ARTICLE 2

OPTION GRANTS AND TERMS OF OPTIONS

2.1 Grants

Subject to this Plan, the Board will have the authority to determine the limitations, restrictions and conditions, if any, in addition to those set out in this Plan, applicable to the exercise of an Option, including, without limitation, the nature and duration of the restrictions, if any, to be imposed upon the sale or other disposition of Shares acquired upon exercise of the Option, and the nature of the events, if any, and the duration of the period in which any Participant's rights in respect of Shares acquired upon exercise of an Option may be forfeited. An Eligible Person may receive Options on more than one occasion under this Plan and may receive separate Options on any one occasion.

2.2 Exercise of Options

- (a) Options granted must be exercised no later than 10 years after the date of grant or such lesser period as the applicable grant or Regulations may require. In the event that any Option expires during, or within 48 hours after, a self imposed blackout period on trading securities of the Corporation, such expiry date will become the tenth day following the end of the blackout period.

- 5 -

- (b) The Board may determine when any Option will become exercisable and may determine that the Option will be exercisable in instalments or pursuant to a vesting schedule.
- (c) No fractional Shares may be issued and the Board may determine the manner in which fractional Share value will be treated.
- (d) A minimum of 100 Shares must be purchased by a Participant upon exercise of Options at any one time, except where the remainder of Shares available for purchase pursuant to Options granted to such Participant totals less than 100.

2.3 Option Price

The Board will establish the exercise price of an Option at the time each Option is granted provided that such price shall not be less than the volume weighted average trading price of the Shares on the TSX, or another stock exchange where the majority of the trading volume and value of the Shares occurs, for the five trading days immediately preceding the day the option is granted.

2.4 Termination, Retirement or Death

- (a) In the event of the Termination or Retirement of a Participant, each Option held by the Participant will cease to be exercisable within a period of 30 days after the Termination Date or Retirement Date, as the case may be, or such longer period as determined by the Board. For greater certainty, such determination of a longer period may be made at any time subsequent to the date of grant of the Options, provided that no Option shall remain outstanding for any period which exceeds the earlier of: (i) the expiry date of such Option; and (ii) 36 months following the Termination Date or Retirement Date, as the case may be. The Board may delegate authority to the Chief Executive Officer, the President and/or the Chief Financial Officer of the Corporation to make any determination with respect to the expiry or termination date of Options held by any departing Participant. If any portion of an Option has not vested on the Termination Date or Retirement Date, as the case may be, the Participant may not, after the Termination Date or Retirement Date, as the case may be, exercise such portion of the Option which has not vested, provided that the Board may determine at any time, including for greater certainty at any time subsequent to the date of grant of the Options, that such portion of the Option vests automatically or pursuant to a vesting schedule determined by the Board. The Board may delegate authority to the Chief Executive Officer, the President and/or the Chief Financial Officer to make any determination with respect to vesting of Options or any portion thereof held by any departing Participant. Without limitation, and for greater certainty only, this subsection (a) will apply regardless of whether the Participant was dismissed with or without cause and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a period of notice of termination which would otherwise have permitted a greater portion of the Option to vest.
 - (b) If a Participant dies, the legal representatives of the Participant may exercise the Options held by the Participant within a period after the date of the Participant's death as determined by the Board, for greater certainty such determination may be made at any time subsequent to the date of grant of the Options, provided that no Option shall remain outstanding for any period which exceeds the earlier of (i) the expiry date of such Option; and (ii) 12 months following the date of death of the Participant, but only to the extent the Options were by their terms exercisable on the date of death. The Board may determine at any time, including for greater certainty at any time subsequent to the date of grant of the Options, that such portion of the Option vests automatically or pursuant to a vesting schedule determined by the Board. The Board may delegate authority to the Chief Executive Officer, the President and/or the Chief Financial Officer to make any determination with respect to the expiry or termination date of Options or vesting of
-

- 6 -

Options or any portion thereof held by any deceased Participant. If the legal representative of a Participant who has died exercises the Option of the Participant in accordance with the terms of this Plan, the Corporation will have no obligation to issue the Shares until evidence satisfactory to the Corporation has been provided by the legal representative that the legal representative is entitled to act on behalf of the Participant to purchase the Shares under this Plan.

2.5 Option Agreements

Each Option must be confirmed, and will be governed, by an agreement in a form determined by the Board and signed by the Corporation and the Participant.

2.6 Payment of Option Price

The exercise price of each Share purchased under an Option must be paid in full by bank draft or certified cheque at the time of exercise, and upon receipt of payment in full, but subject to the terms of this Plan, the number of Shares in respect of which the Option is exercised will be duly issued as fully paid and non-assessable. Share certificates representing the number of Shares in respect of which the Option has been exercised will be issued only upon payment in full of the relevant exercise price to the Corporation.

2.7 Acceleration on Change of Control

In the event of a Change of Control, all Options outstanding shall be immediately exercisable, notwithstanding any determination of the Board pursuant to Section 2.2 hereof, if applicable.

ARTICLE 3

MISCELLANEOUS

3.1 Right to Terminate Options on Sale of Corporation

Notwithstanding any other provision of this Plan, if the Board at any time by resolution declares it advisable to do so in connection with any proposed sale or conveyance of all or substantially all of the property and assets of the Corporation or any proposed merger, consolidation, amalgamation or officer to acquire all of the outstanding Shares (collectively, the Proposed Transaction), the Corporation may give written notice to all Participants advising that their respective Options may be exercised only within 30 days after the date of the notice and not thereafter, and that all rights of the Participants not exercised will terminate at the expiration of the 30-day period, provided that the Proposed Transaction is completed within 180 days after the date of the notice. If the Proposed Transaction is not completed within the 180-day period, no right under any Option will be affected by the notice, except that the Option may not be exercised between the date of expiration of the 30-day period and the day after the expiration of the 180-day period.

3.2 Prohibition on Transfer of Options

Options are personal to each Eligible Person. Without the permission of the Corporation, no Eligible Person may deal with any Options or any interest in them or Transfer any Options now or hereafter held by the Eligible Person. If a Participant's Holding Company ceases to be wholly-owned and controlled by the Participant, such Participant will be deemed to have Transferred any Options held by such Holding Company. A purported Transfer of any Options without the permission of the Corporation will not be valid and the Corporation will not issue any Share upon the attempted exercise of improperly Transferred Options.

3.3 Capital Adjustments

If there is any change in the outstanding Shares by reason of a stock dividend or split, recapitalization, consolidation, combination or exchange of shares, or other fundamental corporate change, the Board will make, subject to any prior approval required of relevant stock exchanges or other applicable regulatory authorities, if any, an appropriate substitution or adjustment in (i) the exercise price of any unexercised Options under this Plan; (ii) the number or kind of shares or other securities reserved for issuance pursuant to this Plan; and (iii) the number and kind of shares subject to unexercised Options theretofore granted under this Plan; provided, however, that no substitution or adjustment will obligate the Corporation to issue or sell fractional shares. In the event of the reorganization of the Corporation or the amalgamation or consolidation of the Corporation with another corporation, the Board may make such provision for the protection of the rights of Participants as the Board in its discretion deems appropriate. The determination of the Board, as to any adjustment or as to there being no need for adjustment, will be final and binding on all parties.

3.4 Non-Exclusivity

Nothing contained herein will prevent the Board from adopting other or additional compensation arrangements for the benefit of any Eligible Person or Participant, subject to any required regulatory or shareholder approval.

3.5 Amendment and Termination

Subject to the requisite shareholder and regulatory approvals set forth under subparagraphs 3.5(a) and (b) below, the Board may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time provided however that no such right may, without the consent of the Optionee, in any manner adversely affect his rights under any Option theretofore granted under the Plan.

- (a) The Board may, subject to receipt of requisite shareholder and regulatory approval, make the following amendments to the Plan:
 - (i) any amendment to the number of securities issuable under the Plan, including an increase to a fixed maximum number of securities or a change from a fixed maximum number of securities to a fixed maximum percentage. A change to a fixed maximum percentage which was previously approved by shareholders will not require additional shareholder approval;
 - (ii) any change to the definition of the eligible participants which would have the potential of broadening or increasing insider participation;
 - (iii) the addition of any form of financial assistance;
 - (iv) any amendment to a financial assistance provision which is more favourable to participants;
 - (v) any addition of a cashless exercise feature, payable in cash or securities which does not provide for a full deduction of the number of underlying securities from the Plan reserve;
 - (vi) the addition of a deferred or restricted share unit or any other provision which results in participants receiving securities while no cash consideration is received by the Corporation;
 - (vii) a discontinuance of the Plan; and
-

- 8 -

- (viii) any other amendments that may lead to significant or unreasonable dilution in the Corporation's outstanding securities or may provide additional benefits to eligible participants, especially insiders of the Corporation, at the expense of the Corporation and its existing shareholders.
- (b) The Board may, subject to receipt of requisite regulatory approval, where required, in its sole discretion make all other amendments to the Plan that are not of the type contemplated in subparagraph 10(a) above including, without limitation:
 - (i) amendments of a housekeeping nature;
 - (ii) a change to the vesting provisions of a security or the Plan;
 - (iii) a change to the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date; and
 - (iv) the addition of a cashless exercise feature, payable in cash or securities, which provides for a full deduction of the number of underlying securities from the Plan reserve.
- (c) Notwithstanding the provisions of subparagraph 3.5(b), the Corporation shall additionally obtain requisite shareholder approval in respect of amendments to the Plan that are contemplated pursuant to subparagraph 3.5(b), to the extent such approval is required by any applicable laws or regulations.

3.6 Compliance with Legislation

The Board may postpone or adjust any exercise of any Option or the issue of any Shares pursuant to this Plan as the Board in its discretion may deem necessary in order to permit the Corporation to effect or maintain registration of this Plan or the Shares issuable pursuant thereto under the securities laws of any applicable jurisdiction, or to determine that the Shares and this Plan are exempt from such registration. The Corporation is not obligated by any provision of this Plan or any grant hereunder to sell or issue Shares in violation of any applicable law. In addition, if the Shares are listed on a stock exchange, the Corporation will have no obligation to issue any Shares pursuant to this Plan unless the Shares have been duly listed, upon official notice of issuance, on a stock exchange on which the Shares are listed for trading.

3.7 Effective Date

This Plan shall be effective on April 15, 2005, shareholder approval having been received at the Corporation's annual and special meeting held on May 16, 2005, as amended by the Corporation's shareholders effective May 2, 2007.
