April 19, 2001

NOTICE IS HEREBY GIVEN that the Annual Meeting of Shareholders of The First Australia Fund, Inc. (the "Fund") will be held at the offices of Prudential Securities Incorporated, One Seaport Plaza, 35th Floor, New York, New York, on Thursday, April 19, 2001, at 1:00 p.m. (Eastern time), for the following purposes:

- (1) To elect four Directors to serve as Class I Directors for a three-year term; and
- (2) To transact any other business as may properly come before the meeting or any adjournments or postponements thereof.

In the event that the necessary quorum to transact business or the vote required to approve or reject any proposal is not obtained at the meeting, the persons named as proxies may propose one or more adjournments of the meeting, in accordance with applicable law, to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the Fund's shares present in person or by proxy at the meeting. Annual Meeting of Shareholders
April 19, 2001

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of The First Australia Fund, Inc., a Maryland corporation (the "Fund"), to be voted at the Annual Meeting of Shareholders of the Fund (the "Meeting") to be held at the offices of Prudential Securities Incorporated, One Seaport Plaza, 35th Floor, New York, New York, on Thursday, April 19, 2001, at 1:00 p.m. (Eastern time). The approximate mailing date for this Proxy Statement is March 19, 2001 or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked, proxies received will be voted FOR the proposal to elect Class I Directors. The appointed proxies will vote in their discretion on any other business as may properly come before the meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by giving written notice to the Secretary of the Fund (addressed to the Secretary at the principal executive office of the Fund, Gateway Center 3, 100 Mulberry Street, Newark, New Jersey 07102).

Shareholders may vote using the enclosed postage pre-paid proxy card. Shareholders may also vote by telephone or internet. To vote by telephone or internet, shareholders should follow the instructions contained on their proxy card.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business with respect to the Fund. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

Approval of the election of Class I Directors to the Board of Directors will require the affirmative vote of a majority of the shares of common stock present in person or by proxy at the Meeting. Abstentions are treated as present and will have the effect of a vote "against" the proposal. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on the proposal will be voted "for" the proposal.

In the event that the necessary quorum to transact business at the Meeting is not obtained or a quorum is present at the Meeting but sufficient votes to approve the proposals are not received, the proxy holders may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If the necessary quorum is not obtained, the persons named as proxies will vote in favor of the adjournment. If a quorum is present, the proxy holders will vote those proxies

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

required to be voted "for" the proposal with respect to which insufficient votes for approval have been received, in favor of such adjournment, and will vote those proxies required to be voted "against" the proposal, against adjournment.

1

The Board of Directors has fixed the close of business on March 5, 2001 as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting and at any adjournment or postponement thereof. Shareholders on the record date will be entitled to one vote for each share held. As of March 5, 2001, the Fund had 17,189,998 shares of common stock outstanding, par value \$0.01 per share.

The Board of Directors of the Fund knows of no business other than that mentioned in the Notice of the Meeting which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named on the enclosed proxy card to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of the Fund's annual report for its fiscal year ended October 31, 2000, and any more recent reports, to any Fund shareholder upon request. To request a copy, please call or write to Investor Relations, Aberdeen Asset Management, 45 Broadway, 31st floor, New York, New York 10006, Telephone: 1-800-522-5465.

PROPOSAL TO ELECT CLASS I DIRECTORS

The Fund's By-laws provide that the Board of Directors will be divided into three classes, as nearly equal in number as possible, each of which, after a transition period, will serve for three years with one class being elected each year. Each year the term of office of one class will expire. Anthony E. Aaronson, Neville J. Miles, Peter D. Sacks, and John T. Sheehy, Directors who were elected to serve until the Meeting, have been nominated by the Board of Directors of the Fund, including the Directors who are not interested persons of the Fund, to serve as Class I Directors for a three-year term to expire at the Annual Meeting of Shareholders to be held in 2004 and until their successors are duly elected and qualified. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement.

It is the intention of the persons named on the enclosed proxy card to vote for the election of the persons listed below under Class I for a three-year term. The Board of Directors of the Fund knows of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend.

2

The following table sets forth certain information concerning each of the Fund's nominees for election as a Director and each Director of the Fund. Each of the Fund's nominees is currently a Director of the Fund.

(1) The information as to beneficial ownership as of January 31, 2001 is based on statements furnished to the Fund by the Directors and nominees. All shares listed in this table were owned with sole voting and investment power. In the aggregate, all of the shares in the table represented less than one percent of the total shares of common stock outstanding as of January 31, 2001. The Directors of the Fund representing the common stock, as a group, owned less than one percent of the total shares of common

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

stock outstanding as of January 31, 2001.

Please also see the information contained below under the heading "Further Information Regarding Directors and Officers."

The Board of Directors recommends that shareholders vote FOR the election of the Fund's four nominees to the Fund's Board of Directors.

SELECTION OF INDEPENDENT ACCOUNTANTS

The Board of Directors of the Fund, upon recommendation of the Audit Committee, has selected PricewaterhouseCoopers LLP ("PwC"), independent accountants, to audit the financial statements of the Fund for the fiscal year ending October 31, 2001.

Audit services performed by PwC during the most recent fiscal year included the audit of the financial statements of the Fund. During the fiscal year ended October 31, 2000, the fees for services rendered to the Fund by PwC were:

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees*
-----	-----	-----
\$96,000	\$ None	\$109,000

* This amount includes fees for services rendered by PwC to the Fund, the Investment Manager and Investment Adviser, and entities controlling, controlled by, or under common control with, the Investment Manager and Investment Adviser that provide services to the Fund.

9

At its most recent meeting in December 2000, the Audit Committee of the Fund reviewed information presented by the Fund's independent accountants that addressed the matters set forth in Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. Effective February 5, 2001, new Securities and Exchange Commission rules generally require the disclosure in a Fund's proxy statement of whether the Fund's Audit Committee considered whether the provision of non-audit services to the Fund and of professional services to the Fund's adviser and to entities controlling, controlled by, and under common control with, the Fund's adviser that provide services to the Fund is compatible with maintaining the independence of the Fund's independent accountants. Because the Fund's Audit Committee has not met since these new rules became effective, the Audit Committee has not expressly considered whether the provision by the Fund's independent accountants of such services is compatible with maintaining the independence of the Fund's accountants. Nevertheless, the Audit Committee is generally aware of the nature and extent of the fees earned by the Fund's independent accountants from such non-audit services.

The Fund knows of no direct or indirect interest of PwC firm in the Fund.

OTHER BUSINESS

The Board of Directors knows of no business to be brought before the Meeting other than as set forth above. If, however, any other matters properly come

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

before the Meeting, it is the intention of the persons named on the enclosed proxy card to vote such proxies on such matters in accordance with their best judgment.

FURTHER INFORMATION REGARDING DIRECTORS AND OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Directors, the Investment Manager and Investment Adviser, affiliates of the Investment Manager or Investment Adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities ("Reporting Persons") to file reports of ownership of the Fund's securities and changes in such ownership with the Securities and Exchange Commission and the American Stock Exchange. Such persons are required by Securities and Exchange Commission regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, the Fund believes that during the fiscal year ended October 31, 2000, its Reporting Persons complied with all applicable filing requirements.

Committees and Board of Directors Meetings. The Board of Directors has a standing Audit Committee, composed entirely of Directors who are not "interested persons" of the Fund or the Fund's Investment Manager or Investment Adviser, within the meaning of the 1940 Act, and who are "independent" as defined in the American Stock Exchange listing standards. The Audit Committee reviews both the audit and non-audit work of the Fund's independent public accountants, submits recommendations to the Board of Directors as to the selection of independent public accountants, and review compliance of the Fund with regulations of the Securities and Exchange Commission and the Internal Revenue Service, and other related matters.

The Fund adopted an Audit Committee Charter on March 16, 2000, a copy of which is attached to this Proxy Statement as Exhibit A. The Audit Committee has received the written disclosures and the letter required by Independence Standards Board Standard No. 1 from PwC, the Fund's independent auditors, and has discussed with PwC its independence. The Audit

10

Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC required to be discussed by Statements on Auditing Standards No. 61. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended October 31, 2000. The members of the Fund's Audit Committee are Messrs. Anthony E. Aaronson, Peter D. Sacks, and John T. Sheehy.

The Board of Directors also has a standing Contract Review Committee, composed entirely of Directors who are not "interested persons" of the Fund or the Fund's Investment Manager or Investment Adviser within the meaning of the 1940 Act. The Contract Review Committee reviews and makes recommendations to the Board with respect to entering into, renewal or amendment of the Management Agreement, the Advisory Agreement, the Administration Agreement, the Investor Relations Services Agreement and other agreements.

In December 2000, the Fund established an interim Nominating Committee, composed entirely of Directors who are not "interested persons" of the Fund or

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

the Fund's Investment Manager or Investment Adviser within the meaning of the 1940 Act. The interim Nominating Committee was actively engaged in the review of all recent director appointments and nominations. In March 2001, the Fund established a permanent Nominating Committee. The Nominating Committee will not consider nominees recommended by security holders.

During the Fund's fiscal year ended October 31, 2000, the Board of Directors held four regularly scheduled meetings and one special meeting, the Audit Committee held two meetings, a special Due Diligence Committee, organized in connection with the acquisition of the Investment Manager and the Investment Adviser by Aberdeen Asset Management PLC, held three meetings, and the Contract Review Committee held one meeting. Each of the Directors then in office (except Michael R. Horsburgh) attended at least 75% of the aggregate number of meetings of the Board of Directors and of all the Committees of the Board on which he served.

ADDITIONAL INFORMATION

Administrator. The Fund's administrator is Prudential Investments, Gateway Center 3, 100 Mulberry Street, Newark, NJ 07102.

Expenses. The expense of preparation, printing and mailing of the enclosed proxy card and accompanying Notice and Proxy Statement will be borne by the

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

Fund. The Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of the Fund. In order to obtain the necessary quorum at the Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview. Such solicitation may be conducted by, among others, officers, Directors and employees of the Fund, the Investment Manager, the Investment Adviser or State Street Bank and Trust Company, the Transfer Agent of the Fund. Innisfree M&A ("Innisfree")

13

has been retained to assist in the solicitation of proxies. Innisfree will be paid approximately \$6,000 by the Fund and the Fund will reimburse Innisfree for its related expenses.

Solicitation and Voting of Proxies. Solicitation of proxies is being made primarily by the mailing of this Proxy Statement with its enclosures on or about March 19, 2001. In addition, as the meeting date approaches, certain shareholders of the Fund may receive a call from a representative of Innisfree if the Fund has not yet received their vote. Authorization to permit Innisfree to execute proxies may be obtained by telephonic or electronically transmitted instructions from shareholders of the Fund. Proxies that are obtained telephonically will be recorded in accordance with the procedures set forth below. Management of the Fund believes that these procedures are reasonably designed to ensure that the identity of the shareholder casting the vote is accurately determined and that the voting instructions of the shareholder are accurately determined.

In all cases where a telephonic proxy is solicited, the Innisfree representative is required to ask the shareholder for such shareholder's full name, address, social security number or employer identification number, title (if the person giving the proxy is authorized to act on behalf of an entity, such as a corporation), the number of shares owned and to confirm that the shareholder has received the Proxy Statement in the mail. If the information solicited agrees with the information provided to Innisfree by the Fund, then the Innisfree representative has the responsibility to explain the process, read the proposals listed on the proxy card, and ask for the shareholder's instructions on each proposal. The Innisfree representative, although he or she is permitted to answer questions about the process, is not permitted to recommend to the shareholder how to vote, other than to read any recommendation set forth in the Proxy Statement. Innisfree will record the shareholder's instructions on the card. Within 72 hours, Innisfree will send the shareholder a letter or mailgram to confirm the shareholder's vote and asking the shareholder to call Innisfree immediately if the shareholder's instructions are not correctly reflected in the confirmation.

If a shareholder wishes to participate in the Meeting of shareholders, but does not wish to give a proxy by telephone, such shareholder may still submit the proxy card originally sent with the Proxy Statement or attend in person. Any proxy given by a shareholder, whether in writing, by telephone or via the internet, is revocable. A shareholder may revoke the accompanying proxy or a proxy given telephonically or via the internet at any time prior to its use by filing with the Fund a written revocation or duly executed proxy bearing a later date. In addition, any shareholder who attends the Meeting in person may vote by ballot at the Meeting, thereby canceling any proxy previously given.

Beneficial Ownership; Change of Control. To the best of the Fund's knowledge, based upon filings made with the Securities and Exchange Commission, as of January 18, 2001, the only beneficial owner of more than five percent of the voting securities of the Fund is:

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

Title of Class	Name and Address of Beneficial Owner	Number of Shares Beneficially Owned	Percent of Class
Common Stock, par value \$0.01 per share	Mira, L.P., Zurich Capital Markets, Inc., its General Partner, One Chase Manhattan Plaza, New York, New York 10005	5,317,461	30.1%

On January 18, 2001, Mira L.P. ("Mira") acquired an aggregate of 2,742,461 shares of common stock of the Fund from EquitiLink Holdings Limited, EquitiLink Limited, EquitiLink International Management Limited and EquitiLink USA, Inc. (collectively, the "Sellers"), pursuant to the Stock Purchase Agreement dated as of November 10, 2000 by and between Mira and the Sellers (the "Mira Agreement"). The aggregate purchase price paid by Mira for these shares was \$16,891,914.28. According to a report on Schedule 13D filed by Mira with the Securities and Exchange Commission on January 18, 2001, Mira paid the purchase price for these shares from its working capital. At the time of the execution of the

14

Mira Agreement, Messrs. Laurence S. Freedman and Brian M. Sherman were the principal shareholders, directly or indirectly, of each of the Sellers.

As part of the Mira Agreement, and as disclosed to shareholders in a supplement dated November 16, 2000 to the Fund's proxy statement with respect to a proposal (the "Proposal") to approve a new investment management agreement and a new investment advisory agreement at a meeting of shareholders held on November 30, 2000, Mira agreed to vote all the Fund shares it then owned in favor of the Proposal. Mira also agreed not to solicit proxies in opposition to the Proposal or, prior to the stock sale, to attempt to influence Fund management or policies or to take or support any action opposing the Proposal. Mira also acknowledged that the shares it acquired under the Mira Agreement will be subject to certain legal restrictions regarding their further sale.

Shareholder Proposals. If a shareholder intends to present a proposal at the Annual Meeting of Shareholders of the Fund to be held in 2002 and desires to have the proposal included in the Fund's proxy statement and form of proxy for that meeting, the shareholder must deliver the proposal to the offices of the Fund by November 19, 2001.

Shareholders wishing to present proposals at the Annual Meeting of Shareholders of the Fund to be held in 2002 which they do not wish to be included in the Fund's proxy materials should send written notice to the Secretary of the Fund of such proposals no sooner than December 20, 2001 and no later than January 19, 2002 in the form prescribed in the Fund's By-Laws.

EXHIBIT A

THE FIRST AUSTRALIA FUND, INC.

AUDIT COMMITTEE CHARTER

Mission

The mission of the Audit Committee (the "Committee") of The First Australia Fund, Inc. (the "Fund") is to oversee the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, and the quality and objectivity of the Fund's financial statements. The Committee will also report to the Board of Directors (the "Board"), if necessary, any relationships between the auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the auditor.

The function of the Committee in this capacity is oversight; it is the responsibility of the Fund and the Manager to maintain appropriate systems for accounting and internal control, and the responsibility of the Fund's independent auditors to plan and carry out a proper audit.

The independent auditors are directly accountable to the Committee and to the Board.

Committee Membership

The Committee shall be composed of at least three independent directors with the qualifications indicated below. The President of the Fund, although not a member of the Committee, will nonetheless be expected to play a significant role in assisting the Committee to discharge its responsibilities, including ensuring adequate access to, and support from, the staff of the Fund's investment manager, EquitiLink International Management Limited (the "Manager"), and the staff of the Fund's investment adviser, EquitiLink Australia Limited (the "Adviser").

Qualifications of Committee Members

The Committee must have at least three independent directors. A director with any of the following five relationships will not be considered independent for this purpose:

- (1) employment by the Fund or any of its affiliates for the current year or any of the past three years;
- (2) acceptance of any compensation from the Fund or any of its affiliates in excess of \$60,000 during the previous fiscal year, other than compensation for board service, benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- (3) member of the immediate family of an individual who is, or has been in any of the past three years, employed by the Fund or any of its affiliates as an executive officer. Immediate family includes a person's spouse, parents, children, siblings, mothers and fathers-in-

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

law, brothers and sisters-in-law, sons and daughters-in-law, and anyone who resides in such person's home;

- (4) partnership in, or being a controlling shareholder or an executive officer of, any for-profit business organization to which the Fund made, or from which the Fund received, payments (other than those arising solely from investments in the Fund's securities) that exceed 5% of the Fund's gross income for that year, or \$200,000, whichever is more, in any of the past three years; or
- (5) employment as an executive of another entity where any of the Fund's executives serve on that entity's compensation committee.

A-1

One member of the Committee may be a non-independent director, under limited and exceptional circumstances, if the Board determines that membership on the Committee by that non-independent director is required by the best interests of the Fund and its shareholders. To be eligible for this consideration, the non-independent director may not be a current employee or immediate family member of an employee of the Fund. If such a determination is made, the Board must disclose, in the Fund's next annual proxy statement subsequent to making the determination, the nature of the relationship and the reasons for the determination.

Each member of the Committee must be able to read and understand basic financial statements, including the Fund's balance sheet, income statement and statement of cash flows, or must become able to do so within a reasonable period of time after his or her appointment to the Committee. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which result in that individual's having financial sophistication, including, but not limited to, being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

Duties and Powers

To carry out its mission, the Committee shall, to the extent it deems appropriate, carry out the following functions:

1. to recommend annually to the Board the selection, retention, or termination of independent auditors and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any consulting, auditing, or tax services to the Manager and to receive the auditors' specific representations as to their independence, delineating all relationships between the auditor and the Fund, consistent with Independence Standards Board ("ISB") Standard No. 1./(1)/ This should include information on whether the independent auditor performs any significant non-auditing services for the Fund. The Committee is responsible for actively engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectives and independence of the auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the outside auditor;
2. to recommend new independent auditors, should it prove necessary, subject to ratification by the Board and shareholder approval, if required;
3. to meet with the Fund's independent auditors, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits, and the fees proposed to be charged in connection with

Edgar Filing: FIRST AUSTRALIA FUND INC - Form DEF 14A

- (1) ISB Standard No. 1 requires the auditor to annually: (1) disclose to the Committee, in writing, all relationships between the auditor and its related entities and the Fund and its related entities that in the auditor's professional judgment may reasonably be thought to bear on independence; (2) confirm in the letter that, in its professional judgment, it is independent of the Fund within the meaning of the Securities Acts administered by the SEC; and (3) discuss the auditor's independence with the audit committee.
- (2) SAS 61 requires independent auditors to communicate certain matters related to the conduct of an audit to those who have responsibility for oversight of the financial reporting process, specifically the audit committee. Among the matters to be communicated to the audit committee are: (1) methods used to account for significant unusual transactions; (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (3) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (4) disagreements with management over the application of accounting principles, the basis for management's accounting estimates, and the disclosures in the financial statements.

A-2

with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto, (iv) to review the form of opinion the auditors propose to render to the Board and shareholders, and (v) to review the performance of the auditor;

10. to review the Fund's system of internal controls, including (i) the security of tangible and intangible Fund assets and the security of computer systems and facilities; (ii) instances of employee defalcation and violations of the Code of Ethics and other Fund policies and procedures; and (iii) reports from Fund legal counsel with respect to compliance with laws and regulations, significant litigation, and possible impact on financial results;

11. to review the Fund's tax compliance and status, including the status of the Fund's position relative to tax audits and significant issues disputed by tax authorities; and

12. to report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

Other Powers and Responsibilities

1. The Committee normally shall meet in person twice yearly, in June and December, prior to the meetings of the full Board, and at such other time or times as the Committee or Board may determine appropriate or necessary, and is empowered to hold special meetings as circumstances require.

2. Each December, the Committee shall issue a report indicating whether the Committee (i) reviewed and discussed the financial statements with management; (ii) discussed the matters required by SAS 61, as modified or supplemented; and (iii) received from the auditors the letter and written disclosure required by ISB Standard No. 1, and discussed with the auditors their independence. The Committee's report should also indicate whether the audit committee, based on its review and its discussions with management and the auditors, recommends to the Board that the financial statements be included in the Fund's annual report for the last fiscal year.

A-3

3. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including authority to utilize Fund counsel and to retain experts or other persons with specific competence at the expense of the Fund.
