Report of Independent Auditors

To the Investment Plan Committee
CONSOL Energy Inc.

We have audited the accompanying statements of net assets available for benefits of the CONSOL Energy Inc. Investment Plan for Salaried Employees as of December 31, 2001 and 2000, and the related statement of changes in net assets available for benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and 2000, and the changes in its net assets available for benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held at end of year as of December 31, 2001 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

CONSOL Energy Inc. Investment Plan for Salaried Employees

Notes to Financial Statements

December 31, 2001

(Dollars in Thousands)

1. Description of the Plan

The following description of the CONSOL Energy Inc. Investment Plan for Salaried Employees (the Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established in 1953. Salaried, operations and maintenance and, in certain circumstances, production and maintenance employees of CONSOL Energy Inc. (CONSOL or the Company) and participating employers are eligible to participate in the Plan on the first of the month following regular full-time employment. In addition, temporary employees are eligible to participate in the Plan upon completion of a period of 12 consecutive months, commencing upon their employment date or anniversary date thereof, during which the employee completes 1,000 or more hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On April 29, 1999, CONSOL Energy Inc. underwent an initial public offering. In connection with the public offering, the Plan offers CONSOL Energy Inc. common stock (CONSOL Stock Fund) as an investment option. Participants of the Plan were able to transfer funds into the CONSOL Stock Fund in June 1999 and to allocate contributions to this fund in July 1999. In addition, participants were no longer able to allocate contributions to E.I. DuPont de Nemours & Company common stock (DuPont Stock Fund).

Contributions

Each year participants may, with certain restrictions, contribute up to 19% of monthly base pay to the Plan exclusive of supplemental make-up deposits. CONSOL and participating employers match these contributions, dollar for dollar, up to

Edgar Filing: CONSOL ENERGY INC - Form 11-K

6% of base pay (as defined by the Plan). Contributions may be made with before-tax or after-tax dollars. In addition, subject to certain limitations, a participant is allowed to make lump-sum savings deposits in cash to the Plan.

4

CONSOL Energy Inc. Investment Plan for Salaried Employees

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan investment earnings and is charged with an allocation of administrative expenses and plan investment losses. Allocations are based on participant earnings or account balances, as defined. Forfeited balances of terminated participants' nonvested accounts are used to reduce future company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Through December 31, 2001, Plan participants generally become vested upon completion of five years participation in the Plan or five cumulative years of service. Effective January 1, 2002, Plan participants will vest upon completion of three cumulative years of service. Participants are always 100% vested in their deposits and in the earnings on both their deposits and the Company's contributions.

Participant Loans

Participants may borrow up to one-half of their nonforfeitable account balances subject to certain minimum and maximum loan limitations. Such loans are repayable over periods of 12 to 60 months (120 months maximum if for the purchase of a principal residence) and bear an interest rate equal to the average rate charged by selected major banks for secured personal loans. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants who retire from active service may elect to withdraw their entire account in a lump-sum, to defer withdrawal until April 1 of the calendar year following the year in which the participant attains age 70 1/2, or to elect an option to have their account distributed over a period of not less than two years or more than a period which would pay the account balance during the employee's actuarial life in either a fixed or variable amount. Before-tax deposits may be withdrawn only in the event of an employee's retirement, death, termination, attainment of age 59 1/2 or defined hardship. At December 31, 2001, approximately \$903,430 was payable to withdrawing participants. The Plan has recorded this amount as a liability on the Form 5500 as these claims have been processed and approved for payment but not paid prior to year-end. For financial statement purposes, the payments have been deducted from the respective assets. Accordingly, benefit distributions and net assets available for benefits included in the financial statements are consistent with those reported on the Form 5500.

5

Edgar Filing: CONSOL ENERGY INC - Form 11-K

CONSOL Energy Inc. Investment Plan for Salaried Employees

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, CONSOL has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Investment Valuation and Income Recognition

For financial reporting purposes, the assets of the Plan are reflected on the accrual basis of accounting. The underlying assets of the Stable Value Fund consist primarily of guaranteed investment contracts (GIC), separate account portfolios (SAP), and synthetic guaranteed investment contracts (SYN). These contracts are held for investment purposes by the Plan and are fully benefit responsive. The Stable Value Fund is stated at cost plus accrued interest, using the contracted interest rates applied to the daily account balances. The contract value of the investment contracts is provided by the Plan's trustee and approximates market value. Changes in contract value are recognized in the statement of changes in net assets available for benefits as they occur. Investments in common stock funds and interests in registered investment companies are stated at fair value based on publicly quoted market prices. Investments in the Merrill Lynch Small Cap Index Trust, Merrill Lynch International Index Trust, Merrill Lynch Equity Index Trust, Barclays 3-Way Fund, and Aggressive Asset Allocation, Conservative Asset Allocation and Moderate Asset Allocation Portfolios are stated at the fair value of all underlying assets as reported by the applicable custodian.

The unit value or price of all investments reflects the dollar amount at which participants' accounts are valued at the end of the period reported.

Dividend income is recorded on the ex-dividend date and interest income is recorded on the accrual basis. Gains and losses on the sale of the E.I. DuPont de Nemours & Company (DuPont) and CONSOL Energy Inc. common stock are based on average cost of the securities sold and are recognized on the trade date. Brokerage commissions and Securities and Exchange Commission fees in connection with the sale of E.I. DuPont de Nemours & Company common stock, CONSOL Energy Inc. common stock and Daimler Chrysler common stock are added to the cost thereof or deducted from the sales proceeds derived therefrom.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States, requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Investments

The following investments represent 5% or more of the Plan's net assets:

	December 31	
	2001	2000
	-----	-----
E.I. DuPont de Nemours & Company common stock, 4,448,339 and 5,090,636 shares, respectively	\$ 189,099	\$ 245,939
Monumental Life Insurance Company--5.92%, 12/31/2005	52,146	33,805
Monumental Life Insurance Company--6.87%, 1/1/2004	-	50,620
Morgan Guaranty Trust Company--6.21%, 12/31/2025	52,236	41,585
Aetna Life Insurance and Annuity Company--6.24%, 1/1/2025	48,338	-
Aetna Life Insurance and Annuity Company--6.98%, 4/1/2025	53,519	49,696
Deutsche Bank--6.29%, 12/31/2025	52,294	39,979
Union Bank of Switzerland--6.14%, 12/31/2025	52,245	45,396
Fidelity Investments Magellan Fund, 417,694 and 426,260 shares, respectively	43,532	50,853

CONSOL Energy Inc. Investment Plan for Salaried Employees

Notes to Financial Statements (continued)

3. Investments (continued)

During 2001, the Plan's investments (including investments bought, sold, as well as held during the year) (depreciated) appreciated as follows:

	Net (Depreciation) Appreciation in Fair Value During Year	Fair Value at of Year
	-----	-----
Fair value as determined by quoted market price:		
Interests in registered investment companies	\$ (35,618)	\$ 149,128
Common stock:		
CONSOL Stock Fund	(5,001)	35,827
DuPont Stock Fund	(30,124)	189,099
Other	3	131
Stable Value Fund	31,946	505,379

Edgar Filing: CONSOL ENERGY INC - Form 11-K

Fair value reported by applicable custodian	(3,776)	37,788
Noninterest-bearing cash and cash equivalents	-	951
	-----	-----
	\$ (42,570)	\$ 918,303
	=====	=====

The Stable Value Fund is a nonpooled separate account held by the Plan. Prior to March 1999, the Plan and the Thrift Plan for Employees of Conoco Inc., a wholly owned subsidiary of DuPont, jointly owned the Stable Value Fund. During 1999, the balance of all investment contracts, as of December 31, 1998, was allocated to the two plans by Merrill Lynch based on the relationship of the Plan's Stable Value Fund participant balances to total Stable Value Fund participant balances. The investment contracts are entered into based on an evaluation of the credit risk of the contract issuers and/or third party guarantors. Collateral is generally not provided.

The composition of assets of the Stable Value Fund as of December 31, 2001 and 2000 are as follows:

	2001	2000
	-----	-----
Investment contracts	\$ 505,379	\$ 495,908
Short-term investments	-	766
	-----	-----
	\$ 505,379	\$ 496,674
	=====	=====

8

CONSOL Energy Inc. Investment Plan for Salaried Employees

Notes to Financial Statements (continued)

3. Investments (continued)

The composition of changes in net assets of the Stable Value Fund as of December 31, 2001 is as follows:

Employer contributions	\$ 5,563
Employee contributions	9,308
Rollover contributions	5,987

Total contributions	20,858
Interest and dividend income	609
Net realized/unrealized appreciation in fair value	31,946
Benefits paid to participants	(51,592)
Net loan activity	(12)
Interfund transfers	6,896

Increase in net assets available for benefits	8,705
Net assets at beginning of year	496,674

Net assets at end of year	\$ 505,379
	=====

The aggregate crediting rates for all contracts as of December 31, 2001 was 6.39%. The crediting rates for SAP and SYN contracts are reset annually and are

Edgar Filing: CONSOL ENERGY INC - Form 11-K

based on the market value of the underlying portfolio of assets backing these contracts. Inputs used to determine the crediting rate include each contract's portfolio market value, current yield-to-maturity, duration (i.e., weighted average life), and market value relative to contract value. The average yield of the Stable Value Fund was approximately 6.59% in 2001.

Participants investing in the Stable Value Fund, Barclays 3-Way Fund, Merrill Lynch Equity Index Trust, Merrill Lynch Small Cap Index Trust, Merrill Lynch International Index Trust, and Aggressive Asset Allocation, Conservative Asset Allocation and Moderate Asset Allocation Portfolios are assigned units at the time of investment based on the net asset value per unit.

9

CONSOL Energy Inc. Investment Plan for Salaried Employees

Notes to Financial Statements (continued)

4. Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated November 18, 1994, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan was amended subsequent to the IRS determination letter. Therefore, the amendments are not covered by the determination letter. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. The plan sponsor has indicated that it will take the necessary steps, if any, to maintain the Plan's qualified status.

5. Transactions with Parties-in-Interest

Plan investments in the Merrill Lynch Small Cap Index Trust, the Merrill Lynch International Index Trust and the Merrill Lynch Equity Index Trust are managed by Merrill Lynch. Merrill Lynch is the trustee as defined by the Plan and, therefore, these transactions qualify as those conducted with a party-in-interest to the Plan. Trustee and investment fees paid during 2001 were based upon customary and reasonable rates for such services.

One of the investment vehicles available to employees, the CONSOL Stock Fund, contains stock of CONSOL. The Plan held 1,442,310 shares and 714,454 shares of the Company's common stock at December 31, 2001 and 2000, respectively.

6. Subsequent Event - ESOP Amendment

Effective January 1, 2002, the Plan was amended to convert the CONSOL Stock Fund within the CONSOL Investment Plan to an Employee Stock Ownership Plan (ESOP). As amended, a participant in the Plan will be given the opportunity for dividends on CONSOL stock held in the Plan to be paid in the form of cash for any dividends declared on or after January 23, 2002. If a participant does not make an election, default election requiring reinvestment of dividends into the CONSOL Stock Fund shall be enacted.
