational Citigroup (NYSE: C), from 1978 to 1986. Mr. Lucaci has previously served on the Duke University Library Advisory Board and on the Duke University Public Policy Building Committee in addition to establishing the George Lucaci Endowment for Imaginative Writing at Duke University. Furthermore, Mr. Lucaci served on the Board of Advisors at both George Washington University Business School & Loyola University of Maryland Sellinger School of Business. Mr. Lucaci was also a member of the George Washington University Luther Rice Society. Mr. Lucaci holds a B.A. from Duke University and an M.B.A. from George Washington University.

Snow Park believes that Mr. Lucaci's extensive financial expertise in capital raising and with asset management will make him a valuable addition to the Board.

Lazar Nikolic, age 39, has served as a founder and managing member of each of JPL Advisors LLC and JPL Management Services LLC, providers of investment management services to private funds, since January 2016. Mr. Nikolic's responsibilities include portfolio management, investment analysis and risk management, and he currently focuses on RMBS, structured credit, m-REITs, e-REITs, closed-end funds, specialty finance companies and special situations. From September 2009 until December 2015, Mr. Nikolic was a portfolio manager at Adler & Co., a family office. Prior to that, Mr. Nikolic was a hedge fund analyst at Alpha Beta Capital Management LLC, an investment advisor, from 2007 until 2009. Mr. Nikolic holds an M.S. in Math-Finance from New York University's Courant Institute as well as a B.S. in both Mathematics and Computer Science from Lafayette College.

Snow Park believes that Mr. Nikolic's financial expertise will make him a valuable addition to the Board.

Snow Park believes Mr. Pierce's perspective as a shareholder in addition to his real estate investment experience makes him well qualified to serve on the Board.

The principal business address of Mr. Abrams is 33 Flying Point Road, Suite 205, Southampton, New York 11968. The principal business address of Mr. Kanaan is Museum Street, Building Idris and Hatem, 5th Floor, Badaro, Beirut – Lebanon. The principal business address of Mr. Lucaci is 225 Liberty Street, 36th Floor, New York, New York 10281. The principal business address of Mr. Pierce is 515 Madison Avenue, 20th Floor, New York, New York 10022.

As of the date hereof, Mr. Abrams directly beneficially owns 4,000 shares of Common Stock. In addition, by virtue of his relationship with Wickapogue Structured Credit Fund, LP (“Wickapogue Fund”) as explained elsewhere in this Proxy Statement, Mr. Abrams may be deemed to beneficially own the 75,000 shares of Common Stock beneficially owned by Wickapogue Fund.

As of the date hereof, Mr. Nikolic directly beneficially owns 3,900 shares of Common Stock. In addition, by virtue of his relationships with JPL Opportunity Fund LP (“JPL Fund”) and Soaring Eagle LLC (“Soaring Eagle”) as explained elsewhere in this Proxy Statement, Mr. Nikolic may be deemed to beneficially own the 315,785 shares of Common Stock owned in the aggregate by JPL Fund and Soaring Eagle. Mr. Nikolic may also be deemed to beneficially own the 1,500 shares of Common Stock directly owned by his spouse.

As of the date hereof, Mr. Pierce does not directly own any securities of the Company. Mr. Pierce, by virtue of his relationship with Snow Park Master as explained elsewhere in this Proxy Statement, may be deemed to beneficially own the 606,622 shares of Common Stock beneficially owned by Snow Park Master.

As of the date hereof, Messrs. Kanaan and Lucaci do not own beneficially any securities of the Company and have not entered into any transactions in securities of the Company during the past two years.

Each of the Nominees may be deemed to be a member of the Group (as defined below) for the purposes of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each of the Nominees specifically disclaims beneficial ownership of shares of Common Stock that he does not directly own. For information regarding purchases and sales during the past two (2) years by the members of the Group of securities of the Company, see Schedule I.

The participants in this solicitation are collectively referred to as the “Group” herein.

Snow Park Master has signed separate letter agreements with each of the Nominees (other than Mr. Pierce) pursuant to which it and its affiliates have agreed to indemnify such Nominees against claims arising from the solicitation of proxies from the Company's stockholders in connection with the Annual Meeting and any related transactions. For the avoidance of doubt, such indemnification does not apply to any claims made against such Nominees in their capacities as directors of the Company, if so elected.

The members of the Group have entered into an agreement pursuant to which, among other things, the parties agreed (a) to the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of the Company to the extent required by applicable law, (b) to solicit proxies for the election of the Nominees to the Board at the Annual Meeting, and (c) that Snow Park will bear all expenses incurred in connection with the parties' activities

in connection with the solicitation.

12

Other than as stated herein, there are no arrangements or understandings between the members of the Group or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by the Nominees to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. Other than as stated herein, none of the Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceeding.

Snow Park believes that each Nominee presently is, and if elected as a director of the Company would be, an “independent director” within the meaning of (i) applicable NYSE listing standards applicable to board composition, including Rule 303A.02, and (ii) Section 301 of the Sarbanes-Oxley Act of 2002.

If Snow Park is successful in electing at least four (4) of the Nominees at the Annual Meeting, then a change in control of the Board may be deemed to have occurred under certain of the Company’s material contracts and agreements. Based on a review of the Company’s material contracts and agreements, such a change in control may trigger certain change in control provisions or payments under certain of the Company’s plans and agreements, including its 2016 Equity Incentive Plan (the “2016 Plan”) and Omnibus Amendment (the “Omnibus Amendment”) to Master Services Agreement, Waiver Agreement, Services Letter and Fee Letter with Altisource S.À R.L. (“Altisource”). However, even if it should be determined that electing at least four (4) of our Nominees would result in a change in control under certain documents, we do not believe any potential effects from such a change in control would outweigh the overwhelming benefits from an improved Board. For example, under the 2016 Plan, a change in control would provide the Compensation Committee of the Board with flexibility to accelerate the vesting of awards granted thereunder; however, the Company has disclosed that awards granted to its named executive officers have double-trigger provisions, meaning that a change in control in and of itself does not trigger any payments, but rather there would also need to be a termination of the affected employees before any benefits are triggered. Under the Omnibus Amendment, Front Yard must pay \$3 million to Altisource upon the earlier to occur of (i) a change in control and (ii) August 8, 2023, but Front Yard has disclosed that it already recognized the entire termination fee as an expense during the year ended December 31, 2018, which is included in acquisition and integration costs in the Company’s consolidated statement of operations.

We do not expect that the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominee(s) in accordance with the Bylaws and shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting.

WE URGE YOU TO VOTE “FOR” THE ELECTION OF THE NOMINEES ON THE ENCLOSED BLUE PROXY CARD.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has appointed Ernst & Young LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019 and the Board is requesting that stockholders ratify such selection.

As disclosed in the Company's proxy statement, to ratify the appointment of Ernst & Young LLP to be the Company's independent registered public accounting firm for the year ending December 31, 2019, the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal is required.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL THREE

APPROVAL OF THE ADOPTION OF THE 2019 EQUITY INCENTIVE PLAN

As discussed in further detail in the Company's proxy statement, the Board has approved the 2019 Equity Incentive Plan, subject to approval by the Company's stockholders. Accordingly, the Company is asking stockholders to approve the 2019 Equity Incentive Plan.

A summary of the 2019 Equity Incentive Plan and the material terms thereof are set forth in the Company's proxy statement, along with a copy of the 2019 Equity Incentive Plan. As disclosed in the Company's proxy statement, for the approval of the adoption of the 2019 Equity Incentive Plan, the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal is required.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "AGAINST" THIS PROPOSAL.

PROPOSAL FOUR

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As discussed in further detail in the Company's proxy statement, the Company is providing stockholders with the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of the Company's named executive officers as disclosed in accordance with SEC rules in the Company's proxy statement. This proposal is commonly known as a "say-on-pay" proposal and is not intended to address any specific item of compensation, but rather the overall compensation of the Company's executive officers and the philosophy, policies and practices described in the Company's proxy statement. Accordingly, the Company is asking stockholders to vote for the following resolution:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosures, and any related material disclosed in this Proxy Statement."

According to the Company's proxy statement, although the vote is advisory and non-binding, the Board and the Compensation Committee of the Board will consider the voting results when making future decisions regarding compensation of the Company's named executive officers. As disclosed in the Company's proxy statement, for the approval of the say-on-pay proposal, the affirmative vote of a majority of the votes cast at the Annual Meeting on the proposal is required.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THIS PROPOSAL AND INTEND TO VOTE OUR SHARES "AGAINST" THIS PROPOSAL.

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, we believe that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the shares of Common Stock.

Shares of Common Stock represented by properly executed **BLUE** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the Nominees to the Board, **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019, **AGAINST** the adoption of the 2019 Equity Incentive Plan and **AGAINST** the non-binding advisory vote on executive compensation.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate seven (7) candidates for election as directors at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our Nominees. Accordingly, the enclosed **BLUE** proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. Stockholders should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. In the event that some of the Nominees are elected, there can be no assurance that the Company nominee(s) who get the most votes and are elected to the Board will choose to serve on the Board with the Nominees who are elected.

While we currently intend to vote all of our shares of Common Stock in favor of the election of the Nominees, we reserve the right to vote some or all of our shares of Common Stock for some or all of the Company's director nominees, as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. We would only intend to vote some or all of our shares of Common Stock for some or all of the Company's director nominees in the event it were to become apparent to us, based on the projected voting results at such time, that less than all of the Nominees would be elected at the Annual Meeting and that by voting our shares we could help elect the Company nominees that we believe are the most qualified to serve as directors and thus help achieve a Board composition that we believe is in the best interest of all stockholders. Stockholders should understand, however, that all shares of Common Stock represented by the enclosed **BLUE** proxy card will be voted at the Annual Meeting as marked.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of at least a majority of the outstanding shares of Common Stock as of the Record Date will be considered a quorum for the transaction of business.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by "broker non-votes" also are counted as present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under applicable rules, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

If you are a stockholder of record, you must deliver your vote by mail or attend the Annual Meeting in person and vote in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on those proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors The Company has adopted a plurality vote standard for non-contested and contested director elections. As a result of our nomination of the Nominees, the director election at the Annual Meeting will be contested, so the seven (7) nominees for director receiving the highest vote totals will be elected as directors of the Company. With respect to the election of directors, only votes cast “FOR” a nominee will be counted. Proxy cards specifying that votes should be withheld with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. Neither an abstention nor a broker non-vote will count as a vote cast “FOR” or “AGAINST” a director nominee. Therefore, abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

Ratification of the Appointment of Accounting Firm According to the Company’s proxy statement, assuming that a quorum is present, the selection of Ernst & Young LLP will be deemed to have been ratified if a majority of the shares cast on the proposal at the Annual Meeting vote in favor of ratification. The Company has indicated that abstentions and broker non-votes will have no effect on this proposal.

Approval of the Adoption of the 2019 Equity Incentive Plan According to the Company’s proxy statement, assuming that a quorum is present, the 2019 Equity Incentive Plan will be approved if a majority of the shares cast at the Annual Meeting vote in favor of the proposal. The Company has indicated that abstentions and broker non-votes will have no effect on this proposal.

Advisory Vote on Executive Compensation According to the Company’s proxy statement, although the vote is non-binding, assuming that a quorum is present, the advisory vote on executive compensation will be approved if a majority of the shares cast at the Annual Meeting vote in favor of the proposal. The Company has indicated that broker non-votes and abstentions will have no effect on this proposal.

Under applicable Maryland law, none of the holders of Common Stock are entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your **BLUE** proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with Snow Park’s recommendations specified herein and in accordance with the discretion of the persons named on the **BLUE** proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCATION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to the Snow Park in care of Saratoga at the address set forth on the back cover of this Proxy Statement or to the Company at c/o Altisource Asset Management Corporation, 5100 Tamarind Reef, Christiansted, United States Virgin Islands 00820, or any other address provided by the Company. Although a revocation is effective if delivered to the Company, Snow Park requests that either the original or photostatic copies of all revocations be mailed to Snow Park in care of Saratoga at the address set forth on the back cover of this Proxy Statement so that Snow Park will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, Saratoga may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED BLUE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Snow Park. Proxies may be solicited by mail, facsimile, telephone, telegraph, Internet, in person and by advertisements.

Snow Park has entered into an agreement with Saratoga for solicitation and advisory services in connection with this solicitation, for which Saratoga will receive a fee not to exceed \$100,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Saratoga will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Snow Park has requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. Snow Park will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Saratoga will employ approximately 15 persons to solicit the Company's stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by Snow Park. Costs of this solicitation of proxies are currently estimated to be approximately \$400,000. Snow Park estimates that through the date hereof, its expenses in connection with this solicitation are approximately \$175,000. Snow Park intends to seek reimbursement from the Company of all expenses it incurs in connection with the solicitation of proxies for the election of the Nominees to the Board at the Annual Meeting. If such reimbursement is approved by the Board, Snow Park does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

Snow Park Master and Snow Park Special Opportunities Fund, LLC (an affiliate of Snow Park that does not own any Front Yard securities) collectively beneficially own 79,799 shares of Altisource Asset Management Corporation (“AAMC”), the external manager of Front Yard, constituting approximately 5.0% of its outstanding shares. Snow Park Master disclaims beneficial ownership in the AAMC Subject Shares. Snow Park does not presently believe that its ownership of AAMC securities creates a conflict of interest; however, it acknowledges that in the future conflicts of interest could arise due to potential competing economic interests between AAMC and Front Yard.
