CALCULATION OF REGISTRATION FEE

-
- (1) Estimated solely for the purpose of calculating the registration fee based upon the Registrant's current estimate of shares of Common Stock issuable pursuant to the Linens n Things, Inc. 2004 Stock Award and Incentive Plan (the Plan). Also includes, pursuant to Rule 416(b) under the Securities Act of 1933, as amended (the Securities Act), additional shares of Common Stock that may be issuable pursuant to anti-dilution provisions of the Plan.
- (2) The Registrant previously filed a Registration Statement on Form S-8 on August 2, 2000 (Registration No. 333-42784) to register shares pursuant to the Registrant's 2000 Stock Award and Incentive Plan (2000 Plan). This earlier Form S-8 registered 2,000,000 shares of common stock for issuance in awards under the 2000 Plan. There currently are 437,204 shares registered for issuance as awards under the 2000 Plan that have not been so awarded. The Registrant paid fees totaling \$3,542.30 to register such unawarded shares. The Registrant previously filed a Registration Statement on Form S-8 on June 14, 2001 (Registration No. 333-62984) to register shares pursuant to the Registrant's LNT Broad-Based Equity Plan (Broad-Based Plan). This earlier Form S-8 registered 4,000,000 shares of common stock for issuance as awards under the Broad-Based Plan. There currently are 1,878,573 shares registered for issuance under the Broad-Based Plan that have not been so awarded. The Registrant paid fees totaling \$12,278.82 to register such unawarded shares. The 2000 Plan and the Broad-Based Plan have each been terminated as to the future issuance of awards. In accordance with Rule 457(p) of the Securities Act, the aggregate total dollar amount of the registration fee is being offset by the \$15,821.12 in registration fees previously paid in respect of these shares previously registered by the Company.

The Registrant will be filing a Post-Effective Amendment No. 1 to each of the above Registration Statements on Form S-8, Registration Nos. 333-42784 and 333-62984 respectively, to deregister shares of the Company's common stock that are not subject to outstanding awards under the 2000 Plan and the Broad-Based Plan.

-
- (3) In addition to the 4,000,000 shares reserved and available for issuance under the Plan, shares of common stock may become available for issuance under the Plan upon the termination, forfeiture or cancellation of any outstanding stock options or other awards granted under the 2000 Plan and the Broad-Based Plan. The 2000 Plan and the Broad-Based Plan have been terminated as to future issuances of awards but not as to existing awards.
- (4) Estimated solely for the purpose of calculating the registration fee. Such estimate has been computed in accordance with Rule 457(c) and Rule 457(h) under the Securities Act based on the average high and low prices of the Registrant's Common Stock as reported on the New York Stock Exchange on June 21, 2004.

ITEM 4. Description of Securities.

Not applicable.

ITEM 5. Interests of Named Experts and Counsel.

Not applicable.

ITEM 6. Indemnification of Directors and Officers.

Under Delaware law, directors, officers, employees and other individuals may be indemnified against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with specified actions, suits or proceedings, whether civil, criminal, administrative or investigative if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard of conduct is applicable in the case of a derivative action, except that indemnification only extends to expenses (including attorneys' fees) incurred in connection with defense or settlement of such an action and Delaware law requires court approval before there can be any indemnification of expenses where the person seeking indemnification has been found liable to the corporation.

Article Ninth of the Amended and Restated Certificate of Incorporation of the Registrant requires the Registrant to indemnify directors and officers against liabilities which they may incur under the circumstances set forth in the preceding paragraph. The right of indemnification in Article Ninth also includes the right to be paid by the Registrant the expenses incurred in connection with a legal proceeding in advance of its final disposition to the fullest extent authorized by Delaware law. The right to indemnification conferred under Article Ninth is a contract right.

The Registrant maintains standard policies of insurance under which coverage is provided (a) to its directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act, and (b) to the Registrant with respect to payments which may be made by the Registrant to such officers and directors pursuant to the above indemnification provision or otherwise as a matter of law.

ITEM 7. Exemption from Registration Claimed.

Not applicable.

ITEM 9. Undertakings.

1. The undersigned Registrant hereby undertakes:
 - (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement.
 - (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
