Item 1.01 Entry into a Material Definitive Agreement.

On July 21, 2016, pursuant to a Contract For Purchase and Sale, effective on such date (the "Purchase Agreement"), between Nelson Cherry Properties, LLC and Smith-Columbia Corporation ("Purchaser"), a wholly-owned subsidiary of Smith-Midland Corporation (the "Company"), Purchaser consummated the purchase of the land, building and fixtures of a precast concrete production facility located near Columbia, South Carolina for a purchase price of \$1,550,000. The facility is located on 39 acres of land and has approximately 40,000 square feet of production and office space. The purchase was financed by a new 15 year bank facility with the Company's current bank in the amount of \$1,317,500, with the balance provided from cash resources. For a description of such loan, see Item 2.03 of this Form 8-K. For several months prior to the closing, Purchaser had rented the facilities from Seller to enable Purchaser to begin to manufacture Smith-Midland precast concrete products. A copy of the Purchase Agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On July 21, 2016, in order to finance the purchase described in Item 1.01, the Company borrowed \$1,317,500 from Summit Community Bank (the "Bank"). Such loan is evidenced by a promissory note, dated July 19, 2016 (the "Note"). The Note provides for a 15 year term, a fixed annual interest rate of 5.29%, monthly fixed payments of \$10,672.91 and a security interest in favor of the Bank in respect of the land, building and fixtures purchased with the proceeds of the loan. The security interest is described in a Commercial Security Agreement, dated July 19, 2016, between the Company and the Bank (the "Security Agreement"). Copies of the Note and Security Agreement are attached hereto as Exhibits 10.2 and 10.3, respectively, and incorporated herein by reference.
