PROXY STATEMENT

**FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD FEBRUARY 28, 2006**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of MACC Private Equities Inc., a Delaware corporation (the "Corporation"), of proxies to be voted at the Annual Meeting of Shareholders to be held on February 28, 2006, or any adjournment thereof (the "2006 Annual Meeting"). The date on which this Proxy Statement and the enclosed form of proxy are first being sent or given to shareholders of the Corporation is on or about January 23, 2006.

PURPOSES OF THE MEETING

The 2006 Annual Meeting is to be held for the purposes of:

(1) electing five persons to serve as Directors of the Corporation to serve until the 2007 Annual Shareholders Meeting or until their respective successors shall be elected and qualified;

(2) ratifying the appointment by the Board of Directors of KPMG LLP as independent auditors of the Corporation for fiscal year 2006; and

(3) transacting such other business as may properly come before the meeting or any adjournment thereof.

The Board of Directors unanimously recommends that the shareholders vote FOR the election as Directors of the persons named under ELECTION OF DIRECTORS, and FOR the ratification of the appointment of KPMG LLP as independent auditors.

VOTING AT THE MEETING

The record date for holders of Common Stock entitled to notice of, and to vote at, the 2006 Annual Meeting is the close of business on January 13, 2006 (the "Record Date"). As of the Record Date, the Corporation had outstanding and entitled to vote at the 2006 Annual Meeting 2,464,621 shares of Common Stock.

The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote at the 2006 Annual Meeting is necessary to constitute a quorum. Abstentions and shares held by brokers, banks, other institutions and nominees that are voted on any matter at the 2006 Annual Meeting are included in determining the presence of a quorum for the transaction of business at the commencement of the 2006 Annual Meeting and on those matters for which the broker, nominee or fiduciary has authority to vote. In deciding all questions, a shareholder shall be entitled to one vote, in person or by proxy, for each share of Common Stock held in the shareholder's name at the close of business on the record date.

To be elected a Director, each nominee under **PROPOSAL 1** must receive the favorable vote of the holders of a plurality of the shares of Common Stock entitled to vote and represented at the 2006 Annual Meeting.

In order to ratify the appointment of KPMG LLP as independent auditors for the Corporation for the fiscal year ending September 30, 2006 under **PROPOSAL 2**, this proposal must receive the favorable vote of a majority of the outstanding shares of Common Stock entitled to vote at the 2006 Annual Meeting.

Each proxy delivered to the Corporation, unless the shareholder otherwise specifies therein, will be voted:

- >> **FOR** the election as Directors of the persons named under **ELECTION OF DIRECTORS--NOMINEES**, and
- >> **FOR** the ratification of the appointment by the Board of Directors of KPMG LLP as independent auditors.

In each case where the shareholder has appropriately specified how the proxy is to be voted, it will be voted in accordance with this specification. As to any other matter or business which may be brought before the meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the same, but neither the Corporation's management nor the Board of Directors knows of any such other matter or business. Any shareholder has the power to revoke his proxy at any time insofar as it is then not exercised by giving notice of such revocation, either personally at the meeting or in writing, to the Secretary of the Corporation or by the execution and delivery to the Corporation of a new proxy dated subsequent to the original proxy.

PROPOSAL 1
ELECTION OF DIRECTORS

All Director nominees elected at the 2006 Annual Meeting will serve until the 2007 Annual Meeting of shareholders or until their respective successors shall be elected and qualified. The persons named in the accompanying form of proxy intend to vote such proxy for the election of the nominees named below as Directors of the Corporation to serve until the next Annual Meeting of shareholders or until their respective successors shall be elected and qualified, unless otherwise properly indicated on such proxy. If any nominee shall become unavailable for any reason, the persons named in the accompanying form of proxy are expected to consult with the Board of Directors in voting the shares represented by them at the 2006 Annual Meeting. The Board of Directors has no reason to doubt the availability of any of the nominees and no reason to believe that any of the nominees will be unable or unwilling to serve the entire term for which election is sought.

At their December 16, 2005 meeting, the Board approved revision of the Corporation's Amended and Restated Bylaws to provide that the Corporation will have five directors beginning with the 2006 Annual Meeting. Therefore, the shareholders will only elect five directors at the 2006 Annual Meeting, and Mr. Paul Bass and Mr. Martin Walton will not seek re-election at the 2006 Annual Meeting. The Corporation's Amended and Restated Bylaws will take effect following the 2006 Annual Meeting.

Proxies may not be voted for more than the five Director nominees set forth below. To be elected a Director, each nominee must receive the favorable vote of the holders of a plurality of the shares of Common Stock entitled to vote and represented at the 2006 Annual Meeting. The names of the nominees, along with

The appointment of KPMG LLP as independent auditors is subject to ratification by the shareholders. If the shareholders ratify the selection of KPMG LLP as the Corporation's auditors, they will also serve as independent auditors for MorAmerica. A representative of KPMG LLP is expected to be present at the 2006 Annual Meeting with an opportunity to make a statement, and will be available to respond to appropriate questions.

As the sole manager of BIG, Mr. Jiaravanon has shared control over the voting power of Atlas on the 804,689 shares of the Company's Common Stock Atlas jointly controls with BIG pursuant to the Shareholder Agreement. To the extent that BIG may be deemed to be in control of the Corporation as a result of beneficial ownership of the Company's Common Stock, Mr. Jiaravanon, as the sole manager of BIG, may be an "interested person" of the Company, as that term is defined in Section 2(a)(19) of the Investment Company Act.

Investment Adviser & Certain Business Relationships

InvestAmerica is the investment advisor to the Corporation pursuant to an Investment Advisory Agreement between the Corporation and InvestAmerica dated July 21, 2005 (the "MACC Advisory Agreement"). The address of InvestAmerica is 101 Second Street S.E., Suite 800, Cedar Rapids IA 52401. The MACC Advisory Agreement provides that InvestAmerica is entitled to receive a management fee equal to an annual rate of 1.5% of the Assets Under Management (as defined in the MACC Advisory Agreement), payable monthly in arrears. In addition to the annual management fee of 1.5% of the Assets Under Management, InvestAmerica is

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

entitled to receive an incentive fee (the "Incentive fee") in an amount equal to 13.4% of the Corporation's realized capital gains in excess of realized capital losses of the Corporation after allowance for any unrealized capital losses on the portfolio investments of the Corporation. The Incentive fee is calculated, accrued, and paid on a quarterly basis, subject to adjustment at the end of each fiscal year. Total management fees under the MACC Advisory Agreement amounted to \$241 for the year ended September 30, 2005. There were no Incentive fees accrued or paid under the MACC Advisory Agreement in 2005.

MorAmerica has a separate investment advisory agreement (the "MorAmerica Advisory Agreement") with InvestAmerica dated July 21, 2005. MorAmerica pays InvestAmerica, monthly in arrears, a management fee equal to the lesser of 1.5% per annum of the (i) Combined Capital (as defined under the SBA Regulations) or (ii) Assets Under Management (as defined in the MorAmerica Advisory Agreement. These fees are not based upon any of the Corporation's assets managed by InvestAmerica under the MACC Advisory Agreement. In addition, the MorAmerica Advisory Agreement provides that MorAmerica will pay InvestAmerica an incentive fee in an amount equal to 13.4% of the net capital gains, before taxes. Net capital gains, as defined in the MorAmerica Advisory Agreement, are calculated as gross realized gains, minus the sum of capital losses, less any unrealized depreciation, including reversals of previously recorded unrealized depreciation, recorded during the year, and net investment losses, if any. Capital losses and realized capital gains are not cumulative under the incentive fee computation. Payments for incentive fees resulting from noncash gains are deferred until the assets are sold. Total management

8

fees (net of management fees waived) under the MorAmerica Advisory Agreement amounted to \$241,517 for the year ended September 30, 2005. Incentive fees earned and paid for the year ended September 30, 2005 under the MorAmerica Advisory Agreement amounted to \$566,426 and \$16,577, respectively. Included in the incentive fees earned of \$566,426 are approximately \$94,882 of incentive fees related to noncash gains which are being deferred.

As a condition to the SBA's approval of the MorAmerica Advisory Agreement, the SBA has required that MorAmerica enter into a subordination agreement among it, the SBA and InvestAmerica (the "Subordination Agreement") providing that MorAmerica's payment to InvestAmerica, and InvestAmerica's receipt of, incentive fees under the MorAmerica Advisory Agreement be subordinated to MorAmerica's repayment of all obligations owing to the SBA. Those obligations include the repayment of all outstanding SBA debentures and MorAmerica's agreement, along with other SBA licensees, to reimburse the SBA for any losses the SBA may incur in connection with the settlement of an arbitration proceeding which was concluded in late 2004 (collectively, the "Obligations"). MorAmerica expects that the proposed Subordination Agreement will provide that: (i) MorAmerica will not pay InvestAmerica incentive fees under the MorAmerica Advisory Agreement unless and until MorAmerica's Obligations to the SBA are satisfied, and (ii) to the extent (A) incentive fees have been escrowed under the MorAmerica Advisory Agreement because MorAmerica's capital has been impaired as provided in Section 5.2(c)(ii) of the MorAmerica Advisory Agreement, and (B) MorAmerica is delinquent in repaying the SBA any amounts respecting SBA debentures, the SBA may require MorAmerica to pay any so escrowed funds to the SBA to satisfy any arrearage respecting SBA debentures. The Subordination Agreement will not, however, affect: (i) InvestAmerica's ability to earn incentive fees under the MorAmerica Advisory Agreement, (ii) MorAmerica's payment to InvestAmerica of management fees under the MorAmerica Advisory Agreement, or (iii) any other

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

terms of the MorAmerica Advisory Agreement. Upon receiving verbal assurance that the SBA has approved the terms of the proposed Subordination Agreement, MorAmerica has executed the Subordination Agreement and has sent it to the SBA for final approval and execution.

Mr. David Schroder, President and Secretary of the Corporation and MorAmerica, is a shareholder of, Director, President and Secretary of InvestAmerica. Mr. Robert A. Advisory Board

At its meeting on December 22, 2003, the Boards of Directors of the Corporation and MorAmerica voted to create an Advisory Board to MorAmerica. Initially, two former members of the Boards of Directors of the

Corporation and MorAmerica, Henry T. Madden and John Wolfe, were appointed to the MorAmerica Advisory Board commencing at the end of the 2004 Annual Meeting of Shareholders. Pursuant to a written agreement, Mr. Madden and Mr. Wolfe have provided consulting services as advisory directors for a two-year term based on their prior experience as members of the Board of Directors with respect to the current investment portfolio. The Boards of Directors of the Corporation and MorAmerica have since determined that the assistance of the Advisory Board is no longer necessary, and therefore the Advisory Board will not be utilized by MorAmerica after the 2006 Annual Meeting.

Meetings and Committees of the Board of Directors

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

The Audit Committee, the Corporate Governance/Nominating Committee, the Investment Committee and the Valuation Committee operated during Fiscal Year 2005 to assist the Board of Directors in carrying out its duties. During Fiscal Year 2005, six meetings of the Board of Directors were held. In addition, five meetings of the Audit Committee, two meetings of the Corporate Governance/Nominating Committee, two meetings of the Investment Committee and three meetings of the Valuation Committee were held. Except for Mr. Jiaravanon, each of the Directors who are nominated for election at the 2006 Annual Meeting attended at least 75% of the aggregate meetings of the Board of Directors and the meetings held by the committees of the Board of Directors on which each Director served during fiscal year 2005.

Audit Committee

The Audit Committee makes recommendations to the Board of Directors regarding the engagement of the independent auditors for audit and non-audit services; evaluates the independence of the auditors and reviews with the independent auditors the fee, scope and timing of audit and non-audit services. The Audit Committee also is charged with monitoring the Corporation's Policy Against Insider Trading and Prohibited Transactions and its Code of Conduct. The Audit Committee has adopted a written charter, which was previously provided with the Corporation's Proxy Statement for the 2004 Annual Meeting.

The Audit Committee presently consists of Michael W. Dunn (Chair), Paul M. Bass, Jr. and Gordon J. Roth. Each member of the Audit Committee is independent under NASDAQ listing standards.

Corporate Governance/Nominating Committee

The Corporate Governance/Nominating Committee was appointed by the Board of Directors to identify and recommend approval of all Director nominees to be voted on at the Annual Shareholders' Meetings, to recommend corporate governance guidelines for the Corporation, to lead the Board of Directors in its annual review of the Board's performance, and to recommend to the Board of Directors nominees for each committee of the Board. On December 22, 2003, the Board of Directors approved the Corporate Governance/Nominating Committee Charter, which was previously provided with the Corporation's Proxy Statement for the 2004 Annual Meeting.

The Corporate Governance/Nominating Committee may seek input from other Directors or senior management in identifying candidates. Shareholders may propose nominees for Director by following the procedures set forth in the section of this Proxy Statement entitled "**SHAREHOLDER PROPOSALS FOR 2007 ANNUAL MEETING.**"

The qualifications used in evaluating Director candidates include but are not limited to: independence, time commitments, attendance, business judgment, management, accounting, finance, industry and technology knowledge, as well as, personal and professional ethics, integrity and values. In addition, as set forth in its Charter, the Corporate Governance/Nominating Committee believes that having directors with relevant experience in business and industry, government, finance and other areas is beneficial to the Board of Directors as a whole. The Corporate Governance/Nominating Committee further reviews the qualifications of any candidate in the context of the current composition of the Board of Directors and the needs of the Corporation. The same identifying and

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

evaluating procedures apply to all candidates for director nomination. The Corporate Governance/Nominating Committee has approved all of the nominees for Director identified above.

The Corporate Governance/Nominating Committee also oversees the formulation of, and recommends for adoption to the Board of Directors, a set of corporate governance guidelines. The Corporate Governance/Nominating Committee also periodically reviews and reassesses the corporate governance guidelines of the Corporation and recommends appropriate changes to the Board of Directors for approval. The Corporate Governance/Nominating Committee also reviews and approves annually the Corporation's compensation program for service on the Board of Directors or any of its committees.

The Corporate Governance/Nominating Committee presently consists of Paul M. Bass, Jr. (Chair), and Jasja Kotterman. All members of the Corporate Governance/Nominating Committee are independent under NASDAQ listing standards.

Investment Committee

The Investment Committee assists the full Board of Directors with oversight of the Corporation's investment portfolio and evaluates any proposed revisions to the Corporation's investment policy. The Investment Committee also assures compliance with the Corporation's policies regarding investments made in participation with other funds managed by InvestAmerica, with entities controlling, controlled by or under common control with InvestAmerica, and with other affiliates. The voting members of the Investment Committee presently include Michael W. Dunn, Gordon J. Roth, and Jasja Kotterman. All voting members are independent under NASDAQ listing standards. The nonvoting ex officio members are Benjamin Jiaravanon and Geoffrey T. Woolley.

Valuation Committee

Since the end of Fiscal Year 2003, the Board of Directors has appointed a Valuation Committee to assist the Board of Directors with its quarterly portfolio valuations. The Valuation Committee meets with the portfolio managers to review the portfolio managers' proposed valuations of all investments. The Valuation Committee then recommends proposed valuations to the full Board, and selects investments for review by the full Board which have had material developments or are otherwise determined appropriate for individual review. The full Board of Directors then reviews the report of the Valuation Committee as well as all portfolio investments recommended for review at the meeting. The full Board of Directors also receives and reviews the complete valuation report and recommendations on every investment and may ask for a detailed review of any investment. The Board of Directors then approves the valuation of all portfolio investments, with any changes approved at the meeting. Current members of the Valuation Committee are Jasja Kotterman and Martin Walton.

Audit Committee Report

The Audit Committee of the Board of Directors of the Corporation (the "Audit Committee") is composed of three directors and operates under a written charter originally adopted by the Board of Directors and annually updated by the Audit Committee. The current charter of the Audit Committee was attached to the Proxy Statement for the 2004 Annual Shareholders Meeting. The current members of the Audit Committee are Michael W. Dunn (Chair), Paul M. Bass, Jr. and Gordon J. Roth. Under the terms of the charter and the listing standards of The NASDAQ Stock Market, Inc., all of the Audit Committee members are considered to be independent.

Management is responsible for the Corporation's internal controls and the

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

financial reporting process. The independent accountants are responsible for performing an independent audit of the Corporation's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this regard, the Audit Committee has reviewed and discussed the audited financial statements for Fiscal Year 2005 with management and discussed other matters related to the audit with the independent auditors.

12

Management represented to the Audit Committee that the Corporation's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. The Audit Committee met with the independent auditors, with and without management present, and discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent auditors the firm's independence.

The Corporation paid KPMG LLP ("KPMG"), the Corporation's independent auditors for fiscal year 2005, the following amounts during fiscal year 2005:

Audit Fees (including quarterly reviews, security counts, and audit of Form 468):	\$	64,400
Audit-related services	\$	-0-
Financial Information Systems Design and Implementation:		
Non-Audit Fees:		
Preparation of federal and state income tax returns	\$	13,500
Other tax research, consultation, correspondence and advice	\$	-0-

The Audit Committee has considered whether KPMG has maintained its independence during Fiscal Year 2005.

Based upon the Audit Committee's discussions with management and the independent auditors, and the Audit Committee's review of representations of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Corporation's Board of Directors include the audited consolidated financial statements in the Corporation's Annual Report on Form 10-K for the year ended September 30, 2005, filed with the SEC.

Independent Auditor Fees and Services

The following table presents fees paid for professional services rendered by KPMG for the Fiscal Year 2005 and the fiscal year ending September 30, 2004 ("Fiscal Year 2004"):

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

Fee Category	Fiscal Year 2005 Fees	Fiscal Year 2004 Fees
Audit Fees	\$64,400	\$58,250
Audit-Related Fees	-0-	\$11,175
Tax Fees	\$13,500	\$24,900
All Other Fees	-0-	-0-
Total Fees	\$77,900	\$94,325

Audit Fees were for professional services rendered for the audit of the Corporation's consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports and services that

are normally provided by KPMG in connection with statutory and regulatory filings or engagements and include quarterly reviews, security counts and audit of SBA Form 468.

Audit-Related Fees were for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's consolidated financial statements and are not reported under "Audit Fees." These services include accounting consultations in connection with acquisitions, consultations concerning financial accounting and reporting standards.

Tax Fees were for professional services for federal, state and international tax compliance, tax advice and tax planning and include preparation of federal and state income tax returns, and other tax research, consultation, correspondence and advice.

All Other Fees are for services other than the services reported above. The Corporation did not pay any fees for such other services in Fiscal Year 2004 or Fiscal Year 2003.

The Audit Committee has concluded the provision of the non-audit services listed above is compatible with maintaining the independence of KPMG.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

pre-approve particular services on a case-by-case basis.

In addition, the Chairman of the Board and all other Directors receive \$250 for each committee meeting attended (whether such attendance is in person or by telephone) if the committee meeting is scheduled as an in-person meeting and \$100 for each committee meeting attended by telephone if the meeting is scheduled to be held by teleconference. The Directors do not receive separate compensation for serving on the Board of Directors of MorAmerica. The Corporation also reimburses all reasonable expenses of the Directors and the Chairman of the Board in attending Board of Directors and committee meetings. Directors' meetings are normally held on a quarterly basis, with additional meetings held as needed on an interim basis.

The following table sets forth certain details of compensation paid to Directors during Fiscal Year 2005, which includes compensation for serving on the Boards of Directors of the Corporation and MorAmerica Capital

Performance Graph

The following graph compares the semi-annual percentage change in cumulative stockholder return on the Common Stock of the Corporation since September 30, 2000, with the cumulative total return over the same period of (i) the NASDAQ Stock Market Total Return Index (U.S. Companies), (ii) the Corporation's former peer group selected in good faith by the Corporation which was composed of the following nine business development companies or other funds known by the Corporation to have similar investment objectives to the Corporation: Allied Capital Corporation (ALD), American Capital Strategies, Ltd. (ACAS), Brantley Capital Corporation (BBDC), Capital Southwest Corp (CSWC), Equus II Inc. (EQS), Harris & Harris Group, Inc. (TINY), Rand Capital Corp (RAND), Waterside Capital Corporation (WSCC) and Winfield Capital Corp (WCAP) (the "Former Peer Group"),

and (iii) the Corporation's new peer group selected in good faith by the Corporation composed of the following eleven business development companies or other funds known by the Corporation to have similar investment objectives to the Corporation: Ares Capital Corporation (ARCC), Brantley Capital Corporation (BBDC), Capital Southwest Corp (CSWC), Equus II Inc. (EQS), Gladstone Investment Corporation (GAIN), Harris & Harris Group, Inc. (TINY), MVC Capital (MVC), NGP Capital Resources Company (NGPC), (Rand Capital Corp (RAND), and Winfield Capital Corp (WCAP) (the "New Peer Group").

Edgar Filing: MACC PRIVATE EQUITIES INC - Form DEF 14A

The Corporation periodically reviews the composition of the peer group. In reviewing the peer group in recent months, the Corporation noted that the two members of the Former Peer Group which have been removed, Allied Capital Corporation (ALD), American Capital Strategies, Ltd. (ACAS), are so much larger than the Corporation and currently have such a different investment focus that they should no longer be included in the peer group. In addition, the Corporation determined that there are a number of additional business development companies with sufficient similarities to the Corporation that should be included in the peer group. The additions to the peer group are: Ares Capital Corporation (ARCC), Gladstone Investment Corporation (GAIN), MVC Capital (MVC) and NGP Capital Resources Company (NGPC).

In the graph, the comparison assumes \$100 was invested on October 1, 2000, in shares of the Corporation's Common Stock and in each of the indices. The comparison is based upon the closing market bid price for shares of the Corporation's Common Stock, and assumes the reinvestment of all dividends, if any. The returns of each of the companies in the Peer Group are weighted according to the respective company's stock market capitalization at the beginning of each period for which a return is indicated.
