**FIRST BANCSHARES, INC. REPORTS INCREASE IN RESERVES**

Mountain Grove, Missouri (July 29, 2005) - Charles W. Schumacher, President, Chief Executive Officer and Chairman of the Board of First Bancshares, Inc. (NASDAQ - FstBksh: FBSI) and its subsidiary, First Home Savings Bank ("Bank"), today announced that it would increase its allowance for loan losses by \$1,765,000 for the year ended June 30, 2005. The increase is in connection with the Bank's determination that there had been further adverse developments with respect to certain loans in the Bank's loan portfolio. The approximate after tax effect of this increase in the allowance for loan losses is a \$1,111,950 reduction in net income for the year ended June 30, 2005.

The additional reserve consists of three components. The first is a \$670,000 additional reserve allocation attributable to the Bank's largest substandard borrower with respect to certain collateral that secures the loans, which is as a result of a bankruptcy court ruling in favor of the Internal Revenue Service. The second is a \$870,000 additional reserve allocation attributable to a number of loans that were recently classified following an examination of the Bank by its federal and state regulators. The third is a \$225,000 additional reserve allocation attributable to the Bank's classification of asset process for determining the adequacy of its allowance for loan losses, which indicated, as a result of the historical loss experience of certain loan pools, an increase in the allowance was warranted.

The Bank is also evaluating any further potential liability it may have with respect to the letters of credit that were issued in connection with the loans to its largest substandard borrower. The Bank is unable, at this time, to estimate the amount of or range of additional costs and legal fees that may be incurred.

First Home Savings Bank is a state chartered savings bank and conducts its business from its home office in Mountain Grove, Missouri and nine full service branch facilities in Marshfield, Ava, Gainesville, Sparta, Theodosia, Crane, Galena, Kisse Mills and Rockaway Beach, Missouri.

Forward-looking statements:

Certain matters discussed in this press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements relate to, among other things, developments with respect to the impaired loan. These forward-looking statements are based upon current management expectations and may, therefore, involve risks and uncertainties. The Company's actual results, performance, or achievements may differ materially from those suggested, expressed, or implied by forward-looking statements as a result of a wide variety or range of factors including, but not limited to changes in credit and other risks posed by the Company's loan portfolio, the bankruptcy of the borrower and the Company's ability to collect on guarantees. Accordingly, these factors should be considered in evaluating forward-looking statements, and undue reliance should not be placed on such statements. The Company undertakes no responsibility to update or revise any forward-looking statements.
