FIRST BANCSHARES, INC. ANNOUNCES THIRD QUARTER FISCAL 2007 RESULTS

Edgar Filing: FIRST BANCSHARES INC /MO/ - Form 8-K

Mountain Grove, Missouri (April 23, 2007) - First Bancshares, Inc. (NASDAQ - FstBksh : FBSI), the holding company for First Home Savings Bank ("Bank"), today announced earnings for the third quarter of its fiscal year ending June 30, 2007.

For the quarter ended March 31, 2007, the Company had net income of \$192,000, or \$0.12 per share diluted, compared to net income of \$276,000, or \$0.18 per share diluted for the comparable period in 2006. Net income for the nine-month period ended March 31, 2007 was \$265,000, or \$0.17 per share diluted, compared to \$394,000, or \$0.25 per share - diluted for the nine month period ended March 31, 2006. The reduction in net income for both the quarter and nine-month periods ended March 31, 2007 when compared to the prior year is attributable to a reduction in net interest income, and increases in compensation and benefits expense, occupancy expense and professional fees. These items were partially offset by a decrease in the provision for loan losses, an increase in non-operating income and a slight decrease in other operating expenses.

Total consolidated assets at March 31, 2007 were \$241.6 million, compared to \$228.4 million at June 30, 2006, representing an increase of \$13.2 million, or 5.8%. Stockholders' equity at March 31, 2007 was \$26.6 million, or 11.0% of assets, compared with \$26.3 million, or 11.5% of assets, at June 30, 2006. Book value per common share increased to \$17.17 at March 31, 2007 from \$16.93 at June 30, 2006. The increase in equity was primarily attributable to net income of \$265,000 for the nine month period and to a positive change of \$170,000, net of taxes, in the market value of available-for-sale securities, net of the effect of income tax.

Net loans receivable increased \$12.4 million, or 8.7%, to \$154.4 million at March 31, 2007 from \$142.0 million at June 30, 2006. Customer deposits increased \$9.0 million, or 5.0%, to \$188.1 million at March 31, 2007 from \$179.1 million at June 30, 2006. Non-performing assets increased during the third fiscal quarter by \$2.2 million. This was the result of loans with two borrowers becoming non-performing. In one case, a borrower with loans totaling \$1.6 million, filed for bankruptcy protection. In the other case, a \$620,000 loan became non-performing when a pending sale of the collateral property failed to materialize. There are Small Business Administration guarantees on these loans and they have been included in the reserve analysis for the quarter ended March 31, 2007.

The Company currently has a stock repurchase plan in place. The plan, authorizing the repurchase of up to 164,336 shares, has been in effect since May 28, 2004. From May 28, 2004 through March 31, 2007, 94,918 shares had been repurchased under that plan at a cost of \$1,957,000 or an average cost per share of \$20.61. During the quarter ended March 31, 2007, 400 shares of common stock were purchased at a cost of \$16.65 per share.

First Bancshares, Inc. is the holding company for First Home Savings Bank, a FDIC-insured savings bank chartered by the State of Missouri that conducts business from its home office in Mountain Grove, Missouri, ten full service offices in Marshfield, Ava, Gainesville, Sparta, Springfield, Theodosia, Crane, Galena, Kisse Mills and Rockaway Beach, Missouri, and a loan origination office in Springfield, Missouri.

The Company and its wholly-owned subsidiaries, First Home Savings Bank and SCMG, Inc. may from time to time make written or oral "forward-looking statements," including statements contained in its filings with the Securities and Exchange Commission, in its reports to stockholders, and in other communications by the Company, which are made in good faith by the Company pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995.

Edgar Filing: FIRST BANCSHARES INC /MO/ - Form 8-K

These forward-looking statements include statements with respect to the Company's beliefs, expectations, estimates and intentions that are subject to significant risks and uncertainties, and are subject to change based on various factors, some of which are beyond the Company's control. Such statements address the following subjects: future operating results; customer growth and retention; loan and other product demand; earnings growth and expectations; new products and services; credit quality and adequacy of reserves; technology, and our employees. The following factors, among others, could cause the Company's financial performance to differ materially from the expectations, estimates and intentions expressed in such forward-looking statements: the strength of the United States economy in general and the strength of the local economies in which the Company conducts operations; the effects of, and changes in, trade, monetary, and fiscal policies and laws, including interest rate policies of the Federal Reserve Board; inflation, interest rate, market, and monetary fluctuations; the timely development and acceptance of new products and services of the Company and the perceived overall value of these products and services by users; the impact of changes in financial services' laws and regulations; technological changes; acquisitions; changes in consumer spending and savings habits; and the success of the Company at managing and collecting assets of borrowers in default and managing the risks of the foregoing.

The foregoing list of factors is not exclusive. Additional discussion of factors affecting the Company's business and prospects is contained in the Company's periodic filing with the SEC. The Company does not undertake, and expressly disclaims any intent or obligation, to update any forward-looking statement, whether written or oral, that may be made from time to time by or on behalf of the Company.
